The city tour this morning will be a combination of travelling via minibus and walking through this amazing city. The main sights will include; The King Abdullah Mosque also known as the Blue Mosque, is a landmark with its blue dome which internally is covered with Quranic inscriptions; The Citadel, situated on the city's highest hill, also includes the striking historic buildings of the Umayyad Palace and the Roman built Hercules Temple; and The Roman Theatre, a remarkable example of Roman Philadelphia, is set within the side of a hill with the capacity of 6000 seats. This afternoon we drive to Jerash and spend our time at this Middle East treasure located in the Gilead Hills. Amra Palace; a UNESCO site, is a wonderful example of an Umayyad desert complex, renowned for its amazing early Islamic art depicted throughout the many frescoes on the walls and ceilings. And Aszraq Castle, once the headquarters of Lawrence of Arabia, which he called the Blue Fortress. This afternoon we visit Madaba, a small Christian town with its collection of extraordinary mosaics, including the Great Map of Palestine (6th century). This morning we leave Amman and travel to Petra for a 2 night stay. Abandoned centuries ago, Petra was the rock cut stronghold of the Nabateans. Surrounded by imposing mountains and approached through a deep, narrow cleft in the rocks, known as the Siq, it is a unique and unforgettable place and, enhanced by the play of light and shadow, an altogether overwhelming experience. A guided orientation tour will take us to some of the key parts of this remarkable and ancient site. We'll take in the Colonnaded Street, the Royal Tombs and marvel at the amazing theatre, with its 8,000 seats carved from the solid rock, before a free afternoon to continue exploring at your leisure.

Marriott Hotel Petra

With spectacular views of the valleys and mountains of Petra, the Marriott Petra is an oasis in the desert. Whether you want to dine on a traditional Middle Eastern mezze, feast on Italian cuisine or enjoy a chilled glass of wine with a view, there's something for everyone in the variety of dining options available. After a hard day exploring, guests can take advantage of the spa facilities or relax by the pool. Most rooms have large picture windows with views of the Petra Valley.

You might also take the high road up to the Monastery, which is the largest of Petra's monuments and certainly worth the climb up to it. Towering to a height of 40m its doorway alone measures 8m in height. We also recommend a trip to El Beidha (or 'Little Petra' as it is known) or to the excavated Stone Age village where you can see the

Vaccinations & Protection

Jordan

Nothing compulsory, but we recommend protection against malaria, typhoid, tetanus infectious hepatitis and polio. Consult your travel clinic for latest advice on different prophylaxis available against malaria.

Preparing for your Trip

Climate

Jordan

During April to November days are generally sunny and hot without rain with temperatures around 32°C. In spring and autumn evenings can be cool and night temperatures can drop suddenly especially in the desert. Expect cold nights in winter (December to February) when temperatures can drop to around 0 degrees. Some rain should also be expected at this time of year.

Clothing

Lightweight clothing is essential in mid-summer, with a sun-hat and neck protection, though a sweater and light jacket are advisable for Wadi Rum. Early mornings throughout the year can be very cold in the desert and winters (Nov-Mar) in Jordan can be cold, so please bring suitable warm clothing. We recommend a waterproof and windproof jacket, fleece, hat and gloves for winter.

Women are advised not to wear shorts or dresses that are too revealing as this can attract unwelcome attention in the streets of Muslim towns - loose fitting trousers or slacks are ideal. Women should also cover their head and shoulders when entering a mosque and men should wear long trousers.

Equipment

A high factor suncream and good quality sunglasses are essential. Walking poles may be useful for steps and the walks around Petra. A personal water bottle and small torch are useful.

Footwear

We recommend taking lightweight walking/hiking boots with good ankle support, plus trainers or sandals for relaxing and travelling in.

Luggage: On Tour

One main piece and a daypack. Remember, you are expected to carry your own luggage - so don't overload yourself.

Luggage allowance on trip: 20kg
