Camping on riverside beaches, we sail along the Ganges to the spiritual city of Varanasi. In Nepal we discover Buddha's birthplace, search for one-horned rhinos, see the snow-capped Himalaya and explore the capital Kathmandu.

Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

DAY 2 Explore Old Delhi's spice market. Take a train to Jaipur

Compared to New Delhi, the Old City is much closer to the image conjured up by Rudyard Kipling. This morning, a local guide will show us around Old Delhi by metro and on foot, culminating with a jamboree of deafening barter at Chandni Chowk Bazaar. A short cycle rickshaw ride then takes us to the Jama Masjid mosque. Later in the afternoon we transfer to New Delhi station for the train journey to Jaipur, arriving in the evening. Sometimes called the 'Pink City', Jaipur was first painted terracotta pink by Maharajah Sawai Ram Singh to celebrate the visit of Prince Albert in 1853.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 3 Visit Jaipur's Amber Fort and City Palace Museum

This morning we will visit the once mighty Rajput capital of Amber (traditionally known as Amber) and its magnificent fortress. Lying at the mouth of a rocky mountain gorge, overlooking Maota Lake, the fort is a stunning creation of white marble and red sandstone that contains a dazzling mix of Hindu and Muslim ornamentation, including the breathtaking mirrored halls of the Sheesh Mahal. It was from these towering walls that the Kachchawahas ruled over their kingdom for some 7 centuries, until its importance was eclipsed by nearby Jaipur. We will also take in the unique Hawa Mahal, the famous Palace of the Winds, whose extraordinary façade of red and pink sandstone towers some 5 storeys above the city streets. Built at the end of the 18th century its 935 windows were designed to allow the women of the harem to gaze out on the city scene below without themselves being seen, the openings also creating a refreshing breeze (hawa), which kept the palace cool even in the hot summer months. We will spend some time exploring the lavish and well-preserved City Palace. Here, we will find a fine collection of textiles, costumes and armoury. Later this afternoon, we will visit the extraordinary Jantar Mantar – a star-gazing observatory built by Jai Singh, the great Maharajah-astronomer.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 4 Take a jeep safari in Ranthambore National Park

Leaving Jaipur we take the train to Sawai Modhopur, the gateway to Ranthambore National Park. One of the best of India's 'Project Tiger' conservation projects, Ranthambore was once the private reserve of the Maharajahs of Jaipur and encompasses nearly 400 square kilometres of lush jungle, turquoise lakes and ancient temples that provide a rich haven for crocodiles, leopards, tigers and some 300 species of birds. This is probably one of the best parks in the country for spotting tigers and during the dry season from September to May, when water is scarce, the animals stay close to the lakes and rivers, affording some ideal opportunities to search out these most elusive and magnificent of animals. We take a game drive in to the park this afternoon.

Overnight: **Standard Hotel**

Swimming Pool Available 

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 5 Visit Fatehpur Sikri; Drive to Agra

After an early morning game drive in the hope of spotting a tiger we head east, taking the train to Bharatpur and then driving onwards reaching the deserted city of Fatehpur Sikri late morning. Founded in 1569 and abandoned scarcely 16 years later, it is a perfectly intact example of Akbar's imperial court. Among the many noteworthy buildings is the 5-storied Panch Mahal, probably a pleasure pavilion for the ladies of the harem. In the centre of the courtyard is the Pachisi Board where the emperor played a game like chess with dancing slave girls as pieces. Perhaps the finest structure of all is the lotus shaped carved central pillar of the Diwan-i-Khas (Hall of Private Audience), its extraordinary capital supporting a vaulted roof. Later we drive on to Agra arriving in the afternoon.

Overnight: **Standard Hotel**

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 6 Visit the Taj Mahal; Overnight train to Allahabad

We visit the Taj Mahal, the world's most perfect and poetic building, at sunrise. Over 300 years have elapsed since its construction, yet it stands today, largely unscarred by age, its beauty and symmetry seemingly beyond man, time and space. Created by Shah

Jahan as a funerary monument to his favourite wife Mumtaz, it took 22 years to build (1630-52). The Great Moghul lies beside his beloved under the white marble dome. We'll visit the Agra Fort this afternoon; built by Akbar the Great, the fort stands in an imposing position on a bend in the Yamuna River with wonderful views of the Taj Mahal further along its banks. The fort contains some stunning and very intricate designs. There may be time before sunset to revisit the Taj, or to the exquisite Itimad-ud-Daulah (baby Taj) after which we drive to Agra train station to catch our overnight train to Allahabad. Please note: There is currently a restoration project taking place at the Taj Mahal, which involves applying a mud pack to the outer walls of the monument. In order to carry out the work, temporary scaffolding is being erected around the minarets and portions of the main dome. The work is being carried out in phases and is expected to continue until January 2017.

Overnight: **Simple Overnight Train**

Included Meals: Breakfast

DAY 7 Arrive Allahabad; sail to beaches downstream

After arriving in Allahabad early this morning we will head to a local hotel to freshen up and have breakfast, before continuing our journey by road for approximately 3-4 hours to the sacred River Ganges for the start of our boat trip downstream. The next two days will give a unique glimpse at rural life in India and a welcome chance to relax and unwind. We will float peacefully through the fertile Gangetic plain to Varanasi, passing villages and ornate temples, fields of wheat and rice paddies, and stunning sunsets. The traditional wooden boats take up to four passengers plus two crew, who have all grown up living and working on or around the river, who expertly row and sail the boat downstream. Every need will be catered for over the next two days; drinks will be available to purchase on the boats, we'll make regular comfort breaks by the side of the river and there will be a 'support boat' which doubles as the kitchen following closely behind, with a chef on board preparing your lunch and dinner. For our overnight stop we camp on a beach on the banks of the river in 2-man tents. The actual location we use will vary according to local conditions, but where ever we stop you'll be able to relax over dinner and gaze up at the stars before retiring to bed.

Overnight: **Simple Camping**

Your own tent available

Included Meals: Breakfast, Lunch, Dinner

DAY 8 Arrive Varanasi (Benares)

Today we continue our journey down river to the holy city of Varanasi where we disembark at Asi Ghat and transfer to our hotel. Varanasi (Benares) has been the centre of Hinduism since the dawn of history, its age is contemporary with Babylon and Thebes. Often known as 'Kashi' (City of Light) by Hindus it attracts over a million pilgrims each year - many of whom come to spend their last years here in the holy city. This evening you can return to the ghats to witness the evening aarti ceremony when the Ganga is venerated with a display of light and sound.

Overnight: **Standard Hotel**

Single Room Available

Included Meals: Breakfast, Lunch

DAY 9 In Varanasi; excursion to Sarnath

This morning we take an early morning boat trip along the Ganges to see the Hindu devout bathing in its sacred waters, before we visit nearby Sarnath. Having gained enlightenment at Bodh Gaya Buddha came to Sarnath to preach his first sermon. The city was at its peak in the 5th century, when it was a respected centre of religious activity, learning and art. Muslim invaders destroyed much of the city and today remains of several monasteries and stupas can be seen. The afternoon is left free in Varanasi to enable you to explore the labyrinth of streets, bazaars and temples that line the banks of the river or perhaps this evening, it may be possible to attend an optional classical musical performance.

Overnight: **Standard Hotel**

Single Room Available

Included Meals: Breakfast

DAY 10 Train and drive to Lumbini (cross Nepalese border at Sonauli)

We have a long yet interesting journey today (approximately 8 hours), as we head north across the Gangetic Plains, through remote towns and villages to the Nepalese border at Sonauli. We first take a train from Varanasi to the town of Gorphpur. This is the furthest we can travel by train so we switch to a bus and drive the remaining distance to Sonauli. We walk through customs and immigration into Nepal and meet our Nepalese bus which will transfer us to Lumbini where we spend the night.

Overnight: **Standard Hotel**

Single Room Available

Included Meals: Breakfast

DAY 11 Site seeing in Lumbini then drive to Chitwan National Park

We start our day with rickshaw sightseeing tour of Lumbini accompanied by a local guide. We will have the opportunity to visit the birth place of the Buddha Peace lamp and the monastery of peace pagoda. From here we drive (approximately 5 hours) which takes us through the Terai, the narrow forested lowland strip that stretches the full width of the southern border of Nepal. We will stop in Butwal en route so we can pick up some lunch and then aim to arrive at Chitwan in the late afternoon. The oldest and best known of the national parks in Nepal, Chitwan consists of swamp, tall elephant grass and dense forest, and is a natural habitat for tiger, the rare one-horned Indian rhino, leopard and sloth bear to name but a few. Once we arrive at the park we'll take a short afternoon village walk close to the park to orientate ourselves.

Overnight: **Standard Lodge**
Single Room Available

 **Included Meals:** Breakfast, Dinner

DAY 12 Search for wild rhino in Chitwan National Park

Once a private hunting ground, Chitwan is now a National Park, with thick tree cover and tall elephant grass sheltering a wealth of animals, most famously the one-horned rhino. Today you will be kept busy with many activities available, including jeep safaris searching out the rhino, bird watching, jungle walks and canoe trips along the Rapti River. The river trip will be dependent on the water level, floating silently down the Rapti River gives us the opportunity to spot many varieties of water birds and other wildlife. On a nature walk in the company of trained native naturalists you can walk along trails in the less densely forested parts of the park. An early morning bird watching walk near the river will reveal many of the 450 bird species that can be found in the park, especially kingfisher. A trained naturalist will help you get the best enjoyment and interest from these excursions.

Overnight: **Standard Lodge**
Single Room Available

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 13 Early morning birdwatching walk before driving to Pokhara

After a final early morning walk through the park we'll leave for Pokhara. The drive will take around 6 hours depending on the traffic and we will take a packed lunch to have along the way. We pass through the bustling town of Naryanghat Bazaar, then head north beside the River Trisuli to the 'wild west' town of Mugling at the confluence of the Marsyandi and Trisuli rivers, before reaching our final destination for today. Pokhara is a relaxed town situated on the banks of Lake Phewa Tal and set beneath the Annapurna Range. The afternoon is left free to wander through the town, to pick up some souvenirs at the many Tibetan handicraft stalls or just relax by the lakeside after the journey.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast, Lunch

DAY 14 Walk to the Peace Pagoda for views of the Himalaya

After breakfast this morning we stretch our legs by walking up through small villages to the Japanese Peace Pagoda. This beautiful lookout point offers wonderful views across to the Annapurna Range and back down to the town of Pokhara. After enjoying the views we walk back following a different path and stop to visit the Tibetan Tashiling Monastery. The afternoon is again free to relax in Pokhara. It is possible to hire mountain bikes and cycle around the lake, or take short walks. There is also the option to visit the Mountain Museum, an interesting museum dedicated to the history of Himalayan Mountaineering.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 15 Drive to Kathmandu

This morning we drive to Kathmandu (approximately 6 hours). We retrace our route back to Mugling, then continue heading east. Once we reach Naubise the road starts to climb and reaches a pass on the Kathmandu valley rim via a series of breathtaking zig-zags before descending to the city. We may have the chance today to take an optional trip to the Manakamana temple near Kurintar, time permitting.

Overnight: **Standard Hotel**
Single Room Available

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 16 Take a walking tour in Kathmandu

This morning, we have arranged a walking tour of this fascinating historic city, visiting the bazaar and temples of old Kathmandu, accompanied by a local Nepali guide. Much of the day to day life of Kathmandu takes place in the local bazaar: a fascinating mixture of people selling spices; potters spinning their wheels; rickshaw wallahs honking their horns and the ever present sacred cow wandering amongst it all. We end up in Durbar Square at the heart of the city. In the afternoon we plan to visit the temple of Pashupatinath on the banks of the Bagmati River, the holiest Hindu shrine in Nepal, and also to visit Bodnath, the largest stupa in the country and a destination for Buddhist pilgrims from all over Nepal.

Overnight: **Standard Hotel**

DAY 17 Tour ends Kathmandu

The tour ends this morning after breakfast.

Included Activities

Tiger Safari permit requirements

Ranthambore National Park is closely managed by the Indian Authorities. The number of vehicles permitted to enter the park at any one time is restricted and all game drives must now be booked and paid for well in advance. We recommend you book as early as possible in order to have the best chance of securing a space on a game drive.

In order to secure a booking we must provide your passport copy and full payment for the safari at the time of booking. Once a game drive has been booked no changes are permitted and the payment is non-refundable. In order to proceed with bookings we require the following: A scanned copy of your passport - you must carry your passport during the game drive and if you renew your passport before travelling then you will need to take both passports with you.

We book all of our game drives in shared jeeps, with a maximum of 6 passengers per jeep with a driver and naturalist guide. On occasion we will be sharing jeeps with non-Explore passengers. We will purchase seats for all passengers as soon as permits become available, usually 4 months prior, after this point it is not always possible to secure additional spaces.

We cannot guarantee the operation of any game drives until the necessary permits have been purchased. We aim to purchase the permits as soon as they are put on sale, whilst this is usually at 120 days before the date of the game drive on going changes to the booking system means that we cannot guarantee this.

Accommodation and Meals

Accommodation Notes

Accommodation in India is as varied as the country itself. On our tours we stay in a mix of hotels, heritage properties, camp sites and homestays. Standards do not equate to standards in the UK and it's best to approach each type of accommodation with an open mind. Service can be slow in places especially when travelling with a group. For the most part hotels do not have heating so in the winter months it can be chilly and if you feel the cold you may wish to ask for extra blankets. Hot water is not always available 24 hours a day in some of the smaller properties, and with a group staying you might find if you are showering last you may miss out on the hottest water.

Food & Drink

Included meals: 16 breakfasts, 5 lunches, 4 dinners included in the price of this trip. Please be prepared to pay for non-included meals. Please note that costs for drinks and meals can vary depending on location.

Budgeting for your Trip

You will need some extra money to cover meals and drinks not included in the trip price, any optional sightseeing, souvenirs and items of a personal nature such as laundry.

Food

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide. Local restaurants located off the beaten track may be less expensive, whereas an upmarket restaurant located in the centre of a major city may charge more.

India

Lunch £: 6.00

Dinner £: 8.00

Nepal

Lunch £: 7.00

Dinner £: 10.00

Water £: 0.50

Nepal

Bottle of Beer £: 3.00

Tipping - Local Crew

Although entirely voluntary, tipping is a recognized part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. Accordingly, you should allow £50 for tipping. Your tour leader will account to you for any organised tipping.

In order to make things easier for you, the Tour Leaders may organise a group's tips kitty and if this is the case, they will account for it throughout the tour.

Foreign Exchange

India

ATM Availability: ATMs are available in most large cities in India but they are very limited elsewhere so please do not rely on this.

Credit Card Acceptance: Very rarely, only in the larger outlets.

Travellers Cheques: Opportunities to exchange are limited.

Local Currency: Indian Rupee Recently new 500, 1000 and 2000 rupee notes have been brought in to circulation and as the old notes are no longer accepted there have been some cash flow issues. You don't need to worry about being given old notes as it's very easy to tell the difference, the new notes are pristine in comparison with most Indian money which is fairly tatty.

Recommended Currency for Exchange: GBP/US\$ are the best currency to change into local currency.

Where to Exchange: The Indian rupee is a restricted currency and it is best not to obtain in the UK as rates are very poor. You can either change money at the airport on arrival or in major towns during the tour. Your Tour Leader will advise you on the best places in each town. Both GBP and USD cash are easy to exchange at the airport and at hotels however you will be restricted to changing £60 cash at a time and it's not possible to change money at these locations using a credit or debit card.

Nepal

ATM Availability: Although you may occasionally find cash machines these are very unreliable – do not rely on plastic!

Credit Card Acceptance: Credit cards are not generally accepted except in larger establishments in Kathmandu.

Travellers Cheques: Travellers cheques are not accepted as a valid mode of payment in Nepal.

Local Currency: Nepali Rupee.

Recommended Currency for Exchange: US\$ or GBP.

Where to Exchange: In major cities and towns

Preparing for your Trip

Climate

India

There is considerable variation between the different regions of India but, in general, the climate is tropical. Summer temperatures on the plains are very hot, but cooled by the South-West Monsoon, which lasts from June- September. During these months it can be very wet and therefore very humid. At altitude, temperatures can become quite cool at night even in the summer and may drop below freezing between December and February so warm clothing is necessary. In the winter, northern and mid India can be very cool, with cold evenings, so warm clothing, including plenty of layers, are essential. The south of India remains warm and sunny during the winter months.

Nepal

Temperatures in the lower altitude regions are extremely pleasant. At Pokhara variations in temperature are very limited: from the coldest recorded of 8°C (46°F) to the highest of 31°C (88°F). The mountains are best admired, with greater air clarity, from October to January, while from February to May the skies may be hazy. Monsoon rains are strongest in June, July and August. The coldest months are December and January.

Clothing

Lightweight clothing is needed from March to November, December through to February is cooler especially early mornings and evenings with the occasional very cold spell for which you should be prepared. You should bring a fleece and a woolly hat and gloves for the early morning game drives and camping. Thermals may also be useful for camping. Local people may be offended by western styles of dress. Brief shorts, tight fitting clothing, etc. should be avoided by both men and women.

Equipment

Bring a 2-3 season (temperature -5°C to 0°C) sleeping bag for the Ganges Sailing (a sleep sheet is sufficient in Sep/Oct and April), a torch and a personal water bottle. Tents (with mosquito screens), mattresses, 2 blankets per passenger (Nov- Mar), eating and drinking utensils are provided locally.

Footwear

Comfortable walking shoes, trainers and sandals.

Luggage: On Tour

One main piece of baggage and a daypack. Remember - porters are not always available, so don't overload yourself.

Luggage allowance on trip: 20kg

Transport

Travelling on an Indian train is a fantastic experience, with millions using the rail network every day it is the perfect opportunity to meet local families.

For all the train journeys on our trips, we will reserve your seats/berths in advance in 2nd class with air conditioning. Whilst we'll try to ensure the group is all together, due to overwhelming demand and the system for booking train tickets in India, it may not always be possible to have everyone in the same carriage and some reservations may be in 3rd class. In such cases our Tour Leaders will help everyone to find their seats and ensure you get the most out of your journey. For overnight trains, each berth is separated by curtains and has 4/6 bunk beds. Bedding (sheet, blanket and pillow) is provided but you may wish to bring your own sleeping liner for added comfort. Train travel in India is safe and civilised but for added security whilst you sleep it may be a good idea to bring a bike lock for your bags. If you do not wish to carry one with you, your tour leader can help you to purchase one locally before your train journey.

Please note that in January train journeys can sometimes be affected by fog. This may result in some last minute changes to the itinerary. In this eventuality we will endeavour to stick to the itinerary as closely as possible and will cover any extra costs incurred.

In order to make reservations on Indian trains and guarantee the smooth operation of your trip, we require your full passport details. It is important that we receive these details as soon as possible so we are ready to make the arrangements as soon as train tickets are available to buy.

Cool Earth

Explore are proud to support Cool Earth in their effort to reduce global carbon dioxide levels through the prevention of deforestation in the South America rainforest. Cool Earth focus on areas in immediate danger of deforestation, supporting local communities to be forest guardians. To date 350,000 acres of rainforest has been protected. Saving rainforest also protects rare animals and plants, allows local forest communities to maintain their way of life, and protects a major source of oxygen and fresh water. When you travel on an Explore holiday we make a donation to Cool Earth that exceeds the impact of our customers flights each year.

Earth Matters

We are passionate about sustainable travel and work hard to create tours where your holiday delivers real benefits to the local communities. We minimise our impact by travelling in small groups, respecting local cultures, reducing waste and offsetting 100% of the CO2 from our flights.

When you travel with Explore, you are directly contributing to local economies and helping empower the people you meet. We currently support a range of charities and good causes, including: Toilet Twinning (helping to flush away poverty), Lone Buffalo Foundation (a community project based in Laos providing creative skills for young people) and have recently supported women's cooperatives in Borneo and Morocco. We are a member of Tourism Concern's Ethical Tour Operator Group (www.tourismconcern.org.uk) and support their campaign for fair and ethical tourism. We also care passionately about the world's wildlife and actively support and promote the Born Free Organisation and Mahouts Elephant Foundation.
