DAY 1 Join tour in Khartoum

Our tour begins in Khartoum, Sudan's vibrant capital city which comprises of both a permanent and nomadic population. Khartoum is located at the confluence of the White and Blue Nile and the point where the two rivers converge is called Al-Mogran. It is said that the 2 different colours of the river branches can be seen before they meet to feed the iconic Nile river.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** None

DAY 2 Omdurman Souk and lunch on the Nile

After an early morning arrival there is the opportunity for those travelling on the group flight to freshen up. We then begin our exploration of the city with a visit to the tomb and small museum of the Mahdi, the Islamic leader of the Sudan who fought in 1885 against General Gordon and English colonisation. After lunch, in a typical local restaurant that overlooks the Nile, we make the short drive to Omdurman. Once the old capital city of Sudan, Omdurman is famed for its huge colourful souk.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast, Lunch

DAY 3 Visit of Coptic Christian Temples at Old Dongola

Leaving behind the city of Khartoum we get our first glimpse of the Nubian desert as we drive up to Old Dongola, a deserted old town on the east bank of the Nile. Here we visit two Coptic Christian temples decorated with marble columns. Old Dongola was an important city in medieval Nubia, so is a great place to start our Nubian experience. Tonight we will wild camp in the desert, an immersive experience that will never be forgotten.

Overnight: **Standard Tented Camp**
Your own tent available

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 4 Temple of Soleb and overnight stay in Nubian house

Today we continue our exploration of this fabulous region, first of all we will visit a local village and meet the local people before crossing the Nile and driving north to Soleb. At the Temple of Soleb we spend time at what is considered to be one of, if not the most beautiful Egyptian temple of all Sudan. Standing as a testimony of the New Kingdom in Nubia, its many walls are rich in hieroglyphic inscriptions and bas-relief figures. In the nearby village we totally immerse ourselves in village life with a stay in a traditional house. Here the population speaks a different language from the Arabs and the Islamic religion is not as 'strict' as in other regions of northern Sudan. The women don't cover their faces and readily speak to foreigners. The villages are beautiful, sandwiched between sand dunes and palm trees, the houses are painted and decorated with intricate patterns and flowers. Enthusiastic hospitality abounds - the local Nubian people will often invite visitors into their homes to share a meal or a cup of spiced tea. We stay in a large Nubian house where one of the buildings has been allocated for the weary traveller. For those who prefer sleeping under the stars you are welcome to put your tent up in the courtyard.

Overnight: **Standard Tented Camp**
Your own tent available

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 5 Visit the Temple of Sesibi, experience Sudanese hospitality

Moving south down the Nile we reach the remains of the temple of Sesibi. We eventually reach the granite boulders of the Third Cataract which used to be the third huge obstacle that the ancient Egyptians had to face when trying to sail on the Nile River. In Sebu, right on the river bank of the Nile it is possible to visit one of the richest sites of rock engraving of all Sudan with hundreds of images from prehistoric to Egyptian times. Not far from here, among the rocks near the village of Tombos, there are the granite quarries and the remains of a huge statue of the King Taharqa, simply left there in the desert 3000 years ago.

Overnight: **Standard Guesthouse**
Single Room Available

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 6 Exploring the mud temple Deffufas of Kerma

This morning we continue to move south to the ancient city of Karima, a city that was first settled in 2400BC. Once in Kerma we will visit the famous Deffufas, the mud brick temples where ceremonies were performed. There are the east and west Deffufas, both temples very different in size and repair but incredibly fascinating. There is also a museum at the site to cement the knowledge learned during this visit. We will then drive east to cross the Nubian Desert and make our way to our rest house for the evening.

Overnight: **Standard Guesthouse**
Single Room Available

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 7 Petrified forest and sunset trip to Jebel Barkal

The small town of Karima lies at the foot of the Jebel Barkal. This landmark in the Nubian Desert, Jebel Barkal (Jebel means mountain in Arabic) can be seen from many kilometres away whilst still in the open desert. At the foot of this wonderful isolated red sandstone mountain, considered holy since the ancient times, there is a large temple dedicated to the Pharaohs of the New Reign. Heading southwards to the village of El Kurru where there is the necropolis of the ancient capital, Napata. Here we visit a tomb, which was excavated in the rock under pyramids - partially collapsed - and are totally decorated with images of the Pharaoh, of the gods and multicolour hieroglyphic inscriptions. Before returning to Karima we then continue through the Nubian desert and visit a petrified forest with thousands of fossilised trunks. We will take a sunset walk to Jebel Barkal.

Overnight: **Standard Guesthouse**
Single Room Available

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 8 Nile cruise and afternoon visit of the Pyramids of Nuri

After breakfast, we visit the market in Karima, where we get a real insight into the everyday life of the Sudanese people before heading through the Nubian Desert with its level evenness, its sand stretches and its soft undulation. It is an almost sterile area where no vegetation survives. Until 2008 this drive would take you to the beautiful granite rocky formations of the 4th Cataract where the Nile ran turbulently among rocks forming rapids and a beautiful wild landscape, making navigation of the river very difficult. However in April 2008 the new Dam of Merowee was completed and following flooding and artificial lake was created. We take a cruise on the Nile taking the opportunity to walk on the small islands to explore the sandy beaches along the river edges. In the afternoon we cross the Nile to and spend time at the Pyramids of Nuri.

Overnight: **Simple Village House**

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 9 Driving through the Bayuda Desert to Meroe

We cross the Nile again this morning and then we experience off road driving through the Bayuda desert. We continue for few hours before hitting the asphalt road for 100kms and then back on to desert trails to reconnect with the Nile. This journey is likely to take around 7 hours, though the scenery and environment keeps us occupied and enthralled. If we are lucky then we may see Bisharin nomads in the desert, rarely seen by westerners. Once we reach the Nile, a pontoon (local ferry) is used to cross before we reach our fixed camp at magical Meroe.

Overnight: **Simple Village House**

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 10 Explore the Royal Necropolis and the Royal City of Meroe

The Royal Necropolis of Meroe is located about 3 km from the Nile on hills covered by yellow sand dunes. Several pyramids stand out with their sharp shapes against the clear sky. Nubian pyramids have no mortuary room inside, the real tomb is dug inside the rock below and is connected with the outside with an inclined tunnel with a small temple at its entrance. The walls are fully decorated with bas-reliefs that show the King's life and the gods. There's the opportunity here to take a camel ride (optional). In the afternoon we move along the Nile to visit the ruins of the royal city. The excavations confirm that the town of Meroe used to cover a large area and the royal city was located in a central position, surrounded by suburbs and a boundary wall. Most of the area where the city is located, formed by many small hills covered by red clay fragments, has still to be excavated by the archaeologists.

Overnight: **Simple Camping**
Your own tent available

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 11 Market of Shendi, trip to temples at Naga, return to Khartoum

Leaving Meroe behind we visit the daily market in Shendi, before heading to Musawwarat El Suфра where we'll visit the Elephant and Lion Temples. We then move on to the ancient site of Naga. Here we see the temple of Apedemak (1st century AD), a beautiful sandstone building with walls engraved with the images of the Meroitic kings and gods. Nearby is another temple, in Greek/roman style, called 'Kiosk', and another with the remains of statues of rams which was recently discovered in the sands by a German archaeological mission. This afternoon we return to the capital, Khartoum for our final dinner to reminisce about our Sudanese adventure.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast, Lunch
