This morning we visit the Maharajah's Palace and also see the enormous monolithic sculpture of the sacred bull Nandi standing halfway up the Chamundi Hill. The rest of the day is left free to explore at your own pace. You may wish to visit the Srirangapatnam Palace outside the city or see the historic art gallery in Jagannathan Palace. In spring, the scent of jasmine fills the air, making Mysore a city of true oriental splendour.

We then transfer to the coastal city of Kochi.

DAY 7 Explore Fort Kochi and the Jewish Quarter

Kochi has been a gathering place of merchants since antiquity and is full of bustling traders. Fort Kochi is the oldest European settlement in India (1500), and has a mixture of English, Dutch and Portuguese influences. The Mattancherry Palace was built by the Portuguese in the 16th century, but extensive renovations by the Dutch some hundred years later earned it the name the Dutch Palace. It has some of the best murals in India, depicting scenes from the Ramayana and other great legends. We will take a tour

by river-craft to Fort Kochi, passing Bolgatty Island and seeing the cantilevered Chinese Fishing nets. We also visit St Francis Church before a free afternoon for personal exploration.

Overnight: **Premium Hotel**

DAY 8 Spend the night on a houseboat in the backwaters

Today we visit the Jewish synagogue in Kochi before driving to the most beautiful stretch of inland waterways in Kerala - over 80km of Malabar backwaters winding under the lush leaves of coconut palms. We board our houseboat for an exotic journey, chugging in unhurried style on waterways used by villagers commuting from village to village. The people are a colourful mix of high born Nayas, traditionally inheriting property through the mother; Brahmins, once priests but now mainly professional workers; Dravidians, speaking their own language and Christians, Jews, Muslims and Chinese - an attractive, friendly melée of different types, often looking somewhat incongruous with their black umbrellas to ward off the tropical sun. Keep an eye open for the rich variety of birdlife along the waters edge. We dock in the middle of the waterways and relax as we watch the sun go down.

Overnight: **Simple Boat**

Rising above the temple, above the festive pandemonium of swirling crowds of pilgrims that never seem to cease, are 12 stupendous towers. A short distance away is the Tirumalai Nayaka Palace, a blend of Hindu and Saracen architectural styles. Recent restorations include repainting the carvings and stone-work in their original colours - a startling effect. This afternoon you are free to explore this bustling temple town at leisure, taking in a trip to the Gandhi Museum, soaking up the vibrant colours and floral aromas. browsing through silver, craft and carpet shops or even ordering tailor-made outfits from one of the many bazaars.

Accommodation and Meals

Accommodation Notes

Accommodation in India is as varied as the country itself. On our tours we stay in a mix of hotels, heritage properties, camp sites and homestays. Standards do not equate to standards in the UK and it's best to approach each type of accommodation with an open mind. Service can be slow in places especially when travelling with a group. For the most part hotels do not have heating so in the winter months it can be chilly and if you feel the cold you may wish to ask for extra blankets. Hot water is not always available 24 hours a day in some of the smaller properties, and with a group staying you might find if you are showering last you may miss out on the hottest water.

Food & Drink

Included meals: 13 breakfasts, 1 lunch, 1 dinner included in the price of this trip. Please be prepared to pay for non-included meals. Please note that costs for drinks and meals can vary depending on location.

Budgeting for your Trip

You will need some extra money to cover meals and drinks not included in the trip price, any optional sightseeing, souvenirs and items of a personal nature such as laundry.

Food

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide. Local restaurants located off the beaten track may be less expensive, whereas an upmarket restaurant located in the centre of a major city may charge more.

India

Lunch £: 6.00

Dinner £: 8.00

Drink

The prices for drinks can vary greatly depending upon location and the prices detailed below are an average guide. In general you would expect that drinks purchased in a supermarket or local bar to be less expensive, whilst drinks in an upmarket bar or restaurant may be more expensive.

India

Bottle of Beer £: 1.40

Water £: 0.50

Other Sightseeing & Activities

The following excursions and/or activities are usually available and may be arranged locally. Estimated costs are provided below for guidance only, are on a per person basis unless shown otherwise, and may depend on the number of participants. Prices quoted are correct as of the date these tour notes were originally issued but may change at any time due to currency fluctuations.

Please note: These activities are booked and paid for direct with the supplier and do not form part of your Explore holiday contract.

Optional Excursions

Thekkady - Spice plantation £5 (Including transport)

Kochi - Traditional Kathakali Dancing £3.00.

Udhagamandalam - Tea Factory £2.00; guided walk to tribal village £7.00.

Tipping - Tour Leader

At your discretion you might also consider tipping your Tour Leader in appreciation of the efficiency and service you receive.

Tipping - Local Crew

Although entirely voluntary, tipping is a recognized part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order to make things easier for you, the Tour Leaders may organise a group's tips kitty and if this is the case, they will account for it throughout the tour.

Accordingly, you should allow £40 for tipping.

Foreign Exchange

India

ATM Availability: ATMs are available in most large cities in India but they are very limited elsewhere so please do not rely on this.

Credit Card Acceptance: Very rarely, only in the larger outlets.

Travellers Cheques: Opportunities to exchange are limited.

Local Currency: Indian Rupee Recently new 500, 1000 and 2000 rupee notes have been bought in to circulation and as the old notes are no longer accepted there have been some cash flow issues. You don't need to worry about being given old notes as it's very easy to tell the difference, the new notes are pristine in comparison with most Indian money which is fairly tatty.

Recommended Currency for Exchange: GBP/US\$ are the best currency to change into local currency.

Where to Exchange: The Indian rupee is a restricted currency and it is best not to obtain in the UK as rates are very poor. You can either change money at the airport on arrival or in major towns during the tour. Your Tour Leader will advise you on the best places in each town. Both GBP and USD cash are easy to exchange at the airport and at hotels however you will be restricted to changing £60 cash at a time and it's not possible to change money at these locations using a credit or debit card.

Preparing for your Trip

Climate

India

There is considerable variation between the different regions of India but, in general, the climate is tropical. Summer temperatures on the plains are very hot, but cooled by the South-West Monsoon, which lasts from June- September. During these months it can be very wet and therefore very humid. At altitude, temperatures can become quite cool at night even in the summer and may drop below freezing between December and February so warm clothing is necessary. In the winter, northern and mid India can be very cool, with cold evenings, so warm clothing, including plenty of layers, are essential. The south of India remains warm and sunny during the winter months.

Clothing

Bear in mind that the area is tropical with high humidity. Light weight clothing is needed all year round with some warmer clothes for cooler evenings, particularly in winter (November-March) in the Nilgiri Hills. Due to the high chance of rain between October and December, it is advisable to take a rain jacket or umbrella during this time. Casual clothes are the most practical: tight fitting garments, brief shorts and skirts should be avoided, since they attract unwelcome attention. Shoes must be taken off for temple visits and you must always cover up arms and legs when going inside. You may want to take an old pair of socks to the temples as the floor can get very hot and difficult to walk on.

Equipment

A torch is useful in case of powercuts/ emergencies.

Footwear

Comfortable shoes and sandals.

Luggage: On Tour

One main piece of baggage and a daysac. Remember hotel porters are not always available, so don't overload yourself. Soft bags are preferable.

Luggage allowance on trip: 20kg

Transport

Travelling on an Indian train is a fantastic experience, with millions using the rail network every day it is the perfect opportunity to meet local families.

For all the train journeys on our trips, we will reserve your seats/berths in advance in 2nd class with air conditioning. Whilst we'll try to ensure the group is all together, due to overwhelming demand and the system for booking train tickets in India, it may not always be possible to have everyone in the same carriage and some reservations may be in 3rd class. In such cases our Tour Leaders will help everyone to find their seats and ensure you get the most out of your journey.

In order to make reservations on Indian trains and guarantee the smooth operation of your trip, we require your full passport details. It is important that we receive these details as soon as possible so we are ready to make the arrangements as soon as train tickets are available to buy.
