Your trip itinerary

Tour itinerary notes

While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested.

Your Tour Leader

A Tour Leader is an integral part of any Explore tour and your tour will be led by one of our experienced tour leaders who have been handpicked and expertly trained. We believe that our Tour Leaders are the key to the success of our tours; they are passionate travellers who are bursting with first-hand local knowledge which they love to share. Your tour Leader will also take care of all the planning and organization throughout your journey. Their passionate approach will make this tour fun and inspiring, bringing the destination to life whether you're travelling alone or with others.

DAY 1 Join tour in Negombo

Our tour begins this afternoon in the small fishing town of Negombo. Located just 15 minutes drive from Colombo Airport we can check in and recover from the flight.

Jetwing Blue

The Jetwing Blue hotel is a lovely beach front property, located within the resort town of Negombo. The hotel is bright, modern and stylish, offering beach front dining and a spa. Each room has either a balcony or terrace with ocean views and all have modern facilities.

Single Room Available

 **Included Meals:** None

DAY 2 Travel to our campsite at Willpaththu National Park

Leaving the capital, our journey takes us northwards along the coast to the fishing port of Negombo. We will pause to visit a nearby fishing village where the catch is made in traditional style large outrigger canoes, known locally as 'oruvas'. We may also see the toddy tappers climbing tall coconut trees and collecting sap from the flowers to make Arrack, a local whisky type spirit. Our destination is a campsite based on the outskirts of Willpaththu National Park. We choose to visit this park, rather than the more touristy Yala National Park further south because we believe it offers our customers a better experience. The same animals can be seen here as in Yala, however it is less crowded, making our visit more enjoyable and responsible. We spend two nights here in fixed tents with beds, all linen and towels provided. The campsite has shared bathroom facilities with flushing toilets.

Mahoora Tented Camp Wilpattu

Located on the edge of Wilpattu National Park, the Mahoora Tented Camp offers a complete experience to your time in the area. The fixed tents have beds, mosquito nets, en suite facilities and outdoor living area. A fruit platter and umbrellas are also provided. In the evening guests can relax around the camp fire with with dinner and drinks.

Your own tent available

 **Included Meals:** Breakfast, Dinner

DAY 3 Take two game drives in search of leopards

Today we take two game drives in to Willpaththu National Park with a trained naturalist. Despite Wilpatu National Park's location in Sri Lanka's dry zone, it boasts nearly 60 lakes and is renowned for leopard, elephant and sambar deer spottings. The group will be split up in to jeeps and explore the park in the hope of spotting a leopard.

DAY 4 Visit a giant Buddha and the cave temples at Dambulla

Leaving Willpaththu we pause to view the magnificent Standing Buddha of Aukana, which stands 12 meters high. Sculptured in the 5th century by a master craftsman, it is still relatively isolated in its jungle setting. We then drive to Dambulla, where a great series of caves have been turned into temples (dating from the 1st century BC). We will visit five separate caves, which contain a large number of Buddha images and a few sculptures of Hindu Gods. In one of the caves there is an incredible Reclining Buddha measuring 14m long! This World Heritage Site is visited by crowds of worshippers. We reach our resort in Dambulla in the late afternoon.

Amaya Lake

Amaya Lake is set amid beautiful gardens, with rooms spaced out over the grounds and views of Kandalama Lake. There is a relaxed and peaceful atmosphere and each room has its own private terrace. The comfortable rooms have contemporary furnishings with a taste of Sri Lanka in the design. There is a choice of restaurants and bars, a large pool with plenty of sunloungers and spa.

Single Room Available

 **Included Meals:** Breakfast

DAY 5 Climb Lion Rock and explore ancient Polonnaruwa

In the morning we drive to Sigiriya where we climb to the Sky Fortress. The ruins of this 5th century fortress are one of Sri Lanka's major attractions, a stupendous sight to behold and a feat of consummate engineering skill. A switchback series of steps and steel stairways (sometimes steep and challenging) ascend to the top. Halfway up, tucked beneath a sheltering overhang of rock, are the famous frescoes - the Sigiriya Damsels, their colours still glowing. Magnificent views can be enjoyed from the summit of the rock palace. After lunch we explore the ancient city of Polonnaruwa, which reached its height of glory in the 12th century. The city still has many interesting and spectacular buildings and monuments. There is the Royal Palace Group with its Audience Hall, Bathing Pool and Quadrangle - a very compact collection of ruins. Close by is the Circular Relic House, a curious round structure with a beautifully preserved moonstone carved at the foot of a flight of steps. Another famous feature of the deserted city is the group of carved images of the Buddha known as Galvihara. Here there are four colossal figures, all of which are hewn out of solid granite. Later in the afternoon we return to Dambulla.

DAY 6 Drive to Kandy and visit the Temple of the Tooth

Lying in the mountains 112km northeast of Colombo, Kandy is, in climatic terms, a world apart due to its altitude of 500m above sea level. The town was captured by the British as late as 1815, and is known more for its cultural and spiritual importance rather than its history. Buddhists from all over the world come to this delightful old highland town, specifically to visit the Temple of the Tooth, the Dalada Maligawa. The costly jewelled shrine of the Holy Tooth (said to be 3.5cm long by 1cm thick and Buddha's left canine) is kept in the upper floor of the original building. This relic was brought from India 1,500 years ago and every year, at the time of the August full moon, it is paraded round the town with great pomp and circumstance. During this ten-night festival of Perahera, the Tooth (or a model of the original) is borne along on a richly decorated elephant, surrounded by saffron-robed monks and Kandyan dancers. Kandyan dancers can also be seen performing every night at one or two locales around town. This afternoon's sightseeing includes attending the Temple of the Tooth Ceremony and a visit to the Peradeniya Botanical Garden.

Amaya Hills

Built in the style of a Kandyan Palace and set among the picturesque hilltops of Kandy, Amaya Hills offers a breathtaking retreat with stunning views of the forested surroundings. Along with an open-air restaurant and bar the hotel benefits from a spa and fitness centre. There is a large pool overlooking the valley and plenty of space to relax poolside.

DAY 8 Visit a tea factory en route to Nuwara Eliya

This morning we head off across the highlands, through green rolling hills covered in tea plantations, visiting a working tea factory en route to the hill station of Nuwara Eliya. After checking into our hotel we'll take a tour around this little town, known as Little England, famous for its lake, golf and race course and well manicured gardens.

Grand Hotel

With award winning gardens the Grand Hotel offers plenty of space to relax whether that's in the restaurant or coffee shop overlooking the grounds or with a treatment in the spa. Formerly the residence of the Governor of Sri Lanka from 1830-1850, the hotel is built in a Tudor style, typical of Little England. Rooms are spacious with traditional decor and most offer views over the gardens.

Included Meals: Breakfast

DAY 9 Take a walk on Horton Plains or relax in Nuwara Eliya

We head out this morning to Horton Plains, situated on Sri Lanka's highest plateau between altitudes of 2000m and 2300m. Traditionally named Mahaeliya, the park's main attraction is the thrilling escarpment known as World's End which offers stunning views across the tea plantations. We aim to trek to World's End in the morning when the air is clear and the views are best. Although the area is now devoid of elephants, we may be lucky enough to see other flora and fauna such as sambar deer. Returning to the hotel in the early afternoon, there is time to refresh and relax; maybe even a round of golf on the adjacent golf course!

DAY 10 Drive to Galle and take a walking tour of the fort

Today we make our way to the coast and the pretty town of Galle. Although there is still evidence of damage from the 2004 tsunami all along this coastline, the international relief effort has put the area on a fast path to recovery; and the brand new infrastructure is allowing local communities to benefit from tourism once again. In the late afternoon we visit the old, walled town of Galle itself. Important as a trading port for the Portuguese since the 16th century when the fortress was constructed, it has undoubtedly been a trading centre since ancient times.

Jetwing Lighthouse Hotel and Spa

Just a couple of kilometres from Galle, the Jetwing Lighthouse Hotel is a lovely property situated directly on the coast and designed by the iconic architect Geoffrey Bawa. The large hotel has a variety of dining options, including a romantic meal on the rocks right on the seafront. There is a spa, two good-sized pools, a gym and complementary Wi-Fi is available for all guests.

DAY 11 A free morning in Galle before driving to Beruwala

Galle has a variety of activities and attractions to occupy your free time. You may choose to hire snorkelling equipment and explore the corals or take a sea trip around the coast. Alternatively travel up river past small largely uninhabited islands. There is plenty to see particularly in the old fort area, which was designated as a World Heritage Site in 1988. Overlooking the sea, the fort ramparts protect the harbour, old houses, churches, warehouses and the Arab quarter. Between December and April there may be the opportunity to go on a whale watching trip from nearby Mirissa. In the late afternoon we drive up the coast to Beruwala.

Accommodation and Meals

Accommodation Notes

Traditional Sri Lankan cuisine is excellent, and although it can be very spicy there are many dishes that feature cooling coconut milk or have a spicy sambhar on the side to allow you to adjust the meal to your taste. There isn't a culture of eating out in Sri Lanka, most locals will eat at home, and as such there are very few restaurants around, and those that exist tend to be in hotels. As tourism develops a few independent restaurants are beginning to appear, mainly in Colombo but also in Kandy, Galle and in the coastal resorts. During the tour we will endeavour to eat out at local restaurants wherever possible but for many nights, at this point in time, the hotel restaurants are the only option available.

Food & Drink

Included meals: 13 breakfasts, 1 lunch, 2 dinners included in the price of this trip. Please be prepared to pay for non-included meals. Please note that costs for drinks and meals can vary depending on location.

Budgeting for your Trip

You will need some extra money to cover meals and drinks not included in the trip price, any optional sightseeing, souvenirs and items of a personal nature such as laundry.

Food

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide. Sri Lanka

Water £: 1.00

Preparing for your Trip

Climate

Sri Lanka

Year round high temperatures in coastal regions: Colombo averages 27°C. It is much cooler in the hills with Kandy averaging 20°C and Nuwara Eliya down to 16°C. Springlike temperatures in the hill country, but chilly evenings. Two monsoon periods: Apr-Sep when rain is confined to the southwest; and Oct-Mar when it falls in the northeast.

Clothing

Select your clothes carefully, bearing in mind that the climate is tropical and that upland areas are cooler and more temperate. Lightweight rainwear is also essential, and warmer clothing for the highland walks and chilly night temperatures in the mountains. When visiting religious sites you will need to dress respectfully by covering you knees and shoulders as well as taking off your shoes and hats. You may like to wear socks for temple visits as the ground can get very hot and burn the soles of your feet. You will need to bring long trousers, or buy a sarong locally.

Equipment

A water bottle is recommended for walks. There are leeches in the highlands and you may wish to consider bringing leech socks with you.

Footwear

Lightweight shoes and sandals. You may consider taking some walkingshoes/boots for the visit to Hortons Plain.

Luggage: On Tour

One main piece of baggage and a daypack. Remember, hotel porters are not always available, so don't overload yourself.
