## Active Sri Lanka!

Join us on an action-packed adventure across this spiritual island. We cycle backroads to discover ancient Buddhist cities, trek through verdant mountains and raft the white waters of the Central Highlands. We search for leopard in Willpaththu National Park and relax on the white sandy beaches of this tropical paradise known as 'Buddha's Island'.

### Kandy Perahera

Every year there is a spectacular 10 day Festival in Kandy called the Esala Perahera. A replica of the famous Buddha's tooth relic is paraded around the town followed by a huge number of performers and elaborately adorned elephants. The scene is noisy, colourful and tremendous fun. If you travel on the 24th July 2017 departure you will be able to see this spectacle while you are in Kandy.

### Why Book this trip

This tour is ideal if you are looking to combine Sri Lanka's cultural highlights with some active adventure. The rafting, cycling and walking are all fairly gentle and suitable for all levels of fitness and are a great way to get off the tourist trail.

### Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

### Accommodation Grade: Standard

Our mid-range accommodation offers a good level of service often with other amenities such as a restaurant, bar, garden or swimming pool. Generally rooms will be comfortable with en-suite facilities.

### Tour Style: Classic

Packed with adventure, these tours offer inspiring destinations and authentic travel experiences at a reasonable price. Using all kinds of transport and accommodation, we'll take you off the beaten track to discover the true heart of the people and places you visit.

### Tour Pace: Moderate

These moderately paced tours provide some busy days with plenty of experiences to enjoy, as well as time to relax along the way.

## Your trip itinerary

### Tour itinerary notes

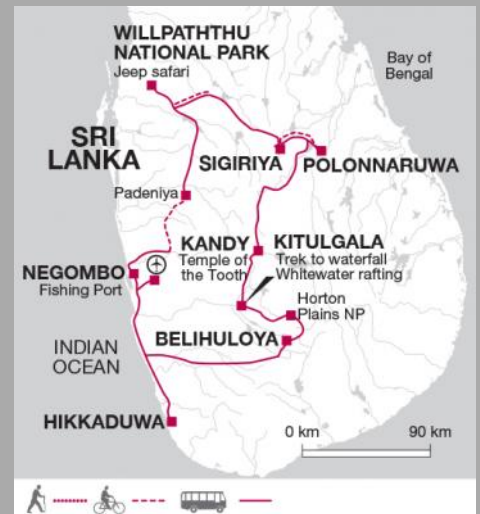

While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested.

### Your Tour Leader

A Tour Leader is an integral part of any Explore tour and your tour will be led by one of our experienced tour leaders who have been handpicked and expertly trained. We believe that our Tour Leaders are the key to the success of our tours; they are passionate travellers who are bursting with first-hand local knowledge which they love to share. Your tour Leader will also take care of all the planning and organisation throughout your journey. Their passionate approach will make this tour fun and inspiring, bringing the destination to life whether you're travelling alone or with others.

### DAY 1 Join tour Negombo

Our tour begins this afternoon in the small town of Negombo. Our hotel is set on the beach front offering the chance to watch small fishing boats come ashore and the sun setting over the ocean.

Overnight: **Standard Hotel**  
**Single Room Available**

**Swimming Pool Available** 

 **Included Meals:** None

## DAY 2 Morning cycle; jeep safari in Wilpattu National Park

Leaving after breakfast we drive to Giriulla this morning, from where we begin our morning's cycle ride along lush forested back roads to Padeniya. After stopping for lunch we have time to freshen up before swapping the bikes for jeeps and heading in to Wilpattu National Park. Despite the park's location in Sri Lanka's dry zone, it boasts nearly 60 lakes and is renowned for leopard, elephant and sambar deer spottings. We will go on a jeep safari in the hope of spotting the elusive leopard. We choose to visit this park, rather than the more touristy Yala National Park further south because we believe it offers our customers a better experience. The same animals can be seen here as in Yala, however it is less crowded, making our visit more enjoyable and responsible. We camp on the outskirts of the park this evening. Total cycling distance 45kms.

Overnight: **Standard Camping**  
**Your own tent available**

 **Included Meals:** Breakfast, Dinner

## DAY 3 Explore Dambulla's painted caves en route to Sigiriya

Today we take to our bikes again and cycle to Anaradhapura. We will then drive out to the UNESCO World Heritage Site at Dambulla, where a great series of caves hide an incredible collection of temples that date back to the 1st century BC. Containing a large number of Buddha images, as well as sculptures of Hindu Gods, the caves have become a huge pilgrimage site for countless worshippers, and this afternoon we will visit five separate caves, before returning to Anaradhapura for the evening. Total cycling distance 50km.

Overnight: **Standard Hotel**  
**Single Room Available**

**Swimming Pool Available** 

 **Included Meals:** Breakfast

## DAY 4 Climb Lion Rock before cycling to Polonnaruwa

An early transfer this morning takes us to the start of our ascent up the imposing Lion Rock for the climb to the redoubtable Sky Fortress. The ruins of this 5th century fortress (declared a World Heritage Site in 1982) are one of Sri Lanka's major attractions, a stu-pendous sight to behold and a feat of consummate engineering skill. A switchback series of steps (sometimes very steep and somewhat precarious) ascends to the top and half-way up, tucked beneath a sheltering overhang of rock, are the famous Sigiriya Damsels. These frescoes, their ancient colours still glowing, once covered an area of some 140 metres in length and are the only ancient non-religious paintings to have survived into modern times. On arriving at the summit (200m) we are presented with some magnificent views of the surrounding country, as well as the remains of what is left of the palace of King Kassapa. returning to the base of the fortress, we then cycle to the ancient city of Polonnaruwa, following a series of relatively straight and flat back roads that provide us with a moderately easy journey that passes through patches of forest and rural villages. For those that wish it, there is the option to break up part of the 30 km journey to Polonnaruwa by travelling along sections of it by bus.Total cycling distance 30km.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** None

## DAY 5 Search for elephants in Minneriya National Park

Polonnaruwa reached the height of its glory in the 12th century and the city is still blessed with a number of its ancient buildings and monuments. This morning we visit the ancient city by bicycle and on foot, taking in the spectacular ruins of its Royal Palace, with its Audience Hall, Bathing Pool and Quadrangle-a wonderfully compact collection of ruins. Close by is the Circular Relic House, a curious round structure with a beautifully pre-served 'moonstone' carved at the foot of a flight of steps. Another famous feature of the deserted city is the group of carved images of the Buddha known as Galvihara, a collection of four colossal figures, all hewn out of solid granite. This afternoon we visit nearby Minneriya National Park by jeep, home to sambar deer, leopard and significant herds of elephant, as well as huge populations of migratory birds.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast

## DAY 6 Trek on the Knuckles range. Drive to Kandy

This morning we drive to Giritale, travelling via Elahera and Pellegama, to a point where the crossover point between east and west Sri Lanka lies. Known as Riverstone Point, this region is home to the Knuckles Mountain Range and offers us a chance to break the

journey with a short hike along a trail that runs through the ranges. Resembling a clenched fist (hence their unusual moniker), the mountains present a remarkable micro-cosm of the country, the striking landscapes and isolated cloud forests providing a haven for a rich diversity of flora and fauna. Our walk will take us around 3 hours, a soft to moderate trek that takes us through a landscape of incredible historic and natural importance. To the south and east lies the Mahaveli Valley, whilst the Matale Valley to the west encircles a collection of peaks that has no equal anywhere else in the country. Returning to our bus, we then complete the journey to Kandy, descending into the Matale Valley to arrive at our hotel late this afternoon. A packed lunch will be provided today, to enjoy en route.

Overnight: **Standard Hotel**  
**Single Room Available**

**Swimming Pool Available** 

 **Included Meals:** Breakfast, Lunch

## DAY 7 Free time to explore Kandy

Today is left free to explore Kandy. This relaxed town is set around a large lake with the revered Temple of the Tooth set in one corner. The lake makes an interesting spot to see birdlife and water monitors as well as chat to the many people who walk the perimeter. Slightly outside the centre of the town are Peradeniya Botanical Gardens, this peaceful space is home to thousands of flying foxes which make for great photo opportunities hanging from the tall trees, or if you are lucky in flight as they dart between the branches.

Overnight: **Standard Hotel**  
**Single Room Available**

**Swimming Pool Available** 

 **Included Meals:** Breakfast

## DAY 8 Drive to Ginigathhena. Rafting on the Kelani River

Our drive this morning takes us to Ginigathhena, set amongst the fertile and lush western highlands. Set amidst a dramatic landscape of towering cliffs and wild water, the Kelani Ganga provides some of the best whitewater rafting in the country. The jungle around here were used as the back-drop for the 1957 film Bridge on the River Kwai and the grade 2-3 rapids provide us with the perfect combination of scenery and excitement, as we spend raft down to our accommodation in Kitulgala. We cover a 7km section of the river through 8 rapids. It will usually take approximately 1.5hr hours to cover the section but this depends on water levels, in high water it can take just under a hour to cover the distance. Taking lunch en route, we should arrive at our overnight lodge late this afternoon and, after a chance to freshen up, if time allows this evening there will be a chance to join an optional trek across the river and through the jungle to a hidden waterfall.

Overnight: **Standard Lodge**  
**Single Room Available**

 **Included Meals:** Breakfast, Lunch

## DAY 9 Morning trek; drive to Nuwara Eliya

 **Included Meals:** Breakfast, Dinner

## DAY 11 Cycle through remote villages then drive to Hikkaduwa

We start this morning with a short bus transfer to Kinchigune where we take to our bikes. We follow quiet back roads and pass through small villages. The route takes us about three hours, depending on how many times we stop to chat to the villagers along the way. We meet up with our bus and then drive to the coastal resort of Hikkaduwa. Along the way we have the chance to stop at a Responsible Tourism Partnership project. The Dickwella Lace Centre is a locally run project that provides income and training for villagers who were badly affected by the 2004 tsunami.

Overnight: **Standard Hotel**  
**Single Room Available**

**Swimming Pool Available** 

 **Included Meals:** Breakfast

## DAY 12 Free to relax on the beach or visit nearby Galle

The next two days are free to enjoy the laid back ambience and turquoise waters of Sri Lanka's southern coast. Rich in colonial history and golden beaches, the region offers us a wealth of options to enjoy the most of our time here. There are snorkelling trips available and for those wanting pure relaxation there are plenty of spots to enjoy an Ayurvedic massage. ## Accommodation and Meals

### Accommodation Notes

Accommodation in Sri Lanka can be varied and on our trips we stay in a mix of hotels, heritage properties, camp sites and homestays. Standards do not equate to standards in the UK and it's best to approach each type of accommodation with an open mind. Service can be slow in places especially when travelling with a group. Hot water is not always available 24 hours a day in some of the smaller properties, and with a group staying you might find if you are showering last you may miss out on the hottest water.

Traditional Sri Lankan cuisine is excellent, and although it can be very spicy there are many dishes that feature cooling coconut milk or have a spicy sambar on the side to allow you to adjust the meal to your taste. There isn't a culture of eating out in Sri Lanka, most locals will eat at home, and as such there are very few restaurants around, and those that exist tend to be in hotels. As tourism develops a few independent restaurants are beginning to appear, mainly in Colombo but also in Kandy, Galle and in the coastal resorts. During the tour we will endeavour to eat out at local restaurants wherever possible but for many nights, at this point in time, the hotel restaurants are the only option available.

### Food & Drink

Included meals: 12 breakfasts, 2 lunches, 2 dinners included in the price of this trip. Please be prepared to pay for non-included meals. Please note that costs for drinks and meals can vary depending on location.

## Budgeting for your Trip

You will need some extra money to cover meals and drinks not included in the trip price, any optional sightseeing, souvenirs and items of a personal nature such as laundry.

### Food

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide. Local restaurants located off the beaten track may be less expensive, whereas an upmarket restaurant located in the centre of a major city may charge more.

### Sri Lanka

**Lunch £:** 4.00

**Dinner £:** 8.00
