Tour itinerary notes

While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested.

Your Tour Leader

A Tour Leader is an integral part of any Explore tour and your tour will be led by one of our experienced Tour Leaders who have been handpicked and expertly trained. We believe that our Tour Leaders are the key to the success of our tours; they are passionate travellers who are bursting with first-hand local knowledge which they love to share. Your Tour Leader will also take care of all the planning and organisation throughout your journey. Their passionate approach will make this tour fun and inspiring, bringing the destination to life whether you're travelling alone or with others. You will bid farewell to your Explore Tour Leader on day 10 in Luxor and during your stay in Safaga you will be looked after by an Explore local representative. The representative will not be with you for every section of the tour and will not stay at the accommodation at night or eat out with the group in the evenings. However they will be available for you and your group during the included activities and will help if any problems occur.

DAY 1 Join tour Cairo

Arrive at Cairo and check-in at the hotel. Cairo is a vibrant, exhilarating, exotic, fascinating and welcoming city. Home to the best Pharaonic, Coptic and Islamic sites in Egypt, this city is where you never know what incredible, half-forgotten monument you might stumble across while wandering around. If you arrive early, you may wish to catch your first glimpse of the mighty Nile River, visit the capital's medieval markets at Khan El-Khalili or walk down the Nile promenade. There are also plenty of cinemas, theatres and modern shopping malls.

 **Included Meals:** None

DAY 2 In Cairo; visit the Pyramids, Sphinx and Egyptian Museum

Africa's largest capital, Cairo, is situated mainly on the east bank of the Nile. Driving to Giza, we see the Pyramids and Sphinx; among the most impressive man-made spectacles in the world. The Great Pyramid of Cheops is the largest of the group (originally 145m high with a 232m square base). Second is the Pyramid of Chephren (136m high, width 210m). The complex includes the Sphinx, a crouching lion with a human head carved from solid rock and the splendid Granite Temple. After the Pyramids, we head for the Egyptian Museum, via a papyrus institute, where you can learn something of the ancient methods of paper making in the Egypt of the pharaohs. The museum itself is a spectacular repository of some 120,000 items encompassing all aspects of the world of the ancient Egyptians; from ornate jewellery and towering granite statues, to creepy mummified remains and, of course, the remarkable golden treasures of Tutankhamun himself. This evening we enjoy a traditional meal in a local restaurant.

DAY 3 Free day in Cairo to explore, overnight train to Aswan

Today is a free day for optional trips to Saqqara, the impressive steppe pyramid/necropolis of Zoser (Djoser) - the earliest of the pyramids of Egypt and the recently opened Red and Bent Pyramids at Dashur. An optional trip to Islamic Cairo to visit the illustrious Citadel, one of Saladin's many strongholds during the Crusades period, is also available. There will also be the opportunity to enter one or more of the medieval mosques of Cairo. Alternatively you could use this free time to revisit the vast Egyptian museum. This evening we travel with the locals on an overnight train down to Aswan.

Overnight: **Standard Overnight Train**

 **Included Meals:** Breakfast, Dinner

DAY 4 In Aswan; optional St Simeon's Monastery and Philae Temple visits

Aswan is Egypt's most southerly city, traditionally regarded as the frontier post of Upper Egypt. Sited on the east bank, it stands just below the First Cataract and is the meeting point of Arab culture with Nubia and black Africa. Today we have time to explore Aswan and the surrounding area. A popular optional excursion is the camel trek to the deserted Coptic monastery of St. Simeon. One of the largest Coptic monasteries in Egypt, St Simeon's was built in the 7th century and finally abandoned in the 13th century. It now sits in splendid isolation at the end of a desert valley. Providing an impressive sight, the monastery appears more like a desert fortress than a place of worship. You may wish to take an excursion to Philae Temple, situated on a picturesque island in the Nile.

Overnight: **Standard Hotel**
Single Room Available

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 5 Enjoy Aswan; optional Abu Simbel tour, board cruise

Today we have the chance to travel by bus or air to the fabulous rock-hewn temple of Abu Simbel. Cut into the rock face, this enormous structure was raised 61m to save it from inundation by the artificial lake created by the Aswan High Dam. The 20m high statues represent Ramses II, known as the great builder. Alternatively, wander the streets of this fascinating city, where stalls laden with colourful spices line the streets. This afternoon we board our Nile River cruise boat, our home for the next few nights.

Overnight: **Standard Boat**

Swimming Pool Available 

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 6 Cruising down the Nile River, Egyptian cooking lessons on board

We sail north (downstream), heading towards Kom Ombo and spend the afternoon and evening soaking up the views of the Nile Valley as we sail past the small villages that scatter the river banks. This evening we will enjoy a cooking class on-board to learn how to make traditional Egyptian cuisine.

Overnight: **Standard Boat**

Swimming Pool Available 

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 7 Visit Edfu temple and Kom Ombo

This morning we disembark to visit Edfu, the largest Egyptian temple after Karnak. The falcon-headed god Horus guards the temple dedicated to him which is in almost perfect condition. In fact the temple is unusual in that its roof has survived intact. We re-board our boat and continue upstream to Kom Ombo. Situated on the bank of the river, this temple is particularly unique because it is dedicated to two gods; Haroeris and Sobek, the crocodile god. It is thought that this part of the Nile used to have a large crocodile population, hence the dedication to Sobek.

Overnight: **Standard Boat**

Swimming Pool Available 

Included Meals: Breakfast, Lunch, Dinner

DAY 8 Arrive in Luxor; visit Karnak Temple with optional sound and light show

This morning we sail to Luxor and check into the hotel. This afternoon we have included a visit by calesh (horse drawn carriage) to the stupendous Temple of Amun at Karnak, the labour of numerous pharaohs. Begun about 2000 BC, this vast temple was still being added to in Cleopatra's time (1st century BC). There may also be the option in the afternoon to visit Deir-el- Medina and Medinet Habu - relatively little visited sites and for many a real highlight of the tour. You could also enjoy an optional donkey trek on the west bank, through villages and fields, before watching the sun set over the Nile. In Luxor we will normally be accommodated on the west bank of the Nile, opposite the main city. There will be a motorboat available to transfer you across the river whenever you require.

Overnight: **Premium Hotel**
Single Room Available

Included Meals: Breakfast

DAY 9 Visit the Temple of Hatshepsut and Valley of the Kings; free time to explore

After breakfast we visit the extraordinary Temple of Queen Hatshepsut, Egypt's only female Pharaoh, who usurped the throne from her son, the future Tuthmoses III. The scale of the temple and its magnificent setting are breathtaking, but perhaps even more remarkable are the details - look out for the fine carving of the 'Expedition to the Land of Punt'. We then take a short bus ride to the Valley of the Kings to explore some of the more important sites made famous in 1922 by the discovery of the tomb of Tutankhamun by Howard Carter. We visit three tombs. The remainder of the day is left free for personal exploration in Luxor, during which you may like to take a calesh tour of local villages.

Overnight: **Premium Hotel**
Single Room Available

Included Meals: Breakfast

DAY 10 Transfer to Safaga by road

Heading northeast we cross the mountainous region of the Eastern Desert, famed in antiquity for its gold mines and granite quarries, to reach Safaga, our base for exploring the wonders of the Red Sea. Staying at a comfortable hotel, the time spent here has been left free for you to choose a variety of optional excursions or simply unwind under the clear blue skies. During your stay in Safaga you will be looked after by an Explore local representative. Please note the following itinerary for days 11, 12 and 13 is a suggestion only and is subject to change. It is also worth noting that other optional excursions are available, details of which will be supplied by your Explore representative.

DAY 11 Optional snorkelling in the Red Sea

The Red Sea is famous for its superb coral reefs and multi-coloured fish. Living in such favourable conditions are schools of beautifully marked and iridescent species, alongside barracudas and small sharks. We will arrange an optional snorkelling trip by boat (6 to 8 hours) over the coral reefs around Safaga. Scuba diving is another possibility or simply laze on the beach or by the pool casting an occasional eye on the boats plying the Red Sea.

DAY 12 Free day in Safaga

Today we can try our hand at scuba diving (optional). This is a full day for divers of all levels. There are also refresher courses available for those who have not dived for over a year and there are advanced dives available for anyone holding a PADI or equivalent qualification. Please note that all training, instruction and accompanied dives are operated with fully qualified instructors. Alternatively, you can simply enjoy relaxing on the beaches.

DAY 13 Transfer to Cairo by road

This morning there is a chance for one last dip in the sea before boarding our bus for the drive back to Cairo (8-10 hour journey). Preparing for your Trip

Climate

Egypt

Egypt's climate is hot and dry, typical of a desert environment. In summer it can be very hot and remains hot overnight whereas winter days are milder by comparison and temperatures can drop considerably at night. The mildest area is along the Mediterranean coast with temperatures ranging from 23-31°C in summer and 10-17°C in winter. In the desert region temperatures fluctuate in summer dropping as low as 7°C at night and up to 40°C during the day and in winter it can vary from 0°C at night to 18°C in the day. Aswan is one of the hottest cities with Cairo and Alexandria generally slightly cooler. Egypt receives very little rainfall annually and rainfall in summer is very rare.

Clothing

Women are advised not to wear shorts or dresses that are too revealing as this can attract unwelcome attention in the streets of Muslim towns – loose fitting trousers or slacks are ideal. Women should also cover their head and shoulders when entering a mosque and men should wear long trousers.

Equipment

Bring a water bottle, insect repellent, sunglasses and a small torch for examining wall carvings. Please note that on the optional donkey trek we cannot supply hard hats - if head protection is felt to be necessary please bring your own with you to Egypt, as hard hats are not available to buy locally. You may want to bring wet-wipes and water-free hand sanitiser will be an invaluable addition to your daypack.

Footwear

Comfortable shoes and sandals are recommended.
