Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

Your trip itinerary

Tour itinerary notes

While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested.

Your Tour Leader

A Tour Leader is an integral part of any Explore tour and your tour will be led by one of our experienced tour leaders who have been handpicked and expertly trained. We believe that our Tour Leaders are the key to the success of our tours; they are passionate travellers who are bursting with first-hand local knowledge which they love to share. Your tour Leader will also take care of all the planning and organisation throughout your journey. Their passionate approach will make this tour fun and inspiring, bringing the destination to life whether you're travelling alone or with others.

DAY 1 Fly to Cairo

Depart the UK and fly to Cairo. Cairo is a vibrant, exhilarating, exotic, fascinating and welcoming city, home to the best Pharaonic, Coptic and Islamic sites in Egypt. On arrival you will be met and transferred to your hotel.

Why Book this trip?

The most popular time to visit Egypt is from October to May. Nights will be cool and most days warm and sunny, although in December and January daytime temperatures can be cool. In the summer months temperatures can reach over 40 degrees Celsius but planning your day effectively can mean avoiding crowds and enjoying a less crowded visit to some of the most popular sites in the world. Temperatures in the desert can vary between day and night, being very hot during the day but much cooler once the sun goes down.

 **Included Meals:** None

DAY 2 Pyramids and the Egyptian Museum

Africa's largest capital, Cairo, is situated mainly on the east bank of the Nile. Today you begin your Egyptian adventure with a visit to the Pyramids and Sphinx; among the most impressive man-made spectacles in the world. The Great Pyramid of Cheops is the largest of the group (originally 145m high with a 232m square base). Second is the Pyramid of Chephren (136m high, width 210m). The complex includes the Sphinx, a crouching lion with a human head carved from solid rock and the splendid Granite Temple. After the Pyramids, head to the Egyptian Museum, a spectacular repository of some 120,000 items encompassing all aspects of the world of the ancient Egyptians; from ornate jewellery and towering granite statues, to creepy mummified remains and, of course, the remarkable golden treasures of Tutankhamun himself. Late this afternoon, transfer to the airport and fly to Luxor.

 **Included Meals:** Breakfast

DAY 3 Karnak Temple

Luxor is the site of the ancient city of Thebes, where the famous stone built temples and ancient monuments in the Valley of the Kings still remain today. This is antiquity sightseeing at its best! Visit Karnak temple and, afterwards, you may wish to spend your freetime shopping in the bazaars.

 **Included Meals:** Breakfast

DAY 4 Valley of the Kings

A morning tour of the West Bank brings you to the Valley of the Kings. Your guide will interpret the tales of brightly coloured wall paintings in these fascinating tombs made famous in 1922 by the discovery of Tutankhamun's tomb by Howard Carter.

 **Included Meals:** Breakfast

DAY 5 Kharga Oasis

Today we head west entering the Western Desert, part of the Great Sahara. The first of the four major oases we visit is Kharga whose main wealth comes from date palms.

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 6 Drive to Dakhla

Continue your journey through desert landscapes to the oasis of Dakhla. View traditional desert life and Neolithic rock paintings, reminders of when nomadic tribes hunted here. Leaving the vehicle behind, you'll meet your camel and trek to your camp for an overnight under the stars.

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 7 Farafra

Continuing north towards Farafra, the terrain becomes a white limestone 'moonscape'. Farafra is the smallest of the four major oases and the desert scenery is at its best here - steep cliffs ring the oasis on one side and the wind forms dunes from the sand on the other.

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 8 White Desert

Enjoy a leisurely morning in Farafra oasis wandering the backstreets and soaking up the easy-going ambience of this remote town. In the afternoon, strike out and explore the extraordinary and spectacular geology of the White Desert by 4WD. You'll visit the most dramatic parts of the desert, before reaching your overnight camp.

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 9 Cairo, via Bahariya Oasis

Drive to Cairo via Bahariya Oasis, past isolated springs and across a wind-eroded sandstone plain. The environs of Bahariya have many sites of archaeological interest, including the valley of the Golden Mummies, one of the most important finds in Egypt since the discovery of Tutankhamun's tomb.

 **Included Meals:** Breakfast

DAY 10 Fly to the UK

Preparing for your Trip

Climate

Egypt

Egypt's climate is hot and dry, typical of a desert environment. In summer it can be very hot and remains hot overnight whereas winter days are milder by comparison and temperatures can drop considerably at night. The mildest area is along the Mediterranean coast with temperatures ranging from 23-31°C in summer and 10-17°C in winter. In the desert region temperatures fluctuate in summer dropping as low as 7°C at night and up to 40°C during the day and in winter it can vary from 0°C at night to 18°C in the day. Aswan is one of the hottest cities with Cairo and Alexandria generally slightly cooler. Egypt receives very little rainfall annually and rainfall in summer is very rare.

Luggage allowance on trip:

Unfortunately it does occasionally happen that luggage does not always reach its destination on the same flight as its owner, or possibly it may be damaged in transit. If you are unlucky enough for this to occur, it is important that you file a PIR (Property Irregularity Report) with the airline before leaving the airport. This is essential when you come to make a claim either against the airline or from your travel insurance company
