Why Book this trip

Although there are numerous tours that travel along the Garden Route, few incorporate as many activities or possibilities to meet locals as this adventure. Starting in Cape Town and travelling to the beautiful sandy beaches in Plettenberg Bay, we visit the prison where Nelson Mandela was kept, meet local Cape Town kids in a skateboard park run as a youth initiative, are taken around District Six Museum by an ex-resident, see whales, stay in a tree house, whitewater raft and go on safari. A varied and interactive adventure showcasing the beauty of the country and its people.

Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

Accommodation Grade: Standard

Our mid-range accommodation offers a good level of service often with other amenities such as a restaurant, bar, garden or swimming pool. Generally rooms will be comfortable with en-suite facilities.

Tour Style: Classic

Packed with adventure, these tours offer inspiring destinations and authentic travel experiences at a reasonable price. Using all kinds of transport and accommodation, we'll take you off the beaten track to discover the true heart of the people and places you visit.

Tour Pace: Moderate

These moderately paced tours provide some busy days with plenty of experiences to enjoy, as well as time to relax along the way.

Your trip itinerary

Tour itinerary notes

While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested.

Your Tour Leader

A Tour Leader is an integral part of any Explore tour and your tour will be led by one of our experienced Tour Leaders who have been handpicked and expertly trained. We believe that our Tour Leaders are the key to the success of our tours; they are passionate travellers who are bursting with first-hand local knowledge which they love to share. Your Tour Leader will also take care of all the planning and organisation throughout your journey. Their passionate approach will make this tour fun and inspiring, bringing the destination to life whether you're travelling alone or with others.

DAY 1 Join trip and scale Table Mountain

This afternoon we plan to ascend Table Mountain. You can choose to take an energetic but highly rewarding 3 to 4 hour hiking trail up to the top accompanied by your tour leader (if the weather permits). Alternatively, an aerial cableway runs frequently to and from the summit although it does close for 2 weeks for maintenance each year roughly from the end of July (the ticket cost is included). The climb is spectacular not just for the stunning views it affords of the city below and the beach-fringed coastlines stretching away to the horizon, but also for the beautiful plant life of the Cape Floral Kingdom, which has more indigenous plant species per square metre than anywhere else on earth! A network of trails criss-crosses the summit plateau, providing a variety of vantage points. Note, weather conditions in Cape Town can be highly variable throughout the year. Should weather conditions prevail that are unsuitable for the ascent of Table Mountain, this excursion will be undertaken on an alternative day, likewise anyone arriving late on day 1 will also be able to ascend Table Mountain on one of the other days in Cape Town. Also, Table Mountain Cableway usually closes for general maintenance at the end of July, based on 2017 dates, the provisional closure is scheduled for Monday 23rd July 2018 to Sunday 5th August 2018. Although the cable car will not be running, Table Mountain is still be accessible by a hiking trail as described above.

Overnight: **Standard Hotel**

 **Included Meals:** None

DAY 2 Catch the ferry to Robben Island

Today we travel from the nearby Nelson Mandela Gateway at the Waterfront in Cape Town and take a tour to the world famous Robben Island museum in the afternoon which includes a boat trip across Table Bay, a visit to the infamous maximum security prison, time to meet an ex-political prisoner and a guide providing commentary. Please note, the ferry tickets and museum entrance tickets (both booked by Explore) need to be purchased around 4-6 weeks before departure and we cannot guarantee that they will be available for any late bookings. We arrive back at the hotel around 2pm with the rest of the day free to explore the city.

Overnight: **Standard Hotel**

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 3 Cape Town, Boulders Beach, Hout Bay and Cape Point. Visit a skateboard park.

We will make our way to Boulders Beach to see the resident colony of African Penguins, one of the only places in the world where this sea bird resides. A series of wooden walkways allow visitors to get exceptionally close to the birds and observe their often quite playful habits. We then drive to Cape Point and take a walk up to a viewpoint to watch the turbulent clash of the warm Agulhas current from the Indian Ocean meeting the cold Benguela current from the Atlantic. Afterwards we walk along a short trail that leads down to Cape Point. Moving onto Hout Bay, we take a boat trip to see the remarkable bird and marine life of Seal Island - where approximately 7,000 Cape Fur Seals have made their home on low lying rocks. The rest of the day is free to explore the city once we return to Cape town. This afternoon is spent at a skateboard park run as an initiative by the Salesian Institute of Don Bosco. We have the opportunity of meeting kids from the Cape area from a variety of backgrounds and share experiences with each other as we learn how to skateboard.

Overnight: **Standard Hotel**

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 4 District Six Museum and whale watching Breede River

We take a drive to District Six Museum. Although the Museum was initially started as a community space for ex-residents to gather and meet, it has now become a space that tells the story of District Six under apartheid to both local and foreign visitors to Cape Town and South Africa. The museum has been designed in such a way that a visitor can wander in off the street and take a self-guided tour, but more importantly, our group will also make use of the privilege of taking a tour with an ex-resident of the district and listen to the amazing personal experiences and recollections of an ex-resident. Leaving Cape Town behind, we make our way to the small seaside resort of Hermanus a few hours east. Hermanus is regarded as one of the premier spots for shore-based whale watching in the

world. From the cliff top walks you can often look down at several whales no more than 50 or 100 metres away! (The whale watching season is between June and November). We depart Hermanus for the short drive to Swellendam and our camp situated on a hill top overlooking the Breede River. We plan to arrive at 'Up The Creek' camp around 5pm.

Overnight: **Simple Lodge**

 **Included Meals:** Breakfast, Dinner

DAY 5 Rafting along the Breede River

We spend the day in rafts as we travel along this stunning river. From its source up in the mountains above Ceres, the Breede River meanders for 300 km's before it deposits its water into the mighty Indian Ocean. During its long journey to the coast, it provides life-giving water to one of South Africa's most beautiful regions. This river also boasts amazing bird life and ample fishing. The winding channels and playful rapids make it the ideal river-rafting destination for families. This ultimate river adventure offers exciting grade 2 and 3 rapids. No experience is necessary and briefings will be given by the guides.

Overnight: **Simple Lodge**

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 6 Oudtshoorn and Cango Caves

Today we drive the short distance and check into our accommodation situated near Oudtshoorn, the ostrich capital of South Africa!. The arid landscape that borders the Little Karoo is a desolate and yet magnificent area of semi desert. After checking into our accommodation we set out to explore the finest dripstone caverns in the world - the Cango Caves. Situated in the foothills of the Swartberg Mountains, these limestone caves extend more than 5 kms underground through a series of large caverns connected by passages. We hike into the most spectacular caverns - a truly surreal experience. We then have a tour of the Safari Ostrich Farm, north of Oudtshoorn as well as The Zeekoegat Primary School Project Room which showcases the process of building a new school. Each individual will get the opportunity to sponsor a 'brick' towards the building of the new Zeekoegat Primary School. Depending on timings and weather, we may have to visit the caves, school and Ostrich Farm on the next day (Saturday)

Overnight: **Standard Lodge**

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 7 Sea kayaking along the coast

We make our way eastwards along the Garden Route to Knysna and Plettenberg Bay. We try our hand at sea kayaking along the coastline from Central Beach Explore the magic of our unique coastline with its abundant marine life up close and personal in one of our stable kayaks in the company of an experienced guide. Glide across sparkling water while enjoying a view of the majestic Tsitsikamma mountains, Robberg Nature Reserve and marine life. After a thorough briefing on kayaking techniques and safety we paddle from Central Beach with possible sightings of Cape Fur Seals, Bottlenose and Humpback Dolphins and a variety of sea birds. No experience is necessary although you will need to be able to swim (sun hat and sunscreen and a change of clothes for afterwards is advisable. In the afternoon, we make our way to Plettenberg Bay with its range of beaches, the most famous of which is Central Beach, which offers long stretches of white sand and warm waters which are perfect for swimming. The water is calmest on Central Beach making it ideal for families.

Overnight: **Standard Hotel**

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 8 Free time around Plettenberg Bay and beach

Plettenberg Bay and its surroundings boast some of the most exquisite beaches and stunning scenery of the Garden Route and an unparalleled range of activities. Our first day is left free to choose from boat based dolphin and whale watching, to snorkelling, scuba diving, sailing, kayaking, surfing, mountain biking and canoeing (some of these activities do have age restrictions). In season (June to November, sometime into December too) the whale watching is especially recommended, as this shoreline offers the chance to watch a truly great mammal, the southern right whale. The dunes and escarpments offer panoramic views of the coast and you have a good chance of seeing seals, dolphins and whales, plus a wealth of bird and botanical life.

Overnight: **Standard Hotel**

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 9 Treehouse accommodation in the tree canopy

We then make our way south, to perhaps our most unique setting....treehouses! Teniqua Treetops is a unique eco-tented tree house occupying a position high on the foothills of the ancient Outeniqua mountain range. The tree houses offer a unique opportunity to sleep, eat and shower up in the canopy of the forest, all surrounded by birdsong and butterflies. Built on hand crafted platforms and

situated in carefully chosen beauty spots, the accommodation boasts comfortable tented bedrooms, fully equipped kitchens and leafy bathrooms. Experience a true environmentally friendly accommodation experience.

Overnight: **Standard Tree-House**

Swimming Pool Available 

 **Included Meals:** Breakfast, Dinner

DAY 10 Morning walk and snorkelling in Tsitsikamma Marine Park

The waterpark has a series of water slides ranging from very gentle to downright scary which children and young-at-heart adults will enjoy! The waterslides include the Supertube, which twists and turns before finally spitting you out into a pool of gushing water, a Kamikaze slide which is not for the faint hearted, a Free Fall slide with a drop down a 12m free fall slide and a Raging Rapid Tube ride where you will rush down raging rapids and fly around corners. There's also a small play park for younger children. Should the Waterpark not be open in July and August due to cold weather, we will make our way to Plett Puzzle Park-unique attraction offering interactive fun for the whole family. The two main activities are the first life size 3D maze in South Africa as well as an exciting and unique forest puzzle walk. These activities are designed for all ages. The activities are absolutely unique and are suitable for children and adults alike. Around Midday, we take a short drive to Tsitsikamma 'the place of much water', probably South Africa's most impressive marine and forest park, stretching for some 80 kms from the lagoon at Nature's Valley to the mouth of the Groot River. The lush forest and sheer cliffs provide an ideal setting for short walking trails, the most popular of which takes you to the suspension bridge spanning the mouth of Storm's River: a quite spectacular sight, where the booming breakers of the Indian Ocean relentlessly pound rocky shores. The heartland of the park stretches some 5km to sea, protecting a wonderland of inter-tidal life, reef and deep-sea fish and where we can snorkel to discover the marine life. Dolphins frolic in the breakers, surfing and playing for the sheer joy of life, and the gentle giant of the ocean, the southern right whale visits here, coming inshore to breed.

Overnight: **Standard Cabins**

 **Included Meals:** Breakfast

DAY 11 Schotia Game Reserve

We spend the early morning exploring the rock-pools and beaches; leaving late morning we again head eastwards to Schotia Private Game Reserve which has been owned by the same family for six generations since 1833. There is a good chance of seeing lions at the park here as well as over fifteen antelope species and several smaller African animals such as warthog, monkeys and genets. We enjoy an evening game drive in an open 4WD vehicle with a specialist guide and then round off the day with a typical bush braai dinner. The accommodation at Schotia is designed with an 'African feel' and set within dense subtropical thicket with a rustic-brick lodge approach within the original farm's homestead.

Vaccinations & Protection

South Africa

Please note that you will be required to supply a yellow fever certificate that has been issued at least 10 days prior to arrival in South Africa if you have travelled from or via a country where yellow fever is endemic. We recommend protection against hepatitis A, tetanus, typhoid, polio and diphtheria. According to various travel health sources, the Western Cape is not regarded as a malaria risk area. The above is not an exhaustive list. Further information regarding vaccinations and travel health advice can be found by following the NHS and NaTHNaC links at <http://www.explore.co.uk/Travelhealth/> and from your local healthcare provider. Visa and vaccination requirements are subject to change and should be confirmed before departure.

Preparing for your Trip

Climate

South Africa

Mild throughout the year and can thus be visited year round. The Western Cape has a Mediterranean-type climate, with warm, dry summers and cold winters with rainfall. Summer runs from November to March, with temperatures averaging 22oC to 34oC. The months of April and October are generally warm and sunny. Winter is also a good time to visit as towns and sites are not so crowded and the countryside is more verdant, but it can be cold. Additional information and climate charts can be accessed at <http://www.explore.co.uk/weather>. Seasonal weather patterns can be unpredictable. Up-to-date information on the weather worldwide can be found by following the BBC weather link on this page.

Clothing

Clothing should generally be lightweight for the day. Also take a fleece, long trousers, a waterproof and windproof jacket. Take swimming gear and a beach towel. During Winter (June to November) we recommend you bring plenty of warm clothing, as temperatures can drop significantly. Swimming pools can be cold in the winter months as they are outside and not heated.

Equipment

Take a torch, water bottle, sunhat/sunscreen and insect repellent. Binoculars are useful for bird watching and whale watching. Mosquito nets are not required as the accommodation provides screening where necessary. While tap water in South Africa's urban area is drinkable, some people may take a few days to acclimatise and thus may experience traveller's tummy. Therefore we recommend for you to travel with a reusable filtered water bottle such as the ones featured at Water-to-Go: <http://www.watertogo.eu/>

Footwear

Comfortable shoes (or well broken-in walking boots if planning to hike), trainers or sandals for relaxing/travelling.

Luggage: On Tour

Take a soft bag, holdall or suitcase. Also take a daypack for items needed during any walks or sightseeing.

Luggage allowance on trip: 20kg
