DAY 1 Join Athens airport and transfer to caique on Evia

Join tour at Athens International Airport. Transfer by bus to Rafina for a ferry to Evia. On arrival, there is a short taxi / minibus ride to where the Caique is moored. Thanos, our boat captain, has been working with Explore for many years and prides himself on showing the best parts of Greece to the many Explore customers that have travelled with him over the years. Discovering many places that he himself used to sail around as a boy, he is a very proud Greek and loves nothing more than

to captain his boat that he owns around the beautiful waters of the Aegean. Please note; three lunches are provided during this week although it will not be known on what day it actually is taken based upon sailing timings.

Overnight: **Simple Boat**

 **Included Meals:** None

DAY 2 To Karystos via a stop to explore the hills above the town

Our first destination is the bay of Karystos via a stop close to Bouros with opportunities to swim and snorkel in the amazing clear waters of the Aegean. We then have our first lunch on-board with the afternoon set aside for exploring the hills above Karystos. We can visit the Venetian mountain castle of Castello Rosso in Gourni which is a well preserved 4th crusade fortresses that commands the sea corridor between Asia and Europe, the entry to the Black Sea. Alternatively, you may wish to spend some time on the beach which is a few minutes' walk from where the boat anchors. Dinner tonight will be in one of the beautiful seaside tavernas on the promenade.

Overnight: **Simple Boat**

DAY 3 Cruise to Panagia and discover its famous church

Our next destination is Panagia, a small fishing village lying in the shelter of a fjord. We stop en-route to swim in the waters off the rugged and undeveloped coastline of Porto Lafia. Once at Panagia, you could visit the inland village of Argyro where the tiny red-roofed houses are dwarfed by the mountains or walk along the coast to Agios Dimitrios, a hamlet on the other side of the fjord. Panagia's long beach is shaded by trees which are dotted along the coastline. There are also a number of cafes and ice cream shops close to the boats anchor point from where you can relax and watch the world go by and enjoy the great views overlooking the sea. In the evening, why not visit the beautiful church in Panagia which is renowned for its frescoes as well as two olive trees that are 2,500 years old and are located next to a small stream full of turtles. There is also the option to have dinner in one of the small family run tavernas by the waterfront.

Overnight: **Simple Boat**

 **Included Meals:** Breakfast

DAY 4 Sail to Eretria via Porto Buffalo

Today we will cruise to the Gulf of Evia, where the island splits from the mainland. Greek legends romantically claims that the divide was caused by Poseidon piercing the earth with his trident. We travel via Porto Buffalo, a beautiful and private lagoon where we spend time at the sandy beach or if you wish, why not practice jumping off the boat from the top deck into the turquoise Aegean Sea. We continue at a leisurely pace cruising to Eretria, one of the most well known cities of ancient Greece and the birthplace of our alphabet. The town boasts an extensive archaeological site with a superb museum. We enjoy our evening in the long cosmopolitan promenade watching the small ferries coming and going to the mainland.

Overnight: **Simple Boat**

 **Included Meals:** Breakfast, Lunch

DAY 5 Cruise to Nea Styra with its stunning beaches and beautiful coastline

We make the most of the mornings perfect location with a visit to the museum and the towns archaeological site along with time to wander along the boulevard where you will find many gift shops. Alternatively, there is the opportunity to go for a swim and snorkel before cruising towards Nea Styra. This area has a number of stunning beaches and boasts a beautiful coastline with clear waters inviting you to swim and snorkel. The rolling hills above Nea Styra lead to a silver-green valley of olive trees where we have the opportunity to explore in the afternoon. As the sun sets in the historic bay of Marathon, the promenade comes to life with all the locals and visitors experiencing a typical Mediterranean stroll before dining alfresco.

Overnight: **Simple Boat**

 **Included Meals:** Breakfast

DAY 6 Sail to Marmari via Petali Islands

This morning we cruise towards the archipelagos of Petali, where seven private and exclusive islands offer the best of a 'jet set' life in the Aegean. Once the summer residence of the Greek royal family, today it is the playground of the Picasso family, the Embiricos ship owners, and other such tycoons. Maria Calas, one of the most renowned and influential opera singers of the 20th century, spent many summers here and we drop anchor to enjoy the good life ourselves with opportunities to swim, snorkel or just relax on the deck amongst the rich and famous. From here we continue to Marmari, a typical Aegean fishing village with numerous tavernas and cafes dotted along the promenade.

Overnight: **Simple Boat**

Included Meals: Breakfast, Lunch

DAY 7 Return Karystos via Petali Islands

Our last day cruising takes us towards the Archipelagos of Petali, where several private and exclusive islands are located and where we can swim and snorkel off the boat close to the rocky shores before returning to Karystos where we overnight in a waterfront hotel. Preparing for your Trip

Climate

Greece

Greece has predominantly hot, dry summers, May - October with temperatures reaching into the mid thirties in July and August. May and October themselves can be less predictable and may have some rain and cooler evenings. Wild flowers bloom in April and May adding much colour to the trails. At the beginning and end of the season the villages tend to be very quiet. Seasonal weather patterns can be unpredictable. Up to date information on the weather worldwide can be found by following the BBC weather link on this page.

Clothing

July and August are the hottest months though the islands are freshened by cooling winds. You'll need your swimming gear and an extra towel. Early and late in the season, there may be an occasional shower and you will need a warmer sweater and/or fleece for the odd chilly breeze whilst we travel between the ports.

Equipment

Water bottle, a torch, sunhat, sunglasses and sunblock. Please note that if you intend to sleep out on deck on some nights, as many travellers choose to do in good weather. Please bring a sleeping bag with you (the sunbathing cushions are available to sleep on the boat but cabin bedding can't be taken on deck).

Footwear

Footwear is not generally worn on board but bring trainers, walking sandals for shore excursions or walking shoes for longer walks on the island.

Luggage: On Tour

One main piece of baggage and daypack. Remember you are expected to carry your own luggage so don't overload yourself. Space is limited on board so only bring what you need. A soft bag is strongly recommended as it is more easily stored than a hard suitcase. A daysac is useful for shore excursions.

Luggage allowance on trip: 20kg
