## Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

## Your tour itinerary

### Tour itinerary notes

While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested.

### Your Tour Leader

A Tour Leader is an integral part of any Explore tour and your tour will be led by one of our experienced tour leaders who have been handpicked and expertly trained. We believe that our Tour Leaders are the key to the success of our tours; they are passionate travellers who are bursting with first-hand local knowledge which they love to share. ## DAY 1 Flight to Windhoek

Board your flight to Windhoek, Namibia.

 **Included Meals:** None

## DAY 2 Windhoek

Upon arrival, you will be met and be taken to pick up your rental car. Overnight in Namibia's colourful capital.

 **Included Meals:** None

## DAY 3 Head to the Kalahari

Depart the capital early this morning and drive south to the Kalahari Desert, passing small towns and villages along the way. The Kalahari is a fossil desert and as it receives more than 10 inches of rain a year, it cannot technically be called a desert. With its low hills, called kopjes, and more flora and fauna than a true desert, the Kalahari is a completely different experience to the Namib Desert.

Overnight: **Lodge**

 **Included Meals:** Breakfast

## DAY 4 Drive to Fish River Canyon

After exploring the desert this morning, drive south to Keetmanshoop where you have the opportunity to visit the Mesosaurus Fossil Site and Quivertree Park. Here you can embark on a guided tour (optional) or unguided hike of the area where unusual rock formations adorn the landscape with over 5000 ancient quiver trees, so called as bushmen used the branches as quivers.

Overnight: **Lodge**

 **Included Meals:** Breakfast

## DAY 5 Fish River Canyon

Eroded over millions of years Fish River Canyon is a spectacular natural phenomenon of stony plains and deep gorges dotted with quiver trees and zebras. Today is free to explore at your leisure. You may wish to hire a guide and go hiking in the canyon or visit one of the many viewpoints to enjoy the breath taking views.

Overnight: **Lodge**

 **Included Meals:** Breakfast

## DAY 6 Drive to Luderitz

Depart from the canyon enjoying the views and photo stops along the way. Driving in a westerly direction, you head to Luderitz. Luderitz was initially referred to as Angra Pequena, meaning Little Bay, by the Portuguese, whose navigator Bartolomeu Dias erected a stone cross on Dias Point on 25 July 1488. In 1883 it was purchased by the Germans and established as a trading post and fishing town, the town has changed very little since. The quite streets are filled with colourful colonial buildings, while at the port flocks of flamingos and pelicans can be seen.

Overnight: **Comfortable Hotel**

 **Included Meals:** Breakfast

## DAY 7 Free morning, visit the ghost town of Kolmanskop

This morning is free for you to explore the town further, or perhaps you may wish to take a boat trip around the bay (optional). Afterwards drive to Kolmanskop, this abandoned diamond mining town was deserted after bigger and better diamond were found further along the coast. Today it has a haunting feel as the desert has engulfed much of what was left of the town; it makes a great stop for photographers. In the afternoon, continue your journey to Aus.

Overnight: **Hotel**

 **Included Meals:** Breakfast

## DAY 8 Namib Desert

Head north today to the southern Namib Desert, which lies within the Namib-Naukluft National Park. We recommend you stop for lunch at the Namib Cultural Centre near Maltahohe to learn about the culture of the people in this region, before continuing across open grass savannahs and farmlands, arriving at the immense red sand dunes in the late afternoon.

**EXPLORE!** The Adventure Travel Experts available online 24/7

Overnight: **Lodge**

 **Included Meals:** Breakfast

## DAY 9 The sand dunes at Sossusvlei

Visit the dramatic sand dunes of Sossusvlei. Maybe rise early to climb the largest sand dunes in the world, some more than 300m tall, and watch a magnificent sunrise over the desert. Spend time enjoying your amazing surroundings and exploring the Dead Vlei, an ancient river pan housing 900 year old scorched tree trunks.

Overnight: **Lodge**

 **Included Meals:** Breakfast

## DAY 10 Depart Namibia

## Preparing for your Tour

### Climate

#### Namibia

With a staggering 300 days of sunshine each year, Namibia is a year-round destination, although some may prefer to avoid the heat of high summer. The cold Benguela current keeps the Atlantic coast of the Namib Desert cool and rain-free for most of the year, with a thick coastal fog that lends a mysterious edge to the area. January and February are the hottest months, when daytime temperatures in the heart of the Namib can exceed 40°C (104°F), but nights are usually cool. Winter nights can be fairly cold, but days are generally warm and pleasant.

Luggage allowance on tour:

Unfortunately it does occasionally happen that luggage does not always reach its destination on the same flight as its owner, or possibly it may be damaged in transit. If you are unlucky enough for this to occur, it is important that you file a PIR (Property Irregularity Report) with the airline before leaving the airport. This is essential when you come to make a claim either against the airline or from your travel insurance company
