DAY 1 Join tour at Dalaman Airport

Arriving in Dalaman Airport, we transfer to Kas and check into our hotel. Kas is one of the most beautiful ports on the Turkish riviera and our hotel, the Club Phellos, is conveniently based right in the centre which allows you to enjoy the atmosphere of this vibrant town, both on land and at sea. Please note that there are two transfers arranged at set times for the first day of this tour. DAY 2 Full day boat trip from Kas

Our first day here is spent on the sea, as we take a boat trip from Kas across the surrounding calm and clear waters. From the sea we can appreciate fully this dramatic and beautiful coastline. There will be ample opportunity for swimming and snorkeling from our boat, and we plan to enjoy a barbecue lunch before returning to Kas later in the afternoon. Kas is a great place to relax, with cafes and restaurants spilling out onto cobbled streets and a network of tiny backalleys to explore.

DAY 3 Walks in the Taurus Mountains

Today we head for the hills to explore where we find cedar forests, streams, shady glades and tiny charming villages where the pattern of life has remained almost untouched for centuries. We plan to walk between these mountain villages and take lunch with a local family in a typical village house, before returning to Kas via the silver sand beach of Kapitas. Located just west of Kas, Kapitas is an idyllic spot for a swim at the end of our day in the mountains. Finally we make our way back to Kas.

DAY 4 Free day; optional trip to Meis in Greece

Today is left free for you to do some exploring of your own. For those with a hankering for culture, Kas is built around the remains of a number of ancient sites including; Kas Theatre which was built during the third century BC and is now used for theatrical performances and music concerts, the monumental Lion Tomb and a number of hillside rock tombs. Alternatively you may like to visit the isolated and ruggedly beautiful Greek island of Meis (optional), to give its Turkish name, Kastellorizo. The island is just one mile from the Turkish coast and yet more than 100km from Rhodes, its nearest Greek neighbour.

DAY 5 Visit Xanthos; canoe trip down Xanthos River to Patara

We visit Xanthos this morning which was the capital of ancient Lycia and at one time was the largest centre of commerce and religion in the region. The town has had a turbulent past, falling to both the Persians and the Romans and on both occasions, this resulted in the mass suicides of the entire population!. During the Roman civil wars of the 1st century BC, the Lycians sided with Caesar against Pompeius but after Caesar's assassination in Rome, Brutus attacked Xanthos and demolished the acropolis. Marc Antony rebuilt their city and today it is a UNESCO World Heritage Site. We travel by canoe in the afternoon as we travel down the Xanthos River to Patara. Passing through tranquil and unspoilt rural backwaters along the way, we stop for a picnic lunch before eventually emerging at Patara Beach which is a protected nesting area for giant loggerhead turtles. We have the opportunity to swim on the return to Kas.

 **Included Meals:** Breakfast, Lunch

DAY 6 In Kas; optional trip to Myra, the home of Father Christmas

There is an opportunity this morning to visit the Church of St Nicholas at Demre (Myra) which is where the 4th century Bishop Nicholas is said to have anonymously given money to the poor thus spawning the legend of Father Christmas! Saint Nicholas is the patron saint of two countries; Greece and Russia, and is also the protector of children, merchants, scholars and sailors - a busy man! The origin of Saint Nicholas's gift giving is believed to have arisen from a legend in which a shopkeeper was too poor to supply his daughters with dowries. When Saint Nicholas heard of their plight, he threw three bags of coins into the shopkeeper's yard, saving the daughters from

a life of hardship. The Church of Saint Nicholas was built after his death and Noel Baba's remains were placed in a rock sarcophagus. A modern statue of Saint Nicholas, complete with beard, bag of toys, and children has been placed outside the church. But Myra isn't just the home of Santa. A mile north of the church is the impressive ruins of the ancient town, where dozens of Lycian tombs are carved out of the cliff above a Roman amphitheatre. We plan to make an early start today (to beat the crowds and heat) but on returning to Kas there is a free afternoon either to relax or perhaps try snorkelling.

 **Included Meals:** Breakfast

DAY 7 Sea-kayaking to Kekova Island

We depart in the early morning to try our hand at sea kayaking in the calm, protected waters of the bay of Kekova. We'll enjoy a packed sandwich breakfast with coffee en route and enjoy paddling in the tranquil waters before any other boats or kayakers take to the water. It's one of the most scenic areas in Lycia with picturesque islands, bays and small ancient cities surrounding the famous sunken city of Kekova. The results of various earthquakes, there are partly submerged streets and buildings visible in the crystal clear waters and even steps leading down into the depths of the bay. Later we paddle to the picturesque whitewashed village of Simena, whose harbour is dotted with ancient sarcophagi (tombs), Roman baths, houses that cling to a hillside and a castle where we find an ancient theatre. Carved from the solid rock, it is a wonderful place to sit and soak up the beautiful surroundings. Taking to the waters again, we head back to Ucaciz from where we transfer back to Kas.

Preparing for your Tour

Climate

Turkey

Evenings and early mornings can be cool in the early and late season (before mid May and after early October). Summers are hot and dry with refreshing sea breezes. It is often cooler on higher ground and in the mountains and can be cold at night, even in the summer. Seasonal weather patterns can be unpredictable. Up to date information on the weather worldwide can be found by following the BBC weather link on this page.

Clothing

The long Turkish summer can be hot, though much of the Mediterranean coastline is freshened by sea breezes. A warmer sweater is recommended for the evenings in early or late season. On the canoeing and sea-kayaking excursions in particular there is no shelter

from the sun, so a sunhat is essential.

March / April and late September / October / November tend to be cooler so bring layers and some warmer clothes. A light rainjacket may also be useful.

Equipment

We recommend a water bottle, torch, insect repellent, sunglasses, daysac and plenty of high factor suncream. All equipment is provided on the sea-kayaking and canoeing trips. Keen snorkellers should take their own equipment as sizes (especially children's) are limited. Note: Qualified scuba divers wishing to dive should bring their diving certificate and log book.

Footwear

Trainers or walking boots for walks, plus sandals to wear in the canoes and sea kayaks which will stay on when wet.

Luggage: On Tour

One main piece of baggage and daypack. Remember you are expected to carry your own luggage so don't overload yourself.

Luggage allowance on tour: 20kg
