Arrive in Livingstone and check into your hotel

Arrive in Livingstone and check-in to your hotel. Often referred to as the adventure capital of Zambia, Livingstone offers a variety of land, air and water-based activities in the surrounding area.

Overnight: **Standard Lodge**

Swimming Pool Available 

 **Included Meals:** None

DAY 2 See the wonder of Victoria Falls and optional rafting

Visit one of the natural wonders of the world, The Smoke that Thunders or Victoria Falls. The Zambezi River plummets over a sheer cliff wall spanning more than 1,676m and drops approximately 100m into the abyss below. Like David Livingstone before us, we become aware of the falls long before seeing it. Plumes of water vapour rise like smoke into the sky accompanied by a deafening roar. This inspired the natives to call the waterfall, Mosi-oa-Tunya or The Smoke that Thunders. The afternoon is left free to take advantage of the many activities that Victoria Falls offers including an optional half day game drive into Mosi-oa-Tunya National Park to search for white rhino, trying out whitewater rafting on the Zambezi, enjoying a scenic helicopter flight over the falls or perhaps experiencing a cultural village trip. Alternatively you may want to take advantage of the more sedate attractions such as the National Museum or the Railway Museum (or to give it its full title, The Zambezi Sawmills Locomotive Sheds National Monument!).

Overnight: **Standard Lodge**

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 3 Boat across Zambezi, drive to Kasane in Botswana. Afternoon Game drive

Leaving the lodge this morning, we take a local boat across the Zambezi River and base ourselves just outside the Serondela area of the Chobe National Park. During our stay in Kasane, there will be time to enjoy a late afternoon game drive into Chobe national park.

Overnight: **Premium Lodge**

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 4 Morning game drive with afternoon boat cruise

The northern Chobe area of Serondela is in the heart of elephant country. Up to 35,000 elephants live here, the largest number in any African park. We'll take the opportunity to spend many hours hopefully watching huge herds in and around the river while the river teams with hippo and crocodile as well as a variety of fish including the tiger fish (freshwater barracuda). Viewing game in the afternoon switches to a boat safari on the Chobe River which is one of the Zambezi's main tributaries, and home to an abundance of wildlife. The area is also famed for its beautiful scenery and magnificent red and gold sunsets.

Overnight: **Premium Lodge**

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 5 Travel to our houseboat via the Caprivi Strip

Taking advantage of an early start this morning, we head west via the Caprivi Strip in Namibia, to reach our houseboat on the waters of the Okavango River where we arrive in the mid afternoon. The mighty Okavango is the third largest river in Africa and its delta area covers 16,000 square kilometres of crystal clear channels, a myriad of ephemeral lakes and ever changing islands. The river flows south east from the Angolan highlands over 1,000 km away, taking up to 6 months to reach the delta area which floods on an annual cycle.

Overnight: **Standard Boat**

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 6 Game safari in the Okavango Delta

During our time on the river, there will be an excellent possibility of seeing game as we cruise past submerging pods of hippos, while crocodiles bask in the shallows and on the riverbanks. Birdlife in the area is prolific and local fishermen are often seen aboard their traditional dugout canoes, known locally as mokoros. We include a boat trip to experience the areas of the Delta that are harder to reach, cruising into channels where hippos and crocodiles are sometimes sighted. We return to our houseboat in the golden light of the late afternoon where we can enjoy a traditional 'sundowner'. This is a home away from home where you can enjoy the surroundings of this part of Africa.

Overnight: **Standard Boat**

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 7 Visit Tsodilo Hills and drive to Maun

Leaving our houseboat this morning, we make our way to the intriguing Tsodilo Hills. The San Bushmen believe that this was the site of the first creation and as a result it is considered a holy and sacred place. The area has an astonishing 3,500 rock paintings over 350 different sites which all celebrate this event. There are four mountains that jut out of the expanse of the surrounding land and the San Bushmen believes that the bigger rock, the male, has a wife and child, but that he left his wife for a younger wife who now lingers in the background. Those who leave do so with a profound sense of the history and wonder of this place. We then drive to Maun, on the southern reaches of the Okavango Delta and the gateway to the Moremi Game Reserve.

Overnight: **Standard Hotel**

Swimming Pool Available 

 **Included Meals:** Breakfast, Lunch

DAY 8 Drive into the Moremi Game Reserve

We drive into the Moremi Game Reserve and to our camp. Tucked into the north-eastern sector of the Okavango Delta, Moremi is thought to be the country's most beautiful game area and is rated as one of Africa's greatest wildlife sanctuaries. It covers an enormous wilderness area composed of permanent swamps, islands, forest and dry land. Exceptional though the geography of the Delta may be, it is the amazing wildlife of the waterways that draws many visitors and we plan to do a late game drive this afternoon before our first night's camping experience.

Overnight: **Simple Camping**

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 9 Game drives in Moremi

With a number of game drives planned for today, we get the chance to experience one of Africa's most natural and unspoiled wonderlands in the park with hippo, crocodile and a great variety of birds all seen in the Delta, as well as the elusive sitatunga antelope. It is also an ornithologist's paradise with fish eagle, jacana, kingfisher, heron, stork, egret, weaver and bee-eater all regularly seen.

Overnight: **Simple Camping**

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 10 View game on the flood plains

We spend our time with game drives to see the wildlife of the region with the larger mammals like elephant, giraffe and zebra being spotted on the flood plains as well as predators like lion, leopard and wild dog.

Overnight: **Simple Camping**

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 11 Drive back to Maun with evening cultural show

We take a leisurely drive back to Maun with the afternoon at leisure with the choice of optionals that include a flight over the delta. Tonight allows for a cultural evening where we can sample hand made crafts directly from budding artisans, enjoy folklore stories from a local storyteller around a crackling fire and meet local children as part of a grassroots project that builds life skills.

Overnight: **Standard Hotel**

Swimming Pool Available 

 **Included Meals:** Breakfast, Dinner

DAY 12 Tour ends in Maun

Your trip ends today in Maun after breakfast. Depending upon the schedule of your flight, you may wish to spend some additional time relaxing before heading back home. Please note, game is less plentiful over departures in December plus the Victoria Falls has less water travelling over falls.

 **Included Meals:** Breakfast

Accommodation and Meals

Accommodation Notes

The accommodation at Livingstone is at a small, relaxed lodge with cottages dotted about lush gardens. At Chobe we stay in a very comfortable lodge with swimming pool and bar area situated on the banks of the Chobe River with views of the surrounding bush. The lodges we stay in at Livingston and Chobe on this trip have a small swimming pool. Our houseboat on the Okavango Panhandle - the boat has a lower deck with en-suite cabins and upper deck with a bar/dining area and an open seating area at the rear. Our campsite in the Moremi Game Reserve gives a perfect camping experience; simple enough to give the feeling of really camping out in the African bush, yet with the modern comforts we all hate to do without such as 'proper' toilets, bucket showers and even beds for our two man tents. The camp can be visited by wildlife such as elephant that wander through the camp as they pass through the site. The family tents include; camp beds, mattresses, sheet/sleeping bags and pillows which are all provided. Camp assistants take care of camp chores whilst camping.

Preparing for your Trip

Climate

Botswana

Botswana's regional characteristics, from fertile areas in the east to waterless desert in the centre and south, and a vast delta in the north-west, make for extremes of temperatures and highly variable rainfall. Additional information and climate charts can be accessed at <http://www.explore.co.uk/weather>. Seasonal weather patterns can be unpredictable. Up-to-date information on the weather worldwide can be found by following the BBC weather link on this page.

Zambia

The main rainy season is from January to March. Rain is widespread and generally falls in the form of a thunderstorm in the late afternoon; grass tends to be long and there is more water about so game is more dispersed. Otherwise it is dry, with low humidity for most of the year. Temperatures reach around 29°C during the day with quite cold nights throughout the year. Early dry season is the most pleasant time for temperatures and the best for bird watching. For game viewing though the late dry season is better. Additional information and climate charts can be accessed at <http://www.explore.co.uk/weather>. Seasonal weather patterns can be unpredictable. Up-to-date information on the weather worldwide can be found by following the BBC weather link on this page.

Namibia

With a staggering 300 days of sunshine each year, Namibia is a year-round destination, although some may prefer to avoid the heat of high summer. The cold Benguela current keeps the Atlantic coast of the Namib Desert cool and rain-free for most of the year, with a thick coastal fog that lends a mysterious edge to the area. January and February are the hottest months, when daytime temperatures in the heart of the Namib can exceed 40°C (104°F), but nights are usually cool. Winter nights can be fairly cold, but days are generally warm and pleasant.

Clothing

Clothing should be lightweight. However, a wind/waterproof jacket, a warm fleece or sweater and thermal underwear for night time are strongly advised, as night time temperatures and early morning game drives can be very cold, especially in winter (April to August). Brightly coloured and white clothing is not suitable for game viewing.

Equipment

Bring a head torch, a water bottle, a sunhat, sunglasses, sunscreen and insect repellent. Binoculars are essential for game viewing and a 300mm lens is recommended for photography. Biodegradable soap is useful. Don't forget your swimming costume and a towel.

Footwear

Lightweight trail boots or robust trainers with good grip and sandals for relaxing in.

Luggage: On Tour

The limit is one barrel bag/soft holdall (suitcases are not permitted due to transport restrictions) per person and a reasonable amount of photographic equipment. A daypack is essential for everyday use.

Luggage allowance on trip: 15Kg

To reserve your place on this tour you will need to check availability on the Explore website or through our dedicated call centre based in the UK where you can. Our tours can fill up quickly so you are advised to book as early as possible. If your chosen date is 'Available' or 'Guaranteed' we will be able to provisionally hold you a space for up to 48 hours.

For Self-Guided holidays and Private Journeys simply choose your date of travel and let us know so we can confirm all ground services.

The easiest way to confirm your booking is through our website. When you are ready to book, we normally require a 10% non-refundable deposit, but for some holidays this may be more to cover such items as permit fees, internal flights or other non-refundable services. If your travel starts within 60 days of booking, full payment will be required at the time of booking

100% No Surcharge Guarantee

The price paid for our holidays is no longer subject to change. Once booked and confirmed we will guarantee the price you pay will not increase, whatever the circumstances. You will not be approached to pay fuel surcharges unlike the vast majority of other adventure tour operators. The price guarantee applies to all new bookings departing between 1st January 2016 and 31st December 2017.
