## Your tour itinerary

### Tour itinerary notes

While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested.

### Your Tour Leader

A Tour Leader is an integral part of any Explore tour and your tour will be led by one of our experienced Tour Leaders who have been handpicked and expertly trained. We believe that our Tour Leaders are the key to the success of our tours; they are passionate travellers who are bursting with first-hand local knowledge which they love to share. Your Tour Leader will also take care of all the planning and organisation throughout your journey. Their passionate approach will make this tour fun and inspiring, bringing the destination to life whether you're travelling alone or with others.

### DAY 1 Join tour Bangkok; optional city tour by tuk tuk

After checking in to our hotel base for the next two nights, the rest of the day is free to use as you wish. You may choose to join a sight-seeing tour this afternoon. Travelling by tuk-tuk, you will head for the magnificent Grand Palace, where a local guide will show you around. Regarded as the most impressive site in the city and dating from the 18th century, this huge edifice represents the re-emergence of the Thai nation, after years of oppression by the Burmese. Its unrivalled collection of palaces, golden stupas, Wats (temples) and ornately decorative statues are

definitely worth exploring. The tour continues by foot to the rambling complex of Wat Po. Older than the city itself, this is home to a reclining Buddha which is a 46 metre golden plated statue depicting Lord Buddha as he enters Nirvana. After our briefing this evening, we can look forward to a tour of a small street food market in nearby Wat Saket which gives a wonderful example of local life and its customs. Dinner tonight is at a restaurant which reputedly serves the country's best Pad Thai.

Overnight: **Comfortable Hotel**

**Swimming Pool Available** 

 **Included Meals:** Dinner

## DAY 2 Thai boxing session and tour of the city by long tail boat

This morning, we visit the Sor Vorapin Gym - the famous Muay Thai training camp, where we will watch Thai Boxing experts in action. Afterwards, we will have the chance to try out training techniques of the traditional martial art in a training session. This afternoon, we head to Tha Tien Pier where we cruise in a traditional long-tail boat along Thonburi's klongs (canals). This is the ideal way to explore Bangkok's network of meandering waterways that continue to serve as an important thoroughfare in the city. Along our route, we watch local life taking place around us - vendors pass by on small wooden boats that are filled with vegetables and noodles to be sold to canal-side homes. We may even see the postman making his deliveries in his engine-powered banana-boat. This evening, we head to Siam Paragon Food Court, where we can enjoy a traditional Thai food dinner with the opportunity to shop in the area for souvenirs before we return to our hotel.

Overnight: **Comfortable Hotel**

**Swimming Pool Available** 

 **Included Meals:** Breakfast

## DAY 3 Optional cookery course; Afternoon boat trip along Kwai Noi River

After visiting a local market this morning, you have the opportunity to take part in a Thai cookery lesson, in which you can create up to three different dishes. Five basic flavours make up Thai cuisine - sweet, sour, salty, creamy and spicy and you learn how to combine these rich tastes with the freshest ingredients. This afternoon, we drive to Pakseang, in Kanchanaburi province where we board a long-tail boat for the 45-minute journey to our raft house accommodation on the Kwai Noi (River Kwai). We spend the next two nights in this spectacular jungle setting with the rest of today free to relax and enjoy at your own pace. The resort is located in tranquil and natural surroundings of tropical forests and scenic mountain ranges with an eco-approach that includes having candles and lanterns rather than electricity, preserving the Mon culture by including traditional furniture within the lodges and assisting in providing decent living conditions for the elephants in the area. The river flows underneath the floating rafts with guest rooms made from bamboo that are weaved into the wall reflecting traditional Mon living.

Overnight: **Simple Raft House**

 **Included Meals:** Breakfast, Lunch, Dinner

## DAY 4 Bamboo rafting; Afternoon cycle to limestone caves

This morning, we walk to a nearby Mon village from where we board bamboo rafts to explore more of the Kwai Noi. The Mon people are spread throughout Burma and the western provinces of Thailand. They are believed to have originated in either India or Mongolia, travelling south into the Chao Phraya Valley sometime during the 1st century BC and have been accredited with introducing Theravada Buddhism to the area. This afternoon, we take to the saddle for a cycle ride out to some impressive limestone caves. Lawa Cave is the largest cave in the Kanchanaburi province with a narrow entrance that opens up into several chambers including the Music, Throne and Curtain Chambers with numerous stalactites and stalagmites in full display. The caves are home to the world's smallest bat, the Khun Kitti, which weighs only 2 g, is 2.5 to 3 cm long and has wing-span of 10cm

Overnight: **Simple Raft House**

 **Included Meals:** Breakfast, Lunch, Dinner

## DAY 5 Visit an elephant sanctuary, the Bridge over the River Kwai and an overnight train to Punpin

Today, we can look forward to a visit to Elephant World - a sanctuary for sick, old and abused elephants and where we have the opportunity to assist with their food preparation and feeding. The elephants are particularly fond of sticky rice balls, as well as fruit and vegetables. We will also have the chance to gather and plant food such as bananas and sugar cane for the sanctuary. Before we leave, we take the elephants to the river for a scrub bath. Later, we travel to the infamous 'Bridge over the River Kwai', where over 16,000 allied prisoners of war and an estimated 75,000 Asian forced labourers lost their lives building the 'Death Railway'. One of the most notorious atrocities of the Second World War, the bridge and railroad were built between June 1942 and October 1943 by the occupying Japanese to link Siam with neighbouring Burma (Myanmar). After spending some time at the bridge, we continue on to the railway station at Nakhon Pathom, from where we board the overnight train south to Punpin and the Gulf of Thailand. On board, seats are joined together to make a lower berth, with an overhead bunk pulled down from above it. A sleeping mat, pillow, bedding and blanket are all provided. Toilets and hand wash sinks are located at the end of each carriage.

Overnight: **Basic Overnight Train**

 **Included Meals:** Breakfast, Lunch

## DAY 6 Arrive Punpin and drive to Khao Sok National Park; Afternoon elephant ride

Arriving in Punpin first thing in the morning, we may have the chance to visit a local market before driving to the verdant Khao Sok National Park. Covering an area of some 65 square kilometres, the park is one of the oldest and most bio-diverse jungles in South East Asia, boasting a lush rainforest that is older than those of either the Amazon or Central Africa. Set against a spectacular backdrop of towering limestone mountains, it is home to a rich diversity of wildlife, including elephant, tiger and the Malaysian sun bear. With some 180 species of birds in residence, it is also a haven for keen birdwatchers and novices alike. We go on a guided walk through the surrounding jungle keeping our eyes peeled for mischievous monkeys playing in the canopy above and watch out for colourful hornbills and kingfishers as they dart amongst the trees. The park is also a haven for a wide variety of exotic plants, including bamboo, fig, palms and the carnivorous pitcher plant. The rest of the day is then free to indulge, explore or relax as you see fit. Our jungle lodge accommodation will be our base for the next two nights. In this magical setting, we can look forward to the sight of monkeys descending from the surrounding canopy to drink from the river.

Overnight: **Standard Lodge**

**Swimming Pool Available** 

 **Included Meals:** Breakfast

## DAY 7 In Khao Sok National Park; jungle canoe adventure and free time

Our second day in the jungle sees us exploring by canoe. Gently floating down the Khao Sok River, this is a very relaxing way to take in the astounding surrounding beauty. Passing towering cliffs and shoals of vibrant fish, we have the chance to break our journey with a swim in the cool waters. Along the way, our guide will show us brightly coloured birds and monkeys on the shore, and maybe even a snake or two hanging high up on the trees. The rest of the day is free for you to spend as you wish. Options include an elephant trek through the jungle or simply relaxing in this idyllic setting. This evening, there is the option to go on a walking jungle safari and witness the jungle bursting with life at night.

Overnight: **Standard Lodge**

**Swimming Pool Available** 

 **Included Meals:** Breakfast

## DAY 8 Drive to Kapong and meet and play with the children from the Yaowawit School

Today, we travel the short distance to Kapong where our next two nights are in guesthouse accommodation close to the Yaowawit School - a welfare boarding school for children from underprivileged families. Initially founded to help child victims of the 2004 tsunami, the school has expanded and refocused its mission to give a practical education to young victims of poverty. During our time here, we join the students in their daily school activities such as learning Thai music, photography and fitness classes. In the afternoon, we accompany the students on their Sunday trip to a local waterfall or beach. Later, we have the opportunity to enjoy games with the students, and maybe even a football or volleyball match before ending the day by joining in with their meditation.

Overnight: **Simple Guesthouse**

 **Included Meals:** Breakfast, Lunch, Dinner

## DAY 9 Visit a local town and re-join the Yaowawit students to play football or theatrical activities

Our second day in Kapong starts with a visit to the town of Takua Pa or Nam Kem where we walk through the old town and discover some of its charms with lunch in a traditional Pad Thai restaurant before visiting Wat Narai - a temple where important finds have been made that have provided evidence about how the introduction of Indian culture was established in the area. Later this afternoon, we rejoin the Yaowawit school students for one of their vocational classes, focusing on topics such as farming and hospitality and an afternoon lesson where we enjoy participating in various games with the students such as volleyball and football as well as volunteer projects such as theatre classes. This evening, you can choose between dinner at a local restaurant or in the lodge's restaurant.

Overnight: **Simple Guesthouse**

 **Included Meals:** Breakfast, Lunch, Dinner

## DAY 10 Ferry to Koh Samui and transfer to beach accommodation

Transferring by road to Don Sak Pier, we then catch the ferry to Koh Samui. This island is the largest in the Samui Archipelago and is known for its distinctive mix of quiet palm fringed beaches, backpacker resorts and coconut plantations. Our beachside accommodation for the next two nights is in the north of the island. This area is more relaxed than the bustling east coast and retains a laid back atmosphere that is perfect for families. The rest of the day is free for you to relax and explore at your own pace. You may choose to take to the waters with mask and snorkel, or simply wander the palm-fringed beaches and trails around the island. Koh Samui has a slightly different feel to many of the other islands in southern Thailand, owing in part to the influence of the Hainan islanders, who first settled the island 150 years ago. The Chinese influence is still visible in some of the buildings in Na Thon, and some descendants of the original settlers still live in the area.

These limestone islands are home to sea otters, monitor lizards, dolphins and wild pigs. Our day will be spent walking, snorkelling and swimming in this idyllic setting.

Overnight: **Standard Hotel**

**Swimming Pool Available** 

 **Included Meals:** Breakfast, Lunch

## DAY 12 Koh Samui and train back to Bangkok

Today's free time affords the opportunity for more swimming, beachcombing and relaxing on the island. Alternatively, there is the option to partake in another Thai cookery course. After arriving in Bangkok and transferring to our hotel, the rest of the day is free to use as you wish. You may choose to visit the Rattanakosin Exhibition Hall - just a short distance from our accommodation. This interactive museum is regarded as one of the best in Thailand and helps to bring Bangkok's history and culture to life. Another option is a visit to Wat Saket, known as The Golden Mount. Here, a Buddha relic is housed in a gleaming gold temple, attracting worshippers throughout the year. Alternatively, you may choose to visit Siam Ocean World - one of the largest aquariums in South East Asia.
