Drive to Petra

Follow the Desert Highway to Petra in time to visit this afternoon. A winding narrow path through the Siq leads you to this incredible ancient city and UNESCO World Heritage Site. The awe-inspiring site of the Treasury, a magnificent rock-hewn temple, appears before you, just as you reach the end of the gorge. A magical moment that'll take your breath away.

Free day to explore Petra

Spend a second day exploring the archaeological wonders of Petra. Observe countless tombs, baths, temples and intricate rock drawings, as well as a 3000-seat open-air theatre. Beyond the Treasury the main route passes tombs, dwellings, temples and the central city area, with its colonnaded Roman street. However, two of Petra's most impressive sights are to be found above the valley floor. The Monastery (Ad Deir) is one of Petra's best preserved monuments and the long steep climb to get there is well worth the effort. Equally stunning is the 'High Place of Sacrifice' on the summit of Jebel Madhbah, which affords magnificent views in all directions.

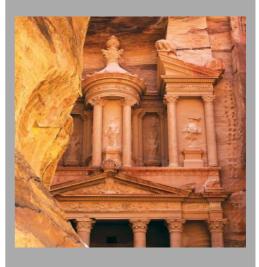

Relax at the Dead Sea

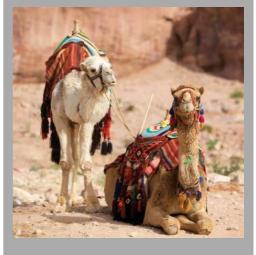

Today your journey continues to the Dead Sea. Flanked by mountains, the scenery provides a perfect backdrop as you float at the lowest point on earth. If you wish, indulge in a pampering massage with nourishing Dead Sea mud which reputedly rejuvenates mind, body and spirit!

#### **Cool Earth**

Explore are delighted to support Cool Earth to reduce carbon emissions through preventing the illegal deforestation of the South America rainforest. One of the top sources of global carbon emissions, rainforest deforestation equivalent to the USA's annual emissions, it also destroys flora and fauna, sometimes to the point of extinction. It also degrades the lives and communities of the 350 million residents of the rainforest.

Cool Earth prevents the deforestation through its support of local communities as forest guardians and by focussing on areas in immediate danger of deforestation. It has so far protected over 350,000 acres of rainforest, with each acre saving an emission of 260 tons of CO2, as well as protecting rare animals and plants. When you travel on an Explore holiday we make a donation to Cool Earth that exceeds the impact of our customers flights each year. In addition to mitigating emissions, when you travel with Explore, you are helping to protect the source of 20% of the world's fresh water and oxygen, as well as the livelihoods of the 1.6 billion people who are reliant on the rainforest. www.coolearth.org
