We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

Your trip itinerary

Tour itinerary notes

While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested.

Your Tour Leader

A Tour Leader is an integral part of any Explore tour and your tour will be led by one of our experienced tour leaders who have been handpicked and expertly trained. We believe that our Tour Leaders are the key to the success of our tours; they are passionate travellers who are bursting with first-hand local knowledge which they love to share. Your tour Leader will also take care of all the planning and organisation throughout your journey. Their passionate approach will make this tour fun and inspiring, bringing the destination to life whether you're travelling alone or with others.

DAY 1 Jungle trek, riverboat ride at dusk

After finishing your Explore group tour or Explore Tailormade holiday, fly to Puerto Maldonado (cost not included). On arrival in Puerto Maldonado you will be met by a representative of your lodge. You will be taken to the lodge office in the town, where you can sort your luggage so that you only take what you need to the jungle. (Your main luggage can be left in a locked room at the office). You then travel by minibus and motorised canoe to your lodge in the jungle. After lunch and being shown to your room, you will take your first walk into the local jungle. On an easy walk through the jungle you will see a variety of tropical trees and plants and learn of their medicinal properties. You may even spot toucans in the tall trees. There is then time to relax and acclimatise to the local humidity before returning to the boat to go in search of white caiman along the river banks and in the water. In the dark, caiman eyes show red in torch light making them much easier to spot. If you are lucky you will also see some of the other nocturnal animals that roam the river banks.

Overnight: **Standard Lodge**

Why Book this trip?

Peru is a great destination for year round travel. The peak time to go is May to October as this is generally drier with better visibility in the mountains. However during the wetter months travellers are rewarded with less busy sites and greener flora and fauna, particularly at Machu Picchu where the orchids bloom in abundance.

The coastal climate is dominated by cloud from April to November with sunshine from December to March. In the jungle there are rains all year round but more pronounced from November to April, from May to October there are occasional cold snaps (where the temperature can drop to around 10°C).

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 2 Oxbow lake boatripe

This morning you set out early for a short trek through the jungle which brings you out at Lake Sandoval. The oxbow lake is incredibly scenic, the still glittering water is surrounded by rainforest, caiman gently slip in and out of the water, giant otters hunt for piranhas while kingfishers and butterflies flit over the water. Taking to dugout canoe you'll have the chance to spot wildlife while calmly floating across the river. Roughly the size of a turkey, the striking and noisy hoatzin bird can be found sitting in bushes around the water's edge. The afternoon affords the opportunity to explore further, with a canopy walkway (Hacienda Concepcion) or lookout towers (Corto Maltes). With incredible sunset views, you'll be able to spot birds and hopefully squirrel, howler and capuchin monkeys playing in the treetops. Please note: The order and variety of excursions available may vary dependent upon where you are staying and availability.

Overnight: **Standard Lodge**

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 3 Clay lick, afternoon meet local communities

This morning you'll walk to a nearby clay lick. As well as parrots and macaws, some mammals eat clay from certain areas - however they are much more reserved about this and less predictable. Animals known to use this clay lick included peccaries, deer, agouti and tapir. On arrival you will settle down to observe the spot quietly from a distance and hope to be rewarded. On the way to and from the clay lick your guide will be looking out for other birds, animals and plant species of interest. After lunch you head to a local farm to see how native families cultivate the land. Depending on the season you may see crops such as cacao, banana, breadfruit, noni and lime. You'll also learn how the indigenous people use the plant life for traditional remedies. Afterwards meet local families; spending time with them to learn about their customs, how they hunt and fish using traditional methods. Please note: The order and variety of excursions available may vary dependent upon where you are staying and availability.

Overnight: **Standard Lodge**

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 4 Depart Puerto Maldonado

Your Amazon adventure comes to an end today after breakfast and you travel back to Puerto Maldonado by covered motorised canoe and minibus.
