DAY 1 Join tour Pisa airport. Transfer to Casine di Braccicorti

Arriving in Pisa today, we transfer to our farm stay accommodation in northern Tuscany's Garfagnana region. We will be based in the lovely setting of a family run farm, situated in the beautiful and lush Serchio River Valley. Retaining all the character of its Tuscan heritage, the farm is surrounded by the magnificent scenery of the Apennines and the Alpi Apuane. On arrival we will enjoy a traditional dinner and sample for ourselves some of the food and wine for which this region is justifiably famous. Indeed during the coming days ahead we can expect to sample a delicious array of local produce including freshly made breads and home-made jams, delicious honey and excellent wine. If your flight is earlier than the picking up time at Pisa airport, there is the opportunity to travel into Pisa by bus at a cost of around 2 Euro and bags can be stored at the airport.

Overnight: **Standard Agriturismo**

Swimming Pool Available 

 **Included Meals:** Dinner

DAY 2 Climbing in a adventure park in San Romano and kayaking on Lake Vagli

This morning we head by bus to San Romano and Buffardello Park where we spend the afternoon climbing trees. Set amongst two and a half hectares of forest in the heart of the Garfagnana, this unique adventure park affords children and adults alike the opportunity to enjoy this woodland setting from the air, with a range of activities suitable for all ages, including swinging beams, suspension bridges, nets, ropes and obstacles. On arrival, you will be kitted out with all the necessary safety equipment with trained instructors on hand to supervise your enjoyment. The park also has a number of walks and activities within the forest that do not require leaving the ground, so don't worry if you would prefer to keep on terra firma. This afternoon we take a short bus ride to the beautiful Lake Vagli where we take to the water in double seated kayaks and explore this lovely setting. The lake is home to an abundance of blue herons and other birdlife and our kayaking adventure (2 to 3 hours) affords us an ideal opportunity to take in this serene setting from the unique perspective of its tranquil waters. Our day over, we return back to the villa to enjoy some relaxing time around the pool.

Overnight: **Standard Agriturismo**

Swimming Pool Available 

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 3 Exploring the Cinque Terre coast

We leave the Garfagnana and after a short transfer to the local station, join the train to the stunning coastline of the Cinque Terre region where tiny villages nestle amongst sheer cliffs to create one of the Riviera's most scenic delights. The area is a World Heritage Site and its five villages present the perfect picturesque setting for our day. We have time to explore the back streets of the old part of Monterosso, which is the largest of the five villages, before we walk along the famed coastal trail. Passing through olive groves and vineyards and with spectacular views all around, we arrive at Vernazza where we have time for a swim in the lovely waters as well as have lunch which could include some of the local seafood. From Vernazza, we then have the choice from to travel by boat (optional extra, and sea conditions permitting), catch a train to Riomaggiore or walk another section of the trail to Corniglia. The 20 minute boat trip to Riomaggiore is normally the best option as it allows more time for kids to swim and enjoy lunch in Vernazza plus gives the opportunity to view the other villages including Corniglia and Manarola. Arriving in Riomaggiore, there will be time to explore the town with another swim or ice cream here before we then meet up for our train back to the Garfagnana.

Overnight: **Standard Agriturismo**

Swimming Pool Available 

 **Included Meals:** Breakfast, Lunch

DAY 4 Walking in the Orecchiella National Park

We depart the villa after breakfast to explore some of the breathtaking views in the Apennine mountain range. We drive by bus up into Orecchiella National Park, an area characterised by beech woods, grasslands and sheer rock faces hanging over narrow gorges, all of which are a natural habitat for birds of prey, wild boar, deer and many other animals. We begin our walk from the visitors centre up to refuge Isera (1200 m) with great views of the Pania del Corfino mountain along the way. We then ascend from Isera following the footpath to the Col of Campaiana at 1500m for around an hour which affords great views of the Apennines before a final short walk up to the peak and summit of the Pania del Corfino at 1600m. With probably one of the best views of the Garfagnana Valley where one is nearly able to see all of our locations that we will travel to during our stay this week, we have our lunch and then relax before descending back down using the same routing to the visitors centre which is close to a brown bear enclosure. And then it's time for an ice cream before we head back down to the farm where we can relax and enjoy the pool for the rest of the afternoon.

Overnight: **Standard Agriturismo**

Swimming Pool Available 

 **Included Meals:** Breakfast, Dinner

DAY 5 Free day; optional sightseeing of Lucca and Pisa

Today is free to spend as you wish. You may decide to explore something of the area's cultural highlights, with a trip to the cities of Lucca and Pisa. Travelling by bus or train you can head to the old Roman colony of Lucca which is set on the Lucchese Plain with a fascinating mixture of terracotta roofs, Romanesque churches, ancient Roman ruins and Renaissance architecture. Enclosed within its

city walls is a delightful mix of narrow lanes and easy charm with the opportunity to hire bikes and explore it's captivating environs on two wheels. Alternatively, you may just wish to wander its streets and explore the local market and take to the city walls and relish something of the delightful ambience of this beautiful city. Alternatively, Pisa is close by - a city that is so much more than just its famous Leaning Tower. The Campo dei Miracoli (Field of Dreams), of which the Tower is but one part, also contains the Baptistery, Duomo and Camposanta, which between them make up a stunning collection of architectural delights. These, along with the churches and palazzi that make up the historic centre, all belong to a period from the 11th to 13th centuries when the city was one of the Mediterranean's major maritime powers.

Overnight: **Standard Agriturismo**

Swimming Pool Available 

 **Included Meals:** Breakfast, Lunch

DAY 6 **Canyoning in the Turrite Valley**

This morning we jump in a bus and head south to the Turrite valley where we will try our hands at the exciting activity of canyoning. Arriving in the pretty village of Fornolovasco, we get into our wet suites and helmets for an easy section of canyoning down the Rio Pinguino in the parco Battifero which allows us to try some small water jumps. Ending back at Fornolovasco we have lunch beside the river with time to relax here before the afternoon in Parco Battifero. We walk up initially to the dry canyon above the village where we change into our harnesses and helmets and take on some Via Ferrata. Clipping ourselves on and off the wire, we descend down the canyon with time to look at the amazing rock features and some small caves here. Arriving at the bottom, we end our time here on a zip wire and suspension bridge before an optional rock climbing wall activity or alternatively relax at the bar at fornolovasco with an ice cream before we all group up and return to the farm by bus.

Overnight: **Standard Agriturismo**

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 7 **Cycle mountain descent in the Apennines; Afternoon free**

Our final day sees us heading by bus up to San Pellegrino where we stop to see the mummified bodies of two saints before driving further up to Alpe de San Pellegrino (1600 m) with great views over the Garfagnana valley and across the whole chain of mountains. After getting our bikes, we get on our bikes and undertake a thrilling and beautiful descent back into the Garfagnana valley. Along the way we stop for photos and breaks via the Pass of Radici, in the heart of the Apennines. Returning to the villa by bike, the rest of the afternoon is free for you to enjoy at your leisure. The entire route today is on tarmac roads and involves about 25km of descent followed by 15km undulating roads along the valley. Only 10% of the ride is uphill. You may wish to stay by the pool before a final farewell dinner.

Overnight: **Standard Agriturismo**

Swimming Pool Available 

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 8 **Tour ends Pisa Airport**

Today we transfer to Pisa airport where the tour ends at 1100. For those of you that have an afternoon or evening flight, there is the opportunity to travel into Pisa before returning to the airport for your flight. The airport has luggage storage facilities and regular, inexpensive shuttle buses into town. This is at your own expense and unaccompanied but the leader will be able to assist with information and what better way to finish a trip to Tuscany than visiting Pisa!
