While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested.

Your Tour Leader

A Tour Leader is an integral part of any Explore tour and your tour will be led by one of our experienced Tour Leaders who have been handpicked and expertly trained. We believe that our Tour Leaders are the key to the success of our tours; they are passionate travellers who are bursting with first-hand local knowledge which they love to share. Your Tour Leader will also take care of all the planning and organisation throughout your journey. Their passionate approach will make this tour fun and inspiring, bringing the destination to life whether you're travelling alone or with others. Your Tour Leader will be with you throughout the safari however they will not continue with you to Zanzibar. Upon arrival on the island our local representative will meet you, assist with the airport transfer and be available for booking excursions, but essentially this section of the tour is unaccompanied.

Alternatively you may prefer to relax and take a swim in the pool. In the afternoon we will embark on our first game drive in Lake Manyara National Park. Despite being one of Tanzania's smallest parks its incredible diversity has earned it status as a UNESCO Biosphere Reserve and much of the 360 sq km of parkland is taken up with water, affording a spectacular variety of habitats along the shoreline for a dazzling concentration of animal and birdlife. The algae rich waters of the lake attract huge flocks of flamingos, while the rich vegetation and cooling pools attract elephant, hippo and buffalo in large numbers. DAY 5 Full day's drive to Serengeti National Park via Ngorongoro Conservation Area

Today we have a long but rewarding journey into the world famous Serengeti National Park. The scenery and views are spectacular as we drive along the Ngorongoro Crater and through the Ngorongoro Conservation Area. We pass several Maasai homesteads and then arrive at the Olduvai Gorge, where in 1959, anthropologists Dr and Mrs Leakey discovered the remains of an almost intact human skull named Nutcracker Man. It was here at this important prehistoric site, together with other startling discoveries, that have contributed to the furthering understanding of early human development. Olduvai Gorge and the fossils that it contains give a unique insight into the way that this part of the world has changed and humans with it. Accompanied by a local guide we visit Olduvai Gorge visitor centre and museum to learn more of this fascinating place and its secrets. Later today we will enter the Serengeti at Naabi Hill Gate. Serengeti is the Maasai name that means the endless grass plains and it is through these plains interspersed with granite outcrops that we travel to our lodge. Once in the Serengeti we'll move slowly through the park, keeping a close eye out for game.

DAY 6 Game Drives in Serengeti National Park

Covering some 15,000 sq km the Serengeti is the oldest and largest park in Tanzania. It is on these plains that we focus most of our attention with early morning and late afternoon game drives in search of the 'Big 5' and so much more. Our exact movements are dependent upon the location and concentration of wildlife. We may head to the Retima Hippo Pool, the Moru Kopjies or perhaps the Seronera River area in search of leopard and lion. Cheetahs are often seen out on the Serengeti plains and during the annual migration hundreds of thousands of wildebeest and zebra move north-westward, covering some 800 km from the central plains through the park's 'long corridor', towards richer grazing lands and fresh water. These spectacular journeys are often fraught with danger as their long trek invariably draws the attention of the ever present predators - lion, leopard, hyena and crocodile. This is nature in its rawest sense, where the struggle for survival is played out daily across these expansive plains.

Overnight: **Premium Tented Camp**

Swimming Pool Available 

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 7 Drive back through the Serengeti to Ngorongoro Crater for game viewing and continue on to Karatu

This incredible natural amphitheatre presents us with the perfect setting for some remarkable game viewing and this morning we enter the caldera in search of big game. Not that we have to look far, as this setting provides a rich haven for herbivores and carnivores alike. The open plains thunder beneath the hooves of countless zebra, buffalo, black rhino and antelope, whilst predators like lion and hyena thrive amidst this plentiful open-air buffet, and all against a stunning backdrop of dramatic cliffs and lush vegetation that present perfect photo opportunities. After our morning's safari we drive back through the Serengeti with further opportunities for game viewing including descending into the crater where we have lunch before heading to Karatu where we stay overnight.

Overnight: **Premium Lodge**

Swimming Pool Available 

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 8 Drive Arusha; fly to Zanzibar

This morning we may have the opportunity of visiting a village orphanage in Mto Wa Mbu before returning to Arusha for our onward flight to Zanzibar. If you would like to give useful gifts such as stationary, footballs and toys to the children, this is possible - mention this to your Explore Leader before the visit itself. The exotic spice island of Zanzibar, a land of sun-kissed beaches, Arabian dhows and swaying palms, where the rich smell of spice in Stone Town's old quarter mingles with colonial and Arabic architecture to create a perfect getaway island. Zanzibar's glorious scenery, fascinating culture and remarkable history makes any visit to the island a captivating experience, with beaches and reefs to explore, plantations to wander through and a rich history of conquests, slavery and pirates to investigate.

Overnight: **Standard Hotel**

Swimming Pool Available 

 **Included Meals:** Breakfast, Lunch

DAY 9 In Stone Town; optional 'Spice Tour'

Today we take a walking tour of Zanzibar's ancient capital of Stone Town. We meander through a landscape of labyrinthine alleys and whitewashed houses, where the pungent aroma of coffee and spices permeate the town and the backstreets are filled with a cacophony of noise and colour. Much of the town was built on the back of trade and slavery, which at its height saw some 60,000 unfortunate souls processed through these narrow streets, to be shipped off to the far lands of Arabia, India and the overseas colonies of the European powers. The town still retains the feel of its Arab roots, many of the existing buildings dating back to the reign of Sultan Barghash in the 19th century. The end of the slave trade and a devastating cyclone saw the end of Zanzibar's heyday. The island passed from Arab to British to African hands over the intervening years and neglect followed, until Stone Town's inclusion on the UNESCO World Heritage Listings saw a return to something of its previous glory. Those who wish to learn something of Zanzibar's rich history, visit the Sultan's palace and see clove plantations established by the Sultan in the 19th century can take an optional 'Spice Tour' of the island (including lunch).

Overnight: **Standard Hotel**

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 10 Drive to Matemwe and relax on the beach

Today we drive to Zanzibar's north coast, an enchanting community of fishing vessels, coral reefs and wild beauty. The rest of the day is free to explore, or just relax on the beach.

Overnight: **Standard Hotel**

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 11 Free day for optionals & beach activities

Our final day on the island has been left free for optional activities. It's easy to spend time watching the fishermen bringing in their catch. Stroll along the beach admiring the idyllic vistas, or venture out by boat onto the colourful offshore reefs with mask and snorkel. The rich seas around the island teem with a colourful array of tropical fish and marine life, everything from sharks and turtles to tiny bright damsel fish. For anyone qualified these waters also present fabulous opportunities to scuba dive.

Overnight: **Standard Hotel**

 **Included Meals:** Breakfast

DAY 12 Tour ends Stone Town

Today we drive back to Stone Town, where our tour ends.

Accommodation and Meals

Accommodation Notes

Our first two night's accommodation is located at the slopes of Mount Kilimanjaro and is an ideal base for safaris into the National Parks. The lodge is surrounded by beautiful tropical gardens with facilities that include a bar and restaurant which is in the main building that was originally the farmhouse for the coffee plantation. Local and international cuisine is served. The swimming pool has great views of Kilimanjaro itself and the rooms are tastefully decorated in a traditional design. We then move onto a hotel that is just outside Arusha city, located with splendid views of a banana plantation and close to the countries National Parks. The rooms are stylish, with all modern amenities combined with a restaurant, bar and lounge facility. There is also a veranda which overlooks the swimming pool with an extensive sun deck. The safari camp in Manyara is close by the Serengeti, Ngorongoro and Manyara game reserves and is set in wilderness surrounded by the rugged hills of the rift valley escarpment and views of the hills and Lake Manyara. Accommodation is in safari tents and cottages, complete with modern facilities with a restaurant serving continental classics and contemporary Indian and traditional dishes - vegetables and herbs are grown from the local villages. The swimming pool is located in front of the dining area which is great for cooling off after a day spent on safari. We then move into the Serengeti National Park with a stay in tented accommodation with dining and lounge facilities that have been specifically designed for minimum impact on the environment and to blend into the surrounding habitat. Each tented unit contains an en-suite shower and toilet facility which uses solar water heating and a deck that overlooks the savannah woodland of the Serengeti. Power connections are available for charging telephones and cameras. As the camp is located in a wilderness area, wildlife can frequently enter the camp which provides a close up safari experience.

We stay on an old colonial farm house in Karatu which faces the Oldeani Volcano. The accommodation is rustically decorated with local materials and rooms are spacious with en-suite bathrooms and built in showers. Meals are normally served in the main building close to the pool. Our hotel accommodation in Zanzibar once served as the American consulate and has a range of antique furniture and ornaments from all over the world including wood carved furniture which are rarely seen in other countries. We sleep on the unique Swahili beds with most rooms over-looking the beach and swimming pool courtyard. Each air-conditioned bedroom is self-contained. Facilities include a restaurant, swimming pool and roof terrace. The final two nights are spent in the beach resort in the north of the island in bungalows by the beach with great views of the Indian Ocean. All the properties used on this tour have Wi-Fi.
