DAY 1 Join tour Johannesburg. Drive to Graskop

This morning, we leave Johannesburg and head for the spectacular mountains overlooking the old Eastern Transvaal. Before we descend, we will have a chance to admire the stunning vistas of the lowveld as it stretches before us into the distant horizons. The lowveld translates literally from Afrikaans into English as the low

bush. This area has been inhabited since Stone Age times and with its plentiful water from mountain rivers, multiple waterfalls, beautiful craggy escarpments covered in vegetation and colourful birdlife, we enjoy this beautiful region of the country. We will end our journey today in Graskop, a peaceful location surrounded by forestry plantations.

Overnight: **Standard Lodge**

 **Included Meals:** None

DAY 2 Drive to Kruger National Park via Blyde River Canyon

This morning we will stop at several viewpoints along the way, including the aptly named God's Window and admire the awe-inspiring Blyde River Canyon. We also stop at the strangely surreal Bourke's Luck Potholes, a collection of pebble-eroded formations at the confluence of the Treur and Blyde Rivers, before we arrive in the Kruger National Park. This afternoon we will go on our first game drive in the hope of spotting the Big 5.

 **Included Meals:** Breakfast

DAY 3 In Kruger National Park

The Kruger National Park is one of the world's premier game reserves. Covering an area larger than Israel, the park was established in 1898 to protect big game that had almost been hunted to extinction. The park is now one of the most prolific animal habitats in South Africa, committed to animal conservation and patrolled by armed rangers to prevent illegal poaching. A large number of species are present, including elephant, lion, black and white rhino, leopard, cheetah, giraffe, zebra, wild dog, hyena, wildebeest and almost all of South Africa's species of antelope. Bird life is just as impressive with crowned cranes, bee-eaters, sunbirds and vultures. We retire to our tents and the sounds of the African bush this evening.

 **Included Meals:** Breakfast

DAY 4 In Kruger National Park; late afternoon drive to Tshukudu Game Reserve

After our morning game viewing in Kruger National Park, we take a drive to Tshukudu, the Sotho word for Rhino. Tshukudu is renowned for its lion breeding and rehabilitation programmes, nursing sick, orphaned or injured animals of all shapes and sizes back to health for re-introduction to the wild. The Reserve is home to the most spectacular of South Africa's wildlife, including lion, elephant, rhino, hippo and even the elusive leopard and cheetah. It also contains a wealth of other big and small game, as well as many species of birds. We will take the chance to see some of these stunning animals even enjoying a walking safari through the reserve. What we do not see in Kruger, we may well see here.

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 5 In Tshukudu Game Reserve

Today we do some more game spotting from the back of our vehicles and there is even a chance to do some walking in the reserve with experienced rangers. They are all acknowledged experts in the bush and are happy to pass on their knowledge of animals great and small! So ask as many questions as you can! Should you decide that this all sounds far too much like hard work, there is a pool to relax around and soak up the South African sun.

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 6 Drive to Mlilwane in Swaziland; optional activities

After a morning of game spotting we continue south passing through rural townships and mountain scenery of the Blyde River Canyon escarpment to the small kingdom of Swaziland, a tiny and independent land inhabited by the Swazi people who revere their king and retain their age-old culture and traditions. Our journey takes us through some spectacular scenery in the Ezulwini Valley and past numerous traditional homesteads, curio stalls and the old mining settlement of Piggs Peak. This afternoon we enter one of Swaziland's best wildlife reserves, Mlilwane Wildlife Sanctuary. This secluded and beautiful sanctuary is a haven of tranquillity, located in a natural bowl beneath the Nyonyane Mountains. For the next two nights our accommodation is in traditional dome-shaped beehive huts. Though the camp has all the mod cons - showers, toilets, outdoor swimming pool and restaurant/bar - it is rustic in the best sense of the word. Warthogs and ostrich share the camp with us and the restaurant overlooks a lake populated by water birds and a resident hippo. The rest of the afternoon is free to enjoy the scenic splendour and indulge in a few more activities. Bike hire is available.

 **Included Meals:** Breakfast

DAY 7 Morning game walk in Mlilwane; free afternoon for optional activities

This morning we begin with a walk in search of zebra, wildebeest, impala, nyala and warthog. Mlilwane has a large area of open grasslands, so game viewing is relatively easy. The afternoon is left free for you to choose one of the many optional activities on offer. The great advantage of Mlilwane is that the absence of big cats allows for a very different game viewing experience. You can opt to set out with a guide on mountain bike and take a game-spotting ride through the superb scenery. Alternatively, you may like to follow one of the self-guided mountain walking trails following the historic aqueduct around the Nyonyane Mountains; or one of the riverside trails in search of birdlife and hippo. The choice is very much yours.

 **Included Meals:** Breakfast

DAY 8 Drive to Kosi Bay where we camp close to the shores of the Indian Ocean

Crossing through Swaziland we head for the southern border point at Golela, passing back in to South Africa and continuing through KwaZulu Natal to the northern settlement of Kosi Bay, close to the Mozambique border. The next two nights see us camping close to the shores of the Indian Ocean, set amidst a wetland area of lakes and forest that is home to a rich diversity of birds and animals including hippos and crocs. On the afternoon of our arrival there is some free time to explore and enjoy this protected area which was declared a nature reserve back in 1950 and considered one of the most pristine lake systems along the South African coast.

 **Included Meals:** Breakfast

DAY 9 In Kosi Bay with a walk along the beaches and a boat trip to spot bottle-nose dolphins

Today we take a walk along the beaches and forests of this area in search of small antelope and the astounding variety of birds to be seen here. We also take a boat trip to spot bottle-nose dolphins. Whilst sightings are not guaranteed, they are usually possible and we will pause to enjoy the company of these beautiful mammals.

 **Included Meals:** Breakfast

DAY 10 Drive to St Lucia plus visit a traditional Zulu village and learn about the lifestyles

Travelling down the coast we head towards the greater St. Lucia Wetland Park situated on the Indian Ocean coast. This wonderful wetland reserve was recently granted World Heritage status as the largest estuarine lake system in Africa. En route we will visit the Zulu Experience, a chance to visit a traditional Zulu village and learn about the lifestyles and culture of these fascinating people. Whilst in St Lucia you may choose to go on a range of optional activities. Night drives to spot giant turtles coming ashore and whale watching trips are possible in the right season.

 **Included Meals:** Breakfast

DAY 11 In St Lucia with optional whale watching

Another day on the coast allows for some additional relaxation time and the chance for optional activities such as whale watching (June to November) and turtle watching from November to March. There is also the option of a boat trip on the St. Lucia River to spot hippos and crocodiles.

 **Included Meals:** Breakfast

DAY 12 Drive to Durban where the tour ends

Continuing along the coast today, we drive to Durban where the tour ends at the airport.

 **Included Meals:** Breakfast
