Preparing for your Tour

Climate

Greece

Greece has predominantly hot, dry summers, May - October with temperatures reaching into the mid thirties in July and August. May and October themselves can be less predictable and may have some rain and cooler evenings. Wild flowers bloom in April and May adding much colour to the trails. At the beginning and end of the season the villages tend to be very quiet. Seasonal weather patterns can be unpredictable. Up to date information on the weather worldwide can be found by following the BBC weather link on this page.

Clothing

July and August are the hottest months though the islands are freshened by cooling winds. You'll need your swimming gear and an extra towel. Early and late in the season, there may be an occasional shower and you will need a warmer sweater and/or fleece for the odd chilly breeze whilst we travel between the ports.

Equipment

Water bottle, a torch, sunhat, sunglasses and sunblock. Please note that if you intend to sleep out on deck on some nights, as many travellers choose to do in good weather. Please bring a sleeping bag with you (the sunbathing cushions are available to sleep on the boat but cabin bedding can't be taken on deck).

Footwear

Footwear is not generally worn on board but bring trainers, walking sandals for shore excursions or walking shoes for longer walks on the island.

Luggage: On Tour

Space is limited on board so only bring what you need. A soft bag is strongly recommended as it is more easily stored than a hard suitcase. A daysac is useful for shore excursions.

Luggage allowance on tour: 20kg
