## Cycling Coast To Coast

On this cycling trip we cross the breadth of England on two wheels from Whitehaven on the Irish Sea to Tynemouth on the North Sea. This classic coast to coast challenge cycles through some of the wildest and most spectacular landscapes in the north of England; discovering the dramatic beauty of the Lake District, Eden Valley and the rugged North Pennines.

### Why Book this tour

Unlike many other operators, we include the hire of your bike in the overall cost of the holiday: you don't need to bring your own or pay extra to hire one locally. We also provide a support vehicle, spare parts and take care of day to day bike maintenance. All you need bring is your own helmet.

### Cycling Information

On this tour we cycle 218 km over three days (an average of 73 km per day). Our route follows bike trails along disused railway lines and quiet back roads with some short sections on main roads. Maps are provided to cycle individually or in groups while the tour leader drives the support vehicle. We have graded the route as challenging.

### Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

### Tour Comfort: Simple

These are often small, family run establishments or campsites which provide a no-frills experience with adequate amenities and service standards. Sleeping arrangements are simple, typically with en suite facilities.

### Tour Style: Classic

Packed with adventure, these tours offer inspiring destinations and authentic travel experiences at a reasonable price. Using all kinds of transport and accommodation, we'll take you off the beaten track to discover the true heart of the people and places you visit.

### Cycling Grade: Challenging

Longer, more demanding rides for cyclists who enjoy hilly terrain with some challenging ascents. The routes demand a good level of fitness and may include some non-technical, off-road riding.

## Your tour itinerary

### Tour itinerary notes

While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested.

### Your Tour Leader

A Tour Leader is an integral part of any Explore tour and your tour will be led by one of our experienced tour leaders who have been handpicked and expertly trained. We believe that our Tour Leaders are the key to the success of our tours; they are passionate travellers who are bursting with first-hand local knowledge which they love to share. Your tour Leader will also take care of all the planning and organisation throughout your journey. Their passionate approach will make this tour fun and inspiring, bringing the destination to life whether you're travelling alone or with others

## DAY 1 Join tour Whitehaven

Whitehaven is a small, former mining town and port on the Irish Sea, on the western edge of the Lake District. This Georgian town was one of the first Post renaissance planned towns in the country. We meet up here at our hotel in Whitehaven, where you can familiarise yourself with your bike for the trip and make any necessary adjustments. We use 21 gear Ridgeback Meteor hybrid bikes which are ideally suited to the terrain and will provide maps and detailed route notes which means we can cycle at our own pace, either individually or with other group members. There will be a short introductory briefing this evening. Our tour leader will transfer the baggage and provide emergency vehicle back up and will meet us at various points during our days cycling. After dinner there'll be time for a drink with fellow riders and to discuss the challenge ahead!

Overnight: **Standard Hotel**

**Included Meals:** None

## DAY 2 Cycle through the Lake District

After breakfast we'll freewheel down to Whitehaven Harbour to perform the customary wheel dipping ceremony then leave the town heading east. We'll soon be travelling along a disused railway line heading towards the rolling green landscape of the Lake District, with stone walls and glorious views of the fells and tiny hamlets with tranquil Loweswater in the distance. Our first real test will come as we make the long climb up to the forested pass at Whinlatter. After 25 miles or so we will stop to grab a sandwich & slice of delicious homemade cake at the visitor centre café, before the fast descent down to Keswick. We'll spend the afternoon riding on more disused railways, back roads & quiet lanes, passing through quiet Cumbrian villages and hamlets. Our night stop is in Penrith a simple guesthouse close to the town centre. Tonight we'll head into town for a well-earned dinner and drinks. Our total cycling distance today is approximately 85 kilometres

Overnight: **Simple Guesthouse**

**Included Meals:** Breakfast

## DAY 3 Cross the Pennines by pedal power

After a good night's sleep and a full English breakfast to fuel us for today's ride, we head uphill and east out of town. The hill can be quite a challenge early on, but we soon get into our stride, climbing then descending to the River Eden and Langwathby. After about an hour and a half the scenery - and the gradient - changes as we start the climb to Hartside Pass. The road zigzags its way up the side of the hill to the summit at 580m (1903ft). Whilst not the steepest hill on the ride, it's a steady climb up the 3-4 miles to the cafe at the top - the highest in England - for a hot drink and a welcome slice of cake! Then it's a fast freewheel for several miles down towards the picturesque Pennine village of Garrigill. The pull out of Garrigill towards Nenthead is one of the most challenging of the route - let's not pretend it's anything other than tough! But it's over faster than you expect and we're in Nenthead before you know it with just one more big climb remaining for the day. After Nenthead we reach the highest point of the C2C route, crossing into Northumberland before another good descent, a short gradual climb and then a final descent into Allenheads. Tonight's accommodation is in dorm style rooms with shared facilities and there's a great pub a short way up the valley where we can enjoy a pint of real ale and something hearty and filling for dinner. Our total cycling distance today is approximately 53 kilometres

Overnight: **Basic Hostel**

**Included Meals:** Breakfast

## DAY 4 Cycle to Tynemouth, tour ends Tynemouth

The final day's ride starts with another early morning steep climb as we leave the village and climb up through the head of the valley. The reward is open moorland views and the longest most enjoyable descent of the entire route towards Rookhope. After Rookhope comes - yes, you've guessed it - another climb followed by a good long descent. The ascent out of Stanhope takes the award for steepest climb but there's a great little cyclists cafe at the top - formerly the old miners railway station at the start of the 'Waskerley Way'. From here we follow the disused railway line across open moorland, over cattle grids and through numerous gates as we start to descend towards Consett. Skirting the old steel town we soon join another disused railway line now known as Derwent Walk which takes us all the way to the outskirts of Newcastle. The C2C signs take us round docks and over bridges as we approach the city alongside the Tyne, with the view of the bridges in the centre of the city beckoning us on. It's tempting to think Newcastle might be the end of the ride, but there's still another 12 miles to go! With the river on our right we weave our way through Wallsend and North Shields. Before passing a marina, and following the Tyne for the last few miles to the sea. There's one more very short hill before our final destination - the small bay at Tynemouth with the ruins of Tynemouth Castle and Priory on the headland above, and the end point of our Coast to Coast ride. There's a great feeling of real achievement as we reach the North Sea, and realise that we just crossed England by pedal power! Our journey ends here so we leave the bikes and take a short walk to Tynemouth metro station on the Tyne and Wear Metro system, from where it is a 30 minute journey into central Newcastle and the mainline rail station. Our total cycling distance today is approximately 80 kilometres

**Included Meals:** Breakfast

## Accommodation and Meals

### Accommodation Rating

An important feature of many Explore tours is the wide range of accommodation used, and since the beginning our philosophy has been to select accommodation to suit the itinerary - not the other way round. To help gauge the comfort level on your chosen tour, we have graded the accommodation standards at all night-stops using the rating guide below. Please keep in mind however that standards can vary from one trip to the next, and occasionally we may need to change a night-stop without advance warning.

Basic - Our basic accommodation can offer the most rewarding and memorable places to stay. These are usually communal or camping style with shared facilities. Running hot and cold water may be unreliable and overall comfort levels are basic.

Simple - These are often small, family run establishments or campsites which provide a no-frills experience with adequate amenities and service standards. Sleeping arrangements are simple, sometimes with en suite facilities.
