DAY 1 Join trip in Moscow

Arrive in Moscow and check in to hotel. Moscow is one of the largest cities in the world. It has grown rapidly in recent decades, and, as a result, comprises high-rise suburbs surrounding a relatively compact historic centre with plenty of fascinating ancient architecture.

Overnight: **Standard Hotel**
Single Room Available

Swimming Pool Available 

 **Included Meals:** None

DAY 2 Orientation tour of Moscow including the Red Square

Moscow is the pivotal centre of Russia and there is much to see and do here. We start our journey today with a metro orientation tour which ends at the Red Square, still paved in its original stones. The metro itself is an experience being elaborately decorated with chandeliers and mosaics and we'll get to see the most iconic stations during our metro tour. Here you will have an option to visit Lenin's Mausoleum and St Basils or visit one of the many fine art galleries before setting out on a bus to visit outlining areas of Moscow including Lenin Hills and get to see Novodevichy Convent and Cemetery from the outside, with red and white crenelated walls and golden dome, it is one of Moscow's most attractive monasteries. We end our day today at the city centre.

Overnight: **Standard Hotel**
Single Room Available

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 3 Excursion to the Kremlin with the chance to visit the Armoury

On our second day we visit the famous Moscow Kremlin on Red Square - a city within a city. The triangular walls of this incredible complex of buildings enclose three fine palaces, cathedrals, belfries and towers, representing Russia throughout its glorious past. Later we recommend an optional visit to the Kremlin Armoury, which contains a stunning collection of imperial jewels and regalia, including the 16th century English silver sent to Ivan the Terrible by Queen Elizabeth I, with an eye to matrimony.

Overnight: **Standard Hotel**
Single Room Available

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 4 See St. Sergius Trinity Monastery and Vladimir; arrive in Dvoriki

Today we begin our visit by road to the famous cities known as the Zolotoye Koltso or the 'Golden Ring'. Each of these ancient towns in its own way represents the historic soul of the Russian people. We make a slight detour en route to Vladimir to visit Sergiev Posad. Here we will marvel at the golden domes and great bell-tower of the Trinity Monastery of Saint Sergius, which is a main centre for the Russian Orthodox Church. Founded in the 1340's by the crusading monk, Sergei Radonezhsky, who lies buried here under the Trinity Cathedral, the church buildings copy the style of a Byzantine Cruciform. Peter the Great regularly used this monastery. Today, the town is famed for the craftsmanship of its wooden toys, particularly the Matrioshka; nests of wooden dolls which fit one inside the other. This afternoon we continue to Vladimir, which is situated on a semi-circular hill on the Klyazma riverside. Founded in 1108 by Prince Vladimir Monomakh, the Grand Prince of Kiev, many of its striking 12th century monuments still remain intact. Among the splendid sights here are the Cathedrals of the Assumption and Saint Demetrius. The latter is a Medieval gem and one of the finest in the whole country. Its high reliefs, carved on the front of the cathedral, depict strangely mixed characters from classical history, such as King Solomon and Alexander the Great. Also of note are Vladimir's Golden Gates, which were ambitiously modelled on the gates of Kiev and acted as important fortifications to defend the city. After our guided tour of Vladimir we'll drive to the nearby village of Dvoriki and to our unique woodland hotel. Our accommodation for tonight is in splendid isolation within a picturesque forest and the buildings are log built. The hotel has its own restaurant, bar, indoor pool, spa and horses on site. It a great spot to relax in for the evening and enjoy the Russian wilderness.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 5 Visit the historic town of Suzdal en route to Rostov Veliky

This morning our first stop is in Suzdal, which is perhaps the most beautiful of all the old cities in the Golden Ring. It was already a settlement in the 10th century, but began to flower architecturally in the 12th century under Yury Dolgoruky. We will be able to see the exterior of the Kremlin, which was rebuilt after being pillaged and burnt by the Mongols in 1238. We'll also visit to the north of the town, the great Spaso-Evfimiyevisky Monastery, which was founded 14th century and was once one of the five largest

monasteries in all of Russia. However, from 1767 to 1907 the monastery took on a darker purpose as a prison, for those classed as being lunatics, which includes disgraced nobles, free-thinkers and opposition politicians. The most outstanding building within its walls is the Cathedral of the Transfiguration, with five domes and several superb murals. On the far side of the river we see the Convent of the Intercession, which was also long used as a prison for the unwanted wives of nobles (Ivan the Terrible, his father, and Peter the Great, all exiled their wives here for various reasons). Further down the river we visit the remarkable Field Museum of Wooden Architecture, which has a distinctive collection of ancient wooden churches, manor houses and windmills that were all dismantled and re-erected here from across northern Russia. Continuing our journey we head to Rostov Veliky. Located on the shores of Lake Nero, Rostov Veliky (Rostov the Great), is one of Russia's oldest cities. We visit the Kremlin, considered by many locals to be the finest outside Moscow. Its strategic position on top of a hill and the impressive kilometre long white walls, make the Kremlin the main landmark in this picturesque town in the Golden Ring. Also included in our sightseeing is the Enamel Museum inside the Kremlin. The art of enamel work was developed in this town at the end of the 18th century. We'll get to appreciate both ancient and modern examples of this beautiful technique.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 6 Tour of Yaroslavl; overnight train to St. Petersburg

This morning we drive to Yaroslavl which stands proudly at the meeting point of the two rivers, Volga and Kotorosl, and is rich in ancient monuments. It takes its name from Prince Yaroslavl of Rostov who captured the settlement here. The town can also claim to have founded Russian dramas: Fyodor Volkov established the first professional theatre company here in 1748. On arrival we'll have an orientation tour of the main attractions, visit one of Yaroslavl's famed churches and the Transfiguration Monastery. We'll then enjoy a short boat trip on the River Volga followed by free time to relax and have dinner before we take the overnight train to St. Petersburg. Our accommodation is in four-berth compartments with bedding provided.

Overnight: **Simple Overnight Train**

 **Included Meals:** Breakfast

DAY 7 Orientation tour of St. Petersburg

St. Petersburg is famous for its romantic 'White Nights', the period from May until July when the sun practically never sets. The city (formerly known as Leningrad) was founded by Peter the Great as his 'Window on the West', and built on the hundred islets that form the delta of the Neva river. It must surely be acclaimed as one of the most beautiful cities in Europe - some would say the most beautiful. Peter's original idea for its location as a naval base on the Baltic Coast was certainly a huge mistake as the port is ice-bound for one third of the year. Nevertheless, it became the city of great writers like Pushkin and Dostoyevski and it still retains much of the romantic spirit of those bygone days. On arrival this morning we will conduct a sightseeing tour of the city by bus, before going to our hotel to check in. Please note breakfast is not included on the train.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** None

DAY 8 Visit to the Winter Palace and Hermitage Museum

This morning we visit the magnificent Hermitage Museum, which was augmented by Catherine the Great. The Hermitage is unquestionably one of the finest art galleries in the world, containing the works of masters like Leonardo da Vinci, Titian, Raphael, Velazquez, Rubens and Rembrandt, as well as contemporary pieces by Matisse and Picasso. This afternoon you have the option to visit St. Peter and Paul's fortress, the final resting place of many of Russia's tsars and their families.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 9 Excursion to Catherine the Great's Palace at Pushkin

This morning we shall travel by bus to Pushkin (formerly Tsarskoe Selo, the 'Tsar's Village') where Pushkin's 19th century wooden house is located (currently under restoration). The Tsar's royal estates were built here, including the summer residence of 'Catherine the Great', a majestic palace styled in blue and gold rococo. We may stroll around the lakes and gardens of the palace after viewing its sumptuous interior including the grand gold and crystal ballroom as well as the recently restored Amber Room. This afternoon we return to the city and you may have the option to visit the Yusupov Palace where the 'mad monk' Rasputin was famously (eventually), murdered.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY **10** Trip ends in St. Petersburg

Tour ends in St Petersburg after breakfast.

 **Included Meals:** Breakfast

Included Activities

Please note for many attractions and sites you visit during the tour, you will not be allowed to take coats or bags inside. These will have to be checked into the cloakrooms available and so customers are advised to carry a small bag for wallets/purses, mobile phone, personal docs etc in whilst inside the venue.

Accommodation and Meals

Accommodation Notes

For the overnight train journey we will use sleeper carriages with four bunk beds with bedding provided (two beds on floor level and two above) per compartment and with a shared toilet and wash basin in each carriage. There are no shower facilities on board. Luggage is stored under the bottom bunk beds and above the cabin door for the top bunks. There is the possibility that you will be sharing with non-Explore clients in the same cabin. There is no air-conditioning on board and it's not always possible to open the windows, so we recommend light weight bed clothes. You can experience authentic rail travel with the local people and it's a great way of getting from place to place during the night, so you maximise on the amount of time you have in each city during the day to explore. Take snacks, drinks, toilet roll, hand sanitiser and an open mind with you for maximum enjoyment.

In Russia the majority of buildings including the hotels still use the old Soviet District Heating System. Large power plants supply both electricity and hot water and from autumn to spring the central heating provided is at a set temperature, which can't be individually adjusted. So this means that it can be hotter inside the hotel bedrooms than you'd expect, but this can't be turned down, so it's best to open a window if you are too warm.

Most of the hotels in the main cities were constructed during Soviet times and so tend to be large and can have ostentatious decor. The hotels we use in both Moscow and St. Petersburg are in this style and are just a short journey by metro from the city centres.

In Moscow our hotel is by Partizanskaya metro station and is approximately 15 minutes from the Red Square. Within walking distance of our hotel is the Kremlin in Izmailovo where you can visit a number of museums and see different Russian architectural styles. Here you'll find the Russian Toys Museum, Russian Fleet Museum and the Russian Vodka History Museum. Next door to here is a flea market and the Vernissage where folk crafts and antiques are on sale. Nearby there's also Izmailovsky Island surrounded by the Serebryano-Vinogradnye ponds. The island contains 18-19th centuries architectural monuments and was created by the second Tsar of the Romanov family. One of the largest city parks in Europe, Izmailovo Park, is also close by.

In St. Petersburg our hotel is situated near to Nevsky Prospekt on the Neva River embankment. The metro station is in the hotel building and it takes approximately 20 minutes to reach the Hermitage. Within walking distance of our hotel is Alexander Nevsky Lavra. This monastery complex is home to some of the oldest buildings in the city and the graves of some of Russia's most famous composers and writers including Tchaikovsky, Dostoevsky and Glinka.

Under 18 immigration guidance

Please note that some countries require proof of parental consent when travelling overseas with under 18s. Please check requirements with the relevant embassy or consular office well in advance of travel if this applies to your party.

Visa Information

Russia: All nationalities require a single entry visa in order to enter Russia. As part of the visa requirements you will need to obtain a Russian Travel Voucher and Authorisation from the local Russian authorities. Explore will request this on your behalf approximately 8 weeks prior to departure. Please allow a minimum of 5 working days for the travel voucher and authorisation to be processed. Due to the visa processing times, Explore are unable to accept bookings within one month of travel.

For British passport holders: All applicants must present themselves in person to the Russia Visa Processing Centre in London,

Manchester or Edinburgh, on the day of application, to provide biometric information (fingerprints). There is currently no appointment system in place for this new process, so applicants will be seen on a first come, first serve basis. It is likely this will mean lengthy queues and waiting times. The biometric process is not optional, and any applicant who refuses to provide their fingerprints will automatically be refused a visa. This information is not stored and applicants will therefore need to travel to the Processing Centre each time a visa is required. In the event an application is rejected due to inaccurate or incomplete information, fingerprints must be resubmitted as part of the revised application. For more information regarding this process - we recommend contacting the Russian Embassy direct, their website is <http://rusemb.org.uk/visa/>

It is essential that you provide Explore with the correct passport information at the time of booking, as this will be required in order to request the travel voucher and letter of invite, as well as pre-book any applicable train tickets. Corrections and amendments will incur additional charges, so please double check that the information we have for you is up to date and correct, this includes your passport number, full name as per passport (including middle names), date of birth and place of birth; if customers renew or reissue their passports from the details initially given to Explore, train tickets must be cancelled and purchased again, which involves extra costs and may result in customers being in differing train carriages to the rest of the group. If you intend to renew your passport please let Explore know at the point of booking and please ensure that you have the new passport no later than 8 weeks prior to travel.

Once you receive your travel voucher and authorisation, you may notice that the dates of entry and exit displayed do not match your exact dates of entry and exit. This is not a problem and it is often the case that the entry date is earlier than your actual tour start date and the exit date is later than the end of the tour. On your visa application you will need to insert the dates of entry and exit exactly as they are stated on your authorisation letter. In the very unlikely situation that the date band showing on your authorisation letter is ever less than your planned travel duration, please notify Explore as soon as possible and we will get this updated.

You will be required to enter a reference number and a confirmation number on your visa application. These can be found at the top of your authorisation letter under the heading 'Voucher Number'. The 6 digit long number is the reference and the 4 digit number is the confirmation number.

If arriving in Russia more than 72 hours before day 1 of your Explore holiday, and staying at a different hotel to the joining hotel, or with friends, then please contact Explore to provide us with the address of your accommodation before you begin to apply for your Russian visa

Please ensure that your passport has a minimum of 6 months validity from the date of return to your home country.

All visa information is subject to change regularly, so please check with your local consulate for the most up to date advice for the countries you are visiting. All other nationalities should check with the Russian embassy.

For nationalities that require proof of their travel insurance through Explore as part of their visa application, please contact us for a copy of this.

If you do require assistance in obtaining a visa then you may consider applying through Explore's recommended visa service in the UK, Travcour. See www.travcour.com to download the relevant visa application for your trip, if applicable (UK citizens only), along with details of how to apply for your visa through Travcour. The Team at Travcour will be happy to answer specific questions relating to visa applications, please call them directly on **0208 5431846**.

Vaccinations & Protection

Russia

Nothing compulsory, but we recommend protection against tetanus, typhoid, hepatitis A, polio and diphtheria. Consult your travel clinic for further advice. Tick-borne encephalitis is recommended by some medical sources if travelling in certain areas of Eastern Europe, at specific times of the year. Check latest requirements with your travel clinic or doctor prior to departure. Special Note: Visa and vaccination requirements are subject to change and should be confirmed before departure. The above is not an exhaustive list. Further information regarding vaccinations and travel health advice can be found by following the NHS and NaTHNaC links at <http://www.explore.co.uk/Travelhealth/> and from your local healthcare provider. The Russian government advises that certain medications must be declared upon entry into the country, and you may also be required to carry a prescription with you. You should consult your local consulate for up to date information prior to travel.

Preparing for your Trip

Climate

Russia

In European Russia snows usually start in November and stay till late March/early April, when a great thaw occurs with temperatures ranging from about 5°C in October and April to -15°C in January.

Clothing

July and August are the hottest months and lightweight cotton clothing is best. During spring and autumn temperatures can be lower or drop during the evenings and there is also a stronger possibility of rain, although light rainwear may be needed at any time of year. A warm fleece/jacket is recommended for cooler evenings.

Ladies should take a headscarf and ensure their shoulders are covered when entering churches.

Equipment

Take some insect repellent for the Golden Ring and St. Petersburg. A money belt is essential, especially in Russia. A swimsuit for saunas may also be taken.

Footwear

We recommend taking comfortable walking shoes for exploring and trainers or sandals for relaxing.

Luggage: On Tour

One main piece of baggage and a daysac for personal items. Remember that you'll have to carry your own luggage, so don't overload yourself.
