Your trip itinerary

Tour itinerary notes

While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested.

DAY 1 Join tour in Vientiane

Arrive Vientiane and check-in at the hotel. Located on the banks of the Mekong River, the Laos capital is a friendly town. Find weathered French Colonial mansions, stunning temples and steaming noodle stalls. A Beer Lao by the river at sunset is the best way to end the day and start your adventure.

Overnight: **Simple Hotel**
Single Room Available

 **Included Meals:** None

DAY 2 In Vientiane, explore the Lao capital; free afternoon

This morning we include a sightseeing tour around the city. This is a low-built, red roofed attractive capital city, with a slight French feel to it. We explore some of the best sights including the Victory Gate (a Triumphal Arch with good views of the town), the That Luang stupa (said to contain a hair of the Buddha) and Sisaket Wat, packed with fine Buddha images.

Overnight: **Simple Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 3 Fly to Luang Prabang. Drive to Nong Khiaw

This morning we leave Vientiane, flying north to Luang Prabang and then driving on to the scenic town of Nong Khiaw. The condition of the roads in this part of the country is very much dependent on the weather and we should be prepared for some landslides and delays. The scenery however is spectacular - it's mostly forested with 'slash and burn' cultivation very much in evidence, along with the many hilltribe villages along the way. Slash and burn usually takes place in April and May, when rural fires can be witnessed and smoke can fill the air often drifting into nearby towns and creating a hazy sky. We plan to arrive in Nong Khiaw in the early evening where you'll then be able to have dinner and relax in this sleepy river-side town.

Overnight: **Standard Bungalow**
Single Room Available

 **Included Meals:** Breakfast

DAY 4 In Nong Khiaw, visit ethnic villages and explore the Nam Ou River

Nong Khiaw is a small settlement located upon the banks of the gentle Nam Ou River, overshadowed on all sides by towering limestone karsts and lush forested hills. We have a full day exploring the local villages and landscapes today. We'll take a longboat upriver to the remote villages of Ban Sop Jam and Muang Ngoi Neu, where we will be able to chat to the locals and learn a little about the traditional way of life in this rural part of Laos. We'll then head out on an easy walk of around two hours, taking us in to the heart of the countryside with gorgeous limestone cliffs, mountains and paddy fields before our boats take us back downstream to Nong Khiaw.

Overnight: **Standard Bungalow**
Single Room Available

 **Included Meals:** Breakfast

DAY 5 Long boat down river to Luang Prabang

This morning we board longboats for our journey further down the Nam Ou River - south towards Luang Prabang. The river journey is stunning, passing many villages and forests, with the back drop of large rolling mountains. We must leave the boat at Dong Ngern in order to avoid the Nam Ou River dam. After a short road transfer we'll once again continue our journey by boat, now on the Mekong River to visit the Pak Ou Caves, where we climb steps up the limestone cliffs to reach the sacred Buddhist shrine. Although now abandoned by the monks, there is an altar for incense burning, flower offerings and numerous rock shelves crammed with thousands of Buddha images of all shapes and sizes. We then return to our vehicles to continue our journey to Luang Prabang, the country's former capital.

Overnight: **Simple Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 6 Explore Luang Prabang; Excursion on Mekong River to Ock Pop Tok craft centre

Today we'll really get to have a closer look at Luang Prabang. All the main sights of interest are close together and we'll have a chance to walk around the various wats (temples) including the splendid Wat Xieng Thong (the Golden Temple built in 1559), which is strikingly decorated in brilliant red and gold designs, with an imposing tiled roof and mosaic dragon motifs. We'll also visit Wat Sen and the Royal Palace Museum. Afterwards we'll hire tuk tuks to take us to the Ock Pop Tok living craft centre, a project setup to employ and empower local craftspeople and artisans. There's a wide range of high quality textiles on display and you'll get to see the incredible skills with which they're made. Returning to the town centre the rest of the day is left free for personal exploration.

Overnight: **Simple Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY **7** From Luang Prabang, visit Kuang Si Waterfalls; free afternoon

This morning we travel by bus to the beautiful Kuang Si Waterfalls, approximately 45 minutes from Luang Prabang. Passing forested hills and several ethnic minority villages we arrive at the limestone falls that cascade into several clear pools below. Returning to Luang Prabang, there is an opportunity to take an afternoon bicycle trip (optional) to the Lao Loum village at Ban Phanom. Approximately 6 km from Luang Prabang, the road gently undulates through cultivated scenery and arrives at a well-kept scenic village on the banks of the Nam Khan River. We will spend time meeting the locals and learning a little more about the everyday life of rural Lao before returning to Luang Prabang for a well earned 'Beer Lao'.

Overnight: **Simple Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY **8** In Luang Prabang, free morning; fly to Hanoi, evening walk in Old Quarter

This morning is left free for further exploration of Luang Prabang. In the afternoon, we fly to Hanoi in Vietnam. This evening you can take a walk through the bustling streets and markets of the Old Quarter. The shops themselves have very narrow frontages, but are actually quite deep; they are known locally as 'tube' shops, while on the pavement food vendors sell noodles, snacks and stir-fries from shoulder panniers.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY **9** Discover the sights of Hanoi including the Old Quarter

This morning we make a tour of the main sights of Hanoi. Architecturally styled like a French provincial town with tree-lined boulevards and substantial low-built houses the city is wonderfully nostalgic. Among the interesting sights are the charming One-Pillar Pagoda, Confucius Temple and the Presidential Palace. Ho Chi Minh himself, a spartan-living and scholarly man, chose not to live in the Presidential Palace; he preferred instead a simple teak stilt-house specially built for him in the grounds. This walk through the narrow lanes of the fascinating Old Quarter, where the streets are named after various crafts or specialties: Paper Street, Silk Street, Basket Street and so on. The shops themselves have very narrow frontages but are actually quite deep; they are known locally as tube shops. On the pavements food sellers sell noodles, snacks and stir-fries from shoulder panniers. The smell of food mixes with the smell of incense from small temples dotted around.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY **10** Free time in Hanoi, then drive to Halong Bay

We have some free time in Hanoi this morning perhaps to visit some of the many museums or Ho Chi Minh's austere mausoleum, which resembles Lenin's in Moscow. Afterwards we drive out towards the iconic Halong Bay in the Gulf of Tonkin. Thousands of jagged limestone islands rise out of the jade green waters like the hairy scales of a submerged dragon. In fact Halong means: 'Where the dragon descends to the sea'. As legend has it the rugged seascape was created by the pounding tail of a dragon as he ran from the mountains into the sea, carving the islands in his wake.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY **11** Cruise Halong Bay; from Hanoi overnight train to Hué

This morning we enjoy the romantic scenery of Halong Bay on a cruise amongst the islands. We'll have the chance to stop at a grotto beneath towering cliffs and perhaps visit a beach. It is interesting to see the curious assortment of tourist boats, traditional junks and wooden sampans gliding through the waters. We enjoy a seafood lunch on board the boat, before returning to a hotel in Hanoi to freshen up before boarding the Reunification Express to Hué.

Overnight: **Simple Overnight Train**

 **Included Meals:** Breakfast, Lunch

DAY 12 In Hué; boat along Perfume River to Thien Mu Pagoda

We arrive in Hué, one of the great cultural and religious centres of Vietnam, a quietly impressive place. The Perfume River divides the city in two and has been the inspiration for poets and painters for many centuries. This afternoon we plan to take a trip by boat along the Perfume River from Hué to the Thien Mu Pagoda. This serene temple is the oldest in Hué and also the symbol of the city.

Overnight: **Standard Hotel**
Single Room Available

Swimming Pool Available 

 **Included Meals:** None

DAY 13 In Hué, visit the Imperial Citadel; free afternoon

This morning we appreciate Hué's fascinating history with a visit to the Imperial Citadel. Located on the left bank is the river, this palace was built by the Nguyen dynasty, Vietnam's ruling emperors from the early 1800s to 1945. The Citadel has formal moats and impressive ramparts that were constructed by 20,000 men and was a copy of the Forbidden City in Beijing. Although most of the inner part of the city was totally destroyed during the month-long Tet Offensive in 1968, the vast outer walls and the west wing remain an eloquent reminder of the palace's former glory. The remainder of the day is free to perhaps explore some of the outlying Tombs of the Emperors by bicycle.

Overnight: **Standard Hotel**
Single Room Available

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 14 Scenic drive via Danang to Hoi An

We enjoy a scenic drive across the spectacular Col des Nuages, otherwise known as the Hai Van Pass en route observing rural scenes of thatched, wooden houses and lime-green rice paddies as well as enjoying panoramic sea views. Pausing in Danang, once the centre of the Kingdom of Champa (2nd century AD - 1720) we visit the Cham Museum, home to a fine collection of Cham sculptures. Our next stop is at the nearby five peaks of the Marble Mountains, said to represent the five elements of water, wood, fire, gold and earth. Naturally formed grottoes have been transformed into heavily carved Buddhist sanctuaries. A torch is useful to explore some of the caves and grottos. A short distance from the mountains we find the white sands of My Khe Beach (nicknamed China Beach by American troops)- an ideal spot for a brief rest. Finally we reach our destination - the UNESCO World Heritage town of Hoi An.

Overnight: **Standard Hotel**
Single Room Available

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 15 Free day to explore Hoi An; optional visit to My Lai

The historic, merchant town of Hoi An had become one of the busiest international trading ports of Southeast Asia by the 17th and 18th centuries. First colonised by the Portuguese in the 16th century it still retains its medieval charm today, with many of its old buildings superbly preserved. The day is free to explore at leisure. You may choose to visit the Japanese Bridge or some of Chinese temples and meeting halls in the Old Town. There are many shops, bars and restaurants in this charming town and is a great place to buy souvenirs, have clothing tailored or simply watch the world go by in a riverside café. You may wish to take an optional excursion out the site of the My Lai village massacre memorial. The massacre was a significant turning point in the American War and the horrific story is told through a very emotive exhibition of photography.

Overnight: **Standard Hotel**
Single Room Available

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 16 Visit to ancient My Son; free afternoon in Hoi An

A further day is spent based in this lovely historic town. This morning we take an excursion to the holiest and most evocative of Vietnam's Cham sites, My Son. The Chams were dynastic lords who rejected the authority of China in 2AD and established their own kingdom. Although they benefited from strong sea links with the rest of Southeast Asia the kingdom's interior could not supply sufficient food for a strong military force. For 1000 years they managed to stave off attacks by the Vietnamese and Chinese, before being overcome by the Vietnamese in the 15th century. Travel along the track that leads to the site is slow and bumpy through wooded hills, but the site is certainly impressive with several groupings of Cham temples to be visited. Nowhere are the fine masonry skills of the Chams more evident than at My Son, despite the fact that much of the site was bombed in the 1960s. The afternoon is free to enjoy Hoi An further. The beach is only a short drive by taxi alternatively a boat trip on the river as the late afternoon sun lights up the riverfront is a treat.

Overnight: **Standard Hotel**

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY **17** Fly to Ho Chi Minh City; drive to Mekong Delta

After a short drive to Danang Airport we fly to Ho Chi Minh City, from where we drive further south to Ben Tre in the Mekong Delta. Surrounded with lush and fertile land the area is home to small villages and swaying coconut palms. We take a local ferry to a nearby village, which we explore by trishaw. Later we board sampans, which are small Chinese wooden boats, and cruise along the narrow canals that shoot off the main vein of the Mekong River. After lunch at a local house we have some free time to explore the area further. Finally we return to Ben Tre by boat where we spend the night in a local homestay, with shared facilities and dorm-style accommodation.

We then drive to the Independence Palace (renamed the Reunification Hall) and the graphic War Remnants Museum. The afternoon is free for you to explore the city further at your leisure, perhaps with a visit to the huge Ben Thanh market.

DAY **20** From Ho Chi Minh City, visit Cu Chi Tunnels

This morning we take a short drive out of the city to the infamous Cu Chi Tunnels, which formed an incredible underground command base for 10,000 Viet Cong troops and were a major part of the 1968 Tet Offensive. The site is a fascinating insight into the resourcefulness of the Vietnamese. There is the opportunity to crawl through a small specially adapted section of the tunnels should you wish to sample the claustrophobic conditions the Viet Cong lived in. Afterwards we bid farewell to our tour leader who continues back to Ho Chi Minh City while you continue by road into Cambodia. Border formalities take place at Moc Bai (Vietnam) and Bavet (Cambodia) crossing point. Our final destination is Phnom Penh, Cambodia's capital.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY **21** Discover the sights of Phnom Penh; free afternoon

Phnom Penh took over from Angkor as Cambodia's capital city in the 1440s. It is now a lively city with many French colonial buildings and plenty to see. Accompanied by a local guide we visit the National Museum, a treasure trove of beautifully preserved carvings and lintels rescued from Angkor; the emotive Tuol Sleng Genocide Museum, formerly a high school that became the Khmer Rouge's main torture and interrogation centre; and the Killing Fields of Choeung Ek - the memorial stupa is a glass tower filled with human skulls - a gruesome reminder of the scale of Pol Pot's atrocities. This afternoon we visit the Royal Palace and Silver Pagoda as well as the temple of Wat Phnom before having some free time in the city.

Chiso Mountain (380m), located in Sia village about 62 km south of Phnom Penh, is topped by the ruins of an 11th century Khmer Brahmanic Temple with fine views of the surrounding paddy fields. Our exact programme over the next three days may change slightly at our local guide's discretion (to avoid crowds, coincide with sunsets, etc.). Angkor was actually a series of cities, built between the 9th and the 13th centuries by the Khmer kings, with a population of 750,000 in its heyday. The Angkor complex is spread out over some 155 square kilometres, scattered with magnificent carved stone temples, elegant sculptures and incredible bas reliefs. We visit the Rolous group, which are some of the earliest temples. In the afternoon we visit the temples of Banteay Srei, a small but beautiful temples with exquisite carvings. We end the day at East Mebon, with a visit to Pre Rup temple for sunset.

We continue our exploration with a visit to the temples of King Jayavarman VII, reputedly Angkor's greatest king. The fortified city of Angkor Thom, which he built at the end of the 12th century is enclosed by a square wall with five monumental gates decorated with stone elephant trunks. Originally, crocodiles inhabited the moat and huge statues of 54 different gods protected each gate. The city contains another of Angkor's true gems - The Bayon. Although not as impressive as Angkor Wat from a distance, The Bayon is nevertheless incredible for its maze of corridors, gothic style towers and magical central temples. We'll explore The Terrace of the Elephants and the Leper King, the Baphuon and Phimeanakas, and some of the surrounding temples such as Preah Khan.

Preparing for your Trip

Climate

Vietnam

As Vietnam is a long, narrow country from north to south climate conditions vary considerably. The climate can be divided into three distinct patterns between the north, central and south regions. The climate in the north is generally humid and subtropical, although the winter months from November to March can be colder with temperatures from 10 - 15 degrees. Summer months, May to September can be quite hot with temperatures from 30 - 35 degrees. Meanwhile south Vietnam enjoys a tropical climate all year round, with little variation throughout the year (around 27 - 32 degrees), however May to November is the rainy season when short, heavy downpours are quite frequent. Central Vietnam lies somewhere in between. The coastal strip is usually dry and hotter from April to October while November to March is wetter and cooler. A light rain jacket and small umbrella are recommended year round.

Cambodia

Cambodia is a hot and tropical country, being hottest in April and coolest in January (still high 20s). Although rainfall is at its maximum in October, Phnom Penh and Siem Reap receive very little rain compared to the coastal areas, and when it does rain it tends to be in the form of sporadic mid afternoon downpours. There is normally very little rain between December and March.

Laos

The area of Laos and Thailand is tropical 'cool' from November to February, (15 to 27 Degrees Centigrade); 'hot' from March to May (up to 38 Degrees); 'wet' from June to October (rainy, hot and muggy). Bangkok and lowland areas are sticky all year round, but the northern highlands (Luang Prabang) are more temperate with a drier heat. The so-called 'cool' season can get very cold in the uplands at night and in the morning, bring a fleece.

Clothing

From December through to February warmer clothing is needed for the North. Days are hot and humid. Lightweight rainwear essential at all times. The northern region is cold at night during the winter.

Equipment

Even though bed linen is provided on the train journey, you may want to bring your own sleeping sheet (it can be purchased in Hanoi); torch, and don't forget mosquito repellent (no need for a mosquito net as when necessary, it is provided).

Footwear

Comfortable shoes, trainers and sandals.

Luggage: On Tour

One main lockable bag/case, an overnight bag for your trips to Halong Bay and the Mekong delta when your main luggage is left behind and a daypack. Please remember that you are expected to carry your own luggage so don't overload yourself.

Luggage allowance on trip: 20kg
