The first week is based in the harbour town of Kas with its cobbled streets and street cafe culture followed by a week sailing along the coast on a traditional gulet.

Why Book this trip

This holiday allows you the opportunity to explore the region with visits to local villages as well as enjoying a number of arranged activities including; sea kayaking, canoeing and a boat trip. With a great price, you can take your family on an active adventure to an interesting country which also offers time sailing along the Turkish coast in the Meditarrean with stops off at historic ruins and the option to kayak, and walk amongst the history of the country. Our vessel is the gulet boat, a traditional Turkish boat that now cruises along the coastal treats of this great country.

Wildlife

Iztuzu Beach, situated near Dalyan, is a narrow strip of land which forms a natural barrier between the Mediterranean Sea and the delta of the Koycegiz River. It is one of the main breeding grounds in the Mediterranean for the loggerhead sea turtle and has been protected since 1988 by introducing a number of restrictions so that the nests and turtles are disturbed as little as possible. Some of the key restrictions are that building development at Iztuzu has been banned and an overnight curfew has been placed on the beach, as this is when the female turtles come ashore to lay their eggs.

Since 2009, there has also been a turtle centre at the beach which assists with locating, counting and protecting the nests. Injured turtles that are found in the estuary and on the beach can be bought in for treatment and rehabilitation until they are able to be released back into the wild. There is also an education programme working with local fisherman which attempts to instil the importance of using propeller guards so that there is less risk of the turtles being injured.

We have the opportunity to visit here in the afternoon of day 9 of our trip.

Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

DAY 3 Walks in the Taurus Mountains

Today we head for the hills, to explore the hinterland. We plan to walk between these mountain villages and take lunch with a local family in a typical village house, before returning to Kas via the silver sand beach of Kapitas. Located just west of Kas, Kapitas is an idyllic spot for a swim at the end of our day in the mountains. Finally we make our way back to Kas.

DAY 4 Free day; optional trip to Meis in Greece

Today is left free for you to do some exploring of your own. For those with a hankering for culture, Kas is built around the remains of a number of ancient sites including; Kas Theatre which was built during the third century BC and is now used for theatrical performances and music concerts, the monumental Lion Tomb and a number of hillside rock tombs. Alternatively you may like to visit the isolated and ruggedly beautiful Greek island of Meis (optional), to give its Turkish name, Kastellorizo. The island is just one mile from the Turkish coast and yet more than 100km from Rhodes, its nearest Greek neighbour.

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 5 Visit Xanthos; canoe trip down Xanthos River to Patara

We visit Xanthos this morning which was the capital of ancient Lycia and at one time was the largest centre of commerce and religion in the region. The town has had a turbulent past, falling to both the Persians and the Romans and on both occasions, this resulted in the mass suicides of the entire population!. During the Roman civil wars of the 1st century BC, the Lycians sided with Caesar against Pompeius but after Caesar's assassination in Rome, Brutus attacked Xanthos and demolished the acropolis. Marc Antony rebuilt their city and today it is a UNESCO World Heritage Site. We travel by canoe in the afternoon as we travel down the Xanthos River to Patara. Passing through tranquil and unspoilt rural backwaters along the way, we stop for a picnic lunch before eventually emerging at Patara Beach which is a protected nesting area for giant loggerhead turtles. We have the opportunity to swim on the return to Kas.

Overnight: **Standard Hotel**

Swimming Pool Available 

 **Included Meals:** Breakfast, Lunch

DAY 6 In Kas; optional trip to Myra

There is an opportunity this morning to visit the Church of St Nicholas at Demre (Myra) which is where the 4th century Bishop Nicholas is said to have anonymously given money to the poor thus spawning the legend of Father Christmas! Saint Nicholas is the patron saint of two countries; Greece and Russia, and is also the protector of children, merchants, scholars and sailors - a busy man! The origin of Saint Nicholas's gift giving is believed to have arisen from a legend in which a shopkeeper was too poor to supply his daughters with dowries. When Saint Nicholas heard of their plight, he threw three bags of coins into the shopkeeper's yard, saving the daughters from a life of hardship. The Church of Saint Nicholas was built after his death and Noel Baba's remains were placed in a rock sarcophagus. A modern statue of Saint Nicholas, complete with beard, bag of toys, and children has been placed outside the church. But Myra isn't just the home of Santa. A mile north of the church is the impressive ruins of the ancient town, where dozens of Lycian tombs are carved out of the cliff above a Roman amphitheatre. We plan to make an early start today (to beat the crowds and heat) but on returning to Kas there is a free afternoon either to relax or perhaps try snorkelling.

Overnight: **Standard Hotel**

Swimming Pool Available 

 **Included Meals:** None

DAY 7 Sea-kayaking to Kekova Island

We depart in the early morning to try our hand at sea kayaking in the calm, protected waters of the bay of Kekova. We'll enjoy a packed sandwich breakfast with coffee en route and enjoy paddling in the tranquil waters before any other boats or kayakers take to the water. It's one of the most scenic areas in Lycia with picturesque islands, bays and small ancient cities surrounding the famous sunken city of Kekova. The results of various earthquakes, there are partly submerged streets and buildings visible in the crystal clear waters and even steps leading down into the depths of the bay. Later we paddle to the picturesque whitewashed village of Simena, whose harbour is dotted with ancient sarcophagi (tombs), Roman baths, houses that cling to a hillside and a castle where we find an ancient theatre. Carved from the solid rock, it is a wonderful place to sit and soak up the beautiful surroundings. Taking to the waters again, we head back to Ucagiz from where we transfer back to Kas.

Overnight: **Standard Hotel**

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 8 Drive to Fethiye and board Gulet

Today the Legends of Lycia tour ends and we transfer to Fethiye to join the gulet for our Blue Cruise. This tour starts at Fethiye harbour where we board our gulet and meet the crew. Fethiye is a market town that can trace its history back to the ancient Lycian city of Telmessos built around the harbour in the 5th or 6th Century B.C. Reminders of the town's past include Lycian rock tombs on the hillside and a Hellenistic theatre. If circumstances allow we leave Fethiye harbour in the late afternoon and head for a local bay for dinner and to overnight.

Overnight: **Simple Boat**

 **Included Meals:** Breakfast, Dinner

DAY 9 Riverboat to Caunus; gulet to Yassica Island

After a short transfer to the sleepy village of Dalyan we board our riverboat. We first head upriver to the therapeutic mudbaths of Ilica - a chance to unwind fully in preparation for the week ahead! - and then meander downstream, weaving through reed beds rich in bird life. We pass cliffs carved with dramatic Necropolis tombs before coming to the ruins of the ancient seaport of Caunus. Much of the site is overgrown, but the fine Hellenistic theatre is well preserved and the views from the fortified acropolis are breathtaking. Looking south to the Aegean 5 kms away it is hard to imagine that Caunus was once a thriving port, but fell into decline when the harbour

silted up. Continuing by riverboat we reach Iztuzu Beach, a wide spit of white sand lapped on one side by the Aegean and on the other side by the fresh waters of the Koycegiz River. This is one of the few remaining nesting places of *Caretta caretta*, the loggerhead turtle. Development at Iztuzu has been banned and an overnight curfew is placed on the beach, as this is when the female turtles come ashore to lay their eggs. Having paused to swim we transfer back to Gocek and board our gulet. We enjoy lunch aboard whilst sailing south to our first overnight mooring at the tranquil cove at Yassica Island.

Overnight: **Simple Boat**

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 10 Sail to Gemiler Island via Tersane and Batik Hammam

After a optional walk on Yassica Island we make the short crossing to Tersane Island. Formerly the site of a prosperous Greek village, Tersane is now deserted. Among the remains are a watchtower and some tombs, all of which are now ruined but well preserved. From here we continue to Batik Hammam where we will have the opportunity to swim in the beautiful clear waters. We finish our day heading towards our next night stop at Gemiler Island.

Overnight: **Simple Boat**

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 11 Cruise to Kalkan; optional visit to Xanthos and Saklikent Gorge

We make an early start to sail to Kalkan, an attractive village built into the steep seacliff. Kalkan is an ideal base from which to visit the ancient city of Xanthos as well as Saklikent Gorge which is a short drive away. Xanthos was the capital of ancient Lycia, captured by Brutus in 43BC, but only after the menfolk had killed all their women and children to save them from falling into Roman hands. Saklikent Gorge, which means Hidden Place, is situated high in the mountains above Fethiye was created by icy cold water cutting through the mountains over thousands of years. A natural wonder, the resulting canyon is 300 metres deep and 18 km long. The walls are so high they cut out most of the sunlight and the fresh spring waters that flow through are freezing cold! A great refuge on a hot summer day.

Overnight: **Simple Boat**

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 12 Sail to Kekova

After sailing one of the loveliest stretches of coastline from Kalkan eastwards to the sheltered bay of Kekova, we drop anchor and once again have the chance to venture onshore to discover the ancient heritage of the Lycian Coast.

Overnight: **Simple Boat**

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 13 Optional Sea-Kayaking; sail to Kas

This morning there is the chance to sea-kayaking again in the calm, protected waters of the bay of Kekova. Here we find the so called Sunken City of Kekova: partly submerged streets and buildings are visible in the crystal clear waters. Later we paddle to the picturesque whitewashed village of Simena, whose harbour is dotted with ancient sarcophagi (tombs) and whose houses cling to a hillside beneath a medieval castle. Hiking up to the castle we find within its walls a tiny ancient theatre, carved from the solid rock, a wonderful place to sit and soak up the beautiful surroundings and layers of history all about. In the afternoon we make our final gulet journey, sailing west to the pleasant little harbour town of Kas. This attractive port is one of the most beautiful of the Turkish Riviera, backed by steep cliffs covered with dense green forest. You'll have time to enjoy the atmosphere at one of the many lively cafes near the harbour.

Overnight: **Simple Boat**

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 14 Westward sail towards Fethiye

Today we take a leisurely pace, returning westwards towards Fethiye. Stopping en route for swimming opportunities, we eventually moor up around 1 hour from Fethiye in a quiet bay.

Overnight: **Simple Boat**

 **Included Meals:** Breakfast, Lunch, Dinner

This morning we sail back to Fethiye where the tour ends.

 **Included Meals:** Breakfast

The en suite rooms are tastefully decorated and include a sea or hill-side view, air-conditioning, satellite TV, minibar and hairdryer. The hotel facilities include a restaurant with a good selection of both local and western cuisine, outdoor swimming pools plus a children's pool and a 40 metre water slide. Preparing for your Trip

Climate

Turkey

Evenings and early mornings can be cool in the early and late season (before mid May and after early October). During the winter, temperatures usually hover between 0 and 10 degrees, but are usually wet, particularly around the coast. Summers are hot and dry with refreshing sea breezes. It is often cooler on higher ground and in the mountains and can be cold at night, even in the summer. Seasonal weather patterns can be unpredictable.

Clothing

The long Turkish summer can be hot, though much of the Mediterranean coastline is freshened by sea breezes. A warmer sweater is recommended for the evenings in early or late season. On the canoeing and sea-kayaking excursions in particular there is no shelter from the sun, so a sunhat is essential.

March / April and late September / October / November tend to be cooler so bring layers and some warmer clothes. A light rainjacket may also be useful.

Equipment

We recommend a water bottle, torch, insect repellent, sunglasses, daysac and plenty of high factor suncream. All equipment is provided on the sea-kayaking and canoeing trips. Keen snorkellers should take their own equipment as sizes (especially children's) are limited. Note: Qualified scuba divers wishing to dive should bring their diving certificate and log book.

Footwear

Trainers or walking boots for walks, plus sandals to wear in the canoes and sea kayaks which will stay on when wet.

Luggage: On Tour

One main piece of baggage and daypack. Remember you are expected to carry your own luggage so don't overload yourself.

Luggage allowance on trip: 20kg
