Land of the Golden Fleece

Journey through the Caucasus region of Central Asia and discover the diversity of a land straddling two continents, which formed part of the ancient Silk Road. We explore lively cities, walk through spectacular mountain scenery, sample the local tittle and learn about the history and culture of some of the most fascinating states of the former USSR.

Why Book this trip

As one of our most popular trips, this holiday gives a fascinating insight into two of the former states of the USSR. Located along part of the Silk Road in the Caucasus region, Armenia and Georgia straddle Europe and Asia but feel very eastern European, a testament to their Soviet past. While there are many monasteries, each has been built in the most beautiful location, and will leave you marvelling at the beauty of this alpine mountain region. Travellers able to spend longer in the region are recommended to extend their adventure into Azerbaijan (GFA).

Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

Accommodation Grade: Standard

Our mid-range accommodation offers a good level of service often with other amenities such as a restaurant, bar, garden or swimming pool. Generally rooms will be comfortable with en-suite facilities.

Tour Style: Classic

Packed with adventure, these tours offer inspiring destinations and authentic travel experiences at a reasonable price. Using all kinds of transport and accommodation, we'll take you off the beaten track to discover the true heart of the people and places you visit.

Tour Pace: Full On

These fast paced tours move on quickly from place to place and with lots of early starts and long busy days, they're packed with experiences.

Your trip itinerary

Tour itinerary notes

While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested.

Your Tour Leader

We believe that our Tour Leaders are the key to the success of our tours. Handpicked and expertly trained, they are native to the region and bursting with first-hand local knowledge which they love to share. Their passionate approach will

make your tour fun and inspiring, bringing the destination to life whether you're travelling alone or with others. Your tour leader will also take care of all the planning and organisation throughout your journey, enabling you to relax and enjoy the experience fully.

Our multi-country tours often have more than one tour leader, which helps us to really get under the skin of each unique destination. As such, the GF tour has one tour leader for Armenia and another for Georgia.

DAY 1 Join tour Yerevan

Arrive in Yerevan and check-in at the hotel. Passengers travelling on the group flight from London are not scheduled to arrive until the very early hours of the tomorrow morning. The capital of Armenia is a busy and cosmopolitan city, looking to the future but deeply rooted in its often tragic past. On a clear day there are splendid views across the Ararat Plain to the silhouette of Turkey's Mount Ararat (5165m), the legendary resting place of Noah's Ark once part of 'Greater Armenia' and to many Armenians still symbolic of a glorious past. Find wide tree lined boulevards, grand 19th century buildings and several museums as well as, many street side cafes perfect for sampling a strong Armenian coffee whilst people watching.

Overnight: **Standard Hotel**

 **Included Meals:** None

DAY 2 From Yerevan visit the Holy City of Echmiadzin

This morning we head out of the city to visit the archaeological site of the 7th century ruins of the UNESCO listed Zvartnots, its remaining columns set against a magnificent backdrop of the snowy peaks of Mount Ararat. We continue on to Armenia's Holy City of Echmiadzin, the former capital, where we plan to visit the UNESCO listed Echmiadzin Cathedral in time to coincide with part of Sunday service. Returning to Yerevan, we make our way to the Cascade complex - a Soviet period structure that resembles a giant stairway that houses a modern art museum. We continue on to see the expansive Republic Square before enjoying some time to wander through the lively open air Vernisage craft market.

 **Included Meals:** Breakfast

DAY 3 From Yerevan visit sites of Garni and Geghard

Today we again leave the city behind as we drive east through small villages and a landscape of alpine meadows to out to the Hellenistic temple at Garni. This pagan monument dedicated to the worship of the sun was built in AD 77 and is an extraordinary sight to be found in Armenia, so far from the rest of the Hellenistic world. From the temple we take an easy walk down the Garni river gorge, where we can see the striking basalt rock formations that make up the towering walls of the gorge. We continue on to the nearby UNESCO listed Geghard Monastery found in a beautiful location surrounded by mountains. Partly made up of caves and partly built from local stone, this tranquil monastery dates from the 4th century and houses two main churches and a fountain of spring water alleged to have rejuvenating properties.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 4 From Yerevan visit Amberd Fortress

Today we head northwest and make an excursion to the imposing Amberd Fortress on the southern flank of Mount Aragats (4090 m). Its construction began in the 7th century and continued through into the 11th. The Fortress is surrounded by cliffs on three sides, which protected it for a long time until Tamerlane managed to sack it in the 14th century. Afterwards we head towards Oshakan village, where a local family invites us into their home to see how they bake traditional Armenian flatbread known as 'Lovash'. We then enjoy a lunch prepared with this freshly baked bread, before returning to the city. Back in Yerevan we have time to visit the remarkable Matenadaran library, which houses over 17,000 rare manuscripts.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast, Lunch

DAY 5 Drive to Lake Sevan via monasteries and winery

We depart Yerevan today and travel south through the vast plains of Ararat to visit Khor Virap Monastery. Mount Ararat is a constant companion on the horizon and provides a spectacular backdrop to the monastery. As we continue on our way, the plains give way to undulating hills as we start making our way into the mountains. We pass through the wine-making village of Areni where we will stop at a local winery to taste the best wine in Armenia. Continuing on our way, the scenery becomes more mountainous and we head into

a spectacular gorge where we make a stop at the picturesque Noravank Monastery, taking pride of place in a lofty position overlooking the gorge below. After a break here for lunch we climb higher making our way over Selim Pass (2410 m) providing wonderful views of the mountains and Alpine meadows with its many wild flowers in the spring. As Selim Pass was once part of the Silk Road we find the remains of a caravanserai here, where travellers would find food and shelter on their journey. The road then starts a descent and once again we start to pass through villages, eventually catching our first glimpse of the expansive waters of the beautiful Lake Sevan with its backdrop of mountain peaks. Located 1900 m above sea level Lake Sevan is famous for its ever changing hues, and depending on the weather the colour of the water can range from a deep steely blue to a stunning turquoise. This huge body of water is the largest lake in the Caucasus region covering an area of 940 square km, and one of the largest fresh water high altitude lakes in the world. We have the chance to walk up to Sevanavank Monastery, where, from its high position we gain a different perspective of the lake. Our hotel for the night sits on the banks of the lake itself.

Overnight: **Standard Hotel**

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 6 Drive to Tbilisi via Monastery of Haghpat

Today we head to the Armenia/Georgia boarder at Sadakhlo. The scenery changes again as we find ourselves amongst hills and valleys covered in pine trees. In picturesque Dilijan town, we walk through a museum street, which has preserved houses dating back to the 18th century with typical fretwork wooden balconies as well as local handicraft studios. As we continue on the scenery changes again and becomes more dramatic as we drive by towering escarpments as we make our way into the copper mining are of Armenia. Our final stop is at the dramatically located Monastery of Haghpat, listed by UNESCO on account of its outstanding ecclesiastical architecture. Crossing the border in the afternoon, we cross a river to arrive in Georgia and continue to the capital of Tbilisi. Time permitting, there may be the opportunity to take a stroll up to the Narikala Citadel for fine views over the city or take a relaxing sulphur bath for which Tbilisi is famous.

DAY 7 In Tbilisi, walking tour of Old Town; free afternoon

The capital of Georgia is an ancient and cosmopolitan city; we can find a synagogue, a mosque, a Georgian basilica, an Armenian church and a Zoroastrian Fire-Worshipper's temple all within a 15 minute walk of one another. Tbilisi is one of Europe's most fascinating capitals, and we include a half day orientation tour on foot which takes us first through the picturesque Old Town to the important Church of Metekki, the Sioni Cathedral and then on to the fascinating State Museum. There is plenty of time free to explore the city further, perhaps a backstage tour of the Rustaveli Theatre or a wander through the narrow streets of the Old Town perhaps finding a quirky café to pass the time. A walk over the architecturally striking contemporary Peace Bridge is also a must.

Overnight: **Standard Hotel**

Single Room Available

 **Included Meals:** Breakfast

DAY 8 Drive via Mtskheta to Kutaisi via Uplistsikhe cave town

Leaving the capital this morning, we drive to picturesque Mtskheta, the spiritual heart of Georgia. Here we visit the hilltop 6th century Jvari Monastery. From here we have spectacular views of Mtskheta and the confluence of two rivers below. We make our way down into the town where we visit Svetitskhoveli Cathedral. The 9th century basilica contains the grave of Sidonia, who was said to have been buried holding Christ's robe. From here we drive through villages to the cave town of Uplistsikhe. Here an entire town of streets, churches, palaces and residential buildings has been carved into the mountainside. Dating from the first millennium BC, it gradually grew to be an important city on the trade route linking Byzantium with India and China. After exploring this unusual place we drive via Khashuri and Surami into the hills towards the Rikoti Pass, claimed to be a watershed between Asia and Europe. Here the road winds through narrow, forested valleys before dropping onto the fertile plains of the Rioni, Georgia's most important river. Arriving in Kutaisi, the ancient capital of the Kingdom of Colchis, we check into our guesthouse for a two-night stay. Kutaisi has always been an important town throughout the ages and for many years was the capital of Georgia, when the Arabs occupied Tbilisi. The period between the reigns of King Bagrat and Queen Tamar (roughly 900 - 1200) was the golden age for Kutaisi and most of the significant buildings date from this time. Now it is the main city of the Imereti region and here the people are renowned for their sense of humour and also a special kind of 'khachapuri' - the cheese bread unique to Georgia.

Overnight: **Simple Guesthouse**

Single Room Available

 **Included Meals:** Breakfast, Dinner

DAY 9 From Kutaisi visit Gelati Monastery; free afternoon

This morning we drive to the magnificent UNESCO listed monastery complex at Gelati, which includes an Academy that employed some of Georgia's greatest thinkers. It was founded in 1106 by King David the Builder in gratitude to God for his victories over the Turks. The King wanted it to serve as a centre of Christendom, so as well as scholars many religious artists studied here. Many of the treasures which were made here have been lost over the centuries, however the buildings and frescos in them are extremely well preserved, and the setting of the monastery on a hillside with views over to the distant Caucasus peaks is attractive. Later we drive to the smaller monastery of Motsameta, spectacularly sited on a cliff-edge on the horse-shoe bend of a river, before taking a detour to a nearby area unique in Georgia for its underground caves. We explore one of the grottoes before heading back to our guesthouse in Kutaisi. During free time this afternoon, it is possible to walk from our guesthouse through the attractive back streets to the turquoise roofed Bagrati Cathedral for great views over Kutaisi or walk down into town to explore the back streets and riverfront observing local life.

Overnight: **Simple Guesthouse**

 **Included Meals:** Breakfast, Dinner

DAY 10 Drive to Bakuriani through Borjomi Gorge

Our journey today begins by retracing our route back to Khashuri before turning south to drop into the majestic deciduous forests of the Borjomi Gorge. We stop en route at a pottery and get the chance to see handmade artefacts being produced. We then start to ascend as we make our way to the winter ski resort of Bakuriani, where we can appreciate the amazing diversity of landscape in this small country with stunning views of pine covered hills and distant snow-capped peaks. Bakuriani's mountain climate is said to have restorative properties, and we can enjoy this wonderful air for two nights.

Overnight: **Standard Hotel**
Single Room Available

Swimming Pool Available 

 **Included Meals:** Breakfast, Dinner

DAY 11 From Bakuriani; explore cave town of Vardzia

Today we visit Khertvisi Fortress, dramatically situated on a cliff above the confluence of two major rivers. Afterwards we drive through a remote and beautiful landscape of rolling hills, with mountains peaks on the horizon and pine trees occasionally standing like sentries along the sides of the road. Our destination is one of Georgia's most significant sites, the cave town of Vardzia, which is cut into a towering cliff; the first sight of it is most impressive. Established by King Giorgi III in the 12th century as a stronghold against the Turkish Sultanate (the Turkish border is only 10km away). Vardzia was subsequently developed by his daughter, Tamar (later to become Queen Tamar), who created a cave monastery that became a centre of Georgian culture. This network of caves above the Mtkvari (Kura) river once numbered 3000, with up to 19 tiers in some places. Much of it was destroyed after a huge earthquake in 1456 and only 550 caves have been since discovered. There are numerous churches, meeting halls, refectories and wine cellars, all interconnected by tunnels and stairways. We have time to explore and navigate our way around this fascinating place before returning to Bakuriani.

Overnight: **Standard Hotel**
Single Room Available

Swimming Pool Available 

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 12 Drive to Gudauri via Stalin's museum in Gori

We continue our journey, stopping at the very Soviet style town of Gori, where Georgia's most famous son, Stalin, was born. Here we visit the museum and learn much about his life. Interestingly, he initially began training as a priest in the Georgian Seminary, before abandoning religion to become a brigand and join the new Bolshevik movement. It has been suggested too that Georgia escaped the worst horrors of Stalin's regime because he was afraid of his conservative Christian mother! En route we'll pay a visit to the Ananuri Fortress overlooking a reservoir on the Aragvi River. We continue to head north into the mountains. The scenery becomes more dramatic as we ascend along the Georgian Military Highway. We drive through the spectacular and breath taking mountain scenery of the Greater Caucasus as we make our way to Gudauri (2196 m), a winter ski resort overlooking an epic gorge, for a two-night stay.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast, Dinner

DAY 13 From Gudauri; walk in Kazbegi Mountains

North of Gudauri, the Kazbegi region is a picturesque area, with alpine meadows and towering snow-capped mountains. We spend the day in the mountains and plan to walk from Kazbegi town through Gergeti village and up to the Church of the Holy Trinity, stunningly

located on a hilltop overlooking the snowy peaks of the Caucasus Mountains. The walk is a round trip of 3-4 hours. The area is a treasure trove of mythology - it was to the majestic Mount Kazbegi (5047 m), the highest peak in this region, that Prometheus was chained. This part of the Caucasus is a protected area, and is home to a variety of flora and fauna. Georgia has over 100 different mammals, and although the European bison and Caucasian leopard have become extinct, there are still wolves and bears in the mountains.

Overnight: **Standard Hotel**

Single Room Available

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 14 Drive to Telavi via Tbilisi and Kakheti wine region

We descend from the mountains today and find ourselves again on the plains as we drive back to Tbilisi where we stop for lunch and have some free time. In the afternoon we continue west to the Kakheti region where we first make a stop at the lovely 18th century town of Signaghi, referred to locally and tongue-in-cheek as the Paris of Georgia! The Kakheti region is famous for its wine production we visit to a local winery that has been operating for over 300 years. Here we can see a 16th century wine cellar and have the chance to sample both red and white wines before continuing to the charming town of Telavi where we overnight in a guesthouse with shared facilities.

Overnight: **Simple Guesthouse**

 **Included Meals:** Breakfast, Dinner

DAY 15 Visit farmers' market and wine factory; return to Tbilisi

This morning we visit the farmers market in Telavi. After seeing all of the produce we travel to a wine factory for a fascinating insight into how the local tipples is created. We will see both European style production and traditional Georgian production methods. We will also be able to sample the wines and perhaps buy a bottle of Hilary Clinton's favourite. Our al fresco lunch is hosted by a local family at their home. We have the unique opportunity to experience delicious traditional Georgian cooking and hospitality. We will also have time to visit the impressive 16th century Gremi Fortress. In the afternoon we return to Tbilisi for our last night.

For Self-Guided holidays and Private Journeys simply choose your date of travel and let us know so we can confirm all ground services.

The easiest way to confirm your booking is through our website. When you are ready to book, we normally require a 10% non-refundable deposit, but for some holidays this may be more to cover such items as permit fees, internal flights or other non-refundable services. If your travel starts within 60 days of booking, full payment will be required at the time of booking

100% No Surcharge Guarantee

The price paid for our holidays is no longer subject to change. Once booked and confirmed we will guarantee the price you pay will not increase, whatever the circumstances. You will not be approached to pay fuel surcharges unlike the vast majority of other adventure tour operators. The price guarantee applies to all new bookings departing between 1st January 2016 and 31st December 2017.
