DAY 1 Join tour in Kochi

Our tour begins this afternoon in the coastal city of Kochi (Cochin).

Overnight: **Premium Hotel**
Single Room Available

 **Included Meals:** None

DAY 2 Explore the fort and Jewish Quarter of Kochi

Kochi has been a gathering place of merchants since antiquity and is full of bustling traders. A half day tour by boat is planned for today. Fort Kochi is the oldest European settlement in India (1500), and has a mixture of English, Dutch and Portuguese influence. The Mattancherry Palace was built by the Portuguese in the 16th century, but extensive renovations by the Dutch some hundred years later earned it the name the Dutch Palace. It has some of the best murals in India, depicting scenes from the Ramayana and other great legends. On our tour we visit the Jew town synagogue where Kochi's surviving Jewish community come to worship. Nearby are the interesting cantilevered Chinese Fishing nets. In the early evening we see a performance of Kathakali, which is thought by some to be the very essence of the culture of Kerala. Its origins may have come from traditional temple rituals and from an art form known as Koodiyattam. It is the face make up which makes this dancing so unique. The dancers can take up to three hours painting their faces - the features are heavily emphasised as it is the facial expressions and co-ordinated eye movements which are important in the dance. The dances usually portray events from the Ramayana and Mahabharata, great Indian epics.

Overnight: **Premium Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 3 Drive through spice and tea plantations to Munnar and enjoy free time in the town

This morning we drive to Munnar through an area of spice and tea plantations. Kerala has been renowned for its spices for at least 2000 years, the coast had been known by the Phoenicians, Romans, Arabs and Chinese for its sandalwood and spices. There was also a flourishing trade in 'black gold' - pepper - which, along with the spices, was sent to Europe by the Jewish and Arab traders. In return, copper, brass and gold coins came to Kerala. It was this trading link which brought Christianity and Islam into Kerala - the first place in India to host these two faiths. Munnar is a pleasant place to spend time, with its green tropical forests, fresh mountain air and neat tea plantations. It is hardly surprising it has become a favourite for Indian honeymooners. The afternoon is free to explore this beautiful town.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 4 Visit tea and spice plantations; drive to Thekkady

Our day starts with a fascinating visit to a tea museum where we can learn how it is processed. It is the women who usually pick the tea because of their nimble fingers, their brightly coloured clothes contrast sharply with the greenery of the plantations. Leaving the tea museum, we drive for around 4 hours to Thekkady where we'll take a nature walk through delightful countryside and visit a spice garden, learning about how the spices are grown and processed.

Overnight: **Premium Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 5 Take a walk in Periyar National Park

Our route this morning takes us past rubber plantations and varied spice gardens to Periyar wildlife sanctuary, close to the border with Tamil Nadu. One of 16 tiger reserves in India, Periyar is it is perhaps better known for its elephants. There are about 40 tigers living in the 777 sq km park but, as they are solitary creatures, the chances of seeing them are very slim. We go for a walk in search of other wildlife such as the wild boar, giant malabar, porcupine and the flying squirrel. The Park itself is made up of a variety of habitats, open grasslands, deciduous, semi-evergreen and tropical forests all of which have different animal species. The ecosystem

of the tropical evergreen jungle is very interesting as the trees grow up to 40m, and the dense canopy only allows in limited sunlight. Therefore at ground level, there are abundant ferns, orchid and airplants- plants which need little light to survive. Leaving the park we head back towards the coast and our homestay for the next two nights. We stay with local families within a village, and your tour leader will brief you on local customs and traditions. It is a great opportunity to spend time learning about the real life of Keralans as well as an opportunity to sample some delicious home cooking - perhaps a spicy coconut curry. The rooms are in the same style as a traditional Keralan home with mattresses made locally using coir fibres, a material taken from coconut husks which allows air to flow naturally - ideal in this humid region. All rooms are twin share and the majority of them have their own attached bathrooms, although there are some rooms with a private bathroom located in a corridor next to the room. Bathrooms are basic with a toilet and a simple shower, and hot water can be limited at times. All bedding and towels are provided.

Overnight: **Simple Homestay**

Included Meals: Breakfast, Dinner

DAY 6 Take an optional cooking class or village walk

We spend today exploring the village and getting to know our host families. There will be a chance to take a cooking lesson, take gentle walks through the surrounding villages or just kick back and relax for the day.

Overnight: **Simple Homestay**

Included Meals: Breakfast, Lunch, Dinner

DAY 7 Board a houseboat and float through the backwaters

This morning we board our houseboats and begin our journey into the network of the Kerala backwaters. The traditional houseboats are simple vessels, with en-suite twin rooms. The pace is relaxed - enabling us to see riverside village life in its entirety. The industrious villagers survive on narrow spits of land, keeping cows, chickens and cultivating vegetable gardens. Even the shells from the fresh water mussels are burnt to make building lime, and the fibre from the coconut palm has many uses including coir products made from coconut fibre. The gardens are generally well tended often with brightly coloured flowers, such as hibiscus, contrasting sharply with the tropical greenery.

Overnight: **Simple Boat**

Included Meals: Breakfast, Lunch, Dinner

DAY 8 Free time to explore Kochi

After a relaxed breakfast we disembark from our houseboats and return to Kochi where the rest of the day is left free for personal exploration.

Overnight: **Premium Hotel**
Single Room Available

Included Meals: Breakfast

DAY 9 Tour ends Cochin

Our tour ends this morning after breakfast.

Included Meals: Breakfast

Accommodation and Meals

Accommodation Notes

Accommodation in India is as varied as the country itself. On our tours we stay in a mix of hotels, heritage properties, camp sites and homestays. Standards do not equate to standards in the UK and it's best to approach each type of accommodation with an open mind. Service can be slow in places especially when travelling with a group. For the most part hotels do not have heating so in the winter months it can be chilly and if you feel the cold you may wish to ask for extra blankets. Hot water is not always available 24 hours a day in some of the smaller properties, and with a group staying you might find if you are showering last you may miss out on the hottest water.

Food & Drink

Included meals: 8 breakfasts, 2 lunches, 3 dinners included in the price of this trip. Please be prepared to pay for non-included meals. Please note that costs for drinks and meals can vary depending on location.

Budgeting for your Trip

You will need some extra money to cover meals and drinks not included in the trip price, any optional sightseeing, souvenirs and items of a personal nature such as laundry.

Food

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide. Local restaurants located off the beaten track may be less expensive, whereas an upmarket restaurant located in the centre of a major city may charge more.

India

Lunch £: 6.00

Dinner £: 8.00

Drink

The prices for drinks can vary greatly depending upon location and the prices detailed below are an average guide. In general you would expect that drinks purchased in a supermarket or local bar to be less expensive, whilst drinks in an upmarket bar or restaurant may be more expensive.

India

Bottle of Beer £: 1.40

Water £: 0.50

Tipping - Tour Leader

At your discretion you might also consider tipping your Tour Leader in appreciation of the efficiency and service you receive.

Tipping - Local Crew

Although entirely voluntary, tipping is a recognized part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order to make things easier for you, the Tour Leaders may organise a group's tips kitty and if this is the case, they will account for it throughout the tour.

Accordingly, you should allow £30 for tipping. Your tour leader will account to you for any organised tipping.

Foreign Exchange

India

ATM Availability: ATMs are available in most large cities in India but they are very limited elsewhere so please do not rely on this.

Credit Card Acceptance: Very rarely, only in the larger outlets.

Travellers Cheques: Opportunities to exchange are limited.

Local Currency: Indian Rupee Recently new 500, 1000 and 2000 rupee notes have been brought in to circulation and as the old notes are no longer accepted there have been some cash flow issues. You don't need to worry about being given old notes as it's very easy to tell the difference, the new notes are pristine in comparison with most Indian money which is fairly tatty.

Recommended Currency for Exchange: GBP/US\$ are the best currency to change into local currency.

Where to Exchange: The Indian rupee is a restricted currency and it is best not to obtain in the UK as rates are very poor. You can either change money at the airport on arrival or in major towns during the tour. Your Tour Leader will advise you on the best places in each town. Both GBP and USD cash are easy to exchange at the airport and at hotels however you will be restricted to changing £60 cash at a time and it's not possible to change money at these locations using a credit or debit card.

Preparing for your Trip

Climate

India

There is considerable variation between the different regions of India but, in general, the climate is tropical. Summer temperatures on the plains are very hot, but cooled by the South-West Monsoon, which lasts from June- September. During these months it can be very wet and therefore very humid. At altitude, temperatures can become quite cool at night even in the summer and may drop below freezing between December and February so warm clothing is necessary. In the winter, northern and mid India can be very cool, with cold evenings, so warm clothing, including plenty of layers, are essential. The south of India remains warm and sunny during the winter months.

Clothing

Kerala is a tropical region with high humidity. Lightweights are needed all year round with some warmer clothes for the cooler winter evenings (November to March) in Munnar and Periyar. Casual clothes are the most practical: tight fitting garments, brief shorts and skirts should be avoided, since they attract unwelcome attention. A beach towel is also recommended.

Equipment

Binoculars, torch, insect repellent and water bottle. You may wish to take a mosquito net for use in the village house as they are not provided.

Footwear

Walking shoes or trainers and sandals.

Luggage: On Tour

One main piece of baggage and a daysac. Remember – hotel porters are not always available, so don't overload yourself.

Luggage allowance on trip: 20kg
