DAY 1 Join tour Beijing

Arrive Beijing, check into hotel.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** None

DAY 2 Cross Tiananmen Square and visit the Forbidden City. Board the overnight train to Pyongyang

This morning we'll explore the Chinese capital, the political and cultural centre of the country. Beijing has mostly been the capital since the days of Kublai Khan, and is a more dominant factor in people's lives today than ever before. All clocks in China are set by Beijing time. Today we visit the Forbidden City, the one-time home of the Ming and the Manchu (Qing) emperors, a treasure trove of eastern wares. The recent history of China is similar to that of North Korea in that the Chinese followed the Communist ideology of a freedom fighter who became the dominant leader. The influence of Mao in China remains strong today, with his imposing portrait located above the southern gate of the Forbidden City, overlooking Tiananmen Square. In the afternoon we'll board the overnight train to Pyongyang.

Overnight: **Simple Overnight Train**

 **Included Meals:** Breakfast

DAY 3 Arrive in Pyongyang and visit the Arch of Triumph

This evening we arrive in to Pyongyang, the unique showpiece of North Korea. We are now in a country where every aspect of life is dominated by the State and the ideology of Kim Il Sung, the Great Leader. To live in Pyongyang is considered an honour to the citizens of North Korea, who require permits to enter, or leave the city. Our exploration of the city starts with a visit to the impressive Arch of Triumph, built to commemorate the triumphant return of President Kim Il Sung. Please note that when in North Korea the order of sightseeing may be changed once in the country. We will try and interact with locals wherever possible, you may wish to bring some photos of your home, hometown or even recent holidays as they are a great way of making a connection with the people we meet during the tour.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast, Dinner

DAY 4 Sightseeing in Pyongyang and drive to Kaesong

Today we will see the Grand People Study House - the huge library that is situated in Kim Il Sung square, the Korean Central Art Gallery and Foreign Book Store. After lunch we depart Pyongyang along the deserted roads to reach the ancient capital at Kaesong. Kaesong was once the most important city on the peninsula being the first unified capital, and remaining so for nearly 400 years. It remained in South Korea at the outbreak of hostilities of the 1950-53 war and therefore was protected from the bombing that destroyed almost every ancient monument in the North. Here we visit the Koryo Museum with its historical buildings, and the twin tombs of King Kongmin and his wife who ruled Korea in the 14th century. Our night is spent at a local style hotel, sleeping in the traditional manner on a mattress on a heated floor.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 5 Visit the DMZ and return to Pyongyang

We drive south to Panmunjon, which is the last frontier in the Cold War. Lying along the 38th Parallel, this is one of the most tense and fortified borders in the world, where over a million soldiers are on constant guard. Our Military guide shows us around areas where the armistice agreement was signed in 1953 and talks freely of the North Korean perspective of the current situation. This almost serene setting, where soldiers from the North and South stand almost side by side, is an acute reminder of the tragic division of the peninsula. Retracing our footsteps along the near empty road we return to Pyongyang, taking in Mangyongdae - the birth place of Kim Il Sung, which is visited by hundreds of Koreans every day to see where the first thoughts of liberation were founded.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 6 In Pyongyang

This morning we will ascend the 150m high Juche Tower, a symbol of the country's guiding ideology, Juche. This is based on a self reliance and the principle that each individual is master of their own destiny, and has held the country together for 50 years, outliving many other forms of communism. We also make the obligatory trip to the Mansudae Monument, a huge bronze tribute to Kim Il Sung and Kim Jong Il where its compulsory to lay flowers as a mark of respect, and we will visit the Kumsusan Memorial Palace of the Sun which is the mausoleum of North Korean Leaders Kim Il Sung and Kim Jong Il. Later we drive to Moranbong Park where there is the opportunity to take a stroll in the park and the unique chance to mix with the locals enjoying their day off. We also take the Metro,

with its immaculate marble clad stations. Here kitsch chandeliers light enormous mosaics depicting heroic citizens from all walks of life stretching the length of the platforms on both sides.

Overnight: **Standard Hotel**

Single Room Available

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 7 Drive across the country to Lake Suijung

Today's drive sees us cross the breadth of the country to the port city of Wonsan. After lunch and a visit to a co-operative farm we continue south to Lake Sijung. We stay in a small motel on the edge of the lake. The mud of Lake Sijung is reputed to have great medicinal properties and there's the opportunity to test this with an optional mud bath and massage.

Overnight: **Standard Hotel**

Single Room Available

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 8 Explore the Kumgang Mountains

Leaving our idyllic location, we head into the heart of the Kumgang mountains, to an area only recently opened up to tourism in North Korea. Although geographically in the north, this region was leased from the government by the South Korean Hyundai corporation and was visited by tourists from the south. With the abrupt end of this arrangement, once again this destination is only accessible to tourists from the north. There is the opportunity for some gentle walks in the region before heading back to Wonsan where we spend the night.

Overnight: **Standard Hotel**

Single Room Available

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 9 Visit to the Father Liberation War museum

Leaving Wonsan we return to Pyongyang. The Victorious Fatherland Liberation War museum (opened in 1953 and rebuilt in 2013) is not to be missed; its fascinating to hear the DRPK's side of the story. Exhibits include a massive collection of war memorabilia, a chilling reminder of the brutality of the 'forgotten war'. We'll also take a walk in the sculpture park of monuments to the war, which was unveiled in 1993 to mark the 40th anniversary of its end. The main statue is titled 'Victory' and is an impressive sculpture of a Korean soldier and a red flag. We then end our day with a visit to the captured US spy ship Pueblo.

Overnight: **Standard Hotel**

Single Room Available

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 10 Train to Dandong

This morning we take the train from Pyongyang through the countryside to the border town of Sinuiju on the banks of the Yalu River. The Yalu River bridge was bombed by the Americans during the Korean war and provides a stark reminder of the turbulent history of the Korean peninsula. We cross the river to the Chinese Town of Dandong where we alight the train.

Overnight: **Standard Hotel**

Single Room Available

 **Included Meals:** Breakfast

DAY 11 Visit the Great Wall at tiger Mountain and take a boat trip past the Broken Bridge

This morning we will visit Tiger Mountain and the eastern tip of the Great Wall which was constructed during the Ming dynasty. Later we will take a relaxing boat ride on the Yalu river, enjoying lovely scenery and passing the site of the famous Broken Bridge which was bombed by the Americans in 1950. In the evening we fly to Beijing.

Overnight: **Standard Hotel**

Single Room Available

 **Included Meals:** Breakfast

Preparing for your Trip

Climate

China

China has primarily a temperate climate, with a wide spectrum of extremes due to its huge area. Summer months are hot and rainy though in the south the climate is tropical and we can experience rain at any time of the year, often falling in sharp tropical rainstorms which are heavy but short lived. Winter is colder and drier, temperatures in Beijing can be as low as -12c.

North Korea

North Korea has a temperate climate with distinct seasonal changes. Early Spring is sunny but chilly so bring a warm coat and under clothes. In late Spring light clothing in the day and warm clothing at night is needed. Summer (June to August) is warm weather day and night but bring light raincoat. Autumn has marked variations between day and night so be prepared. Winter (December to February) has clear skies not much snow but biting cold. Additional information and climate charts can be accessed at <http://www.explore.co.uk/weather>. Seasonal weather patterns can be unpredictable. Up-to-date information on the weather worldwide can be found by following the BBC weather link on this page.

Clothing

Bring some warmer clothing for cooler evenings, lighter clothing for the day. Please note that smart attire is needed for the visit to Kim Il Sung and Kim Jong Il's mausoleum. Men are required to wear a shirt and tie. On rare occasions foreigners are allowed to visit the Memorial Palace; for this, shirt and tie for men and dress or skirt for women are required.

Equipment

A water bottle, sunscreen and a torch.

Footwear

Comfortable walking shoes, and trainers and sandals for relaxing.

Luggage: On Tour

One main piece of lockable baggage and a daysac. Remember you are expected to handle your own luggage so don't overload yourself.

Luggage allowance on trip: 20kg

Transport

Whilst there is little traffic in North Korea the road conditions can be poor. Pot holes and uneven road surfaces can make for some very bumpy journeys.
