On Foot In Northern Cyprus

Explore one of the most unspoilt regions of the Mediterranean on this walking trip through North Cyprus' beautiful Beshparmak Mountains. We follow quiet, flower-rich mountain trails, leading to imposing Crusader castles, with stunning cobalt-sea backdrops. In Kyrenia, we explore the picturesque harbour front and narrow cobbled backstreets. Every evening we return to our hotel on the outskirts of historic Bellapais to relax by the pool, or enjoy delicious, locally-grown food in nearby restaurants.

Why Book this trip

Get off the beaten track and explore the real North Cyprus.

Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

Accommodation Grade: Standard

Our mid-range accommodation offers a good level of service often with other amenities such as a restaurant, bar, garden or swimming pool. Generally rooms will be comfortable with en-suite facilities.

Tour Style: Classic

Packed with adventure, these tours offer inspiring destinations and authentic travel experiences at a reasonable price. Using all kinds of transport and accommodation, we'll take you off the beaten track to discover the true heart of the people and places you visit.

Trek Grade: Easy to Moderate

This grade is ideal if you want to enjoy both easy and moderate level walks on the same tour. You'll be walking mainly on good paths and at low altitude, with occasional more demanding ascents or descents.

Your trip itinerary

Tour itinerary notes

While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested.

DAY 1 Join tour in Kyrenia

Upon arrival, we will settle in to our hotel on the outskirts of Bellapais village - our base for the next week. Close to Kyrenia and with panoramic views of the town, this friendly hotel offers comfortable rooms, and a swimming pool in which to enjoy a refreshing dip at the end of each day's walking. Depending on your arrival time, you may choose to explore Bellapais village or head into Kyrenia to sample some excellent North Cyprus food and explore the town's beautiful and eclectic mix of

Venetian facades, mosques and minarets. Kyrenia is particularly famous for its 'picture postcard' vista of its striking Crusader castle and old harbour set against the dramatic backdrop of the Besparmak Mountains.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** None

DAY 2 Walk through Besparmak Mountains to Bellapais village

After a morning briefing, a short drive takes us to the start of our first walk in the Besparmak Mountains. Translated as "The Five Fingered Mountain" because of its distinctive jagged peaks, legend has it that the mountain was formed when the Byzantine hero, Dhiyenis Akritas, leapt across the sea from Anatolia, leaving his handprint forever etched into the landscape as he landed. From the Arapko area, we will walk through the mountains back to our base in Bellapais, taking a picnic lunch en route in the forest. Made famous by Lawrence Durrell in his 1950s award-winning autobiography, *Bitter Lemons*, much of the Bellapais village still retains the easy charm of those Durrell days. The village's main attraction is Bellapais Abbey. Now an imposing ruin with spectacular views of Kyrenia and the Mediterranean Sea, it was founded by Augustinian canons fleeing Palestine in 1200. The abbey flourished until it was looted and vandalised during the 14th century Genoese invasion. It went on to earn a reputation for scandal and corruption, eventually shutting down in the 16th century. After visiting the abbey and the famous Tree of Idleness, under which Durrell would often drink coffee, we continue our walk back to. Later this afternoon, we will drive into Kyrenia for an optional visit to Kyrenia Castle and the Shipwreck Museum, which houses the remains of a 4th century BC merchant ship, and a look around this pretty harbour town. Today's walking will cover a distance of 14 kilometres over approximately four and a half hours. Because of the mountainous terrain, there are some steep ascents and descents.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast, Lunch

DAY 3 Discover Kantara Castle. Walk to Kaplica Beach

Heading east, we drive along the coast to Kantara Castle, through a beautiful rural landscape of green fields, olive groves and small villages. En route, we will stop off at Cyprus' largest cavern, Incirli Cave, to see its impressive collection of stalactites and stalagmites along its 100 metre passage. Kantara Castle has seen its fair share of conflict over the centuries. Indeed, Richard the Lionheart won a famous victory here when he defeated the self-proclaimed king of the island, Isaac Komnenos, after the latter's ill-judged slight against Richard's fiancée. After visiting the castle, we have lunch and then enjoy a walk around the varied landscape of the stunning Karpaz Peninsula upon which the castle stands. Before driving back to the hotel, we will have the opportunity to swim and relax on the beautiful Kaplica beach. Today's walking will cover seven and a half kilometres over approximately two and a half hours.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast, Lunch

DAY 4 Visit Saint Hilarion Castle. Walk to the hillside village of Lapta

This morning we visit Saint Hilarion castle, a stunning historic fort. We then drive to the western edge of the Besparmak Mountain range that also offers spectacular views over the Mediterranean Sea. Starting in the village of Kozan, we will walk among wild flowers and orchids to the ruins of the Sinai Monastery. Although very little is known about this building's history, archaeologists are in agreement about its Byzantine importance. We continue walking on a forest track to Lapta Village, taking a picnic lunch en route, before returning to our hotel. We will walk for approximately four hours today, covering a distance of 10 kilometres.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast, Lunch

DAY 5 Optional excursion to the historic city of Famagusta

Today has been left free for you to use as you wish. You may choose to visit Famagusta - once one of the richest cities and most important trading ports in the world. The so-called 'City of 365 Churches' has been ravaged by severe wars and earthquakes throughout history, but still contains beautiful examples of medieval and gothic architecture. William Shakespeare is purported to have used it as the setting for *Othello* and the Venetian Citadel, overlooking the harbour, is popularly known as Othello's Tower. Just five miles to the north of Famagusta is the ancient site of Salamis, which is also well-worth a visit. With its significant collection of Mycenaean, Roman and Byzantine artefacts, it is the most important ancient city on the island. Alternatively, you may prefer to use your day to relax, spending time on one of the local beaches.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 6 Hike amongst the ancient sites of the western coast

Today we head out to the West Coast, through one of the most fertile agricultural regions in Cyprus, with huge polythene hot-houses growing an abundance of fruit and vegetables. From the village of Kalkanli, our walk takes in pretty countryside and interesting archaeological sites, such as the Iron Age Tumba tou Skuru. Its excavation in the 1970s uncovered just a fraction of the site and many mysteries about its use and the people buried there remain unsolved. Unfortunately, the political situation has prevented much-needed further excavation. We have a picnic lunch en route, before descending to the coast. Our walk finishes by the sea. We will walk for approximately four and half hours today, covering a distance of 15 kilometres.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast, Lunch

DAY 7 Visit Buffavento Castle. Descend to monastery and herbarium

Transferring by bus this morning, we head for the highest of the Kyrenia strongholds, the ruined fortress of Buffavento. The name means 'buffeted by the wind' and a walk up to the top of the highest tower helps us to understand why. On a clear day, our efforts are rewarded with a spectacular view of half the island, with the Troodos Mountains, Famagusta and Nicosia stretching out beneath us. From here we take our picnic lunch and follow our walking route via the tiny Church of Panayia Plataniotissa, housed inside the hollow of a huge plane tree. Before our bus picks us up from the Alevkaya Herbarium, we will have a chance to look around. Founded by a British botanist in the 1980s, it is home to over 1,250 flora specimens of Northern Cyprus. Today's walk will take approximately four hours and cover a distance of 13 kilometres.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast, Lunch

DAY 8 Tour ends in Kyrenia

Our tour ends after breakfast this morning.
