Your trip itinerary

Tour itinerary notes

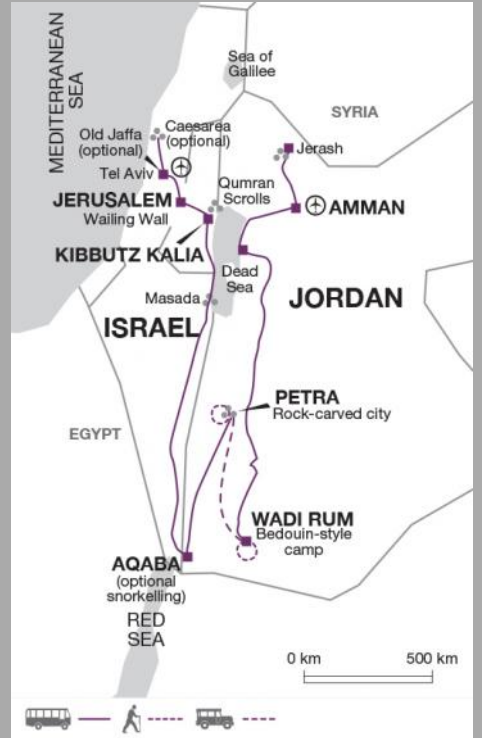

While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested.

Your Tour Leader

A Tour Leader is an integral part of any Explore tour and your tour will be led by experienced Tour Leaders who have been handpicked and expertly trained. We believe that our Tour Leaders are the key to the success of our tours; they are passionate travellers who are bursting with first-hand local knowledge which they love to share. Your Tour Leaders will also take care of all the planning and organisation throughout your journey. Their passionate approach will make this tour fun and inspiring, bringing the destination to life whether you're travelling alone or with others. On this tour you will have one leader in Jordan and then change to another when you cross into Israel.

DAY 1 Join tour Amman

Your tour starts today in Amman, the capital of Jordan. Amman is a fascinating city of contrasts - a unique blend of old and new. The Temple of Hercules is in the commercial heart of the city along with ultra-modern buildings, hotels, smart restaurants, art galleries and boutiques. These comfortably rub shoulders with traditional coffee shops and tiny artisans' workshops. Due to the city's modern-day prosperity and temperate climate, almost half of Jordan's population is concentrated in the Amman area. The residential suburbs consist of mainly tree-lined streets and avenues flanked by elegant white houses in accordance with a municipal law, which states that all buildings must be faced with local stone. The downtown area is much older and more traditional with smaller businesses producing and selling everything from fabulous jewellery to everyday household items.

DAY 2 AM tour of Amman, then drive to Jerash and visit site

This morning we visit the cultural heart of the Hashemite kingdom with a tour of its vibrant capital. The origins of this remarkable city have been traced back some 9,000 years but it was the arrival of the Ammonites in 1200BC that saw the city begin its rise to prominence as the great city of Rabbath Ammon. The intervening centuries saw it fall under the influences of the Israelites, Assyrians, Babylonians, Ptolomids, Seleucids and the Romans, under whose auspices it thrived as one of the 10 cities of the Decapolis. Our tour this morning will take in some of the highlights of ancient Amman (Philadelphia), including the Citadel and the Temple of Hercules, the 8th century Ummayyad Palace and the Roman Theatre and Nymphaeum. This afternoon we depart the city and head north, towards ancient Jerash, located in the Gilead Hills. One of Jordan's major attractions, this beautifully preserved Roman city is considered to be the best preserved of the Decapolis, a confederation of ten Middle Eastern cities under the Emperor Pompey. One of the highlights of the Middle East, a triple arch gateway gives way to colonnaded streets, theatres, temples and baths and it is estimated that this represents only about 10% of the entire city, the rest is still to be uncovered. We will tour this magnificent site with a local guide before returning to Amman.

DAY 3 Dead Sea visit and travel to Petra with afternoon guided tour

Today we venture south to the Dead Sea. We will take some time to enjoy and float in the remarkable saline waters. At 418m below sea level this salty expanse of mineral rich water has been revered for centuries for its beneficial properties. We then head back to the main road to drive to Petra, the most famous of Jordan's treasures. Abandoned centuries ago Petra was the rock cut stronghold of the Nabateans, a fortress city built to protect the lucrative levies its citizens imposed on the rich caravans heading north. Surrounded by imposing mountains and approached through a deep, narrow cleft in the rocks, known as the Siq, it is a unique and unforgettable place and, enhanced by the play of light and shadow, an altogether overwhelming experience. Entering the Siq on foot we follow its towering sandstone walls towards the site of the captivating and iconic splendour of the beautiful Khazneh (The famous Treasury). A guided orientation tour will take us to some of the key parts of this remarkable site. We'll take in the Colonnaded Street and the Royal Tombs and marvel at the amazing theatre, with its 8,000 seats carved from solid rock. After our guided tour there will be free time to explore independently.

Overnight: **Standard Hotel**

 **Included Meals:** Breakfast

DAY 4 Full day sight seeing in Petra

Today we have a full free day at Petra. Returning to the city we climb steep paths to the sacrificial 'High Places' (altars) and hike to the top of Jebel Harin (1396m) for a stunning view over Wadi Araba and the Negev Desert. The Monastery is the largest of Petra's monuments and certainly worth the steep climb up to it. Towering to a height of 40m its doorway alone measures 8m in height, dwarfing anyone framed within it. We also recommend a trip to El Beidha (or 'Little Petra' as it is known) or to an excavated Stone Age village where you can see the remains of houses, fireplaces and workshops dating from around 6000BC. After a busy day sightseeing, what better way to relax than with a traditional Ottoman Bath or perhaps return to the city this evening and enjoy an enchanting tour of the city by night (both optional).

Overnight: **Standard Hotel**

Swimming Pool Available 

 **Included Meals:** Breakfast, Dinner

DAY 5 Drive to Wadi Rum; optional camel trek

This morning there is the opportunity to spend some more time at Petra if you wish before we continue our journey to the haunting vistas of Wadi Rum. We enter another world, one inhabited by the nomadic Bedouin peoples for generations and steeped in the legend of Lawrence of Arabia. Indeed scenes from the remarkable film of his life were shot here, deep in the fabulous purpleblack mountains that rise from the sand of the desert. On arrival we transfer into 4 wheel drive vehicles and cross the dramatic desert landscape, to marvel at the panoramas of what is surely some of Jordan's most dramatic wilderness. We arrive at our camp in time to watch the golden glow of the sunset cast its pall over the desert landscape and settle in to enjoy dinner and a night under the stars. The campsite we use presents the opportunity to experience traditional Bedouin living arrangements in a large communal style goat hair tent, which provides the best protection against typical desert extremes of hot and cold weather. The tent is laid out with rugs, mattresses, pillows and sleeping bags and is where each tribe would commune to eat, sleep and socialise. A toilet and wash block with limited washing facilities is also available during your stay.

DAY 7 Cross into Israel and visit Masada and Qumran.

We leave Jordan behind and cross into Israel and the Palestinian territories. Our first stop is the isolated hilltop fortress city of Masada. The last stronghold of the Zealots, against the Romans during the First Revolt AD70. Originally fortified by Herod the Great the fortress gained renown for withstanding a further two years of assault after the crushing of the Jewish resistance in Jerusalem by the Romans. Taking a cable car up to the citadel we get some stunning views of the surrounding desert, Mount Moab and the Dead Sea. We will explore the ruins before heading back to the bus. Our next stop as we head towards Jerusalem takes us to Qumran, home of the Essenes, a strict and devout Jewish sect who lived in the area until early in the 1st century AD. They are believed to have been the authors of the 2,000 year old manuscripts found amongst the hillside caves in 1947. The Dead Sea scrolls are amongst the most important biblical records ever discovered, providing historians and archaeologists with an incredible insight into the development of the Bible and its historical context. Our night stop is in a traditional kibbutz.

 **Included Meals:** Breakfast, Dinner

DAY 8 Visit Jerusalem

Today we drive to the Mount of Olives before entering Jerusalem before passing through Herod's Gate and making our way along narrow winding streets that overflow with street vendors and shops to the Via Dolorosa. This is traditionally believed to be the route taken by Christ on the day of his execution. We will follow the 'Stations of the Cross' to the Church of the Holy Sepulchre, the holiest site in Christendom itself and the reputed place of the crucifixion, burial and eventual resurrection of Jesus Christ. Jerusalem is unique in that it is a place held sacred by the three great monotheistic religions of the world and after having visited Christendom's most sacred site we move on to that of Judaism, the Western Wall. Believed by Jews to be the last remaining remnant of the second Temple, the wall is considered the most revered of all sites for the Jews and is a place of constant prayer. From here we continue, if access is allowed, onto the Dome of the Rock and Islam's claim to this holy trinity. This is believed to be the site of Mohammed's ascension to heaven and is the third holiest site in Islam, not to mention one of the most impressive examples of Islamic architecture in the world. Our final visit of the day is to Mount Zion visiting the Last Supper rooms and King David's Tomb.

DAY 9 Full Day sightseeing in and around Jerusalem

This morning we drive through the new part of Jerusalem, taking in the Hebrew University, the Parliament building and the Supreme Court, before continuing to the Israel Museum and the Shrine of the Book, home of the Dead Sea Scrolls parchments and the largest museum to all things Israeli anywhere on the planet. We'll also visit Yad Vashem, Israel's official memorial to the Jewish victims of the Holocaust that sits at the foot of Mount Herzl. In the afternoon we visit the historic City of David, the first city of Jerusalem. We will stroll along the water channels till we reach the Pool of Siloam, mentioned in the bible and thought to be the place that Jesus healed a blind man. From here we journey up the old Herodian Road to the Wailing Wall, believed by Jews to be the last remnant of the second Temple and, as such, considered the most revered of all sites for the Jews.

Preparing for your Trip

Climate

Jordan

During April to November days are generally sunny and hot without rain with temperatures around 32°C. In spring and autumn evenings can be cool and night temperatures can drop suddenly especially in the desert. Expect cold nights in winter (December to February) when temperatures can drop to around 0 degrees. Some rain should also be expected at this time of year.

Israel

Israel has a Mediterranean climate. Summer is hot with fairly high humidity in coastal regions. Rainfall is mostly from November to March: during this period temperatures can drop quite sharply, particularly in December, so pack accordingly.

Palestine

Palestinian Territories has a Mediterranean climate. Summer is hot with fairly high humidity in coastal regions. Rainfall is mostly from November to March: during this period temperatures can drop quite sharply, particularly in December, so pack accordingly.

Clothing

For Jordan pack essentially lightweight clothing, with a sun-hat and neck protection, though a sweater and light jacket are advisable for Wadi Rum. Early mornings can be very chilly when camping in the desert and winters in Jordan can be cold, so please bring suitable warm clothing. We recommend a waterproof jacket in winter. Women are advised not to wear shorts or dresses that are too revealing as this can attract unwelcome attention in the streets of Muslim towns - loose fitting trousers or slacks are ideal. Women should also cover their head and shoulders when entering a mosque and men should wear long trousers. For Israel and the Palestinian Territories convention demands that long trousers are worn in some Jewish and Christian holy places, and women must cover their arms, legs and head. During winter (October to March) medium weight clothing and rainwear is advisable. A fleece will be useful during this time for early mornings (Masada visit) when it can be chilly.

Equipment

Sleeping bags, blankets and mattresses are provided, but we suggest you bring your own sleeping sheet. A personal water bottle and small torch are useful for the night camping. In addition a high factor sunscreen and sunglasses.

Footwear

Comfortable walking shoes or boots, trainers and sandals.

Luggage: On Tour

One main piece of baggage and daypack. Remember you are expected to carry your own luggage so don't overload yourself.

Luggage allowance on trip: 20kg
