## Trails of Hidden Tuscany

A centre based walking holiday exploring the landscapes of Tuscany's hidden gem - the Garfagnana Valley. Nestled between the 'marble mountains' of the Alpi Apuane and the rolling Apennines, this is an area of outstanding natural beauty. In a trip highlight we walk along the celebrated 'Cinque Terre' coastal path. Each evening we return to our comfortable agriturismo (farm stay) for some typical home-cooked Tuscan cuisine.

### Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

### Tour Comfort: Standard

Our mid-range accommodation offers a good level of service often with other amenities such as a restaurant, bar, garden or swimming pool. Generally rooms will be comfortable with en-suite facilities.

### Tour Style: Classic

Packed with adventure, these tours offer inspiring destinations and authentic travel experiences at a reasonable price. Using all kinds of transport and accommodation, we'll take you off the beaten track to discover the true heart of the people and places you visit.

### Trek Grade: Moderate

For those who are fit and active, these moderate walks are normally on good paths and tracks at low altitude. Days may include some fairly demanding ascents and descents, so previous experience is preferable but not essential.

## Your tour itinerary

### Tour itinerary notes

While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested.

### DAY 1 Join tour at Pisa airport; transfer to our agriturismo

Arriving in Pisa today, we transfer to our agriturismo which will be our base for the next seven nights. This family-run working farm offers us traditional and comfortable accommodation and is surrounded by the magnificent scenery of the Apennines and the Alpi Apuane. We can look forward to enjoying good, local food and excellent hospitality in the magnificent setting of the Garfagnana Valley.

Overnight: **Standard Agriturismo**  
**Single Room Available**

**Swimming Pool Available** 

 **Included Meals:** Dinner

## DAY 2 Hike in Pania Corfino Orecchiella National Park

After breakfast this morning, we drive up into the Apennines to Pruno, at an altitude of 1000 metres in the Orecchiella National Park. From here, we will hike via the Sella de Campaiana Pass to the summit of Pania Corfino, at an altitude of 1609 metres. Our route takes us through a beautiful landscape of beach forests. After enjoying stunning views and a picnic lunch at the summit, we retrace our steps back to the bus for our return to the agriturismo. Today's hike covers a distance of 12 kilometres in approximately six hours.

Overnight: **Standard Agriturismo**  
**Single Room Available**

**Swimming Pool Available** 

 **Included Meals:** Breakfast, Lunch, Dinner

## DAY 3 Walk in the Garfagnana Valley

Much of the Garfagnana Valley is national parkland, a beautiful region of unspoilt wilderness that is home to deer, wild boar, martens and eagles. Sandwiched between the Alpi Apuane and the jagged spine of the Apennines, the Garfagnana is one of Tuscany's most visually impressive and staunchly traditional regions, where local customs and a love of fine food remain an important part of everyday life. Today we take a walk along the lower reaches of the valley, hiking through the villages and lush landscapes that line the banks of the Serchio River. We plan to cover a distance of 14 kilometres over approximately six hours.

Overnight: **Standard Agriturismo**  
**Single Room Available**

**Swimming Pool Available** 

 **Included Meals:** Breakfast, Lunch, Dinner

## DAY 4 Free day to visit Lucca or Pisa by train or go mountain biking

Today has been left free for us to enjoy more of the highlights of this beautiful region at our own pace. Options include mountain biking and horse riding, or perhaps a day of gentle relaxation at our accommodation. Another alternative is to take a train ride across the Lucchese Plains to the picturesque city of Lucca, to explore its Romanesque churches and Renaissance architecture. A visit to Pisa is another possibility, with its famous leaning tower and beautiful Campo del Miracoli - stunning testaments to a time when the city was one of the Mediterranean's major maritime powers.

Overnight: **Standard Agriturismo**  
**Single Room Available**

**Swimming Pool Available** 

 **Included Meals:** Breakfast

## DAY 5 Hike to the natural rock arch at Monte Forato

This morning we drive south into the Torrite Valley, where we will begin our walk near the small village of Fornovolasco at an altitude of 610 metres. From here, we will be able to see our destination, the impressive rock arch of Monte Forato at an altitude of 1220 metres. Ascending to the Petrociana Pass, we gain our first views of the coast and the surrounding marble quarries. Further on, there is a short ten-minute section that requires some easy scrambling, before continuing up towards the natural rock arch, resembling a huge window looking down on the coast. We plan to enjoy a picnic lunch, with fine views across to the Dead Man Formation and the Pania della Croce, before beginning our descent. At the end of the walk, there is the option to take a short tour of the Grotto del Vento (wind caves) before returning to our accommodation. Today's walk will take approximately five hours, covering a distance of 10 kilometres.

Overnight: **Standard Agriturismo**  
**Single Room Available**

**Swimming Pool Available** 

 **Included Meals:** Breakfast, Lunch

## DAY 6 Cinque Terre coastal walk

Travelling by train this morning, we head to the stunning World Heritage coastline of the Cinque Terre region, where five tiny villages nestle amongst sheer cliffs to create one of the Riviera's most scenic delights. Starting in Rio Maggiore, a coastal trail takes us through the villages of Manarola, Corniglia and Vernazza, where we will stop for lunch. Here, we also have the opportunity to relax, perhaps enjoying a swim in the bay, or a stroll through the olive groves. For those who would prefer to opt-out of the two-and-a-half-hour walk between Corniglia and Vernazza, there is the option of a 40-minute boat ride between these two villages. Finishing our walk in Monterosso, we then travel back to Garfagnana on the train. Today, we will cover a distance of seven kilometres over a very sedate five hours, with plenty of time to explore the villages that we pass through.

Overnight: **Standard Agriturismo**  
**Single Room Available**

**Swimming Pool Available** 

 **Included Meals:** Breakfast, Dinner

## DAY 7 Appenine ridge walk to Tuscany's highest summit, Monte Prado (2054m)

Today, the plan is for us to enjoy a circular walk from the ski station at Casone, up along the main ridge of the Apennines, to the summit of Monte Prado. At an altitude of 2054 metres, this is the highest peak in Tuscany. On our circuitous route through the heart of the Apennines and Tuscan Emiliano Park, we will pass through beach forests and beautiful landscapes, offering wonderful alpine views. Should weather conditions prevent us from doing this walk, an alternative hike will be arranged to the 1858 metre summit of Pania della Croce in the Alpi Apuane Nature Reserve. Today's walking will cover a distance of approximately 14 kilometres over six hours.

Overnight: **Standard Agriturismo**  
**Single Room Available**

**Swimming Pool Available** 

 **Included Meals:** Breakfast, Lunch

## DAY 8 Tour ends at Pisa Airport

Today, we depart the Garfagnana Valley and drive back to Pisa, a two-hour journey that ends at the city's airport, where our tour finishes.

 **Included Meals:** Breakfast

## Accommodation and Meals

### Accommodation Rating

This tour stays at an agriturismo, where guesthouse accommodation is located on a working farm. Started in the 1950s as an initiative to reverse the closing down of small non-profitable farms, Italy's agriturismo movement encouraged farmers to redevelop their properties for paying guests by converting parts of the farm such as old barns and outhouses, into guest accommodation to supplement their agricultural income.

'La Costa' is located in the centre of the small medieval village of La Villa. The property dates back to medieval times and is said to have origins back to the 12th century as an Ospedale or rest stop on one of the area's trade route. The main house later became a convent. This property enjoys magnificent views of the surrounding oak and chestnut woods and across to the mountains of the Alpi Apuane and is surrounded by lovely gardens with plenty of quiet areas to sit and read. The outdoor swimming pool overlooks the village and surrounding countryside. In the main building, there's a communal area with a lounge to relax in as well as the main dining area where WiFi can be accessed. The 11 rooms at La Costa are all different and have been simply furnished in the traditional Tuscan style with antique furniture and tastefully decorated in pastel tones. Rooms are set up in the style of an apartment, with each accommodating two people in a double/twin bedroom with TV, en suite bathroom and private kitchen.
