The next day we will drive out to the mysterious pyramids of Teotihuacan. Although abandoned thirteen centuries ago, they are still an unbelievable sight. Once the largest city in the Americas with perhaps 100,000 inhabitants, its influence continued through Middle America, and Maya craftsmen borrowed its decorative motifs and building designs. Centuries later the Aztecs revered Teotihuacan as 'the Place of the Gods'. Returning downtown we visit the Basilica de Guadalupe.

DAY 4 Journey to Oaxaca; free to explore the colonial city

Leaving the capital we drive south through cactus country to Oaxaca, one of the most charming colonial cities in Mexico. Arriving in the afternoon, we will have some free time to explore the city on foot. The colonnaded Zocalo comes alive at night as families come to stroll in the shade, while street vendors and entertainers vie for their attention. Oaxaca also has several colourful markets.

DAY 5 Visit the ancient complex of pyramids of Monte Alban

Colonial Oaxaca was built with stones taken from ancient temples a few miles away. We explore the complex of temples, pyramids and enigmatic rock carvings at Monte Alban, a high spur that looms over the fertile valley. This mystical site was created by Zapotec Indians, who flourished here a thousand years ago. This afternoon there may be the chance to see some of the exquisite treasures of Monte Alban in the Regional Museum (known as the Louvre of Oaxaca) in town (optional).

DAY 6 Journey to Chiapa del Corzo via Mitla

During our full day journey, we stop to visit the 2000-year-old swamp cypress tree in Santa Maria del Tule just outside Oaxaca for a quick photo and then continue to the Mixtec/ Zapotec site of Mitla where we will have a picnic breakfast. We continue through the hot and windy isthmus of Tehuantepec and on to our night stop in Chiapa del Corzo, the provincial capital of Chiapas state, which we aim to explore over the next few days.

DAY 7 Sumidero Canyon boat trip then head to San Cristobal

This morning we visit the spectacular Sumidero Canyon, a unique rift 41km long and up to 1000mts deep, cut by the Rio Grijalva. This is the spot where, in the 16th century, some 1000 Chiapa Indians committed suicide rather than submit to Spanish rule. We take a trip on a speed boat to fully appreciate the towering gorge, before driving up a scenic mountain road to San Cristóbal de las

Casas. On route we will visit San Juan Chamula where they practice an interesting blend of Catholicism and traditional religions before continuing to San Cristobal. At 2210m above sea level, it can get quite cold at night!

Overnight: **Standard Hotel**

 **Included Meals:** None

DAY 8 Free Day to explore San Cristobal de las Casas

There is a unique atmosphere to this small colonial and Indian town, high in the scenic Chiapas range. The small restaurants and shops provide ample opportunity to wander. Indians from the surrounding hills fill the town and marketplace with their colourful dress including the distinctive Tzotzil Indians who still retain much of their Mayan customs and language. The Indians are noted for their bright textiles and weavings in bold designs and this is the place to bargain for some colourful souvenirs. Today is left free for you to explore the area. You may wish to visit the Na Bolom, the House of the Jaguar, which is dedicated to the preservation of the Lacandón tribe and displays many of their artefacts or the Kakaw museum where you can learn about the history and production of chocolate in the area.

Overnight: **Standard Hotel**

DAY 9 Travel to Palenque via the Agua Azul Waterfall

Leaving the highlands, the road is slow and winding, but there are scenic views as we descend from the highlands to the jungles of Palenque. We plan to bathe at the waterfalls of Agua Azul before driving onto our hotel. The river tumbles over a series of limestone travertine's, forming natural jacuzzis, and is a popular Sunday picnic spot for Mexicans and travellers alike.

DAY 10 Discover the important Mayan site of Palenque

One of the highlights of our tour is today's guided visit to the famous jungle ruins of Palenque, a fascinating and important Mayan site. Once the choking forest was cleared, the ruins revealed the tomb of the high priest Pakal, his body adorned with a marvellous jade death mask - one of the most prized relics of the Maya culture, discovered only in 1952. The entire site, shrouded by the steamy rainforest, has an aura of deep mystery. During the afternoon you can continue to explore the site, or take a bus back to the waterfall of Misol Ha for a refreshing swim (optional). The stunning 30m high waterfall was featured in the titles of the movie 'Predator'.

Overnight: **Standard Hotel**

 **Included Meals:** None

DAY 11 Drive to Frontera Corozal; travel by boat to Yaxchilan

Today we head into the Lacandon area to the ruins of Bonampak. The discovery of the well preserved murals at this site had a profound impact on our understanding of the Mayans. Continuing to Frontera, we board our lancha (river boat) on the Ucumacinta river and head for the remote site of Yaxchilan, famous for its stelae and roof combs. We continue back up the river through the rainforest to our overnight lodge near where we boarded our boat earlier today.

Overnight: **Simple Lodge**

 **Included Meals:** Dinner

DAY 12 Head to Flores, optional boat trip on Lake Peten Itza

Our Mayan rainforest experience continues up river by boat to the small settlement of Bethel on the Guatemalan side before progressing by road to Flores, on Lake Peten Itza. The afternoon can be spent enjoying a leisurely boat trip on the blue waters of the lake (optional).

Overnight: **Standard Hotel**

Single Room Available

 **Included Meals:** Breakfast

DAY 13 Explore the great Mayan metropolis of Tikal (Guatemala)

Today we visit Tikal, the great Maya metropolis set in the midst of the rainforest, which can justly be compared with the celebrated ancient cities of Egypt and Greece. Initially settled in about 600BC, Tikal was abandoned by its rulers around 890AD and totally deserted a hundred years later. The city covered an area of 16 square kilometres. Re-discovered in 1848, only a few of its great temples and pyramids have been excavated. The site is extensive, so we include a guided tour in the morning with the afternoon free to let you explore. We can appreciate the prolific birdlife in the surrounding rainforest and take in amazing views of the forest canopy from the tops of the pyramids.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** None

DAY 14 Travel to San Ignacio (Belize)

Today we drive over the border to San Ignacio in Belize. You may like to visit one of the nearby and little visited Mayan sites of Cahal Pech or Xunantunich.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** None

DAY 15 Drive to Belize City and boat to Caye Caulker

We drive to Belize City for our first view of the Caribbean and board our water taxi for the one-hour journey to the enchanting tropical island of Caye Caulker. Once a pirate lair, this tiny but beautiful island lies 34km northeast of Belize City and about 1.6km inside the greatest barrier reef in the Western Hemisphere.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** None

DAY 16 Relax on Caye Caulker; optional trip to observe manatees

The island remains uncrowded and unluxurious, and the local fishermen catch lobster, conch, fish and crab to supply domestic and foreign markets. It's a popular place with backpackers, so there is a proliferation of good, reasonably priced restaurants. There's time to relax or enjoy a number of optional trips. You may take a snorkelling trip out to the nearby Hol Chan Marine Reserve and Shark and Ray Alley, or take a full-day trip out to Goff's Caye to observe manatee in their natural mangrove habitat. Scuba diving is also available.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** None

DAY 17 Fly back to the mainland then drive to Valladolid via Tulum

Fly to Corozal, transfer to Belize border then drive to Tulum. The afternoon, time permitting, we explore this dramatically situated site perched atop a cliff overlooking the turquoise water and golden sands below. The ruins of Tulum date back to the late period of the Mayan civilisation when there was developing enmity between Mayan provinces, so the city is guarded by thick ramparts and a watch tower. After visiting the site we will continue onto Valladolid. Please note that on departures from 1st April inclusive, we will be flying from Caye Caulker to Corozal on a short 1-hour flight, before crossing the Mexico border and continuing to Tulum.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** None

DAY 18 Discover Valladolid before continuing to Piste

The morning is free to explore further the colonial heart of Valladolid. You may wish to opt to swim in one of the local cenote's (underground pools naturally formed in limestone and used by the ancient Maya as a source of water (optional)). This afternoon we will drive to Piste.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** None

DAY 19 Explore Chichen Itza; travel to Merida

This morning we visit the ruins of Chichen Itza. Founded in AD432, re-founded in 987 and conquered by the Toltecs in the 10th century, the culture of the Maya and the Toltec gradually fused. The pyramids, palaces, temples and ballcourt (where death was the penalty for defeat) are adorned with astonishing sculptures. Under the pressure of the civil war, the great monuments deteriorated and the Maya civilisation collapsed. Chichen Itza remains one of the most outstanding sites in the Americas. We then drive via the colonial backwater of Izamal to Merida, famed for its beautiful Spanish-Moorish style architecture.

Overnight: **Standard Hotel**
Single Room Available

Swimming Pool Available 

 **Included Meals:** None

DAY 20 Visit the ancient Mayan city of Uxmal

This morning we will visit the site at Uxmal. Encircled by hills, Uxmal is expansive in its design with majestic palaces and templepyramids. Long geometrical friezes rank among the most splendid examples of ancient American Art. The incredible Pyramid of the Magician and the beautiful Governor's Palace are two of the finest examples of Mayan art anywhere. Later in the day we return to Merida, where we have time to wander along the narrow streets watching the horse-drawn carriages rattle past. Alternatively there is an option to visit Celestun, the pink flamingo sanctuary.

Preparing for your Trip

Climate

Belize

Sub-tropical with a brisk prevailing wind from the Caribbean. Summer highs are rarely above 35°C, winter lows rarely below 15°C. Annual rainfall ranges from 107cm in the north to 364cm in the south and humidity can be high at any time of year. The rainy season extends from June through October with a short dry period in August, but some rain can be expected throughout the year.

Guatemala

In the high plains (1524m-1981m) the climate is temperate all year round. In lower areas the climate is semi-tropical. The mountains can be cool especially at night. In general, the dry season in Guatemala lasts from Nov - April. From May to October there are often fine mornings and clear evenings but afternoon rains tend to be heavy. The Peten lowlands tend to be rainy all year round though less so from February to April.

Mexico

Mexico is a country whose weather is very much determined by its geological make-up. Whatever time of year you visit the weather produces a range of diverse contrasts. The summer months (June to October) are generally the wettest, with the areas around Mexico City and Guadalajara averaging some 6 inches of rain in July, whilst the coastal areas like La Paz only get at most an inch. Temperatures at this time of year can also vary greatly, from the mid 70s F in Mexico City, to the high 90s at La Paz. Winter is generally the busiest period, when rainfall is at a minimum and the daytime temperatures average a pleasant 72° across the region. Do bear in mind that at altitude the temperatures can drop considerably at night and sudden changes can occur at anytime.

Clothing

From Nov-Apr warmer clothing is needed in the highlands (San Cristobal and Mexico City), which are mostly mild, but temperatures can drop dramatically at night. Pack a fleece and some long sleeved clothing for protection from sun and insects. Lightweight rainwear is essential. In general, winter is dry and summer wet. Casual clothes are acceptable. Shorts are acceptable everywhere except in churches.

Equipment

An umbrella is useful for tropical downpours. A torch and waterbottle are recommended. Bring insect repellent, sunscreen and a sunhat.

Footwear

Bring walking boots if you have them, otherwise comfortable shoes/trainers with a good grip and sandals.

Luggage: On Tour

One main piece of baggage and a daysac. Remember - you are expected to carry your own luggage so don't overload yourself. Please note that in the Yucatan luggage is stored on a roof rack and you must be able to lift it.

Luggage allowance on trip: 20kg

Cool Earth

Explore are proud to support Cool Earth in their effort to reduce global carbon dioxide levels through the prevention of deforestation in the South America rainforest. Cool Earth focus on areas in immediate danger of deforestation, supporting local communities to be forest guardians. To date 350,000 acres of rainforest has been protected. Saving rainforest also protects rare animals and plants, allows local forest communities to maintain their way of life, and protects a major source of oxygen and fresh water. When you travel on an Explore holiday we make a donation to Cool Earth that exceeds the impact of our customers' flights each year.

Earth Matters

We are passionate about sustainable travel and work hard to create tours where your holiday delivers real benefits to the local communities. We minimise our impact by travelling in small groups, respecting local cultures, reducing waste and offsetting 100% of the CO2 from our flights.

When you travel with Explore, you are directly contributing to local economies and helping empower the people you meet. We currently support a range of charities and good causes, including: Toilet Twinning (helping to flush away poverty), Lone Buffalo Foundation (a community project based in Laos providing creative skills for young people) and have recently supported women's cooperatives in Borneo and Morocco. We are a member of Tourism Concern's Ethical Tour Operator Group (www.tourismconcern.org.uk) and support their campaign for fair and ethical tourism. We also care passionately about the world's wildlife and actively support and promote the Born Free Organisation and Mahouts Elephant Foundation.
