DAY 2 Drive through Namib Desert to Sesriem

Departing Windhoek we spend the day driving south-west into the Namib Desert, to the edge of the Namib-Naukluft National Park and our lodge near Sesriem. The Namib is the oldest desert on earth, distinguished as being home to some of the strangest flora and fauna on the continent.

Overnight: **Standard Lodge**
Single Room Available

Swimming Pool Available 

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 3 Exploring the highest sand dunes in the world in Sossusvlei

Today we drive into the Namib-Naukluft National Park and travel down the Tsauchab Valley to Sossusvlei to watch the sun cast its shadows over the red dunes. Sossusvlei has some of the world's most spectacular sand dunes. The area itself is a vast depression or clay pan, towered over by sand dunes up to 300m high. In the early morning, the first rays of the sun light up the dunes with a deep orange glow - a photographer's delight. It is a wild, beautiful and romantic spot, with sparse vegetation edging a few water courses which flow in from the Tsauchab river. Here springbok and ostrich are often seen. We'll also explore the cool passageways of the Sesriem Canyon on foot. The canyon is small but very picturesque - many plants grow in the shade and shelter offered by the canyon, and water pools attract several species of birds and animals. Sesriem means 'six thongs'; which refers to the six lengths of rawhide rope (from a wagon) needed to make a line long enough to lower from the rim of the gorge to the stream below, in order to haul up a bucket of water.

Overnight: **Standard Lodge**
Single Room Available

Swimming Pool Available 

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 4 Drive to Swakopmund via Walvis Bay

Travelling via Solitaire and through the Kuiseb Canyon, we then pass awe-inspiring landscapes as we head across the Namib gravel flats to Walvis Bay. Here a large spit forms a natural deep-sea harbour that attracted the first navigators in the late 1400's. The shallows, located where the spit joins the mainland, are home to a diverse collection of birds, the most spectacular being flamingos and pelicans that feed here seasonally. It's a short drive from here to the coastal town of Swakopmund.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast, Lunch

DAY 5 Swakopmund, Explore the colonial town or time for optional activities

Swakopmund is one of the world's best examples of German colonial architecture, and served as the German's port into what was then, German South West Africa. Like any port town has a colourful past. Today, there may be time to visit the town's excellent museum, or visit a local township, participate in one of the numerous activities on offer, or just relax! This evening you have the chance to watch the sunset at the nearby coastal dune belt.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 6 Drive via Cape Cross Seal Colony to Damaraland

Travelling north towards the Atlantic coast we visit the memorable Cape Cross Seal Colony where between 80,000 and 100,000 Cape fur seals bask in the sun or swim playfully in the cold waters of the Atlantic Ocean. The seals are natural indicators of fish stocks in the ocean. If the fish stocks are healthy, then the seal numbers are high. If the fish stocks are poor, then the seal numbers will be low. The seals are quite big, an average male weighing in at anything up to 187kg (501 lbs.). The females give birth to a single pup around late November to early December. After our visit we head inland, towards the majestic Brandberg Mountain (2,573m and the highest point in Namibia) and stopping at the Brandberg White Lady Paintings. These famous San Bushman paintings can be found throughout the Brandberg Mountain area and are a spectacle to behold.

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 7 Visit Himba Village; drive towards Etosha National Park

This morning we have the privilege to meet the Himba people and learn about their traditions and way of life. The Himba are the last semi-nomadic herders in Namibia and their simple lifestyle has remained unchanged for generations as these people have preferred their traditional life style to modernization. They have become iconic for using a characteristic red paste made of butter, fat and red ochre that they apply to their body and which serves an aesthetic purpose in beautifying their body as well as protecting them from the scorching sun. We interact with these friendly and proud people before continuing our journey to the edge of Etosha National Park, arguably one of the finest national parks in Africa.

Overnight: **Simple Lodge**
Single Room Available

Swimming Pool Available 

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 8 Game drives in Etosha National Park

This morning we enter Etosha National park for an early morning game drive. Etosha is an immense, saline desert, covering over 12,400 square miles, and the habitat for 114 species of animals and 340 species of birds. It has been described as the best game reserve on the African continent. Our programme of game drives will depend entirely on the interests of the group, and is left as flexible as possible. We should see elephant, rhino and hopefully lion. The terrain ranges from dense bush to large open plains where animals roam freely. We drive along the network of gravel roads that criss-cross the Park, visiting the various viewpoints and the permanent waterholes around which animals congregate. There is something enigmatic in the vast silent greywhite pan that covers the reserve.

Overnight: **Standard Cabins**
Single Room Available

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 9 Game drives in Etosha National Park

We continue with game drives today. Numerous waterholes and underground springs attract large herds of animals including springbok, zebra, wildebeest and giraffe. At its very heart is the Etosha Pan, which geologists believe was formed some 12 million years ago from an inland lake about the size of Holland. Shrunken to its present dried-up size, it is now a gigantic depression in the ground - flat, saline and silvery, a mysterious place of mirages and dust-laden images.

Overnight: **Standard Cabins**
Single Room Available

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 10 Visit Cheetah Conservation foundation; Waterberg Plateau Park

We leave Etosha and travel via the Cheetah Conservation Foundation at Otjiwarongo to the Waterberg Plateau Park. The CCF is an internationally recognised centre of excellence in research and education on cheetahs and their eco-systems with an extensive visitor's centre which encourages visitors to learn more about these beautiful cats and the efforts being made to save them. Later we will continue to the Waterberg Plateau. The Waterberg is a sandstone mountain which rises over 200m from the surrounding plains and is Namibia's only mountain game park. There are various trails to walk along searching for the elusive Damara Dik-Dik and a good variety of birds.

Overnight: **Premium Lodge**
Single Room Available

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 11 Morning walks or optional game drives; head to Windhoek

This morning you could choose to explore some of the walking trails on offer or take an optional game drive in the national park. We will then head south and return to Windhoek. We have the chance to stop off en route in Okhandja and visit the local craft market.

Overnight: **Standard Hotel**
Single Room Available

Swimming Pool Available 

 **Included Meals:** Breakfast, Lunch

Our tour ends this morning after breakfast.

Included Meals: Breakfast

Accommodation Notes

Great locations and well appointed accommodation characterise this trip. Namibia has a good tourism infrastructure and generally good service standards. We start our tour in a superbly located standard hotel with a pleasant restaurant and beer garden, right in the heart of Windhoek. In complete contrast, our next stop is at a family run lodge in the middle of the Namib desert. The gardens and pool here create a lovely atmosphere and the home cooking is great! On to Swakopmund where our small, family run hotel with its great coffee shop is located just minutes from the sea and the centre of town. In Etosha we stay in comfortable bush chalets at two different restcamps with pool, gardens and a bar. Finally at Waterburg plateau we stay in chalets which nestle amongst the trees at the foot of the escarpment.

Preparing for your Trip

Climate

Namibia

With a staggering 300 days of sunshine each year, Namibia is a year-round destination, although some may prefer to avoid the heat of high summer. The cold Benguela current keeps the Atlantic coast of the Namib Desert cool and rain-free for most of the year, with a thick coastal fog that lends a mysterious edge to the area. January and February are the hottest months, when daytime temperatures in the heart of the Namib can exceed 40°C (104°F), but nights are usually cool. Winter nights can be fairly cold, but days are generally warm and pleasant.

Clothing

Clothing should be lightweight, however a warm fleece and sweater/thick shirts are essential, as nights (and daytime) can be very cold, especially from May to September, and game drives tend to take place at dawn and dusk. Brightly coloured clothing is not suitable for game viewing.

Equipment

Bring a torch, water bottle, sun hat, sunglasses and sunscreen. Binoculars are essential for game viewing and a 300mm lens is recommended for photography. We also recommend you bring a swimming costume.

Footwear

Lightweight trail boots or robust trainers with a good grip, and sandals.

Luggage: On Tour

A soft bag or holdall/kitbag (or rucksack with detachable frame). There are no porters on this trip to carry luggage.

Luggage allowance on trip: 15Kg
