Why Book this trip

Unlike many other operators, we include the hire of your bike in the overall cost of the holiday: you don't need to bring your own or pay extra to hire one locally. We also provide a support vehicle, spare parts and take care of day to day bike maintenance. All you need bring is your own helmet.

Cycling Information

On this trip we cycle 320 km over six days (an average of 53 km per day). We mainly use quiet, undulating roads although there will be several steeper sections on tarmac. A support vehicle accompanies the rides throughout the trip. We have graded the route as moderate to challenging.

Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

Accommodation Grade: Standard

Our mid-range accommodation offers a good level of service often with other amenities such as a restaurant, bar, garden or swimming pool. Generally rooms will be comfortable with en-suite facilities.

Tour Style: Classic

Packed with adventure, these tours offer inspiring destinations and authentic travel experiences at a reasonable price. Using all kinds of transport and accommodation, we'll take you off the beaten track to discover the true heart of the people and places you visit.

Cycling Grade: Moderate to Challenging

Combining moderate grade rides with some challenging days in the saddle, this grade is ideal for reasonably fit cyclists who want to challenge themselves.

Bike Details

Your included bike is a 24 gear Specialized CrossTrail or Ariel hybrid bike with front suspension and will be the correct frame size for your height. A water bottle holder is included as well as the facility to fit your own pedals or saddle if you wish to bring them. A support vehicle accompanies the rides throughout the trip. We provide spare parts and take care of the day to day maintenance. All you need to bring is your own helmet.

Climate

Albania

Albania has a mediterranean climate with hot, dry summers (ranging from 9 - 11 hours of sunshine a day in Tirana). Temperatures can reach up to 40°C in July. October to April is much cooler and can be wet. Albania is a mountainous country and the high peaks are snow-capped all year. Additional information and climate charts can be accessed at <http://www.explore.co.uk/weather>. Seasonal weather patterns can be unpredictable.

Clothing

Pack for hot conditions. Bring cycle shorts, gloves and quick drying cycle tops. Weather is changeable in the mountains and it can be cool, especially at night, so bring a warmer jacket/fleece. A raincoat is essential at all times in case of the odd shower. You should dress with respect in the rural villages so bring some long trousers. Don't forget your swimming costume.

Equipment

On all Explore cycle holidays we strongly recommend you bring along and wear your cycle helmet. In case of an accident resulting in personal injury, certain insurance policies are invalidated in cases where a helmet was not being worn. Cycle glasses to protect against dust, pollen and the sun, padded cycle gloves and a water bottle or water delivery system (e.g. camelback or platypus) are also useful. You may choose to bring your own gel seat cover for added comfort. If a handle bar bag or pannier is not provided (check bike details) then you may like to bring a small rucksack to wear while cycling. Other items to consider bringing are a sunhat and sun cream, torch, earplugs and insect repellent. Please carry some or all of your cycling equipment e.g. helmet as part of your hand luggage.

Footwear

If you are not bringing cycle shoes then try to bring stiff-soled shoes as these are better for cycling - transmitting your energy into the pedals more efficiently. This becomes more relevant and recommended the more demanding the grade and distances to cover. SPD cycle shoes are not well suited to trips that combine sightseeing with cycling. Comfortable shoes, trainers, sandals or flip flops are useful when not on the bike.

Luggage: On Tour

We recommend you bring a daypack and one main piece of luggage (total allowance: 44lb/20kg) which will be transported between hotels while you cycle. Check the bike details section to see if a pannier or handlebar bag is provided on the bike. Remember you are expected to carry your own luggage so don't overload yourself. Please bear in mind there are lots of stairs in Albania and no portage in the hotels.
