## Cycle Saigon to Hanoi

On this adventurous trip we bike along the rural backroads and into the highlands of Vietnam. Along the way we discover the cultural highlights of Saigon, Hoi An, Hue and Hanoi. There is also time to explore the Mekong Delta, the tropical beaches and islands of Nha Trang and the majestic beauty of Halong Bay on an overnight cruise.

### Why Book this trip

Unlike many other operators, we include the hire of your bike in the overall cost of the holiday: you don't need to bring your own or pay extra to hire one locally. We also provide a support vehicle, spare parts and take care of day to day bike maintenance. All you need bring is your own helmet.

### Cycling Information

On this tour we cycle 442 km over eight days (an average of 55 km per day) with further optional rides available. We mostly follow provincial roads with less car traffic but can have some motorbike traffic (90% tarmac roads, 10% earth/gravel roads). The terrain is generally flat except for the sections around Dalat which are in the hills. A support vehicle accompanies the rides throughout the tour with the exception of part of the Mekong Delta route. We have graded the route as moderate.

### Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

### Accommodation Grade: Standard

Our mid-range accommodation offers a good level of service often with other amenities such as a restaurant, bar, garden or swimming pool. Generally rooms will be comfortable with en-suite facilities.

### Tour Style: Classic

Packed with adventure, these tours offer inspiring destinations and authentic travel experiences at a reasonable price. Using all kinds of transport and accommodation, we'll take you off the beaten track to discover the true heart of the people and places you visit.

### Cycling Grade: Moderate

Medium length rides are suitable for cyclists who are used to undulating routes with occasional energetic climbs. You'll be cycling mainly on trails and quiet roads and you should have a reasonable level of fitness.

Driving for an hour out of the busy city centre to reach the quieter suburbs this morning, we collect our bikes at Cu Chi bus station and ride about 30 km to Ben Duoc, the site of the infamous Cu Chi Tunnels on the outskirts of Saigon. Originally started during the French occupation of the country, the tunnels went on to achieve notoriety during the Vietnam War, when they formed an amazing underground command base for 10,000 Viet Cong troops. We will explore the tunnels with a local guide this morning. Be warned though, the tunnels are low and narrow and can be claustrophobic. After lunch we continue cycling for about 20 km towards Ben Nay to further explore the area. Drive back to Saigon (c. 2 hours drive) and the rest of the afternoon is free relax or explore the city. Our total cycling distance today is approximately 50 kilometres (total accumulated ascent 50 meters, total accumulated descent 40 metres).

After a relaxing lunch in Bao Loc we board our bus again for a longer (around 4 hours) very scenic drive right across the mountains, giving us stunning views over the forested hills, to reach the bustling old French city of Dalat. The city has a European feel in its architecture and a cooler climate due to the higher altitude. Here, depending on the weather we may take to our bikes again to explore the back streets on a 20 kilometre ride, before checking into our hotel for the night. Our total cycling distance today is approximately 30 kilometres (total accumulated ascent 210 metres, total accumulated descent 150 metres).

## Climate

### Vietnam

As Vietnam is a long, narrow country from north to south climate conditions vary considerably. The climate can be divided into three distinct patterns between the north, central and south regions. The climate in the north is generally humid and subtropical, although the winter months from November to March can be colder with temperatures from 10 - 15 degrees. Summer months, May to September can be quite hot with temperatures from 30 - 35 degrees. Meanwhile south Vietnam enjoys a tropical climate all year

round, with little variation throughout the year (around 27 - 32 degrees), however May to November is the rainy season when short, heavy downpours are quite frequent. Central Vietnam lies somewhere in between. The coastal strip is usually dry and hotter from April to October while November to March is wetter and cooler. A light rain jacket and small umbrella are recommended year round.

## Clothing

Bring cycle shorts, quick drying cycle tops and gloves. From December through to February warmer clothing is needed for the North and the highlands. Days are hot and humid. Lightweight rainwear essential at all times. The northern region and highlands are cold at night during the winter.

## Equipment

On all Explore cycle holidays we strongly recommend you bring along and wear your cycle helmet. In case of an accident resulting in personal injury, certain insurance policies are invalidated in cases where a helmet was not being worn. Cycle glasses to protect against dust, pollen and the sun, padded cycle gloves and a water bottle or water delivery system (e.g. camelback or platypus) are also useful. You may choose to bring your own gel seat cover for added comfort. If a handle bar bag or pannier is not provided (check bike details) then you may like to bring a small rucksack to wear while cycling. Other items to consider bringing are a sunhat and sun cream, torch, earplugs and insect repellent. Even though clean bed linen is provided on the train journey, you may want to bring a cotton sleeping sheet (it can be purchased in Hanoi) and a small travel towel. Please carry some or all of your cycling equipment e.g. helmet as part of your hand luggage.

## Footwear

If you are not bringing cycle shoes then try to bring stiff-soled shoes as these are better for cycling - transmitting your energy into the pedals more efficiently. This becomes more relevant and recommended the more demanding the grade and distances to cover. SPD cycle shoes are not well suited to tours that combine sightseeing with cycling. Comfortable shoes, trainers, sandals or flip flops are useful when not on the bike.

## Luggage: On Tour

We recommend you bring a daypack and one main piece of luggage (total allowance: 44lb/20kg) which will be transported between hotels while you cycle. Check the bike details section to see if a pannier or handlebar bag is provided on the bike.

Luggage allowance on trip: 20kg

For Self-Guided holidays and Private Journeys simply choose your date of travel and let us know so we can confirm all ground services.

The easiest way to confirm your booking is through our website. When you are ready to book, we normally require a 10% non-refundable deposit, but for some holidays this may be more to cover such items as permit fees, internal flights or other non-refundable services. If your travel starts within 60 days of booking, full payment will be required at the time of booking

### 100% No Surcharge Guarantee

The price paid for our holidays is no longer subject to change. Once booked and confirmed we will guarantee the price you pay will not increase, whatever the circumstances. You will not be approached to pay fuel surcharges unlike the vast majority of other adventure tour operators. The price guarantee applies to all new bookings departing between 1st January 2016 and 31st December 2017.
