## Mallorca Tramuntana Traverse

Explore the rugged terrain of Mallorca's spectacular Tramuntana range from Port de Soller to the 18th century town of Pollenca, including the Victoria Peninsula. We walk along coastal pathways and historic merchant routes to traditional villages and beautiful lakes, and are rewarded with panoramic views of the coast and surrounding mountains. We also experience staying in a remote 13th Century monastery in Lluc.

### Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

### Accommodation Grade: Standard

Our mid-range accommodation offers a good level of service often with other amenities such as a restaurant, bar, garden or swimming pool. Generally rooms will be comfortable with en-suite facilities.

### Tour Style: Classic

Packed with adventure, these tours offer inspiring destinations and authentic travel experiences at a reasonable price. Using all kinds of transport and accommodation, we'll take you off the beaten track to discover the true heart of the people and places you visit.

### Trek Grade: Moderate

For those who are fit and active, these moderate walks are normally on good paths and tracks at low altitude. Days may include some fairly demanding ascents and descents, so previous experience is preferable but not essential.

## DAY 2 Coastal walk from Deia to Port de Soller

Early this morning we take a public bus the short distance to Deia, a beautiful village and once the home of poet Robert Graves. We wander through Deia with its stone houses stacked one above the other, and continue through the stone-built terraces of olive trees, to the tiny Cala de Deia, a rocky fishing cove. We follow this dramatic coastline north, through Llucalcari village and back to Port de Soller. Today's 12.5km walk is expected to take around 5hrs with 300m ascent and 500m descent.

Overnight: **Standard Hotel**

**Swimming Pool Available** 

 **Included Meals:** Breakfast

## DAY 3 Bus to Valldemossa to begin the circular walk known as the Archduke's Trail

After breakfast we travel by taxis or minibus to the attractive rural town of Valldemossa. From here we take a circular walk along the stone path known as the Archduke's Trail, part of which was laid by Archduke Ludwig Salvador of Austria who owned the local estate in the 19th century. The path offers some insight into rural life, including lime kilns and charcoal stoves, as well as stunning coastal views. We return to Port de Soller from Valldemossa by public bus. Today's 10km walk is expected to take around 4hrs with 540m descent. The trails can be uneven at times.

Overnight: **Standard Hotel**  
**Single Room Available**

**Swimming Pool Available** 

 **Included Meals:** Breakfast

## DAY 4 Take the tram to Soller to start the walk. Hike to Cuber Lake. Bus to Lluc Monastery

This morning we take the historic tram out to the town of Soller, just inland. Here we start our walk to Cuber Lake in the heart of the Tramuntana Range, an area rich with bird life. We walk via the village of Biniarritx and cross the Coll d'Ofre pass (890m) en route to the lake, which lies in the shadow of the highest peak on the island, Puig Major (1443m). We then travel by minibus or taxi to the remote valley where Lluc Monastery has quietly existed since the 13th century, and where we will spend the night. The 'Monestir de Nostra Senyora de Lluc' is an historic sanctuary and place of pilgrimage, and still takes in visitors. We can eat in the atmospheric wooden-beamed hall, formerly the monks' dining room. The impressive Basilica is well worth visiting, and the peaceful and beautiful setting is best appreciated by a short walk to the Mysteries of the Rosary which will take you up to the crucifix at the peak of a nearby hill. Look out for granite stations, some of which were worked on by Gaudi himself but never completed due to his sudden and unexplained departure from the island. Today's 12km walk is expected to take around 4hrs with 850m ascent and 150m descent.

Overnight: **Standard Hotel**  
**Single Room Available**

**Swimming Pool Available** 

 **Included Meals:** Breakfast

## DAY 5 Descend from Lluc Monastery along a pilgrims trail to Pollenca

Following one of the oldest pilgrimage trails on the island, we start our walk from Lluc passing through shady woodland, with the imposing north face of Tomir looming over us. As the path starts to descend, we get our first stunning view of Pollenca, built a few kilometres from the sea to protect against pirate attacks, and the port beyond. Entering denser woodland, the steep, scree covered slopes of Tomir tower even nearer as we continue our descent. Finally we join a small lane going past pretty cottages and fields of almond and orange trees, a serene farming landscape with the mountain range rising majestically behind. As we approach the main road into Pollenca we meet our minibus and continue to Port de Pollenca by bus. For those wishing to explore the ancient narrow streets and impressive plaza of Pollenca there is the option to be dropped off en route, making their own way to Port de Pollenca. Today's 12.5km walk is expected to take around 4hrs with 200m ascent and 600m descent.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast

## DAY 6 Taxi to Victoria Peninsula, hike a circular walk via Penya Roja viewpoint. Bus to Port de Pollenca

This morning we travel by taxi to the Victoria Peninsula, on the north coast of the island. Starting from Chapel Ermita de la Victoria we take a circular walk via Penya Roja viewpoint and Ralaia peak (451m), down to the town of Alcudia - a medieval town with a popular market. We take a stroll through the interesting narrow streets of the old town before making our way back to Port de Pollenca by public bus. Today's 13km walk is expected to take around 5hrs with 360m ascent and 400m descent.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast

**DAY 7** Free day. Opportunity to take a boat trip, walk to Cala Boquer. or visit Palma

Today is free to relax, swim, walk or take one of a number of excursions in and around the Peninsula de Formentor. For those who wish to explore on foot a little more, it is possible to walk to Cala Boquer. The route affords superb views into the bays and winds among the palms and pine trees. The peninsula is also popular amongst ornithologists due to its resident birdlife and in April to October it's location on the migratory routes. The largest marshland in the Mediterranean is located at the Natural Park of S'Albufera, just south of Port d'Alcudia and is criss-crossed by paths linking bridges and hides from which to view the varied birdlife. Alternatively you may choose to visit Mallorca's capital Palma. Palma dates back to pre-Roman times, the architecture shaped by the ebb and flow of trade. For many people the highlight is the warren of narrow streets, reminders of its prosperity before Spanish trade shifted to the New World.

### Trekking Details

Walks on 5 days for an average of 4.5 hours with an additional optional walk on Day 7. There is however the option to opt out of any walks. We have graded the walking on this tour as moderate.

### Climate

#### Spain

Overall, spring, early summer and autumn are ideal times for a Spanish trip - though the weather varies enormously from region to region. The high central plains suffer from fierce extremes, stiflingly hot in summer, bitterly cold and swept by freezing winds in winter. The Atlantic coast, in contrast, has a tendency to damp and mist, and a relatively brief, humid summer. The Mediterranean south is warm virtually all year round. Spain's Islands the Canaries and Balaerics experience very mild winters and warm summers making them ideal year round destinations.

#### Mallorca

We travel outside the intensely hot summer months. These months can be prone to showers which can be wintery at higher altitude during March. From March to April the temperatures hover around 10-14

### Clothing

As in other mountainous areas the weather in the Serra de Tramuntana can change suddenly. It is therefore essential that you bring waterproofs and a fleece. We also recommend a hat and gloves early and late in the season when the weather may be variable.

### Equipment

We recommend you bring a water bottle, sunhat, sunscreen, sunglasses and trekking poles for steep descents, full waterproofs (Autumn departures). Please note that the walk on day 3 is mostly downhill.

### Footwear

Walking or trail boots with ankle support are essential, plus comfortable trainers or sandals for relaxing.

### Luggage: On Tour

One main piece of luggage and a daypack. Remember you are expected to carry your own baggage as we travel using public transport between hotels so don't overload yourself.

Luggage allowance on trip: 20kg
