Azores Island Hopping

Bathed in the warm waters of the Gulf Stream, these nine volcanic islands rise up from the mid-Atlantic ridge. On a series of easy walks we explore five of these unspoilt islands: San Miguel, Terceira, Sao Jorge, Pico and Faial. We discover crater lakes, thermal springs, deep gorges and craggy coastlines. There are also opportunities to take boat trips in search of whales, and to spend time in picturesque fishing villages.

Wildlife

Although not included as part of this trip, there is the option to go whale watching or swimming with dolphins.

The Azores are famed as being one of the best places in the world for whale and dolphin watching. There is no ideal time of year to go as there are some species that reside here all year round, as well as those which pass through on migratory routes to feeding grounds in the Northern Atlantic. Common, bottlenose and Risso's dolphins along with sperm whales are present all year round. During the spring months, baleen whales such as fin whales and sei whales can be seen. We could also be lucky enough to spot the giant blue whale. Summer months are prime viewing months for the Atlantic spotted dolphin, striped dolphin and pilot whales. Whatever time of year you go there is a good chance of seeing these graceful aquatic creatures.

Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

Accommodation Grade: Standard

Our mid-range accommodation offers a good level of service often with other amenities such as a restaurant, bar, garden or swimming pool. Generally rooms will be comfortable with en-suite facilities.

Tour Style: Classic

Packed with adventure, these tours offer inspiring destinations and authentic travel experiences at a reasonable price. Using all kinds of transport and accommodation, we'll take you off the beaten track to discover the true heart of the people and places you visit.

Trek Grade: Easy to Moderate

This grade is ideal if you want to enjoy both easy and moderate level walks on the same tour. You'll be walking mainly on good paths and at low altitude, with occasional more demanding ascents or descents.

DAY 1 Join tour at Ponta Delgada, on the island of Sao Miguel

Arrive Ponta Delgada and check-in at hotel. Located on the harbour of Sao Miguel, the Azores largest island, Ponta Delgada is a charming historic city with narrow cobbled streets and some interesting buildings worth a visit, such as the Municipal city hall with its reflecting pool in the city centre of Baixa.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** None

DAY 2 Walk around Sete Cidades, see the colourful crater lakes

Basing ourselves at Ponta Delgada, the island's capital, we spend our first 3 days exploring Sao Miguel - the largest of the islands we visit. We use a mixture of local and private buses to transfer us to and from our walks. For our first day walking we drive to Sete Cidades. From here we walk within and around some of the crater to Vista do Rei to view the splendid blue and green lakes before returning to Ponta Delgada by bus later that afternoon. Today's 8km walk is expected to take around 2.5 hours with a descent of 270m.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 3 Enjoy lakeside walk and lunch amongst volcanic scenery

Our second days walking begins by driving to the north side of the Lagoa das Furnas where we take a short walk of approximately forty-five minutes on the shores of the lake, stopping to see the natural ovens (cavities in the rock). Here in the huge hollow of Furnas Valley, diverse volcanic activity has also created thermal springs and boiling mud pools. Today we have an included lunch - a traditional Cozido cooked in the volcanic fumaroles. We also have time to visit the botanical gardens of Terra Nostra, planted over 200 years ago, with an outdoor thermal pool where we can bathe (optional). Back on the bus we continue to a viewpoint to Lagoa de Fogo, the island's highest crater lake, where we will stop to take photos before continuing back to Ponta Delgada.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast, Lunch

DAY 4 Free day; optional boat trip to look for whales

Today is left free to explore more of the island on and off shore. You may wish to do one of the many walks around the island however another option is to take a whale searching trip or to swim with the dolphins.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 5 Fly to Terceira Island, explore Angra do Heroismo town

An inter-island flight brings us to the island of Terceira. During our stay here, our base will be the small harbour settlement of Praia da Vitoria. After transferring to our hotel, we cross the island by local transport to the largest settlement on Terceira, the old town of Angra do Heroismo. An afternoon here gives us time to explore the town, with its distinctive architecture, its cathedrals and churches. Angra was the first settlement in the Azores to receive city status, in 1534, and remains one of the finest examples of Renaissance town planning. It was the Azores' seat of government until the early 19th century and its palaces and churches are the legacy of its supremacy. A walk up to the fort gives good views over the harbour and the narrow streets of the old town are well worth exploring at your own pace. You may also want to visit the Algar do Carvao caves, the only volcanic pit you can visit in the world, before returning to Praia.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 6 Coastal walk to Biscoitos

Using local transport, we head for the northern regions of the island, which we will explore on foot. From Quatro Ribeiras an easy walk follows the contours of the coast with marvellous views out to sea. We arrive at Biscoitos, where there is the chance to swim in the lava rock pools. In the late afternoon we return to Praia da Vitoria by local bus. Today's 12.5km walk is expected to take around 3.5hrs with total ascent of 314m and total descent of 465m.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 7 Fly to Sao Jorge Island, free time to explore Velas town

There may be some free time in Praia da Vitoria, depending on the flight time, before we take the short flight to Sao Jorge. This curiously elongated island is some 56 km long, but only 8 km wide, having been created by a series of linear volcanic eruptions. The island remained almost isolated for many centuries, due to the lack of shelter offered to ships. After transferring to our hotel, we are free to wander the streets of the small maritime community of Velas, where we are based. Alternatively we can take an optional walk to the old whale watching tower which is positioned on a volcanic crater from where we can enjoy views down on to Velas town (2hrs).

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 8 Walk through Caldeira de Cima gorge down to the coast

We can spend two full days walking on Sao Jorge, a place of precipitous cliffs, narrow valleys and tiny coves. On our first day, using local taxis we'll head from Velas to the north side of the island. A stunning walk starting from the 700m high ridge of Sao Jorge leads us through the beautiful gorge of the Caldeira de Cima and down to the coast. From here we follow the rocky coastline and walk to Faja do Cubres. Fajas are the small plains at the foot of the steep coastal cliffs which are dotted with traditional hamlets and fertile orchards. Today's 12km walk is expected to take around 4hrs total descent of 595m.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 9 Free day; choice of optional walks

Our second day is left free for optional walks, and your tour leader will advise on the various possibilities. DAY 11 Coastal walk to Lajes, optional boat trip

Pico is dominated by its volcano, Pico Alto, reaching up to 2,350m. The island covers some 42 km by 16 km. For those interested in the history of the island, there are many small fishing ports, several with reminders of the old whaling industry once so vital to the island. Today's walk is along the south coast of Pico. We walk to the village of Lajes, which has a small whaling museum. There is the

opportunity to take a whale-watching trip (optional) from Lajes to spot sperm whales as well as several species of dolphins. Today's 6.5km walk is expected to take around 2hrs total descent of 450m

There are dozens of small volcanic cones on the slopes of Pico Alto and some caves created by past lava flows to explore for example, Furnas Frei Mateus (optional, approx 3 hours walk 1,020m ascent and descent). There are magnificent and unforgettable vistas of neighbouring islands. In the afternoon, we cross by boat to the charming island of Faial, where the harbour is often full of yachts, half way through their transatlantic crossing.

Overnight: **Standard Hotel**

Single Room Available

 **Included Meals:** Breakfast

DAY 13 Free day; optional tour of island or boat trip

Today is free to explore the Ilha Azul. You can go whale watching again (optional). You could take the opportunity to do some more walking (optional), alternatively take a taxi tour of the island (optional). We can head for the stunning Caldeira often shrouded in cloud, where we view the lush green-carpeted crater. The views over the island are particularly impressive in summer, when the wild blue hydrangeas that form many of the hedges are in flower. We then continue to the western end of the island to visit the Capelinhos volcano, now extinct, then we can swim on the volcanic sandy beaches at Porto Pim. Later we return to Horta, an attractive little town with some good restaurants.

Overnight: **Standard Hotel**

Climate

Portugal

Overall, spring, early summer and autumn are ideal times for a trip to Portugal - though the weather varies enormously from region to region. The northern high plains has both extremes, stiflingly hot in summer, bitterly cold and swept by freezing winds in winter. The Atlantic coast, in contrast, has a tendency to damp and mist, and a relatively brief, humid summer. The Mediterranean south is warm virtually all year round. The islands have very different weather patterns due to their positioning and can have sudden rain falls throughout the year so waterproofs are recommended even in the summer.

Azores

Clothing

July and August are the warmest months, though the islands are freshened by cooling sea breezes. Waterproofs are essential, as is a fleece, gloves and a hat if climbing Pico.

Equipment

We recommend a waterbottle, sunhat, towel, sunscreen, repellent and sunglasses. A torch and/or head torch is required if taking the Pico climb and visiting caves. You may find walking poles useful. If you would like to snorkel, please bring your own equipment.

Footwear

Please bring comfortable trainers or sandals for relaxing. Plastic sandals are useful if swimming off laval rocks.

Luggage: On Tour

One main piece of luggage and a daypack. Remember you are expected to carry your own luggage so don't overload yourself.
