## Your trip itinerary

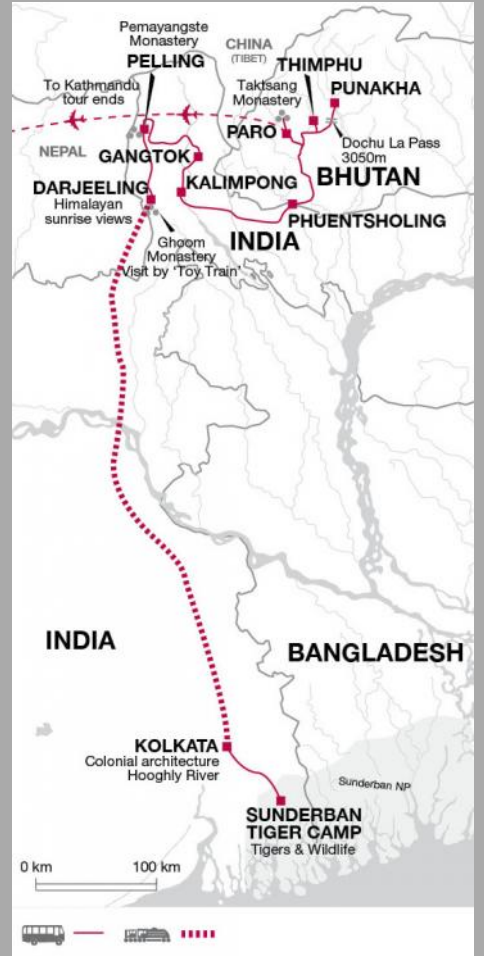

### Tour itinerary notes

While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested.

#### DAY 1 Join trip in Kolkata (Calcutta)

Our trip begins this evening in Kolkata (Calcutta). Once the capital of British India, Kolkata has had a turbulent past. It was central to the struggle for Indian independence and thousands of Bengali refugees came here at the start of the 1900's. It is a city of striking contrasts and can be overwhelming initially, but the unusual sights, pungent smells and the chaotic sounds of the country's second largest city are an experience unique to India. Flights to Kolkata often arrive in the middle of the night, so while the trip begins today we will expect some of the group to arrive in the early hours of day two.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** None

## DAY 2 Explore Kolkata's temples and historic buildings

Today we intend to explore this most interesting of cities, with a tour of some of its major sites. We plan to visit St John's Church and the many historic Raj buildings around Dalhousie Square, the Jain and Kali temples and the magnificent marble dome of the Victoria memorial, where the sumptuous grandeur of European and Mughal influences come together in a blaze of white marble. We also visit the clay modeller's village of Kumartuli where the potters spend all year creating a wealth of images and idols for the annual festivals and, as the time approaches for the models to be prepared for the coming pujas, the streets are filled with an overwhelming display of brightly coloured and richly attired idols.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast

## DAY 3 Discover more of Kolkata; visit to Belur Math and Dakshineswar Kali Temple

We will pay an early morning visit to the colourful flower market where tons of brightly coloured marigolds are sold by traders, before driving to Belur Math on the banks of the sacred Ganges. A place of pilgrimage for people all over the world, the site is famous for its tranquil setting and the architecture of its buildings, in particular the Ramakrishna temple which is designed to celebrate the diversity of Indian Religions and resembles a temple, a mosque, a church when viewed from different vantage points. After exploring Belur Math we'll take a short boat ride across the river to the Dakshineswar Kali Temple. Constructed in the 19th century by wealthy widow Rani Rasmani, it is said that the goddess Kali appeared to her in a dream promising to manifest herself at the site if a temple was constructed in her honour.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast

## DAY 4 Search for wildlife in the Sundarbans

After breakfast this morning we leave Kolkata for the unique landscapes of the Sundarbans. Translating as the 'beautiful jungle', this UNESCO World Heritage setting is home to one of the largest mangrove forests on the planet. Set amongst a vast delta that is fed by the waters of the Padma, Brahmaputra and Meghna Rivers, the area is a haven for Bengal tigers, crocodiles and a remarkable diversity of birds. A short cruise takes us to the Sundarban Tiger Camp, our base for the next two nights. We'll have lunch before heading out by boat again to the Sajnekhali Tiger project area. There is a small museum and a watch tower for spotting tigers and other wildlife, and a crocodile enclosure and a turtle hatchery which helps preserve these endangered animals. The nearby heron sanctuary is a beautiful spot, and Egrets are common visitors to this part of the jungle and are likely to be spotted.

Overnight: **Standard Hotel**

 **Included Meals:** Breakfast, Lunch, Dinner

## DAY 5 Cruise through narrow creeks to Dobanke wildlife viewing platform

Starting early we continue our exploration of the Sundarbans, cruising along winding creeks and through dense mangrove forest in search of the wildlife the area is famous for. If we are in luck we may spot Royal Bengal tigers relaxing on the mudflats next to the rivers and creeks. Other wildlife we can see includes Fishing cats, Leopard cats, Macaques, Wild boar, Indian grey mongoose, Pangolin, and Chital, as well as an abundance of birdlife. We'll make a stop at Dobanke Watch Tower where we'll enjoy a canopy walk to view the animal and bird life at the tree tops, and visit the spotted deer rehabilitation centre. In the afternoon we pay a visit to some of the local villages where we'll get an insight in to local culture and life, including the challenges of living with Bengal Tigers as neighbours.

Overnight: **Standard Hotel**

 **Included Meals:** Breakfast, Lunch, Dinner

## DAY 6 Return to Kolkata. Overnight train and drive to Darjeeling

After a final cruise in the Sundarbans, a visit to Sudhanyakhali Watch tower and lunch at the Tiger Camp, we'll leave for Kolkata. There'll be time for an evening meal in the city before boarding the Darjeeling Mail overnight sleeper train.

Overnight: **Simple Overnight Train**

 **Included Meals:** Breakfast, Lunch

## DAY 7 Continue to Darjeeling and enjoy an orientation walk of the town

Our train is scheduled to arrive in to New Jalpaiguri station at 08.00 and we'll stop for breakfast before continuing by road to the hill station of Darjeeling. In the days of the Raj the Bengal government escaped from the Calcutta heat to take up its official summer residence here and today's city dwellers still do likewise with Darjeeling being a popular holiday spot. At 2134m, the town is beautifully situated on a mountain ridge; the near vertical streets are crowded with a colourful mixture of Hindus and hill tribes - Lepchas, Bhutias and Tibetans among them. On a clear day the views over the mountains to the snowy Himalayan peaks are magnificent. There'll be time to relax after the train journey before enjoying an afternoon orientation walk of the town.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast

## DAY 8 Watch the sunrise across the Himalaya at Tiger Hill

Tiger Hill is the area's highest viewpoint (2590m), some 8 miles from Darjeeling and weather permitting, we plan to make a dawn excursion here to contemplate the sunrise and the beauty of the world's third highest mountain Kanchenjunga (8586m) and other eastern Himalayan peaks. If the morning is very clear it may also be possible to see Mt Everest (8848m). There are many things to see in the town including the Mountaineering Institute with its Everest Museum or you may wish to visit the Tibetan Refugee centre where Tibetan craft work is on sale. This afternoon will be left free for you to explore Darjeeling and take some of the other smaller walks around town.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast

## DAY 9 Ride on the Toy Train to Ghoom Monastery

Ghoom Gumpa (monastery) is about 8km south of Darjeeling and well worth a visit. The journey there is taken on the Toy Train line, a narrow gauge railway running between New Jalpaiguri and Darjeeling. Whilst we endeavour to book the traditional steam trains many of the trains servicing this route are now diesel. There will also be plenty of time to make short walks in the surrounding area or alternatively you could visit the Darjeeling Himalayan Railway museum. There will be an option to walk back to Darjeeling along the scenic ridge track via Allobari village (weather permitting) approximately 2hrs walk.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast

Today we visit Kecheopelri or the Wishing Lake, considered to be the holiest lake in Sikkim. It is a place of pilgrimage for Buddhists and Hindus alike. We will have a picnic lunch at the lake and then return to Pelling. This afternoon we will visit Pemayangtse Monastery. This great monastery is the second oldest and one of the 60 still active, and is home to an exceptional collection of religious artworks. Established in the 8th century by the famous Indian teacher Padmasambhava, its members are devotees of a mystical type of Tantric Buddhism, characterised by the red caps they wear. Their religion is derived from Tibetan Lamaism, a curious mixture of Mahayana Buddhism, mythology and magic.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast, Lunch

## DAY 12 Explore Sikkim's former capital. Drive to Gangtok

On our 8 hour drive along the mountain roads today we pay a short visit to Rabdentse, the former capital of Sikkim in the 16th century before continuing on through semi tropical forests, cardamom plantations and small villages to Gangtok the present day capital of Sikkim, spectacularly set on a long ridge flanking the Ranipul River and offering many fine vantage points of the entire Kanchenjunga range. On arrival in Gangtok we visit the Drodul Chorten, built to commemorate the victory of good over evil. Surrounding the chorten are 108 prayer wheels. We also pay a visit to the Institute of Tibetology whose collection of rare books and manuscripts will interest students of Buddhism. Here there are numerous priceless religious paintings, statues and other religious artwork.

We then continue to the little bazaar town of Kalimpong. The town was formerly an important trading post for wool merchants coming from Tibet and the local bazaar is still the place to meet people of a dozen different cultures and religions.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast

## DAY 15 Pass through vast tea estates and enter Bhutan

We drive towards Thimpu along winding roads, passing paddy fields, apple orchards, pine forests and small hamlets, protected by sculptures of the eight auspicious signs of the Tashi Tagye. The Bhutanese capital lies in a fertile valley formed by the Wang Chu River, and has expanded rapidly over the last couple of decades. On arrival in Thimpu we will have a sightseeing tour to see the Tashichho Dzong - the religious and political centre of Bhutan.

Overnight: **Standard Hotel**

 **Included Meals:** Breakfast, Lunch, Dinner

## DAY 17 Cross the Dochu La Pass en route to Punakha

On the road to Punakha we climb up through oak, pine and rhododendron forest to reach Dochu La Pass (3050m). If the weather permits, magnificent views pan out across the mountains towards Gangar Pensum at 7541m, the tallest mountain in Bhutan. Dropping down into the valley, Punakha's benign climate allows orange and banana groves to flourish within sight of the snow capped Himalayan Mountains. Our accommodation tonight is set 8 kilometres from the centre of Punakha on the banks of the Mo Chu River. We camp in two man walk in tents with thick mattresses, all bedding and towels. Toilet tents are provided with flush toilets. There are shower tents with hot water available as well as the chance to try out a traditional hot stone bath. There is a central area with space

to relax around a camp fire and the cook team will create traditional Bhutanese meals to be served in the dining tent. Electricity is supplied in the dining and toilet tents and the walk ways are lit by small lamps but you will find a torch useful.

Overnight: **Premium Camping**

**Your own tent available**

 **Included Meals:** Breakfast, Lunch, Dinner

## DAY 18 Visit the riverside dzong before driving to Paro

In the morning we pay a visit to Punakha Dzong. Built in 1637 on a sand bank at the confluence of the rivers Mochu and Phochu, this sacred dzong was the seat of the Bhutanese government until 1960 and is a fine example of Bhutanese monastic architecture with squat rectangular buildings made up of two or more tiered levels crowned by a tower and small golden spire above. Returning westwards we take an afternoon drive to Paro. (Approx. 5 hours.)

Overnight: **Standard Hotel**

**Single Room Available**

## DAY 19 Hike to the Tiger's Nest Monastery

This morning there is an opportunity to climb up to visit the Taktsang or Tiger's Nest Monastery. The monastery clings precariously to a cliff face, and local legend recounts that Guru Rinpoche, who founded the Drukpa Sect and brought Buddhism to Bhutan, flew here on the back of a tigress to start the first monastery. In the afternoon we'll visit a local farm and have the chance to sample some yak butter tea and have a group talk with the farm host. Paro is also home to Kyichu, Bhutan's oldest temple or lhakhang as it is also known.

Overnight: **Standard Hotel**

**Single Room Available**

 **Included Meals:** Breakfast, Lunch, Dinner

## DAY 20 Fly to Kathmandu. Walk through Durbar Square

Today we fly the short distance to Kathmandu, the bustling Nepalese capital. On arrival we take a walking tour visiting the bazaar and the Durbar Square area, the centre of old Kathmandu. Much of the day to day life of Kathmandu takes place in the bazaar: a fascinating mixture of people selling fruit, vegetables and spices; potters spinning their wheels to produce small household bowls and containers for temple offerings; devotees visiting their favourite gods at temples and small shrines dotted along the sides of alleyways; rickshaw wallahs honking their horns and the ever present sacred cow wandering amongst it all. In the afternoon we plan to visit the Temple of Pashupatinath on the banks of the Bagmati River, the holiest Hindu shrine in Nepal. Please note: Our flight between Bhutan and Nepal is with Druk Air. Druk Air sometimes changes their flight schedule at short notice - if this happens, then we will inform you of any itinerary change as soon as possible.

## Accommodation and Meals

### Accommodation Notes

Accommodation in India is as varied as the country itself. On our tours we stay in a mix of hotels, heritage properties, camp sites and homestays. Standards do not equate to standards in the UK and it's best to approach each type of accommodation with an open mind. Service can be slow in places especially when travelling with a group. For the most part hotels do not have heating so in the winter months it can be chilly and if you feel the cold you may wish to ask for extra blankets. Hot water is not always available 24 hours a day in some of the smaller properties, and with a group staying you might find if you are showering last you may miss out on the hottest water.

Bhutan

Food in Bhutan whilst delicious can be a little on the repetitive side. Most meals consist of fresh vegetables, locally grown red rice

and often a meat dish. Vegetarians will eat well as many Bhutanese are totally vegetarian in accordance with their Buddhist faith. Every meal comes with Bhutan's national dish, chilli's with cheese! It might sound a little odd, and perhaps concerning for those not comfortable with spices but it's very tasty and a great accompaniment to a meal. The chillis vary in heat and are smothered in a cheese sauce made from yak cheese. It is usually served as a side dish so you can be as brave as you like!

## Preparing for your Trip

---

### Climate

#### Nepal

Temperatures in the lower altitude regions are extremely pleasant. At Pokhara variations in temperature are very limited: from the coldest recorded of 8°C (46°F) to the highest of 31°C (88°F). The mountains are best admired, with greater air clarity, from October to January, while from February to May the skies may be hazy. Monsoon rains are strongest in June, July and August. The coldest months are December and January.

#### India

There is considerable variation between the different regions of India but, in general, the climate is tropical. Summer temperatures on the plains are very hot, but cooled by the South-West Monsoon, which lasts from June-September. During these months it can be very wet and therefore very humid. At altitude, temperatures can become quite cool at night even in the summer and may drop below freezing between December and February so warm clothing is necessary. In the winter, northern and mid India can be very cool, with cold evenings, so warm clothing, including plenty of layers, are essential. The south of India remains warm and sunny during the winter months.

#### Bhutan

The best weather lasts from September (after the monsoon) through to Jun and the mountains are best admired, with greater air clarity in the autumn. Spring (mid Mar-May) is cool & often stormy. Autumn is from Oct to mid Nov with clear skies, warm days & cool (sometimes cold) nights. As in any high mountain area it can rain, hail or snow at any time of year.

### Clothing

High altitude night temperatures in the Himalaya are cold so make allowance for warmer clothing, including jumpers, warm pajamas, and socks, and a waterproof accordingly. On the Gangetic plains, only lightweight clothing is needed from March to November. If travelling from December through February you will need at least some warmer clothing for evenings. Local people may be offended

by western styles of dress. Brief shorts tight fitting clothing etc. should be avoided by both men and woman. For Dzong visits, you will need collared, long-sleeved shirts and closed shoes.
