## DAY 1 Join tour in Calgary

Arrive Calgary and check-in to the hotel. Home to the world renowned Calgary Stampede, this most dynamic of cities is a rich fusion of modern architecture and traditional heritage, where the pioneering history of the Canadian west is woven into everyday life. You may have some free time today to explore the city and soak up the friendly ambience of this spectacularly located community. Filled with museums, shops and cafes, the centre of the city is a great place to just wander and take in its majestic setting against the backdrop of those ever present mountains.

Overnight: **Standard Hotel**  
**Single Room Available**

**Swimming Pool Available** 

 **Included Meals:** None

## DAY 2 Visit Calgary, drive to Canmore, explore Kananaskis Country

This morning we will take some time to explore the glittering city of Calgary. The centre of town is a great place to wander around, marvel at the impressive architecture and absorb the friendly atmosphere - all set against a backdrop of the Rockies that rear like a distant tidal wave. These rugged mountains, interspersed with moments of sublime serenity in the form of turquoise lakes and cascading falls, beg for further exploration and before lunch we waste no time and head west up into the hills. Our base for the next three nights is the small town of Canmore situated in the picturesque Bow Valley. Described as the gateway to the Rockies, it is the perfect place from which to make our forays in to the nearby Kananaskis country and Banff National Park. This afternoon we explore Kananaskis country and the valleys of this region on foot.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** None

## DAY 3 Walks in Banff National Park, optional hot springs

Over the next two days we will explore the splendour of nearby Banff National Park. We will follow well-marked trails to discover beautiful lakes, stunning vistas and perfumed pine forests. We highly recommend taking an optional excursion by aerial tram to the top of Sulphur Mountain - if the weather is clear, the views across the Rockies are simply breathtaking. You may also want to spend time in the town of Banff itself. A bustling and lively place, it is easy to get infused with the energy that surrounds you. Banff is also famous for its hot springs, in fact, it was the discovery of the hot springs in 1883 that led to the building of the settlement in this location. Relaxing in these geothermal waters is a wonderful way to while away a few hours one afternoon. For the more active among us, there are numerous optional trips such as mountain biking or horse riding that can be organised locally.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** None

## DAY 4 Free day to discover Banff National Park including Lake Louise

Today is left free to explore more of Banff National Park including making a visit to the picture postcard Lake Louise and Moraine Lake. Tom Wilson, the first white Canadian to see Lake Louise, when he was led there by a local native in 1882, wrote 'I never, in all my explorations of these five chains of mountains throughout western Canada, saw such a matchless scene...I felt puny in body, but glorified in spirit and soul.' Despite the increasing number of visitors to the lake it is still possible to experience the same feelings of awe that Tom Wilson had the first time he saw it.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** None

## DAY 5 Drive to Jasper National Park along the Icefields Parkway

We take the drive along one of the world's top scenic highways today. We leave Canmore, travelling along the Icefields Parkway which cuts its way through a mountain wilderness filled with rivers and stunning glacial lakes. Every kilometre of the Parkway is witness to spectacular scenery and we are likely to encounter wildlife along the road itself. We continue northwards and pass alongside the Columbia icefields where we have the chance to stop at the Athabasca Glacier and falls. At Athabasca Glacier there is the option of taking a guided glacier hike or a snowcoach tour onto ancient glacial ice. Jasper, in the shadow of Mount Edith Cavell, lies at the end of today's journey.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** None

## DAY 6 Search for wildlife in Jasper National Park, optional horse riding

We start today by visiting Mount Edith Cavell for a spectacular view, weather permitting (occasionally, during the months of May and June, Edith Cavell remains closed depending on the winter season). We have the full day ahead of us to explore the various highlights of the area around the townsite of Jasper. Keep your eyes peeled for the wildlife that roam freely here - wapiti, elk, moose and bears. You may want to take the Jasper Tramway to the high alpine terrain of Whistlers Mountain (named for the whistling sounds of the marmots that live there), hike the Maligne Canyon, try one of the many great mountain biking trails in the area, or go horse riding (optional).

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** None

## DAY 7 Head to Clearwater via Mount Robson and Spahats Falls

This morning we head northwest along highway 16 through Mount Robson Provincial Park. We also see Mount Robson itself, the highest peak in the Canadian Rockies (3954m). It is tall enough to create its own weather patterns and if we're lucky we'll be able to view this photogenic monolith from top to bottom. From here we enjoy a hike to the base of Mount Robson up to Kinney Lake before leaving Mount Robson behind and continuing onto Clearwater. This afternoon we head the short distance to Spahats Creek Provincial Park from where we can take an easy walk to the 61m high Spahats Falls. These impressive falls cascade down through layers of pinky-red volcanic rock, and from the observation point we should also have a great view down the Clearwater Valley.

Overnight: **Standard Lodge**  
**Single Room Available**

 **Included Meals:** None

## DAY 8 Visit the Wells Gray Provincial Park including Helmcken Falls

This morning we head out to the nearby Wells Gray Provincial Park, home to Helmcken Falls at 127m, higher than Niagra Falls. There are unexpectedly spectacular views from all along the park entrance road and great opportunities for wildlife spotting. We are then free for the rest of the day. The park offers an array of outdoor activities, including hiking and canoeing on amazingly clear lakes (all optional). You can hire a canoe here and feel as if you really are paddling off into the wilderness. Please note: Participation in canoeing or kayaking, or rafting requires that you are able to swim 25 metres unaided. The slower pace of life in these parts is infectious so you may also choose to return to our lodge and relax.

Overnight: **Standard Lodge**  
**Single Room Available**

 **Included Meals:** None

## DAY 9 Journey to Whistler

Today we journey south west to Whistler, pausing en route at various places to soak up the wonderful views. We will travel through the mountains of interior British Columbia, through different environments and climate that change the landscape, stopping at several viewpoints including Joffre Lake, where we can do some short walks. This evening in Whistler we can enjoy a meal in one of the many excellent restaurants and, for those that wish, follow it up with a night out on the town.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** None

## DAY 10 Free day in Whistler; walk, bike or take a cable car ride

Today we have a free day in Whistler to enjoy the variety of activities on offer here, including a cable car ride up one of the nearby peaks, mountain biking and hiking. There will also be the chance to walk on different trails around Whistler where we can walk on a trail either on the mountain or around its peaceful shores.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** None

## DAY 11 Ferry to Nanaimo, drive to Pacific Rim National Park

This morning we will follow route 99, more famously known as the Sea to Sky Highway, toward the Pacific coast of Vancouver. We will continue to Horseshoe Bay from where we will catch the early ferry across to Nanaimo on Vancouver Island. Although the island stretches almost 500km from north to south, it only has a population of 500,000 and with its numerous provincial parks it is easy to escape into the wilderness. En route to Pacific Rim National Park we will stop in McMillan Provincial Park where we will take a short walk to the famous Cathedral Grove, a striking group of huge Douglas Firs. Some of these incredible trees reach up to 70m in height, are 2m thick and are estimated to be up to 1000 years old. We then continue on to the Pacific Rim National Park which will undoubtedly be the highlight of our time on the island. The park stretches intermittently for 130km and the mountains, coastal rainforest, wild beaches and unkempt marine landscapes are as diverse as they are beautiful. We will overnight in Ucluelet near Tofino.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** None

## DAY 12 Free day for optional whale watching or sea kayaking

Today we are free to choose from a variety of different activities. The two most popular excursions are both out to sea. The more energetic may wish to take to kayaks and explore this wild coastline of hidden coves and rocky inlets. Alternatively, there is the chance to go whale watching from one of the coastal villages in the park. For land-lovers there is also the opportunity to go Black Bear watching today, or take an optional walk along one of the park's many trails. Our Explore Leader will be on hand to organise these trips and accompany those wishing to choose one of the optional walks.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** None

## DAY 13 Drive to Victoria, free time to explore

We head south today, away from the wilderness of the Pacific Rim National Park and towards the much gentler scenery of Victoria. On the way we will make stops to view the totem poles carved by the First Nations of the North West Coast. In 1884 the Federal Government outlawed 'pot latching' and this unique art form nearly died out. Fortunately, in recent times, there has been a revived interest in this proud tradition and the totems that can be found along this stretch of coast are strong reminders of the island's native people. This afternoon we have free time to explore Victoria. We highly recommend visiting the Royal British Columbia Museum or alternatively sit at one of the pavement cafes watching the world pass by.

Overnight: **Standard Hotel**  
**Single Room Available**

**Swimming Pool Available** 

 **Included Meals:** None

## DAY 14 Ferry to Vancouver, orientation tour

Vancouver, known as the Jewel of North America and easily one of the most cosmopolitan cities in Canada, beckons us today in contrast to the wilderness we've been experiencing over the past days. However, this city's setting on the beaches of the Pacific Ocean, surrounded by Mount Seymour, Cypress and Grouse Mountain will remind you that nature looms nearby. During the afternoon, we provide a brief orientation tour, as well as the opportunity to rollerblade or hire a bike in Stanley Park (both optional). This evening we recommend a visit to Gastown, an attractive area offering many restaurants and bars.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** None

## DAY 15 Tour ends Vancouver

The tour ends this morning in Vancouver.

 **Included Meals:** None

## Accommodation and Meals

### Accommodation Notes

Accommodation and service levels in Canada are, as would be expected, high. We generally steer clear of the larger hotel chains, although this is not always possible. We use a mixture of hotels and motels, which provide a comfortable base for a night or two but on the whole do not boast additional facilities such as restaurants, pools etc. Meals are normally eaten out at local restaurants and diners.

All of the hotels/motels we use on this tour have private bathrooms. We are in 2 to 3 star hotels, with the exception of Jasper where we use twin or double shared cabins. In Wells Gray we stay at a ranch. Depending on time of year we might stay in cabins, twin/double shared or in the ranch itself. In Wells Gray Ranch, singles stay in the Ranch, not the cabins and will have to share bathroom facilities. Hotels/motels are normally located in centre of village or town, but in some exceptions we might be out of the centre. In Victoria and Vancouver we stay in town, but not directly in the centre. We use simple yet comfortable motels in Canmore, Whistler and Ucluelet.

### Food & Drink

Included meals: 0 breakfasts, 0 lunches, 0 dinners included in the price of this trip. Please be prepared to pay for non-included meals. Please note that costs for drinks and meals can vary depending on location.

## Budgeting for your Trip

You will need some extra money to cover meals and drinks not included in the trip price, any optional sightseeing, souvenirs and items of a personal nature such as laundry.

### Food

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide. Local restaurants located off the beaten track may be less expensive, whereas an upmarket restaurant located in the centre of a major city may charge more.

#### Canada

**Lunch £:** 13.00

**Dinner £:** 20.00

### Drink

The prices for drinks can vary greatly depending upon location and the prices detailed below are an average guide. In general you would expect that drinks purchased in a supermarket or local bar to be less expensive, whilst drinks in an upmarket bar or restaurant may be more expensive.

#### Canada

**Bottle of Beer £:** 3.00

**Water £:** 1.10

### Other Sightseeing & Activities

The following excursions and/or activities are usually available and may be arranged locally. Estimated costs are provided below for guidance only, are on a per person basis unless shown otherwise, and may depend on the number of participants. Prices quoted are correct as of the date these tour notes were originally issued but may change at any time due to currency fluctuations.

## Tipping - Local Crew

In North America tipping is a recognised part of life across the service industry, including restaurants, activity suppliers, taxis and guides. Local staff will look to members of the group for personal recognition of particular services provided.

To assist with this the Tour Leader may organise a group tips kitty for included activities and meals, they will then account for kitty use throughout the tour. For this we suggest US/CAN\$ 35.

For all non-included services and meals on your North American trip, we recommend tipping at around 15%.
