April/May and October/November are pleasantly warm. June/September are the hottest months. Showers are common in Autumn.

Sicily

Clothing

In summer you will need clothing for hot, humid conditions. Sunhat, sunglasses, long trousers and long sleeved shirt recommended for protection from the sun. In May and October half-term the sun should still be strong but temperatures will certainly be lower than in the summer months, particularly at night when you will need some warmer clothing and jackets. At any time of year you will feel cold at the top of Mount Etna, therefore you should bring warm clothes.

Equipment

A water bottle, sunhat and high factor sunscreen are all essential. You will need a swimsuit and swim hat and towel for the gorge walking, as well as beaches and pools. You may also wish to bring cycle gloves for cycling and while undertaking the ariel course, water shoes for both kayaking and Alacantara gorge and of course cycle helmets for the cycling (though one is provided). A torch is useful in case of powercuts/ emergencies.

Footwear

We recommend a good pair of sturdy recreational shoes/walking boots for the short walks, Mount Etna, cycling and climbing and activities in Madonie Adventure Park. Trainers and/or sandals for travelling/beach time. Shoes are provided for the river trekking.
