DAY 1 Join trip in Bilbao

Arrive in Bilbao and check-in at the hotel. Situated on the banks of the Nervion River, on the northern edge of the Iberian Peninsula, Bilbao is home to the iconic magnificence of the Guggenheim, one of the world's most famous museums and one of its most spectacular architectural creations. Lying amongst the verdant landscapes of Vizcaya Province, the city is the largest and most culturally dynamic in the Basque region, providing us with the perfect start to this incredible journey.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** None

DAY 2 Bus to Azpeitia to visit the Basque Railway Museum

Early this morning we take a bus to the Basque Railway Museum, located in the old station at Azpeitia. The museum is considered one of the finest railway museums in Europe, its 25,000 square metres of tracks and pavilions housing a fascinating collection of rail memorabilia; with some 70 different vehicles on display, as well as an exhibition of railway clocks and one of the few remaining mechanical workshops to survive from the early years of the 20th century. Returning to Bilbao this afternoon, you will have free time to visit the Guggenheim museum.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 3 Train to Puente San Miguel; free afternoon in Santillana del Mar

Heading west this morning, we leave Bilbao and take a train towards the mountainous landscapes of Cantabria. Today's journey will take us to Puente San Miguel and from here we travel a short distance to Santillana del Mar. There are many historical buildings to enjoy, including the Merino and Don Borja Tower, which are said to be the oldest buildings in the town. You may also wish to visit the collegiate church of Santa Juliana, which is considered to be one of the best examples of Romanesque architecture in Cantabria. The church was built at the centre of the town and has now been declared a National Monument.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 4 Train to Unquera and funicular to Bulnes; walk in the Picos de Europa

This morning we continue west, following the coast of the fertile Costa Verde towards the old fortified port of Llanes. On arrival to the small village of Unquera we will make a direct transfer by bus up into the Picos de Europa, the beautiful mountain landscapes that lie to the south, whose towering peaks were the first comforting sight beheld by returning sailors to the European mainland. Arriving in the small village of Poncebos we then take the funicular railway (rack railway) up towards the remote community of Bulnes, where we can bask in the expansive grandeur of these mountains and take in the dominating heights of the Naranjo de Bulnes, at 2,519 m one of the highest peaks in the national park. Spain's first national park, the Picos are made up of three distinct massifs that extend across Cantabria, Asturias and Castilla y Leon, offering a grand expanse of mountains and canyons that are home to a wealth of flora and fauna, including wolves, the last remaining brown bears in Western Europe and the ever-present chamois. We'll take an easy walk through this spectacular setting before returning down to Poncebos on the Funicular. Alternatively there is the chance to walk down into the valley through the dramatic Canal de Tejo Gorge (1.5 hour, 400 m descent). Later in the afternoon we drive back on bus to Llanes to our hotel for an overnight stay.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 5 Train to Oviedo; afternoon free to explore

The next stage of our journey takes us across the fertile plains of Asturias and onto the university town of Oviedo, the cultural and economic centre of the region. This was one of the few regions of Spain that didn't fall under the influence of the Moors and its Medieval heart is still littered with examples of Pre-Romanesque architecture that dates back to the 8th-10th centuries. A free afternoon gives us the opportunity to explore the city and admire its past grandeur, especially around the grand Plaza Alfonso, which includes finely preserved palaces and the Gothic facades of its cathedral. The cathedral's exquisite interior contains the tombs of the Asturian nobility, as well as a superb 9th century chapel, the Camara Santa, which contains a wealth of Asturian art and golden relics. The city also has an excellent art gallery and archaeological museum and its outskirts are dotted with superb Pre-Romanesque churches, including the magnificent Santa Maria des Naranco and the 9th century church of San Julian de los Prados, which is believed to be the largest of its kind left in Spain.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY **6** Free day in Oviedo; chance to visit the Asturias Railway Museum

With more free time today you may choose to continue exploring Oviedo and its environs, or perhaps make the most of the time by taking a journey by rail further afield. You might like to visit Colanzo or Laviana in the Rio Nalon Basin or take the train to Gijon and visit the Asturias Railway Museum, built on the site of the old Renfe (Spanish railways) station that dates back to the 1870's. The museum was conceived to preserve the railways unique local history and its permanent exhibition provides a fascinating insight into the relationship between the railways and the cultural and economic development of Asturias over the past century and a half.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY **7** Train to Ferrol in Galicia and bus on to Santiago

Boarding the early morning train to Ferrol we head next for Spain's remote north-western corner and the fertile landscapes of Galicia, a region whose inhabitants are fiercely proud of their Celtic origins and whose traditions and language offer an interesting contrast to much of the rest of mainland Spain. Arriving in Ferrol this afternoon we then continue our journey by bus to the beautiful city of Santiago de Compostela, a city that during the Middle Ages was (after Jerusalem and Rome) the most important place of pilgrimage anywhere in the Christian world. On arrival we transfer to our hotel, after which the rest of the afternoon is free to discover this historic city.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY **8** Free day to explore Santiago; you may like to visit the Folk Museum

Today has been left free to explore more of this most enigmatic of cities at your own pace, its historic centre being small enough to explore on foot. The 12th century Baroque cathedral, towering over the surrounding city streets amidst the majesty of the Praza do Obradoiro, is one of Christendom's holiest of shrines. Lying at the end of the famous pilgrim route of the Camino de Santiago, its crypt is believed to hold the tomb of St. James himself and the building's rich fusion of Romanesque, Gothic and Baroque styles is truly a work of the most exceptional architectural craftsmanship. Alternatively you may prefer to wander the city's narrow streets and visit some more of the myriad of architectural treasures that are dotted around the city. In the Convento de Santo Domingo de Bonaval you will find a folk museum dedicated to the Galacian region, whilst the Monasterio de San Martiño Pinario and the Palacio de Gelmirez are just two of the other jewels in this dazzling crown. And, at the end of the day, what better than to relax with a reviving drink on the Praza das Praterias and watch the world pass by.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY **9** Train to Ponferrada; option to visit the Templar castle

Taking a taxi to the railway station we will board the morning train to Ponferrada in the Castilla Y Leon region, a landscape of expansive plains and rolling hills dotted with historic castles. Ponferrada's name stems from pons ferrata, a medieval bridge (reinforced with iron) that was constructed to aid the passage of pilgrims travelling along the Camino de Santiago towards the sacred city. Its imposing fortress, constructed by the Knights Templar between the 12th and 14th centuries, was built to protect the pilgrims, and in its time was considered one of the largest citadels in northwest Spain. Arriving this afternoon affords us an opportunity to take a walk along part of the pilgrim route, enjoying something of the idyllic landscape and quiet villages as we walk in the footsteps of the countless devotees whose feet have trodden these trails for centuries.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY **10** Train to Leon; opportunity to visit the cathedral and historic centre

This morning there is an opportunity for a stroll through Ponferrada before we board the late morning train to Leon, a city that once lay at the heart of the region's reconquest from the Moors during the 11th century. Once the centre of Christian Spain, during the time that two thirds of the peninsula was under Muslim rule, the two central buildings of the city are its great Gothic cathedral and

the equally superb Romanesque Basilica de San Isidoro, both of which are without doubt two of the finest examples of their kind to be found anywhere in Spain. This afternoon there will be an opportunity to explore these remarkable edifices, along with the historic heart of the city. The cathedral is unique for the quality and magnificence of its stainedglass windows, which span seven centuries of history and cover subjects as diverse as religion, mythology and even medieval life, whilst San Isidoro is the final resting place of dozens of Christian kings and noble families, buried over centuries, beneath the stunning 12th century frescoes. Radiating out from the Plaza Mayor, the narrow streets are also filled with cafes, churches and old houses that provide a diverting choice of options for an afternoon of fascinating sightseeing.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY **11** Free morning in Leon before taking the train to Bilbao

We have a free morning in Leon for you to discover more of the sights. You might like to return to and go inside the Gothic Cathedral or the Museum of San Isidoro. Or perhaps to take a stroll and stop to sample a range of tapas and wine in the Barrio Humedo, which is an area of the city concentrated within the old Roman city walls. Later this afternoon we embark on our rail journey from Leon through the Basque region to Bilbao. Our journey will take us around five hours travelling through the spectacular mountainous scenery before the train gradually descends towards the coast.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY **12** Trip ends in Bilbao

Trip ends after breakfast. If there is time you have another chance to explore some more of this vibrant city, perhaps visiting the famous Guggenheim Museum.

Preparing for your Trip

Climate

Spain

Overall, spring, early summer and autumn are ideal times for a Spanish trip - though the weather varies enormously from region to region. The high central plains suffer from fierce extremes, stiflingly hot in summer, bitterly cold and swept by freezing winds in winter. The Atlantic coast, in contrast, has a tendency to damp and mist, and a relatively brief, humid summer. The Mediterranean south is warm virtually all year round. Spain's Islands the Canaries and Balaerics experience very mild winters and warm summers making them ideal year round destinations.

Clothing

Lightweight cotton clothing is best from June to September, light rainwear may be needed at any time of year, but especially after the start of September, and a warm fleece/light jacket is recommended for cooler evenings and nights at the beginning and end of the season. Don't forget a swimming costume.

Equipment

A water bottle, sunhat and high factor sunscreen are all essential. A head torch (for use on day 4 of the tour) may be useful to bring, however is not essential.

Footwear

Good comfortable trainers or lightweight walking shoes. Sandals for relaxing.

Luggage: On Tour

One main piece of baggage and daypack. Remember you are expected to carry your own luggage so don't overload yourself.

It's very important that you pack light and are able to lift your case. There is limited storage on the trains and the steps to board can be steep. A soft sided bag is best and the smaller bag you can use then the easier this will be for you to lift it on board and to store it.

Luggage allowance on trip: 20kg
