### Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

### Accommodation Grade: Standard

Our mid-range accommodation offers a good level of service often with other amenities such as a restaurant, bar, garden or swimming pool. Generally rooms will be comfortable with en-suite facilities.

### Tour Style: Classic

Packed with adventure, these tours offer inspiring destinations and authentic travel experiences at a reasonable price. Using all kinds of transport and accommodation, we'll take you off the beaten track to discover the true heart of the people and places you visit.

### Trek Grade: Moderate

For those who are fit and active, these moderate walks are normally on good paths and tracks at low altitude. Days may include some fairly demanding ascents and descents, so previous experience is preferable but not essential.

## Your trip itinerary

### Tour itinerary notes

While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested.

## Your Tour Leader

A Tour Leader is an integral part of any Explore tour and your tour will be led by one of our experienced Tour Leaders who have been handpicked and expertly trained. We believe that our Tour Leaders are the key to the success of our tours; they are passionate travellers who are bursting with first-hand local knowledge which they love to share. Your Tour Leader will also take care of all the planning and organisation throughout your journey. Their passionate approach will make this tour fun and inspiring, bringing the destination to life whether you're travelling alone or with others.

### DAY 1 Join trip in the Nepalese capital Kathmandu

Our trip begins today in Kathmandu. After time to freshen up there will be a quick briefing with your Tour Leader and the rest of the day is at leisure to relax or take a first wander in the bustling streets of Kathmandu.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** None

### DAY 2 Walking tour of old city and visit temples

After breakfast we have arranged a walking tour visiting the bazaar and temples of old Kathmandu. Much of the day to day life of Kathmandu takes place in the local bazaar: a fascinating mixture of people selling spices; potters spinning their wheels; rickshaw wallahs honking their horns and the ever present sacred cow wandering amongst it all. In the afternoon we plan to visit the temple of Pashupatinath on the banks of the Bagmati River, the holiest Hindu shrine in Nepal, and also to visit Bodnath, the largest stupa in the country and a destination for Buddhist pilgrims from all over Nepal.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast, Lunch

### DAY 3 Drive to Pokhara

Today we leave the Kathmandu Valley behind and drive to Pokhara. Pokhara is smaller and more relaxed than Kathmandu and is beautifully situated on the banks of Phewa Tal (lake). From here there are superb views of the snowcapped Annapurna range, including Machhapuchhre - the famous Fishtail Mountain. Only foothills separate the town from the high mountains, making it a fine starting point for trekking. In the afternoon there will be a briefing by your tour leader to give you an idea of what to expect on a day to day basis while on trek and to make sure that everyone is properly equipped.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast

### DAY 4 Trek to Badauri (1661m)

First we drive north west from Pokhara (840m) to our trek start point at Kande (1700m). From here we walk for around two hours across country passing cultivated fields and scattered small settlements to the Gurung village of Badauri (1661m) where several trails cross. After lunch in the village we set out on an afternoon walk to explore some of the nearby villages. Today's five kilometre walk is expected to take around two hours with a total ascent of 305 metres and a descent of 405 metres.

Overnight: **Simple Teahouse**

 **Included Meals:** Breakfast, Lunch, Dinner

### DAY 5 Hike with panoramic mountain views to Panchase Bhanjyang (2100m)

After breakfast our walk takes us mostly through mixed oak and rhododendron forest to the high point of the trek - Panchase Danda 2500m. The summit has panoramic views of all the Annapurna peaks as well as 8000m Dhaulagiri to the west and 8000m Manaslu to the east. This area is also part of a pilgrimage route and we may visit the nearby shrine to the Hindu god Shiva. We descend to Panchase Bhanjyang - a bhanjyang being the local name for a pass (2100m). There are several local houses at the pass and we have wonderful views of the mountains as well as of Pokhara and Phewa Tal. Today's nine kilometre walk is expected to take around six hours with a total ascent of 940 metres and a descent of 440 metres.

Overnight: **Simple Teahouse**

 **Included Meals:** Breakfast, Lunch, Dinner

## DAY 6 Trek through forest and meadow to Bumdi (1500m)

Our walk today is through a largely uninhabited area on a less major trail. We will spend some time in forest but will also pass several open meadows specifically cleared to graze water buffalo. In the spring you can look out for rhododendrons and white orchids in bloom in the forest. There are several welcome stone built resting places along the route which climbs to the top of a ridge and then crosses three small passes on the descent to our overnight stop at Bumdi (1500m). Today's 14 kilometre walk is expected to take around six hours with a total ascent of 470 metres and a descent of 1020 metres.

Overnight: **Simple Teahouse**

 **Included Meals:** Breakfast, Lunch, Dinner

## DAY 7 Trek back to Pokhara (850m) via Peace Pagoda

We're now coming back into a much more inhabited area and pass many cultivated fields and several settlements. There are lots of cherry trees in blossom here in November. We pass the chhettri village of Pumdi with its distinctive houses to reach the white dome of the Japanese Peace Pagoda all the while with good views of the mountains to the north. From here we descend through Rani Ban (the Queen's Forest) to the end of the trek near the dam at the south eastern end of Phewa Tal. From here we drive a very short distance to our hotel. Today's 10 kilometre walk is expected to take around four hours with a total ascent of 60 metres and a descent of 791 metres.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast, Lunch

## DAY 8 A free day in Pokhara to relax and explore

The day is free to explore the interesting town of Pokhara. You could visit Tashiling, a thriving village of Tibetan refugees with its own schools and monastery, where you can watch Tibetan carpets being made. Alternatively hire a boat to visit a small temple on an island in Phewa Tal. There will also be time for some souvenir shopping.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast

## DAY 9 Drive to Chitwan National Park. Jungle activity

We drive from Pokhara to Mugling then follow the Naryani River to Naryanghat into the flat Terai region of Nepal very close to the Indian border. Our lodge is situated outside the park, near the village of Jagatpur, just across the Rapti river from the Chitwan National Park. Once a private hunting ground, Chitwan is now a National Park with thick tree cover and tall elephant grass sheltering a wealth of animals. In January the local people are permitted to enter the park to cut the long grass for roof thatching. Total driving approx 5-6 hours.

Overnight: **Standard Lodge**  
**Single Room Available**

 **Included Meals:** Breakfast, Lunch, Dinner

## DAY 10 Full day of activities in Chitwan National Park

Throughout your stay you will be kept busy except for a couple of hours around lunch time when you can read or relax in the shade. Activities available in the Park include jeep safaris searching out the famous one-horned rhino, bird watching, jungle walks and dugout canoe trips along the Rapti River. Canoeing on the Rapti River is dependent on the water level. Floating silently along in a traditional dugout canoe you may spot many varieties of water birds. There are more than 450 species to be found here and an early morning walk near the river to visit a watch tower is another great opportunity for keen bird watchers. Alternatively you may wish to visit the nearby small lake which supports a lot of birdlife as well as several marsh muggers - a variety of crocodile. A trained naturalist will help you get the best enjoyment and interest from these excursions.

Overnight: **Standard Lodge**  
**Single Room Available**

 **Included Meals:** Breakfast, Lunch, Dinner

## DAY 11 Early morning jungle activity. Drive to Kathmandu

We drive back to Kathmandu via Naryanghat and Mugling.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast

DAY **12** A free day in Kathmandu

Today there is an opportunity to take an optional excursion to the Newari town of Bhaktapur in the eastern corner of the Kathmandu Valley. Also known as Bhadgaun or the City of the Devotees, Bhaktapur evokes the feel of a medieval village, a snapshot of a time when the city lay along the prosperous trade routes between Tibet, China and India. The ancient centre of the town is a dazzling collection of temples, palaces and monasteries that has earned it a place on the UNESCO list of World Heritage Sites.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast

DAY **13** Trip ends in Kathmandu

Our trip ends this morning after breakfast.

 **Included Meals:** Breakfast

## Accommodation and Meals

### Accommodation Notes

A Tea House in Nepal is a local family house where the family have opened their doors to visitors. Over time their homes have developed into a homestay-hotel hybrid and the concept of the Tea House established. You will have a twin room with a bed, mattress and pillow but you need to bring your own sleeping bag. Tea Houses are likened to 'indoor camping' - there is no central heating. The toilet facilities will be basic (they may have a squat toilet) most Tea Houses have shower facilities, but not always hot water. Bathroom facilities are sometimes shared. Meals are taken at the Tea House and there will be a range of Nepali, Chinese and Western dishes. Vegetarians are well catered for. A comprehensive range of hot and cold drinks will be available. The Tea Houses are a great way of meeting the kind-natured men, women and children of Nepal.

### Food & Drink

Included meals: 12 breakfasts, 7 lunches, 5 dinners included in the price of this trip. Please be prepared to pay for non-included meals. Please note that costs for drinks and meals can vary depending on location.

## Preparing for your Trip

### DAILY DISTANCES

Day 4	5km	2hrs
Day 5	9km	6hrs
Day 6	14km	6hrs
Day 7	10km	4hrs

### Maximum Altitude on Trek (m)

2600

### Trekking Details

We trek for 4 days for an average of 4 to 6 hours a day. We reach an altitude of 2600m and have graded this trip as Moderate.

### Climate

#### Nepal

Temperatures in the lower altitude regions are extremely pleasant. At Pokhara variations in temperature are very limited: from the coldest recorded of 8°C (46°F) to the highest of 31°C (88°F). The mountains are best admired, with greater air clarity, from October to January, while from February to May the skies may be hazy. Monsoon rains are strongest in June, July and August. The coldest months are December and January.

### Clothing

While you are trekking, daytime temperatures will generally be warm. On this trek you do not go above 2500m, so although you will need a sweater or fleece for the evenings, weather will generally be mild. However it can be chilly in the evenings, particularly between November and February, and at those times you will need warm weather clothing including a woolly hat and gloves, and a warm down jacket.

Long Trousers - For everyday walking, light cotton trousers are the most suitable. Knee length shorts are also acceptable. Although comfortable, leggings are not recommended as they may cause offence to local people. Jeans are also not recommended as they are often difficult to walk in over longer distances and become cumbersome when wet.

Waterproofs - Breathable waterproofs not only protect against rain and wind but also stop you from overheating. They breathe and avoid condensation which you will experience from nylon waterproofs. Rain during the trekking season is fairly rare but can be heavy if it does happen.

Gloves - Especially useful around camp in the morning and in the evening in the winter months (December/January). Thermals or similar types are most suitable.

Socks - It is best to wear a pair of reasonably thick loop stitch socks. These help to protect your feet against blisters. Avoid nylon socks, they are abrasive, don't breathe well and can cause blisters.

Fleece pullover/jacket - You will need a fleece pullover/jacket for the evenings. Make sure that your waterproof jacket is loose enough to wear over your pullover or fleece.

Thin Shirts/T-Shirts

Laundry - Clothing may be left at the hotel in Pokhara to be washed and ironed ready for your return from trek.

### Equipment

We recommend taking the following items:

Sleeping Bag- The teahouses we use on trek all provide bedding and blankets however you will need a 4-season sleeping bag.

Water Bottle - Water along the trail must never be considered as drinkable. Each day you must sterilise water with Chlorine Dioxide with which to fill your own bottle. 1 litre is the minimum size suitable. If you dislike the taste of sterilised water, it is a good idea to add some powdered fruit juice. You MUST bring Chlorine Dioxide with you on this trek. For environmental reasons, we do not encourage the purchase of bottled mineral water nor the boiling of water due to fuel and power shortages.

Plastic Bags - If you pack bits and pieces in plastic bags inside your bag they will stay dry in case of rain and be easier for you to sort through in camp. Remember, the less you have to unpack in the evening, the less you have to repack each morning! A bin liner to pack inside your daysac is also a good idea.

Torch/Batteries/Bulb - A small torch is essential. Head torches are particularly useful. Only a limited selection of batteries may be available locally so bring spare batteries and bulb.

Toiletries - Try to keep heavy cosmetics etc to a minimum. Essentials are toothbrush/paste, bio-degradable soap, small towel, small nail brush and toilet rolls. Wet wipes are great for a quick clean up.

Binoculars - Useful for game viewing in Chitwan.

Sunglasses - A good pair of sunglasses is essential for protection against UV rays and glare.

Sun Hat, Sun Cream/Block and Lip Salve - Choose a high factor sunscreen (Factor 15 or more) to protect your skin against the sun at higher altitudes. A combination sunblock/ lipsalve is ideal for facial protection.

Personal First Aid Kit - Each trek carries an extensive first aid kit but no prescription medicines. You should have your own supply of plasters, aspirin, diarrhoea tablets and also a comprehensive blister kit, plus any other items you or your doctor feels advisable. (Please do not give medicines to local people without consulting the trek leader.)

Trekking poles - Trekking poles with rubber points are recommended.

Swimsuit

Spare Laces

Chlorine Dioxide for water purification

Anti-bacterial handwash

Ear Plugs- some may find it more comfortable to bring ear plugs with them so that while in hotels and teahouses they are not disturbed at night.

Insect repellent

Almost every item required for a trek can be purchased or hired in Kathmandu and your Tour Leader can advise on the best shops to visit at your tour briefing.

---

## Footwear

We strongly recommend walking in a good, comfortable, broken in pair of boots. Trainers and tennis shoes do not give the ankle support afforded by a decent pair of walking boots. Ideally, visit a specialist outdoor pursuits shop who will offer advice. It is a good idea to carry your boots in your hand luggage on international flights or wear them.

Trainers and/or sandals are useful for post trek relaxation, whilst travelling and in towns.

---

## Luggage: On Tour

Your luggage should consist of three main pieces:

Main Baggage: The item of luggage used to carry all your belongings in the hold of the plane and used to store all of the items you don't need on trek. This can be left behind at the group hotel used prior to the trek.

Trek Kitbag: Customer on all of our treks in Nepal receive a free Explore kitbag on the tour prior to the start of the trek. Approximately 80 litres in size it's ideal for all items you need to take on trek and the luggage preferred by our porters. The weight limit for this is 10kg but you will probably find that you do not need this much.

Daysac/Rucksack: 30-35 litres recommended. During the course of a trekking day, you do not have access to the luggage which is being carried for you by the porters. In any mountain region the weather can change rapidly and you must be equipped for this eventuality. Your daysac should therefore be large enough to carry waterproofs, fleece jacket/sweater, long trousers (if walking in shorts), warm hat and gloves, sun hat, sun cream, water bottle (minimum 1 litre) and your camera. Most people normally find that this adds up to about 2 to 3kg. Other optional items in a daysac might be a diary or a book to read at lunch time. On a few occasions it is also necessary to carry your own packed lunch. We advise you to take a waterproof rucksack cover or alternatively line the sack with a large plastic bag to keep the contents dry.

Advice on how and what to pack for the trek will be given at the tour briefing but it may be useful to do a trial pack before you leave home.

Luggage allowance on trip: 20kg
