The Austrian Tyrol

Austria's Tyrol is a beautiful mountain region of precipitous peaks, green valleys and quaint villages. We base ourselves in charming Alpbach. Voted as Austria's prettiest village, it is the picture-perfect image of the Tyrol with well-kept chalets, flower-filled window boxes and views of the whole valley. We enjoy walks through forest and meadow and ascend the higher ridges by cable car for fantastic views of the snow-capped Alps.

Why Book this trip

Immerse yourself in the Tyrolean lifestyle, staying at a traditional chalet with great hosts, in Alpbach -voted as Austria's prettiest village. There are numerous hand-built wooden chalets, a main street that rarely sees much traffic and wonderful flower-filled window boxes. The atmosphere is relaxed and friendly and almost everywhere you look there is a photo opportunity. Some men and women dress in the traditional dirndl and lederhosen and there are bands playing folk songs.

Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

Accommodation Grade: Standard

Our mid-range accommodation offers a good level of service often with other amenities such as a restaurant, bar, garden or swimming pool. Generally rooms will be comfortable with en-suite facilities.

Tour Style: Classic

Packed with adventure, these tours offer inspiring destinations and authentic travel experiences at a reasonable price. Using all kinds of transport and accommodation, we'll take you off the beaten track to discover the true heart of the people and places you visit.

Trek Grade: Easy to Moderate

This grade is ideal if you want to enjoy both easy and moderate level walks on the same tour. You'll be walking mainly on good paths and at low altitude, with occasional more demanding ascents or descents.

We walk from the hotel, along the Muehlbachweg and on to Inneralpbach. The first day's walk is a gentle valley walk and an introduction to the area. We will pass by the main river, through larch forests and farm land. From Inneralpbach we take the public bus back to Alpbach. Today's 13-16 kilometre walk is expected to take approximately four hours with an ascent of 325m.

DAY 3 Traverse below the Wiedersbergerhorn. Optional Standkopf summit (2241m)

We take a 5 minute bus ride from Alpbach and then a cable car to 1850m. This takes us high without the effort of a huge climb! We traverse for 45-60 mins below the Wiedersbergerhorn - the main peak above Alpbach - until we meet the main north-south ridge which undulates at an altitude of around 2100m. We follow the ridge south for 1.5hrs with great views of the valleys of Alpbachtal and Zillital. We can see snow-capped peaks in the distance and the higher peaks above Alpbach. Stopping for lunch, there is the option to climb Standkopf (summit 2241m). It is slightly exposed, but the 45 minute round trip is well worth the climb. We then return along the ridge to the cable car and descend to the valley bottom. For those with the energy you can climb the Wiedersbergerhorn (summit 2127m) - allow 30 mins extra - before taking the lift down. Today's 16 kilometre walk is expected to take approximately five hours with an ascent of 250m and a descent of 250m.

 **Included Meals:** Breakfast, Dinner

DAY 4 Walk from Brandenburg to Kramsach

We take the public bus to Brandenburg from where it's a short decent to the Tiefenbachklamm. From here we follow the river - Brandenberger Ache - for about 12km on a path through the forest. This is a lovely walk that finishes at Kramsach. From here we catch the bus and return to the hotel. Today's 12 kilometre walk is expected to take approximately five hours with an ascent of 350m.

Overnight: **Standard Hotel**

 **Included Meals:** Breakfast

DAY 5 Walk to Reith Kogel

We take a five minute bus ride from town and take the Wiedersbergerhorn cable car to 1850m. We follow the path on the west side of the Wiedersbergerhorn and head down towards a lovely small hill called Loderstein (1830m). We then head into the forest and continue descending on the path weaving our way through the pine trees. Eventually we come to a forest track and follow it to a pretty church tucked amongst the hills (3 hours from the top of the cable car). Once here, you can either take the cable car down from Reith Kogel or walk down which takes 90 minutes more. We end our walk in Reith - a small, sleepy town where we can take a drink before heading back to Alpbach on the bus. Today's 14 kilometre walk is expected to take approximately four hours with a descent of 1213m (or six kilometres with a descent of 650m if you take the cable car to Reith).

Trekking Details

This is a 5-day trek with an average of 4 to 5 hours of walking a day. We have graded this trek as to easy to moderate.

Walking Boots

Walking boots with ankle support and good tread. 'Trekking shoes' are not good enough for this trek as they do not give ankle support. In addition, you should avoid cheap boots found in high-street shops that are merely trainers with a higher canvas side sewn on. Make sure that your boots are worn-in and comfortable before the start of the trip. We recommend that you wear/carry your walking boots as hand luggage on the international flight: should your luggage be delayed, your well broken-in boots will be irreplaceable.

Climate

Germany

Germany has a variable climate with frequent changes of weather from day to day. Expect a contrast of warm summer days with the possibility of showers at any time.

Austria

Austria has a variable climate with frequent changes of weather from day to day. Expect a contrast of warm summer days with the possibility of showers at any time.

Fleece jacket
Comfortable walking trousers
Shorts
Lot of walking socks
Warm hat and gloves
Sunhat, sunglasses and high factor sun cream

Equipment

30 litre rucksack (line with a good quality plastic bag to keep your belongings dry)
Water bottle (preferably 1.5-2 litres)
High factor sun cream
Trekking poles (not essential)
Gaiters (optional)
Penknife & Tupperware box (for picnics)
Flip-flops, slippers or Crocs for the evenings

Camera

Tap water is safe to drink in most places but water sources along the trail may not be reliable. We encourage our clients not to buy mineral water because of the negative environmental impact with plastic bottles. Energy snacks including chocolate and sweets are recommended whilst walking.

Footwear

Comfortable trainers/sandals are recommended for evenings.

Luggage: On Tour

One main piece of baggage and a waterproof rucksack (30 litres recommended).

Remember you are expected to carry your own luggage so don't overload yourself. One main piece of baggage and a waterproof ruck-sack. You just need to carry what you need for the day which will include a raincoat, waterproof trousers, jumper or fleece, woolly hat, camera, sun-cream, picnic etc. On hot days you will carry fewer clothes but more drinking water.
