## Discover Belize

Exotic wildlife, jungle rivers, tropical forests and lost civilisations are all part of this trip to Belize. We visit lesser-known Mayan sites such as Xunantunich and explore the impressive temples of Tikal. We end the trip on the island of Caye Caulker, unwinding on the sandy beaches and snorkelling in the warm waters of the Caribbean Sea.

### Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

### Tour Comfort: Standard

Our mid-range accommodation offers a good level of service often with other amenities such as a restaurant, bar, garden or swimming pool. Generally rooms will be comfortable with en-suite facilities.

### Tour Style: Classic

Packed with adventure, these tours offer inspiring destinations and authentic travel experiences at a reasonable price. Using all kinds of transport and accommodation, we'll take you off the beaten track to discover the true heart of the people and places you visit.

### Tour Pace: Busy

## Your tour itinerary

### Tour itinerary notes

While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested.

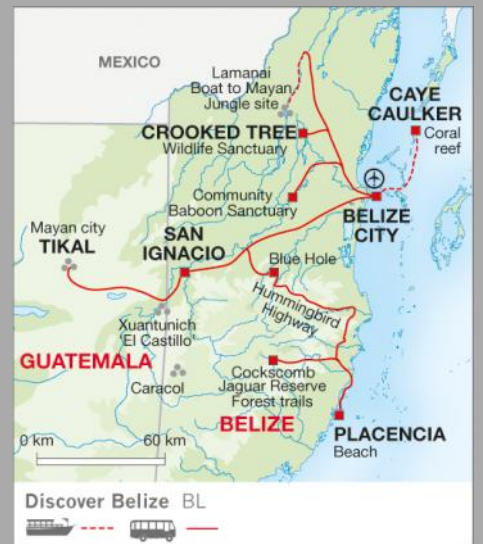

### Your Tour Leader

A Tour Leader is an integral part of any Explore tour and your tour will be led by one of our experienced tour leaders who have been handpicked and expertly trained. We believe that our Tour Leaders are the key to the success of our tours; they are passionate travellers who are bursting with first-hand local knowledge which they love to share. Your tour Leader will also take care of all the planning and organisation throughout your journey. Their passionate approach will make this tour fun and inspiring, bringing the destination to life whether you're travelling alone or with others.

**DAY 1** Tour only passengers join tour Belize City, flight inclusive passengers overnight in Miami

Tour only clients will arrive and check in at the first nights' accommodation in Belize City. Clients who have booked flights through Explore, will spend the first night of the tour in Miami (unescorted). Please be aware that single rooms are not available whilst in Miami. Belize City was the capital of Belize until 1970 and is a typical Caribbean town. Parts of the town are still largely built of wood and galvanised iron, with many of the original colonial style houses in an elegant state of disrepair. There is also a canal system through the old part of town. Creole English is widely spoken.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** None

## DAY 2 To Crooked Tree Wildlife Reserve, visit baboon sanctuary

This morning is free in Belize City. We then drive along the coastal road to pick up the people joining from London at the international airport, before stopping at the Community Baboon Sanctuary. Here we have a chance to watch troops of black howler monkeys swinging from the trees in their natural habitat. Later in the afternoon, we arrive at Crooked Tree Wildlife Sanctuary, where we settle down for two nights enjoying the hospitality of our local hosts on the shores of the Crooked Tree Lagoon.

Overnight: **Standard Hotel**

 **Included Meals:** Breakfast, Dinner

## DAY 3 Boat trip to the jungle ruins of Lamanai birdwatching en route

Rising early this morning or tomorrow morning, we explore the lagoon by boat. In this birdwatchers paradise we may spot wood stork, boat-bill heron, vulture, kingfisher, grebe, hawk, snail kite, jacana and, perhaps most notable of all, the rare jabiru – the largest flying bird in the hemisphere with a wingspan of up to 4 metres. We return to the lodge for breakfast and then set off by vehicle to the New River for the boat ride upstream to the 2000 year old jungle ruins of Lamanai. Water birds are abundant in the ancient rainforest cover and crocodiles may be spotted lurking along the river bank. Lamanai, the original name of these Maya ruins, means Submerged Crocodile, which helps to explain the numerous carved crocodile representations at the site. The ruins are located some distance off the beaten track and are still not reconstructed or cleared. We approach on foot following rough trails. The surrounding rainforest with its thick canopy of huge trees, and humid atmosphere adds an aura of mystery to the scattered and overgrown relics. A cache of children's bones has been unearthed from beneath one of the stelae, suggesting that the Maya practiced human sacrifice here.

Overnight: **Standard Hotel**

 **Included Meals:** Breakfast, Lunch, Dinner

## DAY 4 Explore the Belize Zoo, drive to Placencia

An optional early bird walk and sunrise along the Crooked Tree Lagoon can be an unforgettable experience in this important wetland sanctuary. After breakfast, we begin our journey south, firstly stopping at the Belize Zoo. Described as 'The Best Little Zoo in the World', its role is more of a rescue and education centre. The animals, which include jaguars, pumas, ocelots and red macaws have all been rescued in one way or another. The Zoo is visited regularly by parties of schoolchildren and is instrumental in teaching Belizeans how to better appreciate their rich natural heritage. From the zoo we continue via Belmopan and along the scenic Hummingbird Highway where orange and grapefruit groves are surrounded by a backdrop of lush jungle clad limestone hills - The Maya Mountains. We will visit a local organic farm and tree planting project along the way in this beautiful setting. Our day ends in the beach resort of Placencia, a town located at the end of a narrow peninsula between mangrove lagoons and the Maya Mountains and the Caribbean Sea.

Overnight: **Standard Hotel**

**Single Room Available**

 **Included Meals:** Breakfast

## DAY 5 In Placencia; free to explore, snorkel or relax on beach

Surely one of Belize's best beach spots, the Placencia peninsula is still beautiful, despite the damage caused by Hurricane Iris in October 2001. Today is left free for you to relax on the beach or to take an optional day trip. Both Silke Caye and Laughing Bird Caye are ideal places to swim and snorkel. The other option is to explore the Monkey River by motor launch, accompanied by a local guide. Although there is still some evidence of the hurricane, the community is working hard to re-build itself and you're sure to find the relaxed atmosphere agreeable. We are happy to return to Placencia and see it as a positive contribution to the re-building work.

Overnight: **Standard Hotel**

**Single Room Available**

 **Included Meals:** Breakfast

## DAY 6 Visit Cockscomb Basin Jaguar Preserve; head to San Ignacio

This morning we visit the Sanctuary at Cockscomb Basin. This is the world's first and only jaguar reserve; the magnificent cats are a protected species here in their natural habitat and are no longer hunted as big game: however we would have to be extremely fortunate and quiet to spot one. They can grow up to six feet in length and weigh some 159 kilograms. The reserve has a variety of other wildlife including jaguarundis, peccary, brocket deer and iguanas. Toucan, king vulture and scarlet macaw are among the resident bird species. We allow some time here to walk the trails and experience the forest. Driving on towards San Ignacio on the hummingbird highway, we can stop at the 'other' Blue Hole – a collapsed limestone cavern – for a welcome swim in fresh water.

Overnight: **Standard Hotel**  
**Single Room Available**

**Swimming Pool Available** 

 **Included Meals:** Breakfast

## DAY 7 Explore the Xunantunich archaeological site

San Ignacio, a traditional Belizean town, is an ideal place to base ourselves for the next couple of days. Straddling the Macal River which was once a critical transportation artery for the Maya and later the European settlers it is now a centre for many adventurous activities. Today we make a visit to the great classical Maya site of Xunantunich, Mayan for 'Rock Stone Maiden', perhaps for phallic or fertility reasons. We go by bus and then cross the Macal by traditional hand-winchered ferry to arrive at the site. Occupied until about AD 850, the main plaza is dominated by an awesome structure called El Castillo - a massive pyramid which rises to 40 metres. On the top is a partially restored stucco frieze representing the Sun God and astronomical signs of the Moon and Venus. The superb view from the summit looks out over the forest with the Maya mountains to the south and the lowlands of Guatemala to the west. The afternoon is free for personal exploration or perhaps to go canoeing.

Overnight: **Standard Hotel**  
**Single Room Available**

**Swimming Pool Available** 

 **Included Meals:** Breakfast

## DAY 8 Free day, choices include canoeing on the Macal River

Today is free to relax in town or take any one of the many optional day trips available. One possibility is to hire a canoe, either with or without a guide, and paddle along the Macal river, rich in birdlife, butterflies and iguanas.

Overnight: **Standard Hotel**  
**Single Room Available**

**Swimming Pool Available** 

 **Included Meals:** Breakfast

## DAY 9 Explore the great Mayan metropolis of Tikal (Guatemala)

Leaving Belize today we drive to Tikal, just over the border in Guatemala. Arriving at Tikal we spend the day exploring this great Mayan metropolis, which can justly be compared with Egyptian and Greek masterpieces. Initially settled about 600 BC, Tikal was abandoned by its rulers around AD 890 and totally deserted a hundred years later. The city covered an area of 16 square kilometres. Re-discovered in 1848, only a few of its great temples and pyramids have yet been excavated. Accessible by foot are a number of outlying and little known temples still covered by a tangle of undergrowth, and for those with a head for heights, the views from the temple tops out over the jungle and the hidden city below are mesmerising.

Overnight: **Standard Lodge**  
**Single Room Available**

 **Included Meals:** Breakfast

## DAY 10 Optional re-entry to Tikal

Today we rise to the sounds of the surrounding jungle coming to life. Unaccompanied, we have a chance to return to the site for a further exploration of the jungle encroached ruins. It is possible to go into the site to watch the sunrise from atop of Temple 4, the highest structure in the site at more than 200ft above the forest floor. Clear sunrises are uncommon however owing to the humidity the rainforest generates. Witness instead the roof combs of the surrounding temples reveal themselves as a forest wakes and the sounds of toucans, parrots, spider and howler monkeys fill the air. Alternatively you can enjoy the day relaxing, excellent bird watching and wildlife can be seen around the hotel pool! There are also two small museums located close to the hotel.

Overnight: **Standard Lodge**  
**Single Room Available**

 **Included Meals:** Breakfast

## DAY 11 Return to Belize City; boat journey to the idyllic island of Caye Caulker

Once a pirate lair, this tiny but enchanting tropical island lies 34km northeast of Belize City and about 1.6km inside the greatest barrier reef in the Western Hemisphere. The water taxi transfer takes about an hour and is a highlight in itself, speeding through the turquoise waters. The island remains uncrowded, and unluxurious, with relatively modest prices in restaurants and bars, owned and run by the friendliest of local people. The local fishermen produce lobster, conch, fish and crab to supply the domestic and foreign markets. Fresh seafood is readily available and lobster is the best buy when in season from Jun to Feb. There's time to relax - our hotel has a beach, which is rare on the island - as well as to enjoy a number of optional trips. You may take a snorkelling trip out to

the nearby Hol Chan Marine Reserve & Shark and Ray alley, or take a full day trip out to Goff's Caye to observe the Manatees in their natural mangrove habitat. Scuba diving is also available.

Overnight: **Standard Hotel**

**Single Room Available**

 **Included Meals:** Breakfast

DAY **12** Free time in Caye Caulker; relax by sea or snorkel boat trip

Today we spend some time either relaxing or we can participate in one of many of the optional activities available on the island.

Overnight: **Standard Hotel**

## Preparing for your Tour

---

### Climate

#### USA

There are great variations in the altitude and terrain of the areas visited and this is reflected in the temperatures. Desert areas can be extremely hot in the summer months (49°), though temperatures can drop dramatically at night. The mountains are cooler and wetter especially in the north of the Rockies. At the beginning and end of the season there may still be some snow around in the high passes and it can be cold, whereas in mid-summer the day time temperatures can soar.

#### Belize

Sub-tropical with a brisk prevailing wind from the Caribbean. Summer highs are rarely above 35°C, winter lows rarely below 15°C. Annual rainfall ranges from 107cm in the north to 364cm in the south and humidity can be high at any time of year. The rainy season extends from June through October with a short dry period in August, but some rain can be expected throughout the year.

## Guatemala

In the high plains (1524m-1981m) the climate is temperate all year round. In lower areas the climate is semi-tropical. The mountains can be cool especially at night. In general, the dry season in Guatemala lasts from Nov - April. From May to October there are often fine mornings and clear evenings but afternoon rains tend to be heavy. The Peten lowlands tend to be rainy all year round though less so from February to April.

---

## Clothing

Bring lightweight, informal clothing. A jumper or fleece is advisable for cool evenings and you'll need a good waterproof jacket all year round. Long sleeved shirts and long trousers give protection against thick forest growth and insects on jungle walks. A swimming costume and sun hat are essential.

---

## Equipment

Insect repellent, a torch, water bottle, and suncream. Binoculars are essential for bird watching.

---

## Footwear

Lightweight trail boots are preferable for jungle paths, and you'll want to bring sandals. Bring shoes you don't mind getting wet for exploring caves and wet beach landings.

## Reserving your place

To reserve your place on this tour you will need to check availability on the Explore website or through our dedicated call centre based in the UK where you can. Our tours can fill up quickly so you are advised to book as early as possible. If your chosen date is 'Available' or 'Guaranteed' we will be able to provisionally hold you a space for up to 48 hours.

For Self-Guided holidays and Private Journeys simply choose your date of travel and let us know so we can confirm all ground services.

The easiest way to confirm your booking is through our website. When you are ready to book, we normally require a 10% non-refundable deposit, but for some holidays this may be more to cover such items as permit fees, internal flights or other non-refundable services. If your travel starts within 60 days of booking, full payment will be required at the time of booking

## 100% No Surcharge Guarantee

The price paid for our holidays is no longer subject to change. Once booked and confirmed we will guarantee the price you pay will not increase, whatever the circumstances. You will not be approached to pay fuel surcharges unlike the vast majority of other adventure tour operators. The price guarantee applies to all new bookings departing between 1st January 2014 and 31st December 2015.
