Your trip itinerary

Tour itinerary notes

While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested.

Your Tour Leader

A Tour Leader is an integral part of any Explore tour and your tour will be led by one of our experienced tour leaders who have been handpicked and expertly trained. We believe that our Tour Leaders are the key to the success of our tours; they are passionate travellers who are bursting with first-hand local knowledge which they love to share. Your tour Leader will also take care of all the planning and organisation throughout your journey. Their passionate approach will make this tour fun and inspiring, bringing the destination to life whether you're travelling alone or with others.

DAY 1 Join tour in Negombo

Our tour begins this afternoon in the coastal town of Negombo, famous for its fishing industry and golden sands. Our hotel is just a 15 minute drive north of the airport. From its beach location, we are likely to see fishing boats bring in the day's catch. We may also be treated to a stunning sunset over the ocean.

Overnight: **Standard Hotel**
Single Room Available

Swimming Pool Available 

 **Included Meals:** None

DAY 2 Game drive in Wilpattu National Park; drive to Anuradhapura

A three-hour drive north takes us to Wilpattu National Park. En route, we will visit a nearby fishing village which uses traditional-style outrigger canoes, known as 'oruvas'. Along the way we hope to spot the toddy tappers climbing tall coconut trees to collect sap from the flowers. This is used to make Arak - a local whisky-type spirit. Despite the park's location in Sri Lanka's dry zone, it boasts nearly 60 lakes and is renowned for leopard, elephant and sambar deer spottings. We will go on a jeep safari in the hope of spotting the elusive leopard. We choose to visit this park, rather than the more touristy Yala National Park further south because we believe it offers our customers a better experience. The same animals can be seen here as in Yala, however it is less crowded, making our visit more enjoyable and responsible. Leaving the park, we drive to nearby Anuradapura, where we will spend the next two nights.

Overnight: **Standard Hotel**

 **Included Meals:** Breakfast

DAY 3 Full day to explore the ancient citadel

This morning, we explore the ancient capital of Anuradhapura - a UNESCO World Heritage Site famous for its well-preserved ancient ruins. One of the oldest continually inhabited cities in the world, it was founded around 500 BC. Its golden age began around 260BC, when the King and his people converted to Buddhism. The city became vast, spreading over many miles. There were hospitals for the sick, hostels for travellers and artificial reservoirs to ensure a good water supply. Of great interest are the 2,200 year-old Sacred Bo-Tree; the Brazen Palace, once a nine storey residence for monks; the 4th century Smadhi Buddha masterpiece and the Ruvanvalisaya Dagoba - a 90 metre-high dome-shaped shrine towering over the surrounding countryside. In the afternoon, we travel eight miles to the mountain peak of Mihintale. It is believed that this was the site of a momentous meeting between the monk Mahinda and King Devanampiyatissa, introducing Buddhism to the country. Exploring Mihintale involves climbing a flight of 1,840 shallow stone steps, and a short final section with uneven steps and a hand rail leading to the summit of the Missaka Mountain. There are excellent views from the top looking back to Anuradhapura.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 4 Visit Dambulla's cave temples en route to Giritale

Travelling towards Giritale, we pause to view the magnificent Standing Buddha of Aukana, which stands 12 metres high. Sculptured in the 5th century by a master craftsman, it is still relatively isolated in its jungle setting. Our next stop is Dambulla, where a great series of caves have been turned into temples dating from the 1st century BC. This World Heritage Site still attracts scores of worshippers. We will visit five separate caves, which contain a large number of Buddha images and a few sculptures of Hindu Gods. After a lunch stop, we reach the small town of Giritale - our base from which to explore Polonnaruwa. Our hotel for the night looks out over a large and picturesque 7th century man-made lake.

 **Included Meals:** Breakfast

DAY 5 Search for elephants in Minneriya National Park

This morning we explore the ancient city of Polonnaruwa, which reached its height of glory in the 12th century, when it was a thriving commercial and religious centre. The city still maintains many of its spectacular buildings and monuments, with arguably the most impressive being the Quadrangle. This sacred precinct originally housed the tooth relic. It contains a superbly decorated circular shrine which is one of the most ornate buildings in the country. The neighbouring audience hall and bathing pool are also worth a visit. Close by, the curious round structure of the Circular Relic House has a beautifully preserved moonstone carved at the foot of a flight of steps. Another famous feature of this deserted city is the group of carved images of the Buddha, known as Galvihara. These four colossal figures are all hewn out of solid granite and the Reclining Buddha alone is no less than 14 metres long. In the early afternoon,

we drive to either Minneriya or Kadaula National Park (depending on the season), where we enjoy a jeep safari to look for herds of wild elephant. These parks are also home to a large array of birdlife, including painted storks.

DAY 6 Climb Lion's Rock at sunrise; drive to Kandy

An early start this morning as we plan to climb Sigiriya Rock ahead of the crowds and whilst it is cool. The ruins of this 5th century 'Sky Fortress' are one of Sri Lanka's major attractions, a stupendous sight to behold and a feat of consummate engineering skill. Built in just seven years as a fortified palace to protect the reign of merciless King Kassapa, who had assassinated his father and deposed his brother, it is seen as one of the world's best preserved examples of ancient urban planning. Unfortunately for the king, despite its impregnable reputation, he was defeated here by his brother after a reign of just 18 years. A switchback series of steps and steel stairways ascend to the top. Halfway up, tucked beneath a sheltering overhang of rock, are the famous frescoes - the Sigiriya Damsels, their colours still glowing. Before our final ascent to the summit, we pass between a set of enormous lion paws carved out of the rock - all that remain of an ancient gateway that gave Sigiriya, the 'Lion Rock', its name. Once at the 200 meter summit, magnificent views can be enjoyed of the surrounding jungle and countryside. This afternoon, a two-hour drive takes us to Kandy. En route, we stop to visit the woodcarving centre at Naula and a spice garden.

DAY 7 Discover the Temple of the Tooth

Sitting on a plateau 500 metres above sea level and 112km northeast of Colombo, Kandy is, in climatic and cultural terms, a world apart from Colombo. Serving as the capital of the last Sinhalese kingdom until falling to the British in 1815, it is a place of cultural and spiritual importance. Buddhists from all over the world come here specifically to visit the Temple of the Tooth, the Dalada Maligawa. The costly jewelled shrine of the Holy Tooth, said to be Buddha's left canine, is kept in the upper floor of the original building. This relic was brought from India 1,500 years ago and every year, at the time of the August full moon, it is paraded round the town with great pomp and circumstance. This morning's sight-seeing includes attending the Temple of the Tooth Ceremony and a visit to the serene Peradeniya Botanical garden. Your afternoon is free to continue your exploration of this delightful old highland town. In the evening, we hope to have the opportunity to watch a performance by the famous Kandyan dancers, admiring their impressive costumes and graceful dances, accompanied by a thundering drum beat.

Overnight: **Standard Hotel**

 **Included Meals:** Breakfast

DAY 8 Drive to Dalhousie for an ascent of Adam's Peak

After a free morning, we drive to Dalhousie in the foothills of Adam's Peak. Here, we have the opportunity to ascend this sacred peak, known locally as Sri Pada. A depression at the top of the peak is said to be Buddha's footprint and, each year, thousands climb to the top for sunrise. Shortly after midnight, we join pilgrims for our ascent. There is a stone staircase which we follow right to the top. It can be tough on the legs, and some may find it physically challenging, but you can go at your own pace, take your time and savour the experience. We reach the top in time for sunrise, when spectacular views all around us. For anyone not wanting to climb the peak, there is free time to explore the small town of Dalhousie, or relax at our guesthouse.

Overnight: **Simple Guesthouse**
Single Room Available

 **Included Meals:** Breakfast, Dinner

DAY 9 Stop at a tea plantation on the way to Nuwara Eliya

Returning from the peak early this morning, we enjoy a well-earned breakfast before making our way to picturesque Nuwara Eliya. Known as 'Little England', here we will find red telephone boxes, Victorian colonial architecture and pretty rose gardens - legacies from its era as a hill country retreat for any homesick British. The cool climate provided a sanctuary in which to immerse themselves in familiar pastimes, such as polo, golf, cricket and fox hunting. This part of Sri Lanka is also an important tea growing area and plantations stretch over rolling hills for as far as the eye can see, interspersed with the occasional tea-making factory. We have free time for the rest of the day to explore this colonial treasure.

DAY 10 Drive to the hill town of Bandarawela

This morning, we make our way to Bandarawela by train. Regarded as among the most picturesque train journeys in the world, we wind our way through the mountains on a rail network that was introduced during British Colonial rule and has changed little since. Passing by impressive waterfalls and travelling through lush tea plantation country, we are likely to see colourfully-dressed tea pickers working in groups. Arriving in Bandarawela late in the afternoon, we have the opportunity to explore the quaint shops of this small, untouristy town, before settling down in our colonial-style hotel for the night.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 11 Transfer to the coastal town of Unawatuna

This morning, we visit Rawana Ella Falls, one of the widest waterfalls in the country, before continuing south through the hill country until we reach the plains and the small town of Wellawaya. Travelling onwards, we are likely to spot a 51 foot image of the Buddha, known as Colossi of Buduruvagala, rising majestically above us, along with other Mahayana statues. Continuing southwards, we descend through a huge rice growing area before reaching the coast. We will also travel through the small fishing port of Tangalle and may be lucky enough to see the famous stilt fisherman balancing seemingly precariously above the ocean. Tangalle is also home to a lace making project supported by the Travel Foundation, where women learn to make and sell lace, helping them to become more self sufficient. We hope to visit a learn a little of their craft. Our base for the next three nights is the attractive beach resort of Unawatuna, close to the southern tip of Sri Lanka. Once again, our itinerary today involves a long drive, but is broken up with lots of breaks. Varied and spectacular scenery from the hill country, through paddy fields and on to the coast, provides plenty of interest.

Overnight: **Standard Hotel**
Single Room Available

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 12 Stroll through the Portuguese Fort at Galle

This morning is free for you to enjoy the many activities and attractions of Unawatuna and the surrounding area. You may choose to hire snorkelling equipment and explore the beautiful corals, or take a boat trip around the coast or upriver, past small largely uninhabited islands. This afternoon, we plan to visit the neighbouring pretty coastal town of Galle. An important trading centre since ancient times, the fortifications that can be seen today were built by the Portuguese and then the Dutch from the 16th to the 17th centuries. The fort ramparts of this World Heritage Site protect the harbour and a myriad of fascinating old houses, churches and warehouses. Today, the town has a strong arts vibe, with foreign and local artists, writers, photographers, designers and poets drawing inspiration from their surroundings. Boutique shops and cafes around the town showcase their work. There is a lot to explore in the town and enjoyment can be gained simply by wandering around its streets, soaking up its unique atmosphere. If you feel that you haven't spent enough time here on this afternoon's sightseeing tour, you have the opportunity to come back tomorrow.

Overnight: **Standard Hotel**

DAY 13 Free time to relax on Unawatuna's quiet beaches

Today is free to relax on the beaches of Unawatuna, or explore more of nearby Galle. For those seeking pure relaxation, local Ayurvedic massages with natural, aromatic herbal oils are highly recommended. Alternatively, between the months of December and April, you might prefer to go on a whale watching trip in the hope of spotting humpback and blue whales.

A short detour to Colombo in the afternoon provides us with time to explore the capital, before returning to our hotel in Negombo for our final evening.

Accommodation and Meals

Accommodation Notes

Traditional Sri Lankan cuisine is excellent, and although it can be very spicy there are many dishes that feature cooling coconut milk or have a spicy sambar on the side to allow you to adjust the meal to your taste. There isn't a culture of eating out in Sri Lanka, most locals will eat at home, and as such there are very few restaurants around, and those that exist tend to be in hotels. As tourism develops a few independent restaurants are beginning to appear, mainly in Colombo but also in Kandy, Galle and in the coastal resorts. During the tour we will endeavour to eat out at local restaurants wherever possible but for many nights, at this point in time, the hotel restaurants are the only option available.

Preparing for your Trip

Climate

Sri Lanka

Year round high temperatures in coastal regions: Colombo averages 27°C. It is much cooler in the hills with Kandy averaging 20°C and Nuwara Eliya down to 16°C. Springlike temperatures in the hill country, but chilly evenings. Two monsoon periods: Apr-Sep when rain is confined to the southwest; and Oct-Mar when it falls in the northeast.

Clothing

Select your clothes carefully, bearing in mind that the climate is tropical and that upland areas are cooler and more temperate. Lightweight rainwear is also essential, and warmer clothing for the highland walks and chilly night temperatures in the mountains. When visiting religious sites you will need to dress respectfully by covering you knees and shoulders plus taking off your shoes and hats. You may like to wear socks for temple visits as the ground can get very hot and burn the soles of your feet. You will need to bring long trousers, or buy a sarong locally.

Equipment

A water bottle is recommended for walks. Although mosquito nets or screens are provided at most nightstops and in spite of fewer mosquitoes due to higher elevation, you may choose to bring your own (attachable with nails and tape) for use here. Alternatively, please bring mosquito coils.

Footwear

Lightweight shoes and sandals. Whilst in the tea areas you may encounter leeches, you may wish to consider taking leech socks with you.

Luggage: On Tour

One main piece of baggage and a daysac. Remember, hotel porters are not always available, so don't overload yourself.
