# Wine, Walks and Tapas in Spain

Some of Spain's best food and wine can be found in the provinces of the Basque Country, La Rioja and Catalunya. On this journey from Bilbao to Barcelona we blend easy walks through wonderful scenery with wine tasting for a great introduction to the quality wine regions of La Rioja, Montsant, Priorat and Cava. There is also a special focus on local cuisine along the way, from the ever-innovative Basques, to La Rioja tapas and to the stylish and modern Catalans. The walks are varied and rewarding, from coastal scenes, along the Camino de Santiago, through vineyards and on top of Montserrat ridge.

## Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

## Accommodation Grade: Standard

Our mid-range accommodation offers a good level of service often with other amenities such as a restaurant, bar, garden or swimming pool. Generally rooms will be comfortable with en-suite facilities.

## Tour Style: Classic

Packed with adventure, these tours offer inspiring destinations and authentic travel experiences at a reasonable price. Using all kinds of transport and accommodation, we'll take you off the beaten track to discover the true heart of the people and places you visit.

## Trek Grade: Easy

Suitable for most people in good health, these easy walks are predominantly on good paths, at low altitude and on undemanding terrain. Previous walking or trekking experience is not necessary.

### Spain

Overall, spring, early summer and autumn are ideal times for a Spanish trip - though the weather varies enormously from region to region. The high central plains suffer from fierce extremes, stiflingly hot in summer, bitterly cold and swept by freezing winds in winter. The Atlantic coast, in contrast, has a tendency to damp and mist, and a relatively brief, humid summer. The Mediterranean south is warm virtually all year round. Spain's Islands the Canaries and Balaerics experience very mild winters and warm summers making them ideal year round destinations.

## Clothing

Lightweight cotton clothing is best from June to September, light rainwear may be needed at any time of year, but especially after the start of September, and a warm fleece/light jacket is recommended for cooler evenings and nights at the beginning and end of the season. Don't forget a swimming costume.

## Equipment

We also recommend taking a water bottle, insect repellent, and sun cream. You may find a walking pole useful.

## Footwear

Walking/hiking boots with good ankle support, trainers and/or sandals for travelling and general wear.
