Tailormade Highlights of Costa Rica

Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.
