Best of Romania and the Danube Delta

Enter a land of remote villages, ancient customs and beautiful scenery on this Romanian adventure. We visit painted monasteries in the Bukovina hills, take a historic steam train journey through the remote Vaser Valley and walk in the forested Carpathian Mountains. We also unravel the myths of Dracula's legendary Transylvania and cruise along the backwaters of the Danube Delta - a bird watcher's paradise.

Wildlife

The Danube Delta is a bird-lovers paradise. The diverse habitats in and around the wetlands of the delta attract a huge and diverse selection of birds. During our spring and autumn trips, thousands of migrating birds make a stop here on their long journeys. Breeding season is generally in May, so there are higher numbers of birds in and around the delta at this time of year.

The species of birds that we could see will vary depending on the time of year, but the white pelican is seen on most trips. We may also spot the pigmy cormorant; 80% of the world population make the delta their home. Egrets, herons, grebes, red footed falcons and white tail eagles are also possible to see.

The delta is home to a number of mammals, such as wild boar, deer, wild cats and jackal, although spotting these four-legged creatures is harder and sightings are rare.

Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

Accommodation Grade: Standard

Our mid-range accommodation offers a good level of service often with other amenities such as a restaurant, bar, garden or swimming pool. Generally rooms will be comfortable with en-suite facilities.

Tour Style: Classic

Packed with adventure, these tours offer inspiring destinations and authentic travel experiences at a reasonable price. Using all kinds of transport and accommodation, we'll take you off the beaten track to discover the true heart of the people and places you visit.

Tour Pace: Moderate

These moderately paced tours provide some busy days with plenty of experiences to enjoy, as well as time to relax along the way.

DAY 1 Join trip in Bucharest

Arrive in Bucharest and meet the group. Bucharest is Romania's largest city and became the capital in 1832. In the past Bucharest has been thought of as somewhat drab and dull, but thanks to a period of urban renewal and modernisation, it's now a bustling city at the centre of Romanian culture, art and media. On all our trips to Romania we use minibuses to get around. Many of the roads in the Romanian countryside are twisty and narrow and the road surfaces can be poor in places, so by using these smaller buses it means that we're able to access areas that the larger coaches can't get into. The minibuses usually have around 20 seats with two next to one another and then a single seat on the opposite side of the aisle and four along the back row. The seats are comfortable and equipped with armrests and seat belts. There's normally a rack for day bags and coats above the seats and the main luggage is stored in the rear boot. Leg room is however less plentiful than on a full size coach. There are a few photographs of the type of minibuses used within the image gallery tab for this trip.

DAY 2 City tour of Bucharest before travelling to Moieciu

This morning we make a tour of Romania's capital, a remarkable blend of turn of the century elegance and communist excess. Situated on the Danube plain and set amid a series of lakes and spacious gardens, remnants of more gracious days still exist to charm the visitor. We visit many of the older parts of the city to see some of the buildings that have earned it the reputation as the 'Paris of Eastern Europe'. We also make a visit to the fascinating Village Museum, which has assembled wooden churches, windmills and peasant dwellings from different regions of the country. After the city tour we drive to Moieciu. Time allowing, we will visit Pelisor Palace (optional), a fine exhibition of an Art Deco and Art Nouveau interior and after the visit we continue to nearby Moieciu village where time permitting we can do a short walk in the Bucegi mountains whose forests are now protected as a nature reserve.

Overnight: **Standard Guesthouse**
Single Room Available

 **Included Meals:** Breakfast

DAY 3 Visit to famous Bran Castle and Brasov before arriving in Bistrita

Today we start our day with a short drive to the castle at Bran. The truth behind 'Dracula's Castle' is even more fascinating than its myths! Earlier this century it was the home of the remarkable British born Queen Marie of Romania, grand daughter of Queen Victoria. Vlad the Impaler, the heroic 15th century ruler of Wallachia never lived here and there is no connection with the excellent novel by Bram Stoker - who never came near Transylvania. Perched on a crag in a valley between two high mountain ranges, it controlled an international trade route, but is now a rural back-water. We continue to the medieval city of Brasov. The old town still has its medieval walls, town hall and several churches dating from the 14th- 18th centuries. There are also the ruins of an old citadel. Brasov is one of the most historic cities of Transylvania. The town is a gem of old buildings, cobbled streets and local atmosphere, all clustered within the medieval fortifications and overlooked by a magnificent 15th century Gothic cathedral. We have an option to visit the Black Church here. We then continue our journey to Bistrita with a short stop en route at a medieval town on hill top, Sighisoara, an UNESCO World Heritage Site.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 4 See Sapanta and the UNESCO listed Merry Cemetery en route to Borsa

Leaving Bistrita this morning, we make our way through high forested hills and fertile valleys dotted with orchards and meadows. We visit the village of Sapanta, to see the 'Merry Cemetery', another UNESCO World Heritage Site, where each grave has a humorous caricature and short poem about the deceased. Later we visit the Monastery of Barsana then continue our drive to Borsa, a small winter ski resort in the Rodna mountains.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 5 Train through the Vaser Valley and scenic alpine hike to Moisei

There are few settlements in Europe that remain so untouched that bears still roam freely in the forests. Today we enter such a region, as we take the narrow gauge railway from Viseu de Sus up the Vaser Valley to Novat. We chug slowly through the valley passing huge expanses of beech and spruce forest, that echo with the sound of mountain rivers rushing through them. We then walk up a forested valley along lonely trails, enjoying the stillness and freshness of the forest. After a stiff climb of over 600 m, we reach a ridge where

there are spectacular views across the Viseu Valley. We descend through hay meadows and scattered copses to Moisei, where we meet our bus (5 to 6 hours walk). (Please note that if the railway is closed we will take an alternative route to walk in this beautiful area.)

Overnight: **Standard Hotel**

Single Room Available

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 6 Hike in the Rodna Mountains; drive to Sucevita via Moldovita Monastery

Leaving Borsa by chairlift, we walk (initially steeply up onto the mountain ridge) along the top of a ridge, if possible we will stop at a shepherd's hut where we may be invited to sample some fresh sheep's cheese, washed down with tuica, the fiery local plum brandy. After a couple of hours of walking we meet our bus and drive east across the Carpathians to Moldavia and the northern region of Bucovina. Here we discover the remarkable medieval monasteries, founded during the reign of Prince Stephen the Great (1457-1504) and his successors. Whilst most Romanian churches have frescoes inside, what makes these so astonishing are the fantastic frescoes on the exterior walls. These vivid Biblical images were used to educate the medieval population in an exciting graphic fashion. Painted during the 16th century, the frescoes are a fusion of formal Byzantine style, with colourful folk art. The monasteries are now UNESCO World Heritage sites, but also house thriving religious communities of nuns and monks. We stop at Moldovita, which nestles beneath the forests of the Obcina Mare ridge. Among the most interesting scenes pictured here are the 'Siege of Constantinople' and the 'Last Judgement'. We drive up to the Ciumirna Pass, and continue through the forest to our accommodation near Sucevita.

Overnight: **Standard Hotel**

Single Room Available

 **Included Meals:** Breakfast, Dinner

DAY 7 Walk to Sucevita and Putna monasteries before driving to Bacau

We include a visit to Sucevita monastery, the largest of the monasteries in the Bucovina region, with massive towers and stone walls protecting the inner buildings, which are decorated with portraits of historical legends and biblical scenes. There is an excellent small museum showing some of the treasures of the monastery, the most valuable items being 17th century embroideries, icons and gold work. We then hike through the romantic countryside along paths and old cart tracks, in the lovely valley north of Sucevita. First we take a trail through the beech woods to emerge in a grassy valley dotted with the houses that form the rambling village of Putna, close to the Ukrainian border. The walk is moderately easy and we have plenty of time to complete it (5 to 6 hours walk). Putna monastery (founded in 1466) is the oldest in Moldavia, and inside is the tomb of Stephen the Great. We meet our vehicle and drive to Bacau where we spend the night.

Overnight: **Standard Hotel**

Swimming Pool Available 

 **Included Meals:** Breakfast, Lunch

DAY 8 Drive to and cruise in the Danube Delta on a pontoon boat

This morning we drive to the ancient port of Tulcea, the so-called 'Gateway to the Delta'. From here we board our pontoon - a barge style vessel resembling a large house boat - that will serve as both our transport and our floating accommodation while in the delta. Though simple, it has a sun-deck and twin berth cabins on the lower deck and provides an innovative and flexible way of seeing the abundant birdlife of the delta. From this base we can reach the smaller waterways and reedy channels and visit the tranquil and beautiful lakes hidden in the backwaters.

Overnight: **Simple Boat**

 **Included Meals:** Breakfast, Dinner

DAY 9 Exploring and bird watching on our cruise in the Danube Delta

The Danube Delta - over 4,000 square kilometres in all - is one of the great glories of Europe. It is a premier wildlife sanctuary and paradise for birdwatchers and photographers alike. We spend the day aboard the pontoon, with the opportunity of closer views of the many species which inhabit the delta. Apart from its rich wildlife, the Delta is simply a beautiful place to relax aboard our vessel. We make our way through a maze of channels fringed by vast reed beds and ancient willow trees. Whilst different birds are seen depending on the month of visiting, most people will see the spectacular White Pelican. Vast quantities of birds congregate here, including grebes, falcons, egrets, swans and cormorants. The marshy conditions make life difficult for the birds' terrestrial predators, making the delta an even more attractive haven and breeding ground. Much of this can be enjoyed from the deck of our pontoon. We will also take time to visit a village in the Delta. These are some of the most remote settlements in Europe, far away from any roads.

Overnight: **Simple Boat**

 **Included Meals:** Breakfast, Lunch, Dinner

Accommodation and Meals

Accommodation Notes

On days 8 and 9 of our trip we will be staying aboard a pontoon, which is a barge style vessel resembling a large house boat. It will serve as both our transport and our floating accommodation while in the Danube Delta. Though simple, it has a sun deck, dining room and twin berth en suite cabins on the lower deck. There is no Wi-Fi access or bar on board. The plug sockets within the cabins are only available to use when the boat's generator is on (usually daily between 06.00-10.00, 12.00-15.00 and 18.00-23.00). Our meals on board will be a set menu with drinks included and vegetarians can be catered for as long as we know in advance. It provides an innovative and flexible way of seeing the abundant birdlife of the delta, and allows us to reach the smaller waterways, reedy channels and tranquil lakes hidden in the backwaters.

All the accommodation used on this trip (except in Bucharest) are on multiple levels with narrow staircases and no lifts, so we recommend packing as light as possible, as you will need to carry your own bags up and down the stairs.

We walk on four days of this 11 day trip for an average of three hours per day. Walks are graded as easy with some moderate sections.

Climate

Romania

Romania's climate is continental, temperatures being strongly influenced by the physical features of the Carpathians. Temperatures will fall from highs of 18°C (by day) to lows of 6°C (at night) in October; by January they will hover around freezing during the day and go down to -10°C at night. They will then rise to reach October temperatures again by April. Temperatures will generally be lower in the mountains than in Bucharest. Snowfall may occur at any time.

Clothing

Pack summer clothing, although medium weights are needed for autumn and spring when it can be cold. Temperatures are cooler in the mountains so a fleece is essential plus a windproof/waterproof jacket.

Equipment

Bring a water bottle, insect repellent, sunscreen, a sunhat and a torch. Binoculars are useful for the Delta. Only small face towels are provided in the hotels, so if you prefer a larger bath towel it is advised that you take your own. Walking poles may be useful. We recommend also taking a personal first aid kit.
