Following Madeira's unique network of narrow irrigation channels known as 'levadas', and ancient footpaths, this tour incorporates some of the best walking trails on this beautiful volcanic island. Discover rocky shorelines, waterfalls and stunning mountain vistas. Hike to Madeira's highest peak Ruivo (1862m), and spend time absorbing the delights of the laid-back capital, Funchal.

Why Book this trip

Discover the many different sides to the beautiful, volcanic island of Madeira on this journey around the island.

Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

Accommodation Grade: Standard

Our mid-range accommodation offers a good level of service often with other amenities such as a restaurant, bar, garden or swimming pool. Generally rooms will be comfortable with en-suite facilities.

Tour Style: Classic

Packed with adventure, these tours offer inspiring destinations and authentic travel experiences at a reasonable price. Using all kinds of transport and accommodation, we'll take you off the beaten track to discover the true heart of the people and places you visit.

Trek Grade: Moderate

For those who are fit and active, these moderate walks are normally on good paths and tracks at low altitude. Days may include some fairly demanding ascents and descents, so previous experience is preferable but not essential.

Your trip itinerary

Tour itinerary notes

While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested.

Your Tour Leader

A Tour Leader is an integral part of any Explore tour and your tour will be led by one of our experienced tour leaders who have been handpicked and expertly trained. We believe that our Tour Leaders are the key to the

success of our tours; they are passionate travellers who are bursting with first-hand local knowledge which they love to share. Your tour Leader will also take care of all the planning and organization throughout your journey. Their passionate approach will make this tour fun and inspiring, bringing the destination to life whether you're travelling alone or with others.

DAY 1 Join tour in Funchal

Arrive Funchal and check-in to hotel. Funchal takes its name from 'funcho', meaning fennel. According to legend, when Zarco landed here in 1419, he named this spot after the abundance of the herb he found here. Visiting sailors used to call the capital of Madeira 'Little Lisbon' because the grandeur of its cathedral and its harbourside buildings reminded them of Lisbon.

DAY 2 Scenic coastal walk on Sao Lourenco Peninsula

A short drive via a scenic viewpoint brings us to Sao Lourenco, the north eastern peninsula of Madeira. Here we walk along the cliff tops, on an undulating trail with great views on both sides. The rock face displays age old volcanic action, eroded by the fury of the Atlantic Ocean. This area is dry and desert-like and offers a contrast to the rest of the island, which is lush and verdant. We continue with a drive to Santana, through a peaceful agricultural area, where the rich soil helps to yield up to three crops yearly. An idea of how rural Madeira once looked can be gained from the area's many examples of traditional thatched 'A' frame houses known as 'palheiros'. The thatched roofs keep the buildings cool in summer and warm in winter. Due to a high fire risk, meals were often prepared outside. Once lived in, some of these buildings are now used as cowsheds - the terrain in this area is too dangerous for cows to roam freely. You will often see farmers carrying huge piles of hay to feed their cattle. Today's 8km walk is expected to take around 3hrs

DAY 3 Walk through UNESCO forest to Ilha village

This morning we drive up to Queimadas where our walk to the village of Ilha starts in the lush UNESCO protected laurel forest following a levada along to the waterfall of Caldeira Verde. We go down a forest path to Ilha finishing with expansive views of the North Coast. From here our vehicle takes us right along the north coast to Porto Moniz. The 16km stretch of road from Sao Vicente to Porto Moniz took 16 years to complete and was built entirely by hand! Porto Moniz has unusual rock pools, created by volcanic activity. In summer the sun warms the trapped sea water making them excellent places to swim or simply bask after a day's walking. When the weather is rougher, the waves crash dramatically over the seawall and it is hard to believe that the rock pools really exist! Today's 12.5km walk is expected to take around 5hrs.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 4 Follow levada paths to Florencas; drive to Paul do Mar

Today we head inland up to the 'Desert Plain' where we follow a levada path overlooking the fertile south coast. A unique feature of Madeira is its network of 'Levadas' - irrigation channels. Fed by natural streams and reservoirs, the network covers over 2000km. Along our route we see caves used by shepherds and may even have goats and cows along with us, as on this terrain they are allowed to roam freely. Our path takes us to Rabacal and then through a long tunnel to join another levada leading down to Florencas. The levada paths are often bright with flowers throughout the year thanks to Madeira's pleasant maritime climate. Hydrangeas and oleanders give the paths a blaze of colour: wild agapanthus and bird of paradise flowers can often be seen. This afternoon we drive to Paul do Mar, a small coastal town in the west of the island, that is our base for the next two nights. Today's 15km walk is expected to take around 5hrs.

Overnight: **Standard Hotel**
Single Room Available

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 5 Coastal views from Prazeres; descend to Paul do Mar

This morning we start with a drive to Faja da Ovelha. Walking along the new Calheta levada we walk through agricultural land (fruit, trees, herbs and flowers) to Prazeres. Prazeres translates as 'pleasure' and it is arguably one of the most picturesque places on Madeira. On the natural terrace there it is possible to relax and take in the views out along the coast. There is also the opportunity to take lunch in a local teahouse famous for its jams and garden. Later we descend down an ancient path to the sea - originally used

by fishermen and farmers, often laden down with goods. This cobbled path was laid by the villagers and was the only link between the village and the coast. It is now a scenic walk with waterfalls and flora endemic to this area and altitude. On reaching the coast we walk through Paul do Mar back to our hotel, where there is time to take a swim in the sea, relax in a local café or enjoy the hotel pool. Today's 11km walk is expected to take around 4hrs with a descent of -500m.

Overnight: **Standard Hotel**

 **Included Meals:** Breakfast

DAY 6 Walk to Pico de Ruivo, Madeira's highest point

Today's walk starts at Pico Arieiro (1862m). From here we follow the trail to the summit of Pico Ruivo (1862m), Madeira's highest point, where on a clear day we are rewarded with stunning views down over the island. This route includes walking part of the famous Balcony Walk. This walk can be more challenging than the previous walks, and there is one short, steep part involving secured ladders. However unlike previous walks there is a small mountain cafe just below the summit where we can take refreshments, which makes a welcome rest stop. From here we descend to Achada de Texeira (1542m) before returning by minibus to the island's capital. The old part of town has many restaurants where you can try Espada, a long flat fish unique to the waters around Madeira (and some islands in Japan). This fish has very large eyes and can live at depths below 800m. The Madeirans serve it with banana, which is a delicious combination! Perhaps the best way to spend the evening is on the harbour front, sampling a glass of the famous Madeira wine, enjoyed by many throughout the ages, including Sir Winston Churchill. Today's 11km walk is expected to take around 5.5hrs. *Please note that the walk from Pico Arieiro to Pico Ruivo can be closed in bad weather. In this case your tour leader will offer you the best alternative walk for the weather and the group.

Overnight: **Standard Hotel**

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 7 Free day in Funchal; optional dolphin and whale watching

Today there is a choice of activities from Funchal. You could take a half day cruise and try your luck searching for whales and dolphins. You may simply wish to take some time to stroll through Funchal, perhaps visiting the colourful market to see the displays of flowers and exotic fruit or nosing into the delightfully old-fashioned shops, maybe finishing the afternoon with tea at the venerable and atmospheric Reids Palace Hotel for a touch of turn of the century opulence. You may also wish to take the cable car up to the tropical gardens at Monte.

Climate

Portugal

Overall, spring, early summer and autumn are ideal times for a trip to Portugal - though the weather varies enormously from region to region. The northern high plains has both extremes, stiflingly hot in summer, bitterly cold and swept by freezing winds in winter. The Atlantic coast, in contrast, has a tendency to damp and mist, and a relatively brief, humid summer. The Mediterranean south is warm virtually all year round. The islands have very different weather patterns due to their positioning and can have sudden rain falls throughout the year so waterproofs are recommended even in the summer.

Madeira

Clothing

July and August are the warmest months, though the islands are freshened by cooling sea breezes. Waterproofs are essential at any time of the year, especially in March/April, as are gloves, a warm jacket/ jumper/fleece and hat for higher summits and evenings in addition, a daysac cover. A swimsuit is also recommended.

Equipment

We recommend a waterbottle, sunhat, sunscreen, sunglasses, towel for swimming, blister kits, strong torch (for tunnels) and trekking pole(s) for steep descents. A decent daysac is recommended.

On this trip we will have several picnic lunches so any equipment to assist in your preparations would be recommended. i.e Lunchbox and cutlery.

Footwear

Comfortable trainers or sandals for relaxing. Plastic sandals are useful if swimming off lava rocks.

Luggage: On Tour

One main piece of baggage and daypack. Remember you are expected to carry your own luggage so don't overload yourself.
