Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

Your trip itinerary

Tour itinerary notes

While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested.

DAY 1 Fly to Thailand

Depart the UK on your overnight flight to Bangkok.

Why Book this trip?

Although the climate varies within the country, Thailand is a good year round destination. For the bulk of the country the months from November to April offer pleasantly cool, dry conditions making it perfect for travel. On the southern peninsular the climate differs between the east and west coast. East coast beaches receive their warmest temperatures during our summer months, whilst the west coast enjoys their warm, dry conditions during our winter and spring.

 **Included Meals:** None

Today is at leisure. You may choose to take an optional snorkelling trip to the Similan Islands. Just one hour's boat journey from Khao Lak, the Similans are renowned for their underwater beauty, marine life and coral, not to mention the soft white-sand beaches. With reefs beginning only metres from the white sand beaches and a visibility of up to 30 m, the islands offer superb snorkelling.
