Spice Trails Of Petra

This walking tour covers some of the world's most magnificent historic and natural sites, including the rock-carved city of Petra and the breathtaking canyons of Wadi Rum. We follow in the footsteps of the ancient Nabateans as we walk along the old spice trails which connect Petra with the Mediterranean coast, and camp in Bedouin style tents. We also discover other reminders of Jordan's past when we visit the Roman city of Jerash and the imposing Crusader castle at Kerak.

Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

Accommodation Grade: Simple

No-frills accommodation which includes berths on sleeper trains, rooms in village houses, boat cabins, campsites, huts and simple family-run lodges, guesthouses and hotels. Sleeping arrangements are simple and amenities are adequate, sometimes with en suite facilities and occasionally communal.

Tour Style: Classic

Packed with adventure, these tours offer inspiring destinations and authentic travel experiences at a reasonable price. Using all kinds of transport and accommodation, we'll take you off the beaten track to discover the true heart of the people and places you visit.

Trek Grade: Moderate

For those who are fit and active, these moderate walks are normally on good paths and tracks at low altitude. Days may include some fairly demanding ascents and descents, so previous experience is preferable but not essential.

DAY 1 Join tour in Amman

Join tour today in Amman, the capital of Jordan.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** None

DAY 2 Walking in Wadi Rum

From Amman we immediately head south on the Desert Highway to Wadi Rum. On arrival we load our bags into vehicles which set off to deliver them to our nightstop whilst we walk through one of the most powerfully evocative places in the Middle East, to our campsite. The legend of Lawrence of Arabia and his Arab revolt lives strongly here and scenes from the famous film were shot here - deep in the fabulous purple-black and yellow mountains that rise from the sands of the desert. We generally arrive in the late afternoon as the hot desert sun starts to set, revealing an evening of incredibly clear skies studded with stars. The campsite we use presents the opportunity to experience traditional Bedouin living arrangements in a large communal style goat hair tent, which provides the best protection against typical desert extremes of hot and cold weather. The tent is laid out with rugs, mattresses, pillows and sleeping bags and is where each tribe would commune to eat, sleep and socialise. A toilet and wash block with limited washing facilities is also available during your stay. Today's 6.5km walk is expected to take around 2hrs with no noticeable ascent or descent.

Overnight: **Simple Camping**

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 3 Exploring Wadi Rum further on foot

We spend the next day exploring the beautiful desert area of Wadi Rum. Starting from our desert camp, we walk in the footsteps of the early Nabatean traders. Spices, silks and perfumes were once carried along this same route. We shall see their inscriptions and graffiti on the weathered pink granite mountains that we pass. The desert is another world, inhabited by the Bedouin people for generations. After an unforgettable day's trekking through this remarkable desert scenery of sculpted sandstone canyons and pristine dunes, we return to our camp and enjoy another night under the star-studded sky. Today's 17km walk is expected to take around 7hrs with 250m ascent and descent.

Overnight: **Simple Camping**

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 4 Petra; walking in the Rose Red City

After breakfast there is an optional camel ride through a landscape of sandstone canyons. Non-riders are welcome to walk with the riders - quite a moderate pace, given the speed at which camels walk - or transfer ahead by 4WD to the road. From Wadi Rum we drive northwards to Petra. Our luggage is taken to our campsite and we look forward to a day and a half of exploring this dazzling site on foot. We first enter via the twisting and colourful Siq gorge arriving at the famous Al-Khazneh (The Treasury), and continue through the heart of the ancient city before heading up to our campsite in the Wadi Shamassat. Today's 13km walk is expected to take around 5hrs with 200m ascent and 450m descent.

Overnight: **Simple Camping**

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 5 A further day exploring Petra and its surroundings

Today we head back to Petra to walk up to one of Petra's greatest monuments, Ad-Deir (The Monastery), set high above the city and almost hidden in the mountains. Following the 900 steps down into the heart of Petra, we hike to the High Place of Sacrifice. Here is a unique and unforgettable vantage point offering excellent views out over the whole city of Petra. Finally we descend into the site before returning to our camp. Today's 18km walk is expected to take around 7hrs with 850m total ascent and 800m total descent.

Overnight: **Simple Camping**

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 6 Hike to Little Petra; King's Highway to Madaba

We set out today along the Desert Highway before joining one of the oldest trade routes in the world, the King's Highway, up to the impressive Crusader Castle of Kerak, imposingly sited on a hilltop. Kerak became famous in the time of the Crusades as one of a chain of fortresses in the Holy War against Islam. The castle was built in 1132 by Baldwin of Jerusalem, a Crusader king. Later in the afternoon, we continue to the small, mainly Christian town of Madaba where we spend the night. (Please note that on some departures we will visit the Crusader castle of Shobak instead of Kerak.)

Overnight: **Standard Hotel**
Single Room Available

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 7 Visiting Mount Nebo, the Dead Sea and Jerash

Madaba is famous for its collection of extraordinary mosaics, including the Great Map of Palestine (6th century). Discovered in 1896, and only fragmentary, it contains a good picture of Jerusalem. From Jebel Neba (808m), better known as Mount Nebo - the point from which Moses saw the Promised Land - we descend to the lowest place on earth, the shimmering Dead Sea. Surrounded by barren hills, this unique water body has an amazingly high salt content (33%) that means no animal life survives and that it is almost impossible to sink. We end with a flourish as we finally drive northwards to ancient Jerash. Located in the Gilead Hills, it is considered to be the best-preserved city of the Decapolis, a confederation of ten Roman cities. One of the highlights of the Middle East, a triple arch gateway gives way to colonnaded streets, theatres, temples and baths. Particularly striking is the elegant forum - a fitting place to reflect on our exploration of this wonderful desert kingdom before we return to Amman.

DAY 8 Tour ends in Amman

This is basic camping but a wonderful chance to experience life in a Bedouin style tent with some of the most amazing backdrops to your nights' sleep.

Please note that some hotel swimming pools in Jordan may operate separate timetables for men and women.

International Departure Taxes

The Jordanian government levies on all travellers a departure tax of JD8.00 per person. Other Sightseeing & Activities

The following excursions and/or activities are usually available and may be arranged locally. Tipping - Tour Leader

At your discretion you might also consider tipping your Tour Leader in appreciation of the efficiency and service you receive.

Tipping - Local Crew

Local Crew: Although entirely voluntary, tipping is a recognised part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. Accordingly, you should allow approximately 28.00JD (Jordanian Dinar).

In order to make things easier for you, the Tour Leaders may organise a group's tips kitty and if this is the case, they will account for it throughout the tour.

Foreign Exchange

Jordan

ATM Availability: ATMs are widely available, but do not always work.

Credit Card Acceptance: In hotels and some larger shops/restaurants.

Travellers Cheques: Travellers Cheques, although still the safest way of carrying money, are difficult to cash in Jordan. There are high commission charges on Travellers Cheques on a per cheque basis so if using them we suggest you take high denomination cheques. Proof of purchase may be necessary for encashment of Travellers Cheques.

Local Currency: Jordanian Dinar

Recommended Currency for Exchange: Sterling and US\$ are widely accepted though exchange rates tend to favour the US\$. It is worth taking some money in cash. You may be able to order Dinars from your bank although the rate will usually be lower than purchasing currency in country.

Where to Exchange: Banks or 'Forex' offices in main towns/cities.

Walking Boots

Comfortable walking shoes or boots recommended.

Climate

Jordan

During April to November days are generally sunny and hot without rain with temperatures around 32°C. In spring and autumn evenings can be cool and night temperatures can drop suddenly especially in the desert. Expect cold nights in winter (December to February) when temperatures can drop to around 0 degrees. Some rain should also be expected at this time of year.

Clothing

Lightweight clothing is essential in mid-summer, with a sun-hat and neck protection, though a jumper and light jacket are advisable for Wadi Rum and Petra. Early mornings can be very cold when camping in the desert. Winters in Jordan can be cold, so please bring suitable warm clothing including warm sleepwear. We recommend a waterproof jacket in winter. Bring a swimsuit if you wish to swim in the Dead Sea. Women are advised not to wear shorts or dresses that are too revealing as this can attract unwelcome attention in the streets of Muslim towns - loose fitting trousers are ideal. Women should also cover their head and shoulders when entering a mosque and men should wear long trousers.

Equipment

Sleeping bags, blankets and mattresses are provided, but we suggest you bring your own sleeping sheet. A personal water bottle and a small torch are essential for the nights camping. Bring anti-bacterial hand wash, such as Travelproof's 'H2O-No' waterless hand scrub (available through Explore Trader catalogue); try to avoid anti-bacterial wipes as these can pose a disposal problem. Take walking poles if you normally use them.
